

SATAN in YOUR KIDS MEAL

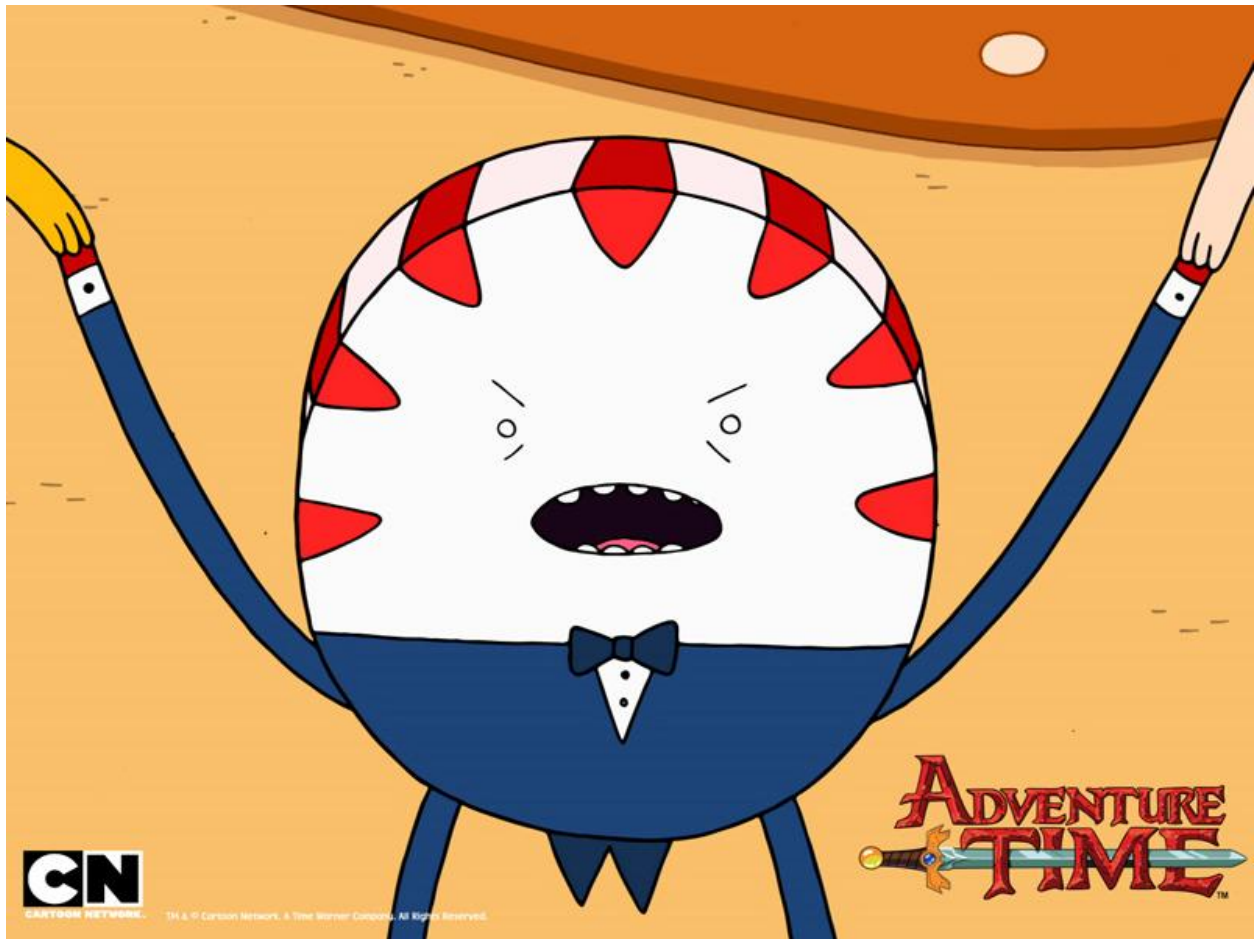

This is a cartoon series. It has also been given out in kids meals.

