

# FLAT EARTH / ROUND EARTH – Part One

## TWO YEAR ANNIVERSARY OF THREE HEARTS CHURCH

We praise God and give Him all the glory for what He is doing in this ministry. I thank Him for what we've been able to do for our outreach ministries in Africa and India and it is only because of you guys out there and here being obedient to the Lord and having a giving heart. Thank you for being patient each week waiting for the message to go up. There are times when Scott has had the message more than half way done and the software crashes and he has had to start completely over. I am believing for a software upgrade. It takes hours and hours to get the messages ready to go out. Also, I want to let you know that sometimes Youtube flags us because of copyrighted material like in a clip. So if you ever see a commercial on one of the messages that is why. Somehow they make you agree to show a commercial if you want to keep the material in the video.

Here at the church Scott puts all of our Praise and Worship music together. He is the one who edits all of the messages before they go out. He maintains our church website and our church facebook page. He has a lot on his plate because he works a full time secular job. There are so many things we can't even get to just because of lack of time.

In the two years that we've been ministering, we have been blessed by God to give glory to Him and say that we have not taken to ourselves any of the tithes or offerings – they have all gone into the ministry and most of it went straight to the outreaches.

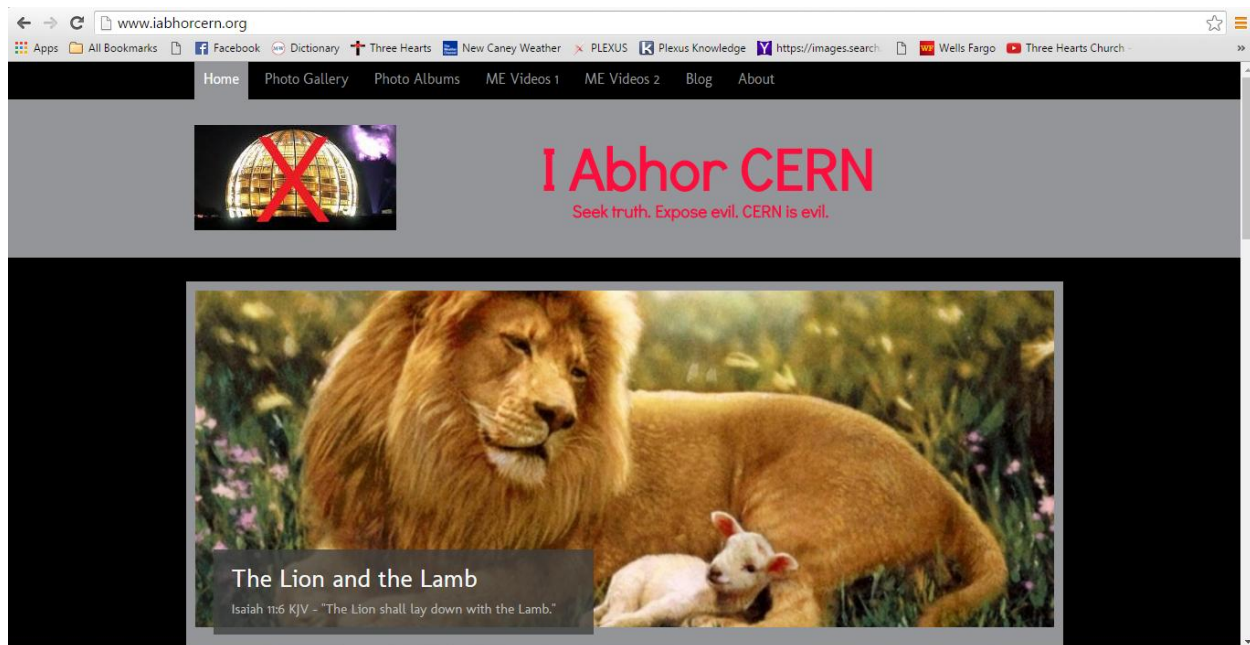

Having said that, I want to share that my heart's desire is for Scott to be able to be full time ministry. God says in His Word that if you delight yourself in Him, that He will give you the desires of your heart. So I'm believing for this. I know God will have to move in great ways for this to happen, but nothing is impossible with God.

