

# EVIL SPIRIT or HOLY SPIRIT: DECEPTION in the CHURCH

## PART ONE

There is such a hunger for the super natural today. The church is hungry for revival. People all over the world are hungry for supernatural power and they are seeking it so strongly. When power comes to you, will you know who the source of the power is? I was raised in a Pentecostal church. I know that all of the gifts of the Holy Spirit are still in operation today. I believe in raising my hands to praise and worship Jesus. I believe in speaking in tongues. I know God still touches His children with His presence.

Now, let's remember that everything God does, the devil tries to steal and imitate and deceive. He's a copy cat. For some time now there has been a move that has crept into the church that is not of God. It is being labeled as His Holy Spirit. When actually it is a deceiving spirit of the devil.

**Matt.24:24** – For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible they shall deceive the very elect.  
\*\*Has to look like the real thing to fool the elect.\*\*

**1 John 4:1** – Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

**Heb.5:14** – But strong meat belongeth to them that are of full age; even those who by reason of use have their senses exercised to **discern both good and evil.**

**Luke 24:45** – Then opened He their understanding, that they might understand the scriptures. PRAY THIS!! Ask for a spirit of discernment.

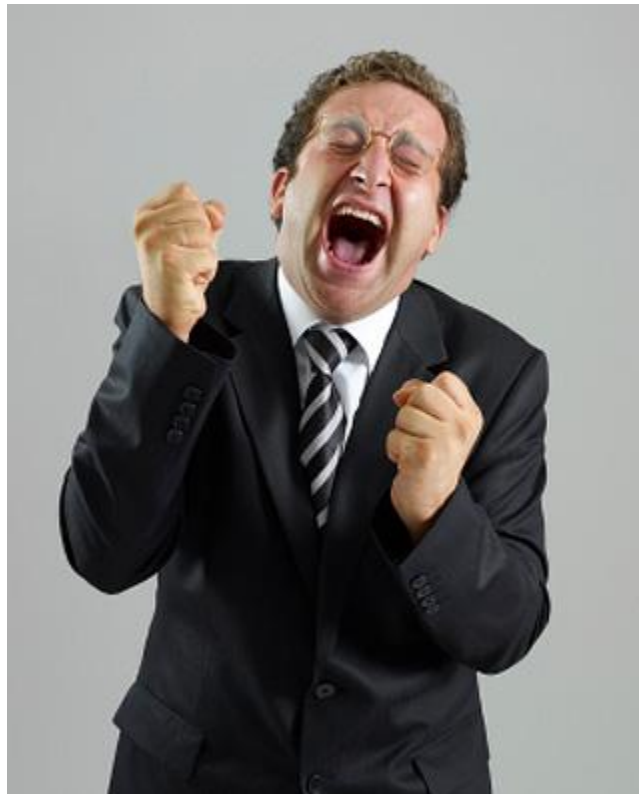

### **STRANGE MANIFESTATIONS – Slain in the Spirit – BUT WHAT SPIRIT???**

**Rev. 1:17** – **And when I saw Him, I fell at His feet as dead.** And He laid His right hand upon me, saying unto me, Fear not; I Am the First and the Last.

**Ezekiel 1:28,2:1** – As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell upon my face, and I heard a voice of One that spake. And He said unto me, Son of Man, stand upon thy feet, and I will speak unto thee.

There are many people that just like to draw attention to themselves and put on a show. We have all seen them. But just as the presence and power of God are real, the devil has a deceptive presence and power. There are people in the church who claim to be Christians when in fact they serve satan. They have even been in other countries to receive impartation of wicked and evil spirits and power and training. Many of them have brought it right into the church and pass it off as the Holy Spirit. People who are not studying their Word and are not truly walking with the Lord but yet are seeking power are quick to want this power or presence to come over them.

In my research I saw many different clips of famous leaders and pastors rolling around on the floor laughing uncontrollably. Many of them could not even stand up and preach any sort of message. I have included a clip of David Wilkerson <https://www.youtube.com/watch?v=dvoAGEZf-nl> speaking of a church that was doing great but the Pastor wanted the church to grow faster. So he went off to a revival – chasing more power and presence of God. Oh he got something alright and brought it right back to his church. When he came back he got up to preach and just started laughing for 30 minutes.

The same thing happened for 3 months and he said it was a new move of the Holy Spirit.

I wasn't even there, don't even know who this was. But I can tell you this, that is not the Holy Spirit and not of God. The devil wants to shut the gospel message down so that people do not get saved. He shut that church down for 3 mos. No message was preached.