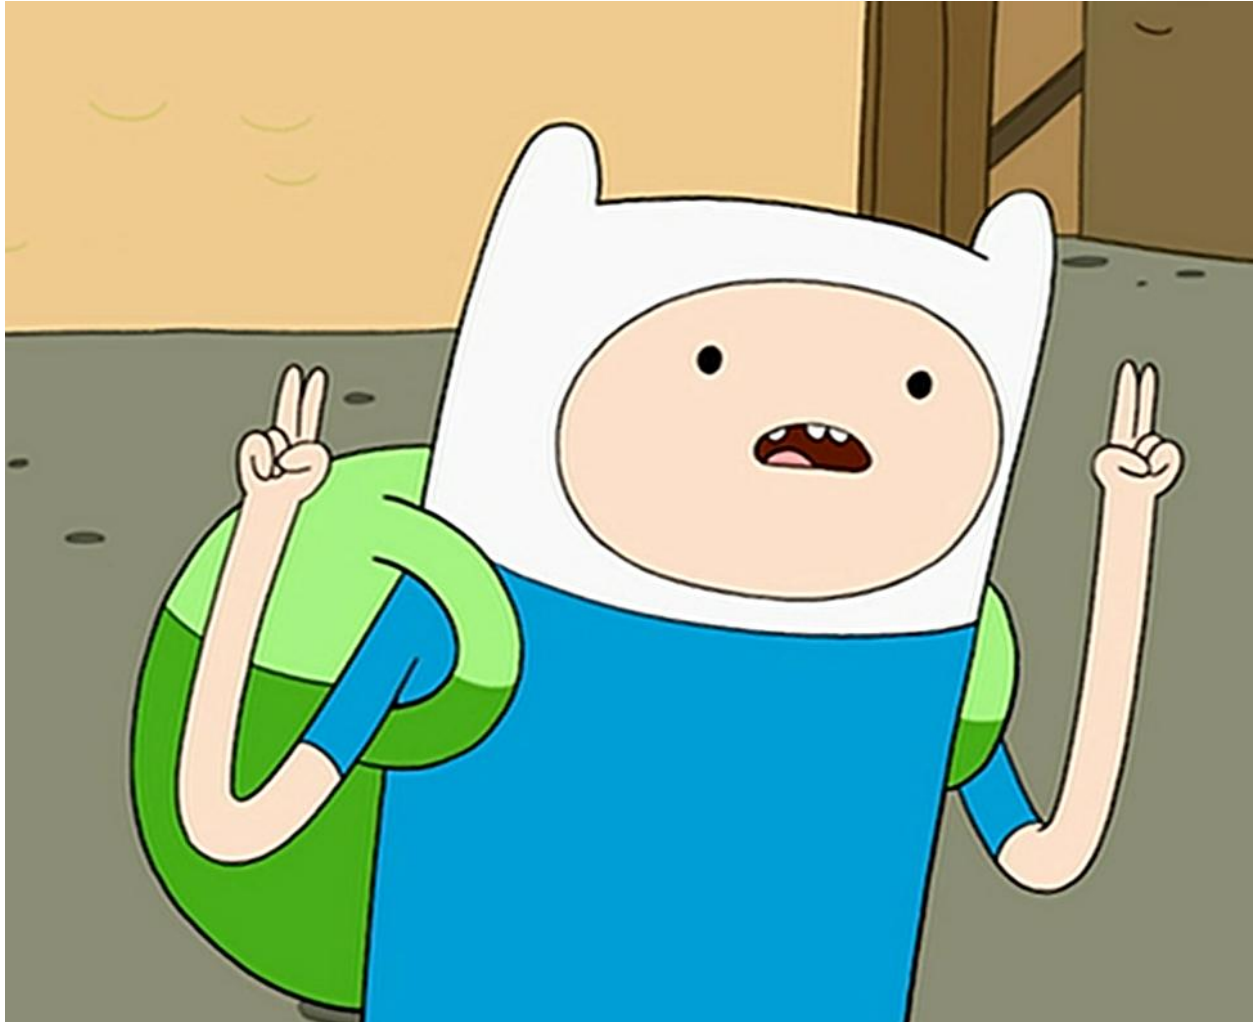

This is Rainicorn. It is a magical unicorn. And God is against all types of magic!!!

Can you see it acting like a snake? Remember snakes always represent satan.

Peppermint Butler, he's involved with dark magic. Magic is not good, it is not holy. God wants us to be holy like Him.

Finn the Human – was abandoned in the woods and raised by dogs. For a long time he didn't know he was human. **This is just like the story of Romulus and Remus, the founders of Rome, being raised by wolves.**

****This is just like the story of Romulus and Remus, the founders of Rome, being raised by wolves.****

Mom saw wizards, demons, skeletons, third eyes, magic, zombies, witches and more in this cartoon series.