Kennedy is our children's ministry. She has an anointing on her life. She sings, and quotes scriptures and brings messages too. I thank you all for encouraging her and showing your love and support for her helping her to grow spiritually.

In the thumbnails on the videos I'm always looking to the left because that is where Sott sits.

So much love has been poured out and we thank you all for that. Many of you pray spiritual warfare prayers for our protection and even just prayers in general and we want to say thank you so much, there is power in prayer. Thank you for praying for us, for sharing these messages, for encouraging us, for standing for truth and for supporting us.

This is a great website to go to for information on the Mandela Effect and to see what has changed and what CERN is doing.

Shout out to: Paul & Dee in the UK & Leela/ Linda & Jenny

I have had plenty of people approach me about speaking on this subject. I have had letters, e-mails and comments on it. I have watched videos, listened to the proposed scriptures, dug into it. I can tell you this, many of the people that are promoting a flat earth are actually hostile. Now that is not Godly no matter what you are trying to prove or disprove. So that always puts a check in my Spirit. I have prayed about this and the Lord has answered me in the way that He speaks to me.

Let's start right out with NASA – no reason to dance around it. Look at this card showing a studio filming a moon landing.

Now we all know that NASA are big liars. They are run by our government and the government is nothing more than freemasons. They brought the nazi scientists right over here and set them up on our payroll in government jobs, in universities, in the military, in alphabet companies (CIA, FBI, NSA,DOD) and of course NASA. So that has put a bad taste in our mouths as we uncover more and more of their lies. I was at a point where I didn't believe anything they had to say. I didn't even think we'd gone to the moon. As far as I was concerned, it was all a lie. That's to the extreme. Remember, the illuminati play both sides and they mix lies and truth so that we have to sort it out.

Is it flat?

Is it round? Or egg like shape to be more correct?

Somebody just commented on one of the messages that the earth is a cube. Lol!!

Some of the things that Scott and I discussed which don't seem to fit with a flat earth model are the phases of the moon and curvature of the earth on the moon as a shadow. Lunar eclipses when earth is between the sun and the moon giving the red glow on the moon.

### **DOES THE EARTH MOVE**

**Psalms 93:1** – The LORD reigneth, He is clothed with majesty; the LORD is clothed with strength, where-with He hath girded Himself: the world also is stablished, that it cannot be moved.

**Psalms 104:5** – Who laid the foundations of the earth, that it should not be removed for ever.

Even if the earth is spinning, it doesn't nullify these passages of scripture because it is staying in place. It is not floating all over outer space, it is staying on a set course that was set by Jesus.

Now if you were thinking that video is biased or rigged with people lying to us, this video shows that the people working at HAARP for the government are 100% positive about anything to do with HAARP. There were scientist and biologist in the video that clearly disagreed with their statements and what they were saying – I encourage you to watch these videos in their entirety.

### **ABOUT THE FOUR CORNERS OF THE EARTH**

**Isaiah 40:21-22** – Have ye not known? Have ye not heard? Hath it not been told you from the beginning? Have ye not understood from the foundations of the earth? It is He that sitteth (enthroned above the – Mandela Effect) upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in:

I think we are all in agreement on the shape as being a circle whether it is a flat circle or a puffed up ball circle. The Bible is definitely talking about a circle shape. So we know it is not a cube! Lol

**Rev.7:1** – And after these things I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.

If it is a flat circle, that has no corners. If it is a ball circle, that has no corners. To me it is easy to understand that saying corners means to cover all directions. Like when the Bible says the 4 winds, it is meaning north, south, east and west so all directions.

## **FIRMAMENT**

**Genesis 1:6** – And God said, Let there be a firmament (expanse) in the midst of the waters, and let it divide the waters (above) from the waters (below).

Firmament = raquia 7549 – expanse, extended surface, regarded by Hebrews as solid and supporting water above it.

firmament

From [raqa'](#); properly, an expanse, i.e. The firmament or (apparently) visible arch of the sky –

firmament.