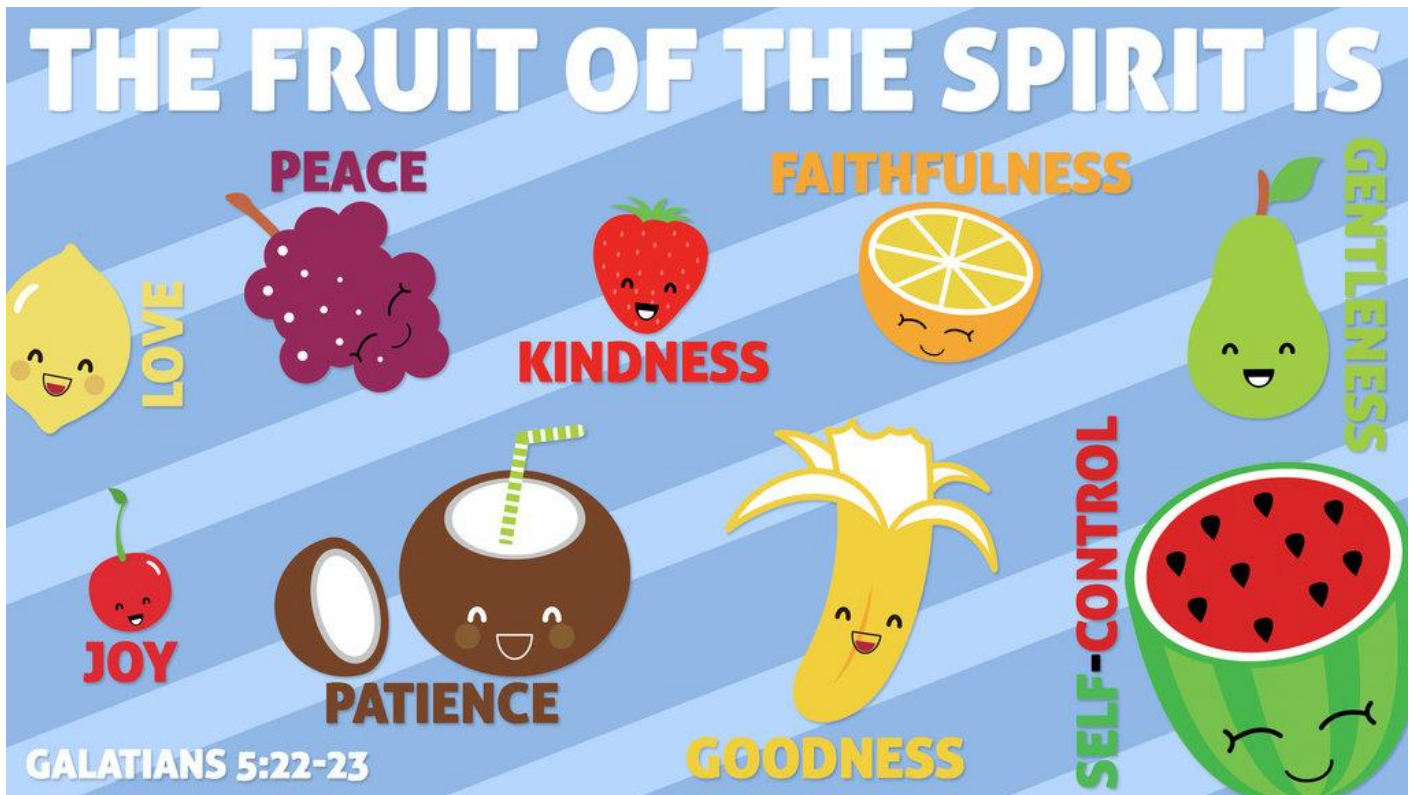

To discern if that was the Lord, take it to the Word of God. I do not see any instances of Jesus and the disciples just sitting there laughing for 30 mins while everyone else waited and wondered what was so funny. I do not see Jesus standing up in the synagogues just laughing. No stories about people just rolling around uncontrollably laughing. So many people want to feel this laughing uncontrollably sensation that they are willing to chase after it. They don't care if no message gets preached, they just want to feel good and laugh. But what does the Word of God say about something like that?

