

# MARK of the BEAST 666 – Part Thirteen:

## VALENTINES, TAMMUZ and the WINGED SUN DISK

In a message I gave on freemasonry I spoke about Jim Shaw who wrote a book about becoming a 33rd degree mason.

Sound like Ezekiel chapter 8 and especially Ezekiel 8:10? Also sounds like the Catholic church who bury people in the walls and worship the dead.

For his ceremony he went to Washington DC and that is where so many world leaders and the “who’s who” that are in masonry go to attend an inauguration or to be inaugurated. Jim said in his book that at his inauguration there were famous actors, ex presidents, kings and a well known evangelist (Billy Graham) and prominent clergy of the church in attendance. These people were in attendance because they are freemasons. \*Billy Graham says he has renounced freemasonry.\*

This message is a good time to remind everyone about the holidays that are celebrated here in the United States and around the world. They are all pagan and in worship of the sun god/nimrod and the moon god/semiramis/queen of heaven and tammuz/reincarnated sun god. Christmas is in celebration of the winter solstice and the sun god’s birthday, all about nimrod. Valentine’s is in worship of the horned god pan, about tammuz as cupid shooting his arrows and all about love in a perverted way, the way the occult does love in orgies and perversion all about fertility. Easter is about ishtar/ashtoreth with the eggs and bunnies being about orgies and fertility rituals. Sun rise service is to worship tammuz as he springs forward in the vegetation, coming alive again.

The winged solar disk is the physical form taken by the god horus/tammuz during battle, and the goddesses nekhbet and uazet join him in the form of Egyptian spitting cobras. nekhbet and uazet also symbolize the joining of Upper and Lower Egypt, and they are also known as "The Two Ladies."

There are so many of these winged sun disk symbols in our society and they all represent sun baal worship/nimrod worship.

We know who is represented by the outstretched wings (there is duality here as well, the wings can represent ashtoreth or baal). Here we see a heart in the middle of the wings. Let's find out what that heart is about. Remember satan mocks God and these outstretched wings also mean ruler ship over a great many people.

For those of you who don't know it, Valentine's Day is all about worshipping tammuz – the sun god. Another name for tammuz is cupid. I have given messages on this unholy day to bring out how it is the worship of pan and the

