

MANDELA EFFECT – Part Three

There are people saying they cannot subscribe to our youtube channel. There are comments that are deleted and some of you I can't respond to. They mess with the numbers and run interference. Satan in the school and this message are two of the hardest hit messages by trolls.

****Please play this clip - Former President George W. Bush says Mandela is dead in 2007*****

https://www.youtube.com/watch?v=3sJ_lOgXuH8

Bush standing in front of the Presidential seal so this would be before 2008 when Obama took office.

I am standing here as a watchman sounding the alarm. I don't have all the answers, but I will share what I believe God has led me to in researching all of this. There are people saying that if they went back in time and changed something then we wouldn't remember because we would only know the changed way or the new way and would not remember the old because it would have changed all that we know seamlessly. There are those that say they can do that but not change our memories. We don't seem to be able to nail down the exact time frame that they began changing things either. Just be happy that you are aware of what is going on, because many are still in the dark. I have seen a few ministers that are denying that this has happened. They are doing those that follow their ministries a great disservice by ignoring this. This should only give you a sense of urgency to cling to Jesus all the more. There are people that are saying that those that are bringing this out are blaspheming God's Word. Because God said He would preserve His Word.

Psalms 119:89 – For ever, O LORD, Thy Word is settled in heaven.

Psalms 12:6-7 – The Words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, Thou shalt preserve them from this generation for ever.

Matt.24:35 - Heaven and earth shall pass away, but My words shall not pass away.

Just because this book changes, does that mean that God's Word has passed away? Does it mean His Word has changed? NO!!!

John 1:1- 5, 14 – In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by Him; and without Him was not anything made that was made. In Him was life; and the life was the light of men. And the light shineth in the darkness; and the darkness comprehended it not.

14. And the Word was made flesh, and dwelt among us, (and we beheld His glory, the glory as of the Only Begotten of the Father,) full of grace and truth.

Remember God's Word is alive: Jesus is alive, He rose on the 3d day!

Heb.4:12 – For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discernor of the thoughts and intents of the heart.

Rev.1:16 – And He had in His right hand seven stars: and out of His mouth went a sharp twoedged sword (His Word): and His countenance was as the sun shineth in His strength.

Rev. 19:15a – And out of His mouth goeth a sharp sword, that with it He should smite the nations: ...

How did Noah know God? How did Abraham know God? How did Moses know God? He talked to them and they to Him, they spent time together. This is still the same today. It has been a blessing to have His written Word even though it is a translation and not the original, it has been very close to the original text. We can study and learn by it and come to know Him better by it and teach by it. But without it, it does not or should not diminish our relationship with Him. satan has come against God's Word from the very beginning.

Gen. 3:1 – Now the serpent was more subtle than any beast of the field which the LORD God had made. And he said unto the woman, yea, hath God said, ????

coming at His Word Ye shall not eat of every tree of the garden?

Some are attacking and saying I am telling people to just trust your brain. No I am not saying that. We have to trust Jesus and know that His Holy Spirit is our Teacher and He will continue to lead and guide us through these dark times.

Right now based on the changes that I've seen, I don't feel that it has changed so drastically that we can't still read and study it. Now there may come a time when we realize that it has been changed to the point that we can't refer to it but only to Him. For those pastors who are not bringing this to their congregation's attention, I wonder what will they do when the Bible is changed to say Holy Spirit is female, or when it says that it is ok to take the mark of the beast, or when enough confusion is mixed up to seem that Jesus and the antichrist are the same person or that the antichrist is a good thing. Maybe it will change to the point that homosexuality is accepted and there is no judgment. Then what? Are you going to just keep saying adamantly that God's Word written on paper cannot be changed? God Himself told us there'd be a famine of His Word. How do you think that was supposed to happen? God moves the way He chooses, not as man thinks. I believe we are seeing the beginning stages of that famine.

This also goes well for atheists and those that hate the Bible to now say, we can't trust it, it is contaminated.

Zechariah 13:7 - Awake, O sword, against My Shepherd, and against the Man *that is My Fellow*, saith the LORD of hosts: smite the Shepherd, and the sheep shall be scattered: and I will turn Mine hand upon the little ones.

Isn't this a blow against the church? I see the church scrambling and being divided more and more by satan's tactics. Are we not strong enough to survive an attack on God's Word? What kind of soldiers are we if we fall at the first strike? Do you really think the people who are doing this are only changing worldly things? They are occultist and opposed to God in every way. God has held this

back all this time. Now He is allowing this to happen, can't you see that He is showing us the TIME, the SEASON????

1 Thess.5:1-7 – But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the Day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye, brethren are not in darkness, that that day should overtake you as a thief. Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness. Therefore let us not sleep, as do others; but let us watch and be sober. For they that sleep sleep in the night; and they that be drunken are drunken in the night.