**II Tim.4:2** – Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine.

**Mark 16:15-18** – And He said unto them, Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. And these signs shall follow them that believe; In My name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

How can you do any of those things if you are just laughing hysterically week after week for months??? You certainly are not disciplining anyone, and no one can hear the good news of the gospel that Christ died and rose again and that we can have the free gift of salvation if you are just laughing and laughing. God is a God of order. **I Cor.14:33** – For God is not the author of confusion, but of peace, as in all churches of the saints. Just like we know God will not cause someone to disrupt the service while His preacher is preaching, He will also not pour out His Spirit in such a way as to cause confusion. In the services I saw, there was a massive crowd and only the men close to the front who knew each other were rolling around laughing and in other videos some in the front were laughing. Everyone else was just watching.

**Gal.5:22-23** – But the fruit of the Spirit is love, joy, peace,

longsuffering, gentleness, goodness, faith, meekness, **temperance (self control)**: against such there is no law.

Is this what we've come to? We just want to feel good and laugh in church? I saw chairs being kicked and turned over, microphones being pulled down, people rolling on top of each other, the preacher not being able to talk for laughing. I saw people jerking on the floor in unnatural ways, ways that looked demonic. I saw head jerks that looked painful that were happening over and over and over. The speaker was yelling and repeating the same thing over and over and over and on another video I saw people all of a sudden look drunk and just slide down out of their chair while the speaker laughed uncontrollably. We must discern the spirits. The Holy Spirit is gentle.

We've heard of moves of the Holy Spirit like in Acts chapter 2. If you read that chapter you will find that the main group of people questioning what was happening did not think they were drunk, it was only mockers who said that.

Mockers are the ones who are not plugged in at all to things of God.

**I Cor.14:40** – Let all things be done decently and in order.

I saw some people acting like they were smoking lines out of the Bible (as if it was cocaine or a drug) and acting like they were smoking a wooden cross all under the heading of church. I assure you this is an abomination to God. They said this was called “ekstasis” – which means you go outside your mind and release yourself into abandoned worship of God. They say to put the Word away because the music is going inside you and you don’t need the Word, it is part of you. Others said put it away, it isn’t speaking to you. Another definition of ekstasis was to become one with everything and move beyond ones self. If you don’t know what new age is, that is exactly what all of this garbage is. Jumping up and down to rock sounding music trying to open your mind and become one with everything in the room is opening yourself up to satan and allowing demons to come right in. He knows you are deceived when you are seeking this kind of move or feeling or power. They had dance workshops to teach people how to do this. They said you were bringing the power back to yourselves, the penitive rhythms with your mind, body and soul drives the music into you.

**1 Pet.5:8** – Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

**Pastor Erustus Museve shared some insight:**

“Many preachers to win crowds for posterity , fame and money and many members in church have resolved to seek satanic powers - occult , witchcraft , sorcery, free mason all in the name of looking for powers to win people and money. So saddening that preachers do not want to seek God to be anointed and empowered by the Holy Spirit as Jesus promised in Acts 1 : 8. Many are greedy, not called , their God is their own stomachs , some are agents of the devil ( sheep in wolves skin) , false prophets , teachers; Preaching and causing people to fall is not a mark that you are a servant of God. People do not want to pay the price, live a holy life, live a prayerful life and depend on the power of the Holy Spirit and true word of God.” – Pastor Erustus

**KUNDALINI – Hinduism in Christian Churches**

Let’s take a look at something that closely resembles what is happening in many churches. Have you ever heard of Kundalini? I heard of this I think sometime last year when I was researching yoga. Yoga in any form is demonic. I know some now say, oh I do “Christian” yoga. Yeah, that is demonic too because it is still yoga. It means "coiled one", in yogic theory, is a primal energy , or shakti , located at the base of the spine. **Kundalini** yoga is a mystical practice that was brought to the US in the late 1960s. **Kundalini** has its own methodology and poses, with an emphasis on breathing exercises. The dormant, divine Evolutionary Force that enlightens and bestows immortality when activated.

"Kundalinî: 'She who is coiled; serpent power.' The primordial cosmic energy in every individual which eventually, through the practice of yoga, rises up the sushumnâ nâdî. As it rises, the kunalinî awakens each successive chakra. Nirvikalpa samâdhi, enlightenment, comes as it pierces through the door of Brahman at the core of the sahasrâra and enters!"

