

# MANDELA EFFECT – Part Four and PULSE

Thank you Mrs. Theresa for sharing a great video breakdown on “Happy” @ Cern.

## SOPHIA – COSMIC CONVERGENCE – Thank you Ms. Linda

Experiencing Sophia, the Mother of All, is so powerful that you once *held a reality* that “life **IS** a box of chocolates,” just to find out that **that was a past reality** so that now you nostalgically proclaim that life in the previous reality **WAS a box of chocolates**. Sophia is beyond time and space and is showing you that you are, too.

Just go to any creation story from any religion or myth and read it again, knowing that Sophia, in one feminine form or another, was already there before creation.

Once you have heard the truth you will read the creation story with a new light and you will clearly see She was there all along. Your consciousness will be permanently changed and all of your memories that go back to the first time you heard those stories will change in an instant. **Time and space will change the past and rewrite the circuits of memory connected to the present.**

Hagia Sophia aka Maria-Sophia Mother of Humanity Mother of God. This is not Mary and Jesus, this is Asharah (semiramis, isis, Ishtar, queen of heaven –, she is ABOMINATION to God, also known as Astarte, or Ashtoreth – in our Bibles as asherah poles and groves which God commanded to be cut down!!! & tammuz the demon baby of Nimrod and Ashtoreth.

**Exodus 34:12-13** – Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee: But ye shall destroy their altars, break their images and cut down their groves:

Groves – Strong's 842: Asherah or Astarte a Phoenician goddess; also an image of the same: - grove. A feminine noun which signifies the Canaanite fertility goddess believed to be the consort of baal. Because of this association, the worship of baal and asherah was often linked together.

**Jeremiah 7:18** - The children gather wood, and the fathers kindle the fire, and the women knead their dough, to make cakes to the queen of heaven and to pour out drink offerings unto other gods, that they may provoke Me to anger.

**Jeremiah 44:19** – And when we burned incense to the queen of heaven, and poured out drink offerings unto her, did we make her cakes to worship her, and pour out drink offerings unto her, without our men?

**Ezekiel 8:14-15** – Then He brought me to the door of the gate of the LORD'S house which was toward the north; and, behold, there sat women weeping for tammuz. Then He said to me, O son of man? Turn thee yet again, and thou shalt see greater ABOMINATIONS than these.

**\*\*This is trying to inject a "mother" into the situation. There ain't no mother!!! And alluding to a feminine deity that existed as eternal.\*\***

Remember Nimrod, Asherah and Tammuz are the false trinity.

# SEMIRAMIS

THE MOTHER AND WIFE OF NIMROD/BAAL. SHE WAS CALLED "ISHTAR"  
(PRONOUNCED EASTER/EASTRE IN ENGLISH. ASTARTE. ASHTAROTH  
AND ISIS ( EGYPT), NOW MARY (CATHOLIC CHURCH)

The sun represents nimrod/baal, the moon represents ashareh/queen of heaven, and the eye in the middle is tammuz/horus

**The Sophia Effect takes us from the limited existence of ordinary 3D space and 4D time and we ASCEND into the realm beyond time and space—5D.** This is the SOPHIA EFFECT. You will begin to notice more and more of these matrix conundrums being solved as you step across the threshold between the physical and spiritual into Her world. You see, the Mayans were correct. Ordinary time and space ended on December 21, 2012. We are all now in an existence which has a higher vibration above the galactic mid-point. Our entire solar system has become more luminous and highly charged with ionic bombardment. Time has sped up and matter is beginning to disintegrate due to weaknesses in the earth's gravity fields. This is the process of ASCENSION. When the Mayans said that

December 21, 2012 was the end of time, **perhaps it was the end of time as we know it.**

It is the Mother of All, Sophia, who holds our hands and guides us to a place outside of our limited 3D-4D world across the threshold of time and space. Sophia speaks to us from the realm of 5D which is a place of sacred magic, miracles, ease, synchronicities, coincidence, flow, healing, and abundance. Because She is a Being beyond time and space, as are all the spiritual hierarchy, She can lead us to our new home on this path of ascension.

Goddess Athena Sophia Virgin Mary Fall Equinox. Look familiar? Catholic church welcomed in paganism and just changed the names of the statues to Mary and Jesus, from zeus to Peter etc.

As Douglas and I write about extensively in *The Gospel of Sophia* trilogy and our other articles, books, and posts, this is the ascension we have been waiting for.

**We are Gabriel and we blow this horn of awakening to announce the arrival of a new age that masters the limits of time and space.**

**Luke 1:19** - And the angel answering said unto him, I am Gabriel, that stand in the presence of God; and am sent to speak unto thee, and to shew thee these glad tidings. **\*\*Gabriel is a holy angel – not some people writing this article!\*\***

The Satya Yuga, age of light, is here. This is unlike any 3D or 4D experience you have ever had. To fully receive Her 5D revelations, it would be best to let go of *fear* and *doubt* which only exist in your limited existence of 3D/4D.

**\*\*They want you to meditate to transcend and evolve.\*\***

As Rudolf Steiner, founder of anthroposophy wrote in, *For the Michael Age*, in a lecture series from 1910.