# Ancient Hebrew Conception of the Universe

The ancient Israelites divided the world into Heaven, Earth, Sea, and the Underworld.

They viewed the sky as a vault resting on foundations—perhaps mountains—with doors and windows that let in the rain. God dwelt above the sky, hidden in cloud and majesty.

The world was viewed as a disk floating on the waters, secured or moored by pillars. The earth was the only known domain—the realm beyond it was considered unknowable.

The Underworld (Sheol) was a watery or dusty prison from which no one returned. Regarded as a physical place beneath the earth, it could be reached only through death.

**Job38:8-11** – Or Who shut up the sea with doors, when it brake forth, as if it had issued out of the womb? When I made the cloud the garment thereof, and thick darkness a swaddlingband for it, and brake up for it My decreed place, and set bars and doors, and said, hitherto shalt thou come, but no further: and here shall thy proud waves be stayed?

After praying about all of this and researching it, it was a while later when I found Mr. James and Mrs. Angelia's channel. They had made a comment on one of the Project Blue Beam Messages leaving a link to their Technology video. I went over

there to check it out and right while I was watching it God gave me a revelation on what I had been praying about. I had been asking Him to show me His truth one way or another. The first video I listened to had so much information that my spirit bore witness with, let alone a piece of information that answered my prayer on this subject.

This reminded me of that tv series “Under the Dome” that Ms. Linda Kirby had told me about where a monarch butterfly was controlling the whole town.

The Simpson's Movie 2007. Doesn't this little cartoon just predict all sorts of things that we find out are true.

The Truman Show – 1998 \*Notice the sailboat casts a shadow – because it is part of a make believe studio world inside of a dome.\*

Truman Burbank is the unsuspecting star of *The Truman Show*, a [reality television](#) program which is broadcast live around the clock and across the globe. His entire life has taken place within a giant [arcological](#) dome in [Hollywood](#), fashioned to create the seaside town of Seahaven, Florida, and equipped with thousands of cameras to monitor all aspects of Truman's life. Now don't they also have camera's watching us, through our tv's and cell phones and computers. What are they telling us here???

Radio Interview with AC Griffith who retired from the National Security Agency (NSA), he carried a top secret cryptographic clearance. Died June of 2012 of a massive heart attack at home. He spoke out about Admiral Boorda who was shot in the chest twice by a rifle at his house and it was called a suicide. Admiral Boorda was against the chemtrail program.

Remember when Mrs. Angelia said that they were trying to hide from us the fact that something is heading toward us.

Phil Schneider – 2 months before he was assassinated. He had a level 3 Rhiloyte security clearance with Nato. He was a government geologist, aerospace engineer as well as a structural engineer and traveled to over 70 countries. He worked in the deep underground military bases around the world. He was murdered by strangulation for speaking out about what the government is doing to its citizens and about them openly working with aliens and their drive toward NWO.

He also had something to say before he was murdered about something huge coming toward us.

He talks of Nemesis coming toward us projected at that time to hit in 2052, it sounds like this is the same thing that many are talking about right now coming toward us (planet X, the 10<sup>th</sup> planet, Nibiru etc). Sounds like the timeframe may have sped up for it to hit.

I listened to Mary Kay Baxter's testimony about being taken to hell quite a while ago. It was one of the things that came to my mind when I began to think about this subject.

**\*\*Please play clip from 31:33 – 32:15 – Jesus takes Mary Kay up into the sky above the earth – round like the size of a basketball\*\***

Jesus took her up into the sky and they looked down on the earth together and she saw what looked like spinning tornados and asked the Lord what that was. He explained that those were gateways down into hell. Now in her testimony, she never said, the earth was flat, she said round like the size of a basketball.

Sumerian seal (VA/243). State museum, East Berlin. (23). Whichever planets this image was intended to represent, the smaller 'planets' certainly appear to be surrounding the larger, sun-like object in the centre. One reference said this was from Persia 6000 BC. I just don't think satan is smart enough to have that much

forethought back then to plant this kind of thing to throw us off 6000 years later. Notice all of the planets around the sun are round. And another point to notice is that other planets are depicted.