Some believe the Day of the Lord is one actual 24 hour day in which the Lord returns (as in His 2nd coming). I can see the Day of the Lord talked about in scripture as that, but also as a period of time. To me this passage doesn't make sense if you say it is His 2nd coming. The world is in a state of turmoil, having God's wrath poured out on it. Why would they be saying peace and safety when there is no peace during the tribulation or at the time of His second coming either. There will not be a time of peace in Israel just at the time Messiah is returning. He's coming to fight Armageddon so that is not peaceful. **Peace and safety: no disruption of their plans.** Also, Paul's audience here are believers in Christ. He taught the rapture to them. So they are believing Jews and would not be present on the earth at the time of the 2nd coming. So why would Paul say that you brethren are not in darkness that that day should overtake you as a thief. They know that they will be caught away and so it only makes sense to understand also that, that is why Paul says let us not sleep like them but to watch and be sober. This matches

Luke 21:36 - Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Food for thought: This could also be another way to cover up the rapture. Since we are noticing changes already, how easy will it be to explain now that people are gone because of the shift. Or merging of dimensions? Or that we evolved? Now that these changes are being seen and understood, wouldn't it be easy to go a step further after the rapture and say it is just more of the "evolving" process happening with the merging of dimensions?

Right now you might feel like we are living in a matrix. It seems like we are seeing our reality change while we are still in it. Some aren't even aware and haven't noticed anything. We are in the same dimension, on the same earth right where God placed us.

Dr. Phil, in his book *"Life Strategies: Doing What Works, Doing What Matters,"* has stated a life law: This is # 6, **There is no reality, only perception.**

That is total new age and who is one of his best friends?

Oprah, holding the new age bible – the secret.

There is a guy online referring to the ones of us that remember things the older way as “Old Earthers.” See that division coming? Remember a few messages ago when I talked about the Pre humans against the post humans? Only instead of it just being about memories, it will be genetic makeup, hybrids and part man part machine will be the post humans.

Shout out to Nicole for bringing Prince to my attention. He did try to get some truth out there.

Prince. They changed his song “Let’s go Crazy” – the lyrics used to say: Dearly beloved we are gathered here today to celebrate this thing called life.

Now it says: Dearly beloved we are gathered here today to get through this thing called life.

Please play this clip – Prince speaks about chemtrails and 8 presidents before George Washington. Uhh, we all thought George Washington was the first – wow.

The only way to really get through all these lies is with Jesus Christ. The deception is already so thick.

NIKOLA TESLA

I listened to a man that is about 70 years old and he claimed that he had studied everything Tesla ever wrote. He had performed many of his experiments and went on to work for the Atomic Energy Commission. He said that Tesla was right and that what we are seeing and experiencing is the merging of dimensions 1 & 2 through CERN.

This man had invented a motor that ran for 5 years straight with no power being run to it. Bill Brockbader spoke about this too how free energy exist but the elite have suppressed it and kept it from us.

He spoke of many dimensions and that he personally had seen 10 dimensions and couldn't see anything past the 10th. Tesla had gone up to the 24th dimension and couldn't find anything. Tesla was a new ager and this opens the door for this type of thinking and exploration that is not of God.

The Bible speaks of 3 heavens and we know there are three because of what Paul said:

2 Cor. 12:2 - I knew a man in Christ above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: God knoweth;) such an one caught up to the third heaven.

We know there is a hell, an abyss, also outer darkness is spoken of:

Matt.22:13 - Then said the king to the servants, Bind him hand and foot, and take him away, and cast *him* into outer darkness; there shall be weeping and gnashing of teeth.

<https://www.youtube.com/watch?v=0O4ygV2b1Dw>

He said the 2nd dimension is very close to our dimension. But he said the 4th and 5th dimensions and possibly the 6th dimension is controlled by satan. He didn't like seeing into those dimensions as they were so evil. He said you do not want

the things in the 3rd and 4th dimension brought here. It would cause world wide panic and would probably end the world. He stated that everyone working at CERN are atheists and they are having some success at merging the 1st and 2nd dimensions. Remember that when they crank CERN up that in Switzerland and the surrounding areas the demonic manifestations are increasing.

****Please play from 1:19 – 1:38 Tom Horn about Cern opening up the pit****

<https://www.youtube.com/watch?v=nOxEPERN2Gg>

We have to remember that these people have given themselves over to satan and are working with the demonic and are purposely trying to go against God. These people that we think are so highly educated yet they lack the truth of this world Who is Jesus Christ.

Psalms 14:1 - The fool hath said in his heart, *There is no God*. They are corrupt, they have done abominable works, *there is none that doeth good*.

Tesla said that each dimension is more powerful than the one below it, so if a merge happens, the higher dimension takes over. He said this is what is happening right now.

God is the revealer of secrets, HE holds all knowledge and wisdom as He created the universe.