**\*\*Don't forget the Jehovah's Witnesses think Jesus was Michael the arch angel in heaven, 7<sup>th</sup> Day Adventist believe Jesus and Michael are one and the same, Mormons & LDS believe Adam was Michael. These are all false religions.\*\***

*We must eradicate from the soul  
All fear and terror of what comes towards Man  
Out of the future  
And we must acquire serenity  
In all feelings and sensations about the future  
We must look forward  
With absolute equanimity to everything that may come  
And we must think only that whatever comes  
Is given to us by a world directive full of wisdom  
It is part of what we must learn in this age,  
Namely to live out of pure trust  
Without any security in existence.  
**Trust in that ever present help of the spiritual world.**  
Truly, nothing else will do  
If our courage is not to fail us.  
**And we must seek this awakening within Ourselves  
Every morning and every evening.***

**Psalm 46:1b** - ...God is our refuge and strength, a very present help in trouble.

*In fact, fairy tales, as surprising as it may seem, are more accurate descriptions of the universe than science. \*\*This is what we have been learning, that science fiction is actually real, and that much of mythology is real too. \*\**

Only an initiate can comprehend the fullness of Sophia as the most holy trinosophia. \*\*This is an attack on the Trinity. Gail Riplinger spoke of the fact that the occult initiates it's members and so does the Catholic church. She believes that the New World Religion's members will be initiated also – that's what an occult does. And isn't receiving the mark of the beast an initiation??\*\*

Sophia manifests as: Creatrix \* Mother of All \* Goddess of Wisdom \* Goddess of Nature \* Goddess of Beauty \* Cosmic Virgin \* Bride \* Beloved \* Goddess of Love \* Mother of God \* Queen of Heaven \* Most Holy Trinosophia

**This composite being is also called Anthroposophia. She is also called the Holy Mother. \*\*\*\*She is also referred to as God's bride, and Holy Spirit.\*\*\*\***

This is Ashtoreth/Semiramis – who in the false trinity is known as Holy Spirit and that is why the dove is there.

**\*\*This is where the false doctrine that Holy Spirit is feminine is coming from.\*\***

See the sun disk or halo which is for nimrod, the woman is for Astarte/isis, and the eyes are tammuz or horus

Preaching Christ

Today it was announced that Pope Francis would deliver a video message to help unite Christians in the "Next Great Awakening" at Together 2016, joining in the ecumenical gathering. Together 2016, also known as The Reset Movement, bringing together different religions in an effort to erase the lines of doctrinal divisions.

Nick Hall, the founder of PULSE, a prayer and evangelism movement to empower the church and awaken the culture to Jesus, says adding the Pope to the lineup is the best news yet.

"We are humbled and honored by his involvement and are eager to share his message with the crowd that gathers at Together 2016," Hall said in a statement, reacting to the announcement that the pope has added his name to the list of speakers. "That His Holiness would choose to speak into this historic day is a testament to the urgency

He just happens to be 33, which is a big mason number. He can't be all that connected to Jesus if he can't even spiritually discern that the pope is pure evil and most likely the antichrist.

## PULSE – MOVIE FREQUENCIES

August 11, 2006

When Josh Ockmann ([Jonathan Tucker](#)) enters a dark university library intending to meet his friend Douglas Zeigler (Kel O'Neill), he is attacked by a humanoid [spirit](#) that sucks the life force out of him. (((Sounds like soul snatching to me))) This virus had unlocked a portal that connected the realm of the living to the realm of the dead. Zeigler tells them of a project he worked on where he

found "frequencies no one knew existed." Opening these frequencies somehow allowed the spirits to travel to the world of the living. Zeigler also tells them that these spirits "take away your will to live". Dex and Mattie find the server and upload Josh's fix, causing the system to crash and the spirits to vanish. Moments later, however, the system reboots and the spirits return leaving Mattie and Dex with no option but to flee the city by car. Over the car radio, Mattie and Dex hear a radio report from the Army announcing the location of several "safe zones" where there are no Internet connections, cell phones, or televisions. As Dex and Mattie drive to a safe zone, the film concludes with a [voice-over](#) from Mattie saying "We can never go back. The cities are theirs. Our lives are different now. What was meant to connect us to one another instead connected us to forces that we could have never imagined. The world we knew is gone, but the will to live never dies. Not for us, and not for them," and clips of abandoned cities, including a window of an apartment with Josh looking through it.

CLOSING

With the questions swirling around about how they did this, why we remember the changes at all, why the changes weren't seamless – Let's not forget, doesn't God always leave us a trace of evidence? The wheels of Pharoah's chariot were found in the bottom of the red sea. The Dead Sea Scrolls were found and they match the original text of the Bible. Now remember that Rockefeller has bought out the rights to the Dead Sea scrolls and was having them digitized at Los Alamos labs. With all that has been revealed in this ministry you have to know that he/they are not doing this to benefit Christians, they will change and use it for their purposes. But these things have been preserved and found because God will always bring forth evidence for us to know His truth.
