

STOP the VACCINATIONS – THEY ARE INJECTING US WITH CANCER AND VIRUSES

Shout out to Julie on fb. Thank you for posting this video on your feed because God used you to lead me to this video that I'm about to share.

If you have had an uneasy feeling about having your child vaccinated or getting a flu shot, here is confirmation of why. If you have not heard about all the controversy and have just thought it was crazy people thinking everyone is out to get them, you have to watch this video and know exactly what has been going on at least ever since I was a kid. Remember their motto: "slow kill is better than no kill."

****Please play video from 1:00 – 2:07:30 Dr. Tent exposes what has been put into the vaccines and flu shots****

I sat there and cried and cried while watching that video. Me and my family will not be getting any more flu shots or vaccines.

Dropping rabbies vaccines out of the sky here in Texas. This is what they do, so we cannot dodge everything. They are dropping chemicals on us through chemtrails, dropping nanobots on us and poisons and whatever they want to. They have been working to sterilize us and have tested this on certain countries already.

Please stand against all of this. Tell your friends and family and share that video. Pray against satans plans in the spirit.