Teen Titans Go: Top left: Raven pen, Titan water bottle, Cyborg, Beast Boy matching card game - in green, and Robin in Red like flames.

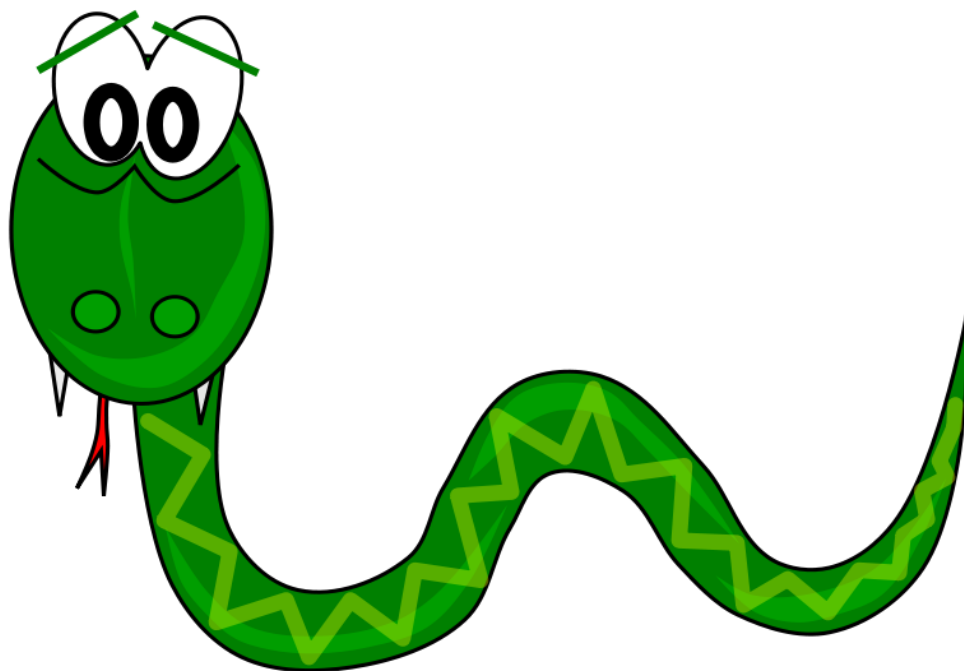

Every card in the beast boy card game has animals and their eyes are all white – blank and this represents being possessed. The “goat” card in the set has normal eyes. The goat always represents satan.

The illuminati like to poke fun at the Bible. Beast in the Bible speaks of the anti-christ and the system that he brings in. You can see his color, green represents slime and demons. The ears are shaped like elf ears which are like imps in satan's kingdom which are demons. Part boy and part beast is nephilim who were born from fallen angels mating with women.

Here is beast boy, who is like the antichrist who is the beast in Revelation. The antichrist is given his power by satan. Snakes always represent satan, see him holding the snake?? This is a picture of satan and the antichrist.

Snakes always represent satan.

Dragons always represent satan.

Scorpions always represent satan. Just because something has a smile on its face does not make it good. If a snake smiles it doesn't mean he won't bite you. satan is the same way, even if he smiles, he only wants to hurt you or kill you.

**TEEN

STARFIRE

BLACKFIRE

Starfire is an alien (demon) princess from a distant world. Blackfire is her older sister. Notice the animal hooves??

This is a transhuman. The illuminati want to mess up what God created and mix us with machines to control us and hurt us. The red eye is subliminal for a demon – demons are usually depicted with red eyes.

Jesus did make some animals with red eyes, but not people.

The totally white eyes represent possession by satan.

Parents, always check your kids toys and if Jesus would not approve, then don't accept them or throw them in the trash.

Kids, if your mom and dad don't look at your toys, then you do it. Don't keep these kind of toys – throw them away! These toys can cause you to have bad dreams and cause you to be mean. God will reward you in heaven for getting rid of things that don't please Him.

You will lay up treasure in heaven for living holy!!!

Matthew 6:20 - But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

Hebrews 11:6 - But without faith *it is* impossible to please Him: for he that cometh to God must believe that He is, and *that* He is a rewarder of them that diligently seek Him.

Be a witness to your friends of how to live for God by not being tricked by satan with these bad toys.