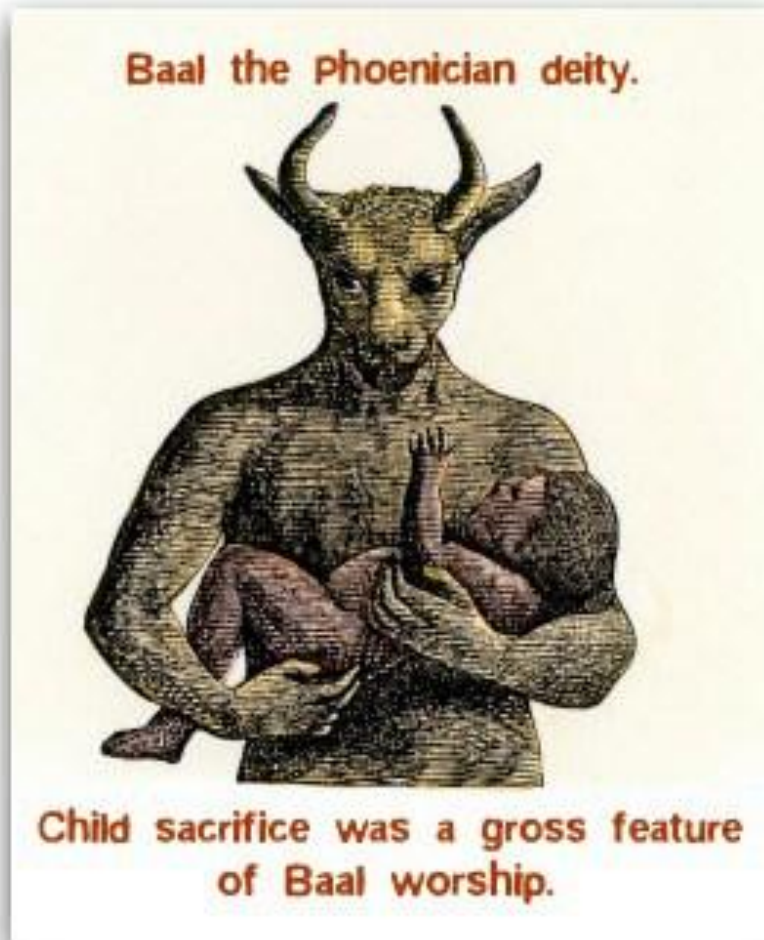

occult calls it lupercalia – it is about orgies and fertility all in worship of the sun and his mother/wife.

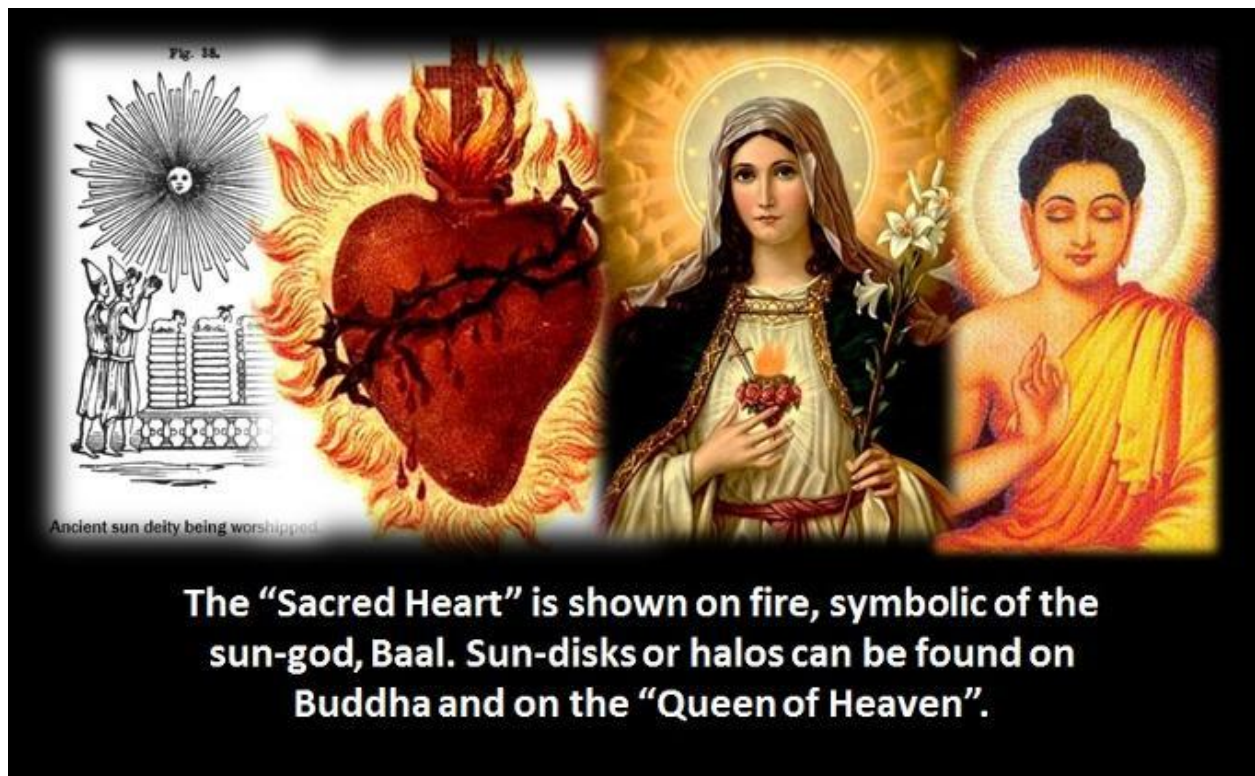

Fire was used to worship baal--a Canaanite version of tammuz, the son of Nimrod.

**Hebrews 12:29** - For our God *is* a consuming fire.

The god of the Moabites was chemosh and he is nimrod. They worshipped him with fire because they sacrificed their children in the fire to him. The god of the Ammonites was Molech and these gods are interchangeable.

**Jeremiah 19:5-6** - They have built also the high places of baal, to burn their sons with fire *for* burnt offerings unto Baal, which I commanded not, nor spake *it*, neither came *it* into My mind: Therefore, behold, the days come, saith the LORD, that this place shall no more be called Tophet, nor The valley of the son of Hinnom, but The valley of slaughter.

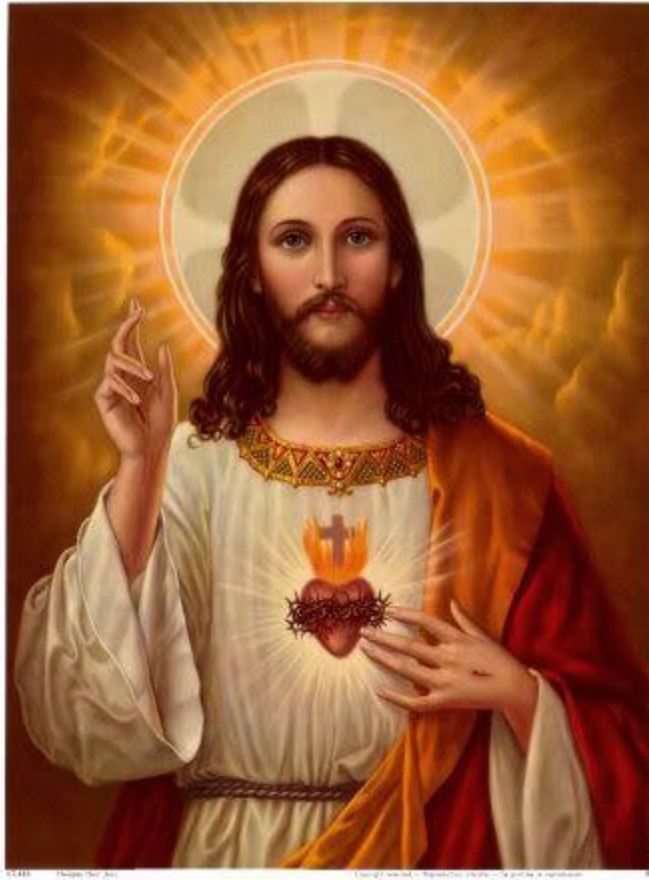

[Hislop \(The Two Babylons, pg. 155\):](#)

This surely shows, [...] [the] sacredness of the heart of Bacchus; and that the regeneration of his heart has the very meaning I have attached to it--viz., the new birth or new incarnation of Nimrod or Bel. When Bel [or Baal], however was born again as a child, he was, as we have seen, represented as an incarnation of the sun. Therefore, to indicate his connection with the fiery and burning sun, the "sacred heart" was frequently represented as a "heart of flame."

" So the "Sacred Heart" of Rome [Catholicism] is actually worshipped as a flaming heart, as may be seen on the rosaries devoted to that worship.

Here is a depiction of Jesus with the flaming heart and crown of thorns with sun rays for tammuz worship. The halo around Jesus' head is for nimrod worship. God and His angels do not have halo's, they have glory all around them. Those halo's are for sun worship. This is a mockery, showing this depiction of Jesus as if He too worships tammuz by the very pointing to this emblem on his chest.

tammuz' demon face at the bottom over a pair of wings. The flaming heart is for sun worship of tammuz, and you see the decoration of three leaves around the heart, that symbol is for the false trinity of baal/ashtoreth/tammuz.

**Mal.4:2** - But unto you that fear My name shall the Sun of righteousness arise with healing in His wings; and ye shall go forth, and grow up as calves of the stall.

Do you think when God wrote this Word that He was aware of the idolatry of sun/baal worship and that they depicted the sun with outstretched wings? You better believe He knew it. This is not a scripture about baal as the occult like to claim, but this is a smack in their face and play on words against their god – the sun because it is talking about Jesus Christ.

The Hebrews used to wear prayer shawls and they had strings tied on the ends called tzits. When you extend your arms the strings on the shawls were called wings.

Also, many times in the Bible the eagle, who has a **great wing span** is symbolic of God.

**Exodus 19:4** - Ye have seen what I did unto the Egyptians, and *how* I bare you on eagles' wings, and brought you unto Myself.

The next scripture is talking about God leading Israel (called Jacob at this time).

**Deut.32:11** - As an eagle stirreth up her nest, fluttereth over her young, spreadeth abroad her wings, taketh them, beareth them on her wings: So the LORD alone did lead him, and *there was* no strange god with him.

Now I want you to see something about the Hebrew customs in marriage. In the story of Boaz and Ruth.

Boaz goes on to marry Ruth. In a Hebrew marriage ceremony a special “mantle” called a “hoopah” is used. The bride comes under her husband’s “covering” which is also understood as “his tent.” She comes under his headship and rule and tent, as her husband is under the headship and rule of YHWH and under “His Tent.” Isaiah 61:10 describes this covering and its association to the marriage ceremony.

**Isaiah 61:10** - I will greatly rejoice in the LORD, my soul shall be joyful in my God; for He hath clothed me with the garments of salvation, He hath covered me with the robe of righteousness, as a Bridegroom decketh *Himself* with ornaments, and as a bride adorneth *herself* with her jewels.

Our Savior’s name in Hebrew is “Yahushua,” meaning “in YHWH is salvation,” or, “YHWH saves.” In Hebrew (Strong’s H3442), in Nehemiah 8:17, Joshua’s name is rendered, “Yeshuwa” {yay-shoo-ah’}. (Or, legitimately abbreviated, “Y’shua.”) Being clothed with the “garments of salvation,” is to be clothed with the garments of Y’shua. This becomes significant when the Messiah comes bearing the name, in part, “Salvation.”

**Matt.23:37** - O Jerusalem, Jerusalem, *thou* that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under *her* wings, and ye would not!

**Matt. 9:15** - And Jesus said unto them, Can the children of the bride chamber mourn, as long as the Bridegroom is with them? but the days will come, when the Bridegroom shall be taken from them, and then shall they fast.

Much of Jerusalem then, and those that have hardened hearts and blinded eyes today have missed their Bridegroom. However, those that love Him and have laid their lives down and picked up their crosses daily have been covered by Jesus’ garments of Salvation and so are betrothed to Him as a bride!!!

So no, that scripture in Malachi has nothing to do with the sun in the sky, but everything to do with our Savior Jesus Christ Who has healing in His wings!!!

The woman with the issue of blood reaching to touch the hem of Jesus' garment.

This is what the occult calls “healing in his wings.” This is the winged caduceus of Mercury. This symbol is often mistakenly used as the symbol for medicine instead of the Rod of Asclepius (one snake wrapped around), especially in the United States.

## CLOSING

**\*\*Please play this clip – Kent Hovind says it's ok to take the mark of the beast\*\***

<https://www.youtube.com/watch?v=v9jkR9Tpw7o>

Cain was scared to be killed and God marked him so that no one would touch him to do him harm and so he could live. Those in Revelation will be scared to die and will take the mark of satan, in order to live.

**Rev. 14:9-11** – And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive *his* (not there in the original text) mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of His indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

To be clear, the person that takes the mark will be damned to hell. Taking any one of the three is worship in itself, it is allegiance to the beast. The mark can be any of the three things: the name, the number, or the mark of the beast (remember in this instance it is speaking of a man and not a computer system, some believe the quantum computer is the beast, it can certainly be used and play a part, but the Bible speaks clearly of a man).

**Rev. 13:17 - 18** – And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of **a man**; and **his number** is Six hundred threescore and six.