*Hinduism Today*

"The Kundalini is your own mother. Your individual mother. And She has tape-recorded all your past and your aspirations, everything. And She rises because She wants to give you your second birth, but She is your individual mother. You don't share Her with anybody else. Yours is different, somebody else's is different because the tape-recording is different. We

say She is the reflection of the Adi Shakti who is called as Holy Ghost in the Bible. But She rises without any difficulty. Hardly any time it takes." — Shri Mataji

Doing Kundalini or Opening the "Third Eye"

Jesus answered and said unto him, Verily, verily I say unto thee, except a man be born again, he cannot see the Kingdom of God... Jesus answered, Verily, verily, I say unto thee, except a man born of water and the Spirit, he cannot enter into the Kingdom of God. That which is born of flesh is flesh, and that which is born of Spirit is spirit." John 3:5-7 "Many scholars have long seen the correlation with what the East calls, chi, kundalini or prana, and the Holy Spirit. Chi, kundalini, or prana are all words for the subtle energies in the body, and are all seen as manifestations of Shakti, or the Goddess (or Divine Mother). The Holy Spirit is the subtle force that connects us to the universe and gives us life, which is the definition of Chi, kundalini or prana (along with other terms). When we say that the union of Shiva (Divine Father) and Shakti (Divine Mother) is the whole of creation, we are also saying that the union of the Father and Holy Spirit is the whole of God... Thus, we have

a working cosmology that both Eastern and Western religious traditions agree on." (Christopher. 2002)

Kundalini is a psycho-spiritual energy, the energy of the consciousness, which is thought to reside within the sleeping body, and is aroused either through spiritual discipline or spontaneously to bring new states of consciousness, including mystical illumination. *Kundalini* is Sanskrit for "snake" or "serpent power," so-called because it is believed to lie like a serpent in the root [chakra](#) at the base of the spine. In Tantra Yoga kundalini is an aspect of Shakti, the divine female energy and consort of Shiva.(see also [Tantrism](#))

The power of kundalini is said to be enormous. Those having experienced it claim it to be indescribable. The phenomena associated with it varies from bizarre physical sensations and movements, pain, clairvoyance, visions, brilliant lights, superlucidity, psychical powers, ecstasy, bliss, and transcendence of self. Kundalini has been described as liquid fire and liquid light.

However, an examination of mystical literature and traditions showed that kundalini, called by various names, seems to have been a universal phenomenon in esoteric teachings for perhaps three thousand years. Kundalini-type descriptions or experiences are found in esoteric teachings of the Egyptians, Tibetans, Chinese, some Native Americans, and the !Kung bushmen of Africa. Kundalini has been interpreted from the Bible as "the solar principle in man," and is referenced in the Koran, the works of Plato and other Greek philosophers, [alchemical](#) tracts (the [philosopher's stone](#)), and in Hermetic, [Kabbalistic](#), Rosicrucian, and Masonic writings.

There has been an awakening of kundalini knowledge among the Western populations since the 1970s because of two major reasons: **more people who are trained in the spiritual disciplines are likely to release the energy**, and the increased number of people that are aware of kundalini are more likely to recognize its symptoms or benefits.

Notice the two snakes wrapped going up the spine – just like the symbol for medicine.

It is said that kundalini opens new pathways in the nervous system; the pain associated with this apparently is due to the nervous system's inability to immediately cope with the energy. Yogis assert that the body must be properly attuned for kundalini through yoga, and that a premature or explosive awakening can cause insanity or death.

One notable characteristic of these lesser awakenings is that the individual thinks, acts, and feels remarkably different. Symptoms may involve involuntary and spasmodic body movements and postures; pain; abnormal breathing patterns; paralysis; tickling itching; vibrating sensations; hot and cold sensations; inner sounds, such as roaring, whistling, and

chirping; insomnia; hypersensitivity to environment; unusual or extremes of emotions; intensified sex drive; distortion of thought processes; detachment; disassociation; sensations of physical expansion; and out-of-body experiences (OBEs).

Such experienced awakenings are difficult to definitely define though because scientific research of kundalini energy is still in its embryonic stages, little is known of the energy's nonphysical nature, and **many of its symptoms are similar to those associated with mental disturbances and stress.**

You will notice in these churches that when they play music they have a congo type of beat going on the drums because they believe drums and other instruments carry anointing and that it is transferrable. The jumping and the music is tribal like in Hindu worship.

Closing:

If we will do our part in truly seeking Him through worship and praise and prayer and reading His Word, He will reveal His hidden mysteries to us. (Jeremiah 33:3) He will give us our hearts desire when we delight in Him. (Psalm 37:4) There are no shortcuts to Him, you must put in the effort for your own relationship. If you don't study His Word, you will be deceived and you will have no excuse for why you believed a lie as you stand before Him in judgment.