He said things have been changing but most people will hardly even notice these little changes. He spoke about the elites and how they believe they are going to become immortal by becoming a transhuman artificial intelligence organic computer long-term. He said if they open up the 3rd dimension, all hell will break loose and no one will be able to stop or control what happens. He said if they go into the 4th & 5th dimension you can just write this planet off and that is satan's goals. He states that Tesla was murdered by fire, but yet all of his papers survived in tact. He said he read them in the basement of a locked, very well guarded facility many years later. Tesla knew about anti-gravity, limitless free energy, time travel, bending space and time permitting space travel to the ends of the universe and so much more. **Online the story is that Tesla died of a heartattack.**

** He states he is a Christian, however, I question his walk. He kept talking about them letting satan in and then him ruling this world. He won't be thrown down to the earth until Revelation ch. 12 by Michael the arch angel. The Bible says that satan is the god of this world already. In reading the comments under his video, I found that he stated we don't give the "ancients" the credit they deserve. RED FLAG – that's fallen angels/aliens. Also, he says that 98% of the people have been here since eternity. The Bible doesn't say that. He said the "beings" that the shadow government is working with, he doesn't know if they are good or bad. BAD, AS THEY ARE FALLEN ANGELS AND DEMONS. He did state that there are underground cities and they are mixed with earthlings. That they have cross bred and they are among us. He stated that they/the elite have tried to kill him out on I-70 W. of Denver. The hit man disguised as a Colorado patrolman lost and he survived. He was told they killed the "hit man" a month later for messing up.

This is such a good video, Paul brings out how they are using quantum computers along with their facilities like CERN to bring about these changes we are noticing.

Just to show you in simple terms some of what they are doing right now with CERN and their quantum computers, let's take a look at this clip:

****Please play from 1:05:47 – 1:06:52 – two dimensions at the same time – connected.****

Them trying to pull other dimensions into this dimension or merge them, reminded me of this passage.

John 10:1 - Verily, verily, I say unto you, He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber.

Aren't they trying to get to God? Remember this technology is fallen angel technology and we were never supposed to have it. It has not been used for good, at least not the majority of it anyway. They are using it to harm and kill us more than anything.

This also reminds me of the tower of Babel, they were not trying to reach God to worship Him, they were in defiance, rebelling. He confused their languages and stopped what they were trying to do. To me this is another "tower of Babel" situation. Here we are trying to reach heaven and have eternal life, but not by God's hand.

Listening to Paul's video, I just see God all through this. About the particles being everywhere at the same time yet being one particle – I see God there.

Correction to part one: Cern began in 1954 and looks like the first experiment on record was almost 20 years later in 1973.

Cern is doing highly advanced experiments looking for other dimensions and opening portals to bring other dimensions into our dimension. They are messing with dark matter.

He has taken such a beat down on this subject. He's been called all sorts of things and yet He is a watchman on the wall. He must talk with his hands because I also heard that he'd been getting a beat down saying he was a witch and all sorts of stuff just like I do because I talk with my hands. Satan doesn't like the truth.

People have been speculating, are we living inside a hologram? Is this time loops? The ultimate question is what do we do?

As Christians, we know the answer is Jesus Christ. We must come to Him because these are all signs that time is running out. God's Word always comes to pass and it is for a set time. Nothing they do can change His Word or His timing. His Word says Jesus Christ will return for His bride and it says that He will return for the 2nd time at the end of the tribulation period. He took all of our sins on His own body and died on that cross and rose again the 3rd day and He lives right now. DO YOU KNOW HIM??? Do you know His Word? To see the King James Bible being changed right in our own homes should give you a sense of urgency to know how

dark and evil the time is and how close we are to the return of our Bridegroom. Are you blowing the trumpet and telling your family and friends???

Do you need man to teach or guide you? No.

John 14:26 - But the Comforter, *which* is the Holy Ghost, whom the Father will send in My name, He shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

We need fellowship with like minded believers and there is power in numbers – more power when we pray in agreement. Those that are new Christians or just now coming back to God, don't be scared. Ask Him to show you the way and to teach you His pure Word and not to let you be deceived, to place His Word in your heart.

2 Thess. 2:9 -12 – Read this passage. the antichrist will come with power and lying signs and wonders - **ARE YOU DECEIVED ALREADY???** Vince was asking this same question. Those that are plugging their ears to this and closing their eyes to this – aren't they deceived already???

When you have a personal intimate relationship with Jesus, you don't have to worry about them changing His Word on pages in a book. As "Miss Sippy Talker" said, you don't need a book, you need to know God personally.

What you need above all else is to know Him. It's nice to have His written Word, but now is the time to be sure you know Him and you hear His voice. Jesus said My sheep hear My voice. DO you hear Him??

Isaiah 55:6 - Seek ye the LORD while He may be found, call ye upon Him while He is near:
