****Please play from 7:59 – 9:21 – KJ – Scariest movie ever – Katy Perry was a falling star in super bowl 49 and this year Lady Gaga was also a type of falling star – all of this is worship of lucifer who they say is a star fallen from heaven****

<https://www.youtube.com/watch?v=UFbIYe-1Sol>

Did you see that blatant sun worship? The super bowl has become one of the biggest avenues to advertise and put their occultic symbolism on display and get it out to the masses because millions of people tune in.

Pretty obvious that ball is the sun now that we've been learning.

The blazing representing lightning (lucifer fell as lightning) and also light (lucifer the light bringer). The pyramid for sun worship/nimrod worship/baal worship.

Notice the triangle/pyramid penetrates through the O's. Those O's are representing the female and the triangle going through them the male. Occult worship plain and simple.

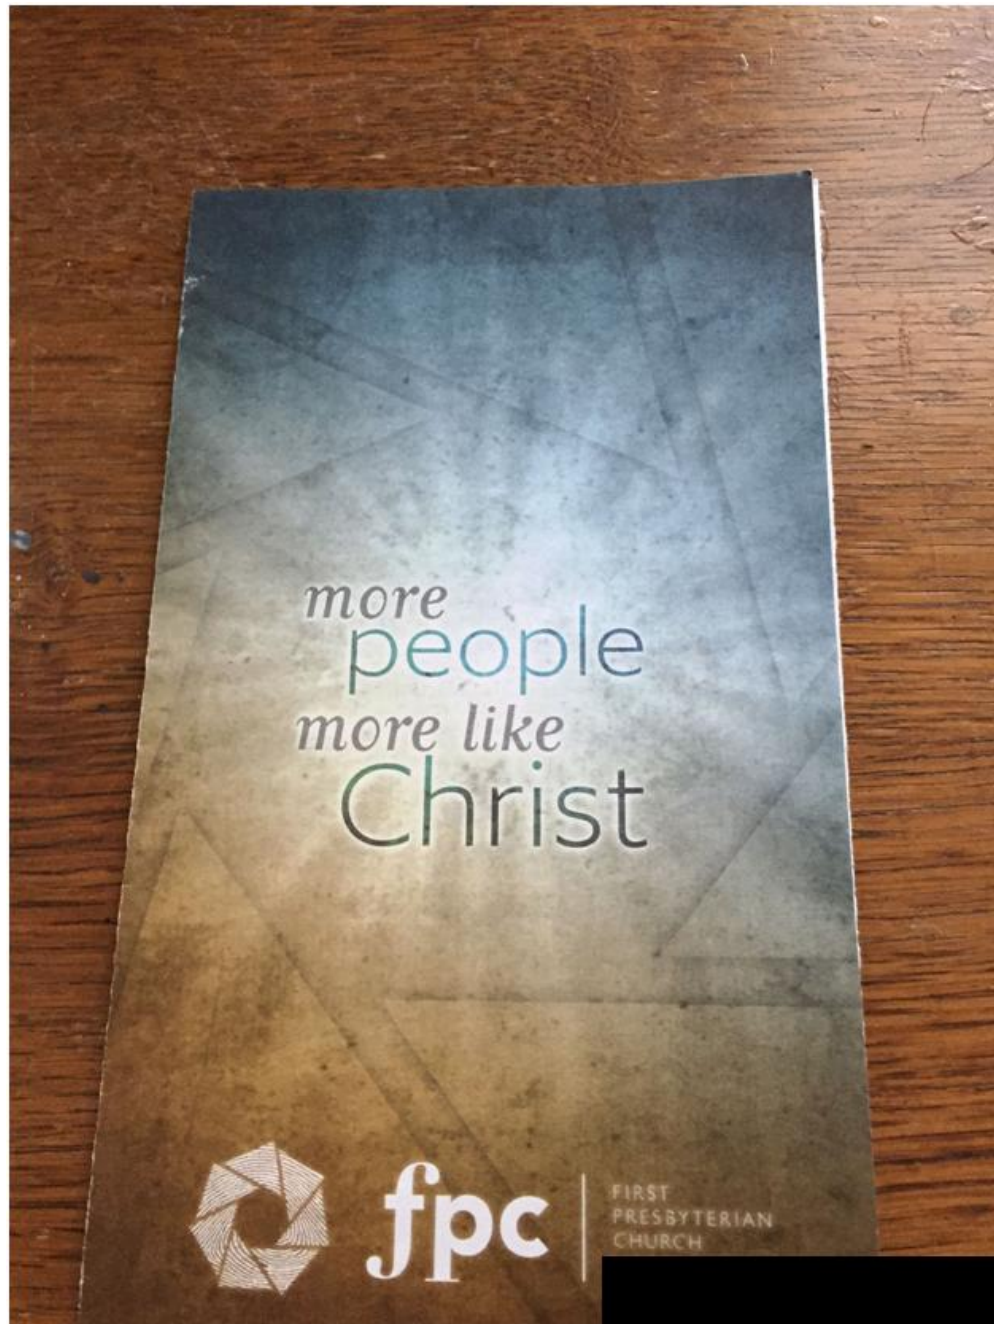

The Borden Home Farm

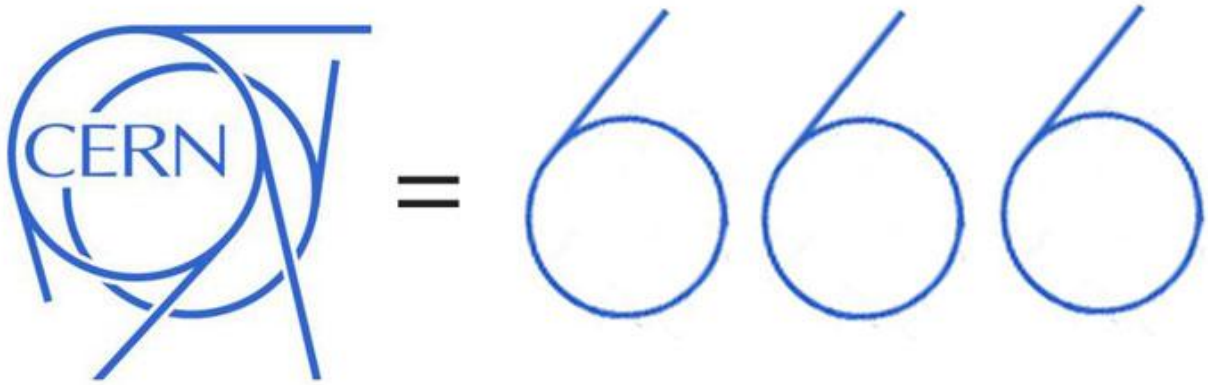

John G. Borden was already a wealthy man when he discovered the homestead atop modern-day Borden Road. His father, Gail Borden, revolutionized the dairy industry by inventing and patenting condensed milk in 1856. Condensed milk didn't spoil quickly like liquid milk. The federal government paid Gail Borden millions to provide condensed milk to the Union Army during the Civil War, and it later became popular across America. The huge farm comprised most of the hamlet of Wallkill, stretching south to Lake Osiris and east to the top of Kings Hill, near the Town of Newburgh border. "He could lay out the town because he owned all the land," said Harold Van Aken, a board member of the Historical Society of Shawangunk and Gardiner. **The expansive farm was bequeathed to the Masonic Order. (John G. Borden was a well-known Mason.)**

This was a newer product line, and in case we thought that daisy surely wasn't about sun worship – notice the rays come out from around the logo. Indicating sun worship/baal/nimrod worship.

Eyes to see. Do you see all the sun worship indicated on this bulletin? Bottom left corner is triangles arranged to form a circle in the middle. Triangles and pyramids are all about sun worship/baalworship and so is the circle in the middle. Now look at the middle of the bulletin. Does this logo look familiar? See the rays coming out like a burst from the sun? Look at the hard lines that spin around coming out forming 6's. Where have you seen that before?

Stylized 6's in their logo. If you find yourself in a church that has questionable logo's and that approve of freemasonry – you better get out of that because it ain't no church that the Lord God Almighty approves of. It is an abomination to Him.

God bless Mrs. Samantha who recently shared with me that her granddad is a 33rd degree mason. He attends a Baptist church regularly. She sent one of my messages to her granddad's pastor and he let her know that his own son is a mason. He's proud of it. He himself has spoken in their temple at Christmastime and given a Christmas message.

I pray you are all waking up to see this occult of masonry is in many churches. As they go up the ranks they pledge allegiance to different Egyptian deities. By the time they get to the 33rd degree, they know full well who they are serving. Read Jim Shaw's book and research it and you will no longer accept it as anything Christian at all. Our world leaders, big business men, top military etc. many prominent clergy are all masons. They do not worship Jesus, but lucifer. Please understand that just because someone stands in a pulpit and prays in Jesus' name or mentions His name does not mean that is Who they serve. It is about the heart. That is why it is so easy to stand up there and have people fooled into believing they are actually serving Jesus. **THEY ARE NOT – THEY BOW TO SATAN.**

Matt.7:15,21-23 – Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Not every one that saith unto Me, Lord, Lord, shall enter into the Kingdom of Heaven; but he that doeth the will

of My Father which is in heaven. Many will say to Me in that day, Lord, Lord, have we not prophesied in Thy name? and in Thy name have cast out devils? And in Thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from Me, ye that work iniquity.

Aren't these masons standing in the pulpits using Jesus' name but loving lucifer? Aren't they praying in Jesus' name but serving satan. Aren't they doing "miracles" in Jesus name? Jesus is going to cast them out from before Him!!!

Now we will get down to what this whole series has been leading to.

APOLLO

Meriam Webster defines the god apollo as:

Definition of APOLLO

1: the Greek and Roman **god of sunlight**, prophecy, music, and poetry

The Free Dictionary defines him as:

A·pol·lo

(ə-pŏl'ō)

n.

1. Greek Mythology The god of prophecy, music, medicine, and poetry, sometimes **identified with the sun**.

2. apollo pl. apol·los A young man of great physical beauty.

So here we can see that he is beautiful (as lucifer was) and equated with the god of the sun.

Rev. 9:11 - And they had a king over them, *which is* the angel of the bottomless pit, whose name in the Hebrew tongue *is* abaddon, but in the Greek tongue hath *his* name apollyon.

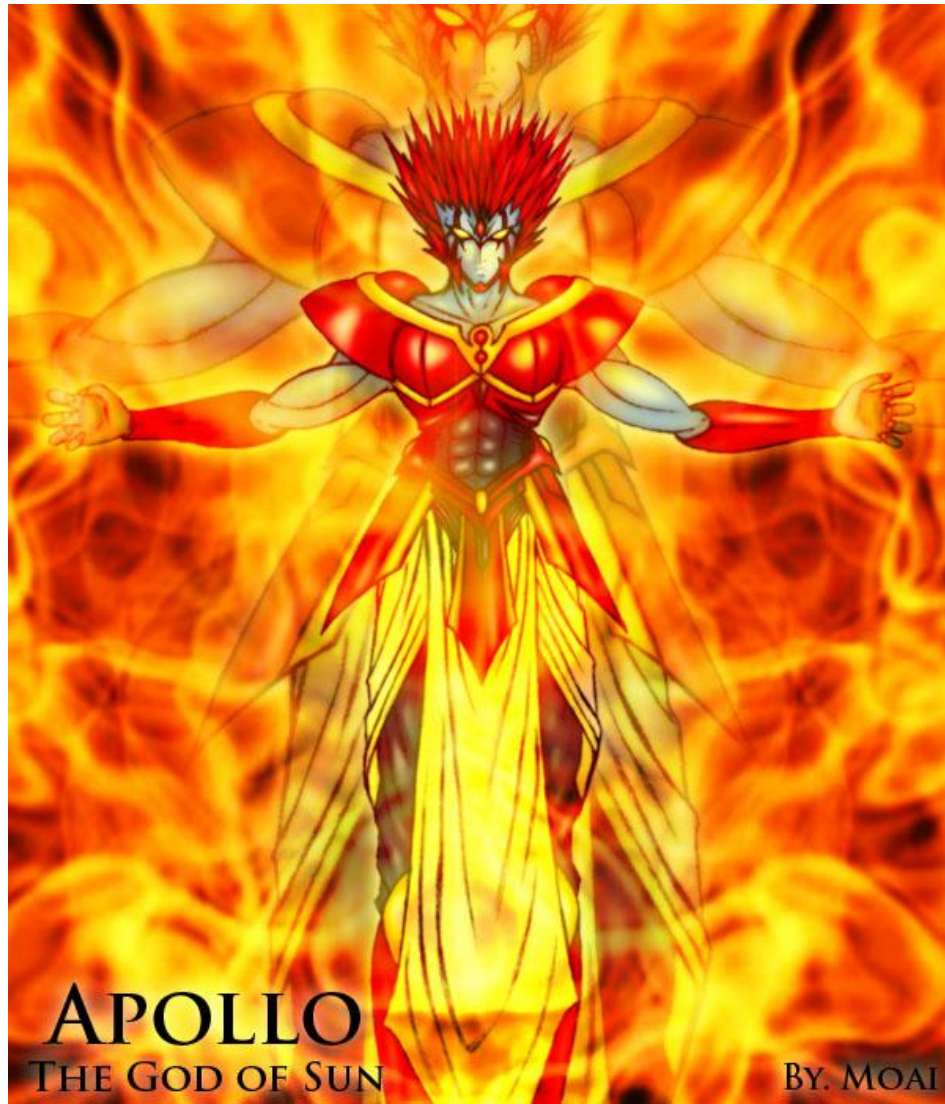

So you see the connection between lucifer (star, shining star) and nimrod and apollyon/apollo – baal.

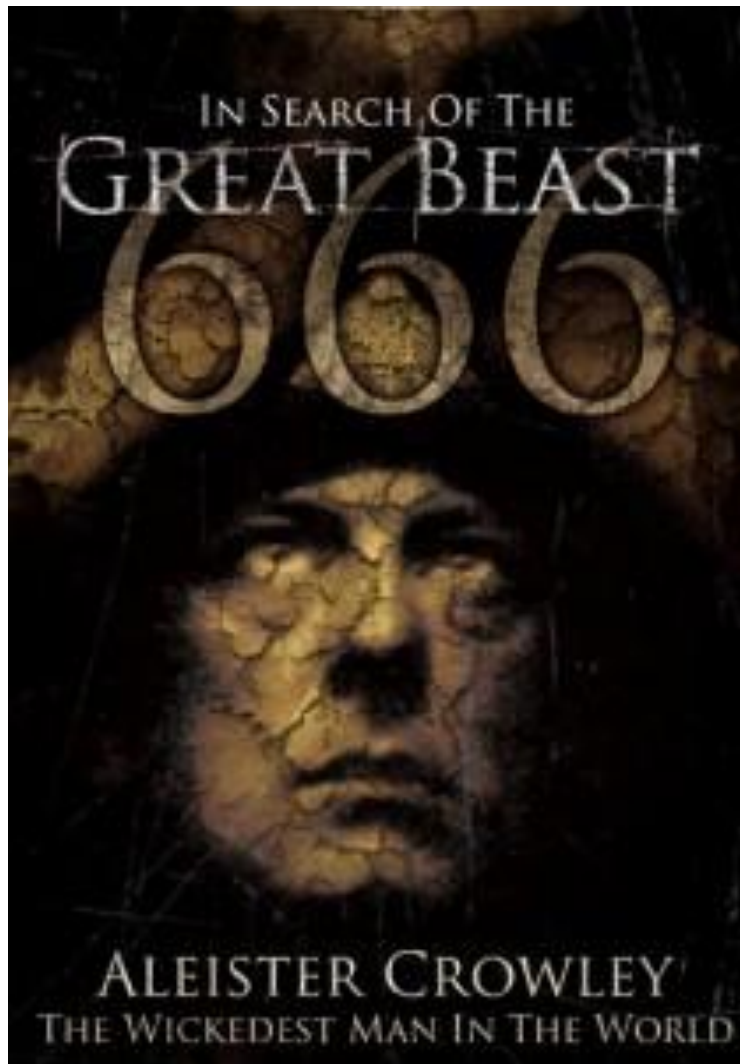

These laurel leaves are the symbol for apollo/nimrod – the sun god.

Symbol for satan/sun/nimrod/baal and on Donald Duck's head is laurel leaves and this is a symbol for apollo the sun god.

They have been passing books and magic and alchemy down since Biblical times. Secret societies have morphed and split and changed names and continue on from ancient Babylon.

"It only means sunlight; 666 is the number of the sun. You can call me 'Little Sunshine.'" *Crowley, 1934* This man was way worse than Anton LaVey (who wrote the satanic bible) ever thought about being.

Ethiopian Tattoo of the sun.

2 Kings 23: 5,11 – And he put down the idolatrous priests, whom the kings of Judah had ordained to burn incense in the high places in the cities of Judah, and in the places round about Jerusalem; them also that burned incense unto Baal, to the sun, and to the moon, and to the planets, and to all the host of heaven.

MAGIC SQUARE

The Babylonians worshipped the sun through the “magic square” and priests wore it as an amulet for protection. 36 constellations which were gods on the square, totaling 666 which represented the sun god which was their king. The Babylonian sun seal square is a 6-sided symbol which encompasses all their gods, this shape makes a 3 dimensional cube or house for these gods. It is the shape of the kaaba (cube). The sun god ruled over all the other gods and so his number was placed outside the square.

Magic Square – notice the 666 at the bottom of all the numbers. See the hexagon which is the shape made from the “star of David” or “Seal of Solomon” and also there is a cube as in the black cube of Saturn /sun worship. The cube is a 6 x 6 (6 rows by 6 rows = 66) or 3 6’s. 111 is said to reference the intelligence of the sun.

111: In Hebrew Kabbalah, the names of the intelligence of the Sun and Spirit of the Sun were designed to equal 111 and 666 respectively. Like 888, 666 is an important musical number, for .666 is the ration of the perfect fifth, the most powerful harmonic interval. — From *Jesus Christ, Sun of God* (by Fideler)

"Lucifer! Star of the morning! Arise! Arise, O thou flame of compassion, and cause us to bathe in the splendour of your emerald light!

-- The Golden Dawn Qabalah Codex

Emerald light?? satan loves to mock God.

Rev. 4:3 - And He that sat was to look upon like a jasper and a sardine stone: and *there was* a rainbow round about the throne, **in sight like unto an emerald.**

This is God the Father because if you read into the next chapter you will see He held a scroll and no one was worthy to open the scroll except the Lamb who comes and takes it from Him.

At the winter solstice they celebrate the birthday of the unconquered sun who is nimrod (sol invictus).

The mark is about worship. If you are a freemason and dedicated to satan or you love this world, then you will bow to zeus/apollo/nimrod – sun worship.

We have a new president and many believe God is going to use him to turn America around. Many are comparing him to how God used Cyrus in the Bible to let His people go back to their land and build the temple. God used Cyrus for the purpose to bless His people after they had been in bondage for 70 years after having completed His judgment on them at that time. Why would God use Trump to bless America? Has America humbled herself and returned to God? No. You can look at the tv for a few seconds and see that truth. Even most things that are supposed to be Christian on tv are not true and have sold out to satan. Look at people in the stores and on the streets, look at what our schools are teaching and how much abortion is committed in the nation. Look at all the false religions

which we honor as true and yet they are cults. No, we have not returned to God. Yes, the Bible says if MY PEOPLE will humble themselves. No, I don't see "Christians" humbling themselves. I see a lot of Christians saying they are Christian but watching vampire, zombie, oversexualized shows, reading the same kind of books, listening to worldly music and fake "Christian" music. No desire for more time with God and His Word and so no, I would not say we have returned to God.

Trump's New York Penthouse is on the 66th floor. Hmmm Let us remember that everything the elite do is planned. Yes, Trump is a corporate elite puppet.

Picture above the fireplace in Trump's New York Penthouse: Apollo led by Aurora - the Greek goddess of the dawn, suggesting Trump sees himself the mold of Apollo, Zeus's son, and one of the most powerful of the gods. -Daily Mail Don't know anything about whether Trump sees himself as apollo, but he worships the sun as do all freemasons.

5. CERN's curious choice of geographic location

Now on top of all the speculation as to what CERN scientists are really attempting to do with their Large Hadron Collider, many observers could not help but notice that the town in France where CERN is partially situated is called "Saint-Genus-Poilly." The name Pouilly comes from the Latin "Appolliacum" and it is believed that in Roman times a temple existed in honor of Apollo, and the people who lived there believed that it is a gateway to the underworld. It is interesting to note that CERN is built on the same spot. *Remember they have information that we have not known hidden away under the Vatican and other places. They have searched for "magical objects (Adam's clothes, Solomon's ring/amulet and powerful sights" to usher in their antichrist and open portals and gateways. They plan and study where to place buildings and facilities and altars and symbols.*

One meaning of apollo is to destroy.

The god shiva in front of cern, this god's name also means destroyer. Isn't that fire all around him in that circle. Sun worship/nimrod/apollo.

apollo the sun god and his four horses. They are supposed to represent the four seasons, the four winds, the four directions.

Revelation Chapter 6 when Jesus begins to open the seals of the tribulation there are four horses described there as well. They are fitting as apollo's 4 horses, the white one brings the antichrist, the red one brings war, the black horse brings famine, and the pale horse brings death and hell.

ZEUS IN THE BIBLE (Remember Zeus is also worshipped as the sun god/king of the gods)

Zeus is mentioned in the New Testament two times, first in Acts 14:8–13: When the people living in [Lystra](#) saw the [Apostle Paul](#) heal a lame man, they considered Paul and his partner [Barnabas](#) to be gods, identifying Paul with [Hermes](#) and Barnabas with Zeus, even trying to offer them sacrifices with the crowd. Two ancient inscriptions discovered in 1909 near Lystra testify to the worship of these two gods in that city. One of the inscriptions refers to the "priests of Zeus," and the other mentions "Hermes Most Great"" and "Zeus the sun-god."

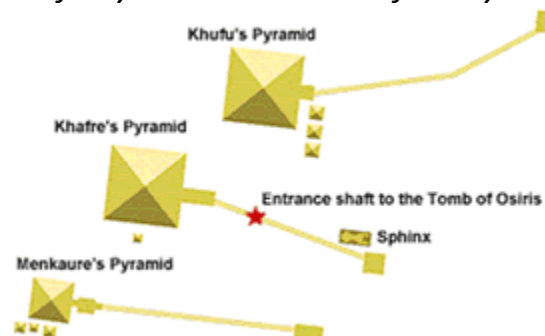

The second occurrence is in Acts 28:11: the name of the ship in which the prisoner Paul set sail from the island of Malta bore the [figurehead](#) "Sons of Zeus" aka [Castor and Pollux](#).

The deuterocanonical book of [2 Maccabees](#) 6:1, 2 talks of King [Antiochus IV](#) (Epiphanes), who in his attempt to stamp out the Jewish religion, directed that the temple at Jerusalem be profaned and rededicated to Zeus (Jupiter Olympius).

TOM HORN'S RESEARCH ON NIMROD

I remember with curiosity how in 1998, Zahi Hawass, the current Secretary General of Egypt's Supreme Council of Antiquities, claimed to have found the burial tomb of the god Osiris (Apollo/Nimrod) at the Giza Plateau. In the article Sandpit of Royalty from the newspaper Extra Bladet (Copenhagen), January 31, 1999, Hawass was quoted saying:

"I have found a shaft, going 29 meters vertically down into the ground, exactly halfway between the Chefren Pyramid and the Sphinx. At the bottom, which was

filled with water, we have found a burial chamber with four pillars. In the middle is a large granite sarcophagus, which I expect to be the grave of Osiris, the god...I have been digging in Egypt's sand for more than 30 years, and up to date this is the most exciting discovery I have made.... We found the shaft

in November and began pumping up the water recently. So several years will pass before we have finished investigating the find."

Insofar as we know this discovery did not ultimately provide the physical remains of the deity. Of course, that is, in as far as we know. But what it did illustrate is that at least some very powerful Egyptologists believe Osiris was a historical figure, and that his body was stored somewhere at or near the Great Pyramid. Manly P. Hall, who knew the Masonic legend of Hiram Abiff was a thinly veiled prophecy of the resurrection of Osiris, seems to have understood what Zahi Hawass was looking for, and why. Consider that he wrote in *The Secret Teachings of All Ages*:

"The Dying God shall rise again! The secret room in the House of the Hidden Places shall be rediscovered. The Pyramid again shall stand as the ideal emblem of solidarity, inspiration, aspiration, resurrection, and regeneration.

With that information let us not forget that they have been trying to find nimrod's corpse as well as clone Jesus. Some believe that in trying to clone Jesus what they will really do is clone the anti-christ. The links to that research are in the more info. box and the church website.

Here is what is being called the star of David. However, we have learned that this is not the star of David at all, but rather, the star of remphan or chiun, the star of Saturn and thus the star of satan/nimrod. The Jews were made to wear this star during the holocaust but remember it was Hitler who chose this symbol and he was into the occult majorly. *Remember this symbol is the “seal of Solomon” and as we learned, he used this in sorcery and witchcraft in bowing down to baal/nimrod and ashtoreth/semiramis. Not only was the Seal thought to ward against, or scare off, demons and other evil spirits, it also helped to trap, contain, and control them- thus rendering them harmless to mere mortals. *

The magi’s coming to Jerusalem in order to pay homage to the king of the Jews shows that they seek in Israel, in the messianic light of the **STAR OF DAVID**, the one who will be king of the nations. Their coming means that pagans can discover Jesus and worship him as Son of God and Savior of the world only by turning towards the Jews and receiving from them the messianic promise as contained in the Old Testament.

– Catechism of the Roman Catholic Church

This is conditioning and trickery by the Catholic Church trying to get everyone to accept this symbol (the 6 pointed star) and trying to tie it in to King David. Also, we don't turn toward the Jews for salvation, but rather call on Jesus Christ. We are to pray for Israel/Jerusalem's peace and wholeness because she belongs to God the Father and the gospel first came to them and God still loves them. He will turn Jacob (Israel) back to Him during the tribulation – through much crushing.

Jewish Ethiopian woman with a sun cross on forehead.

666 mobius that represents the sun. This is conditioning for people who don't know about the mark of the beast. Look, it is a good thing, a happy time, the whole family is doing this together. This is damnation.

Many believe this to be more correctly the symbol of ancient Israel. The seven branched lamp stand from the temple.

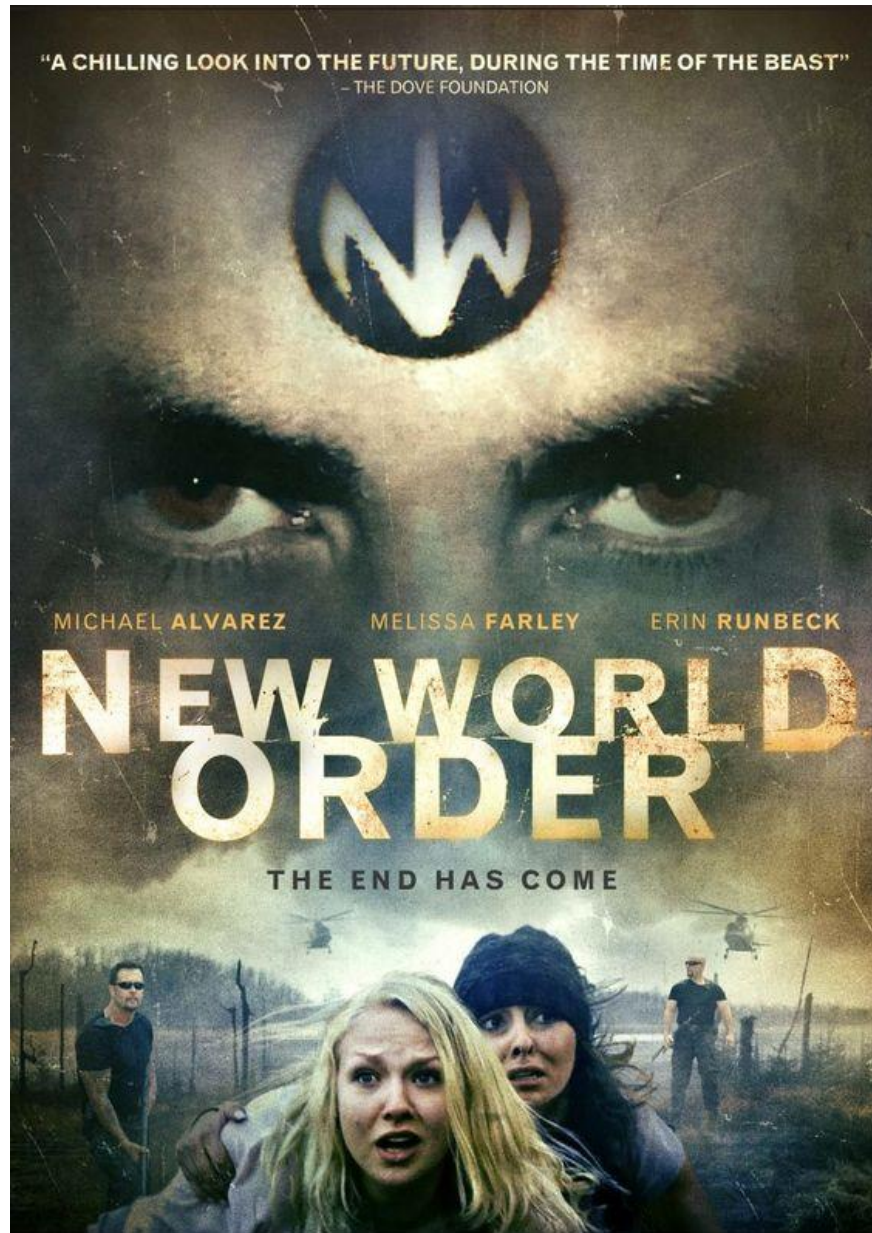

Whatever the mark turns out to be, it will be linked to sun worship. Since the freemasons (the Vatican/Jesuits/secret societies/the occults/the secret religions/world leaders/big successful corporate leaders/top military leaders) all still worship the sun/nimrod/satan today, they will be the ones implementing this. This is what we are talking about when we talk about NWO (New World Order – only one government for the whole world). Many theologians believe that satan will try to resurrect nimrod in some way and remember all of this idolatry points to him and his wife/mother ashtoreth. They have been worshiped all through the years and the worship has not stopped. They do have the technology to and the means to get dna and clone or bring it to life. Remember all of this is about the “mark” of a man.

Rev. 17:8,11 – The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

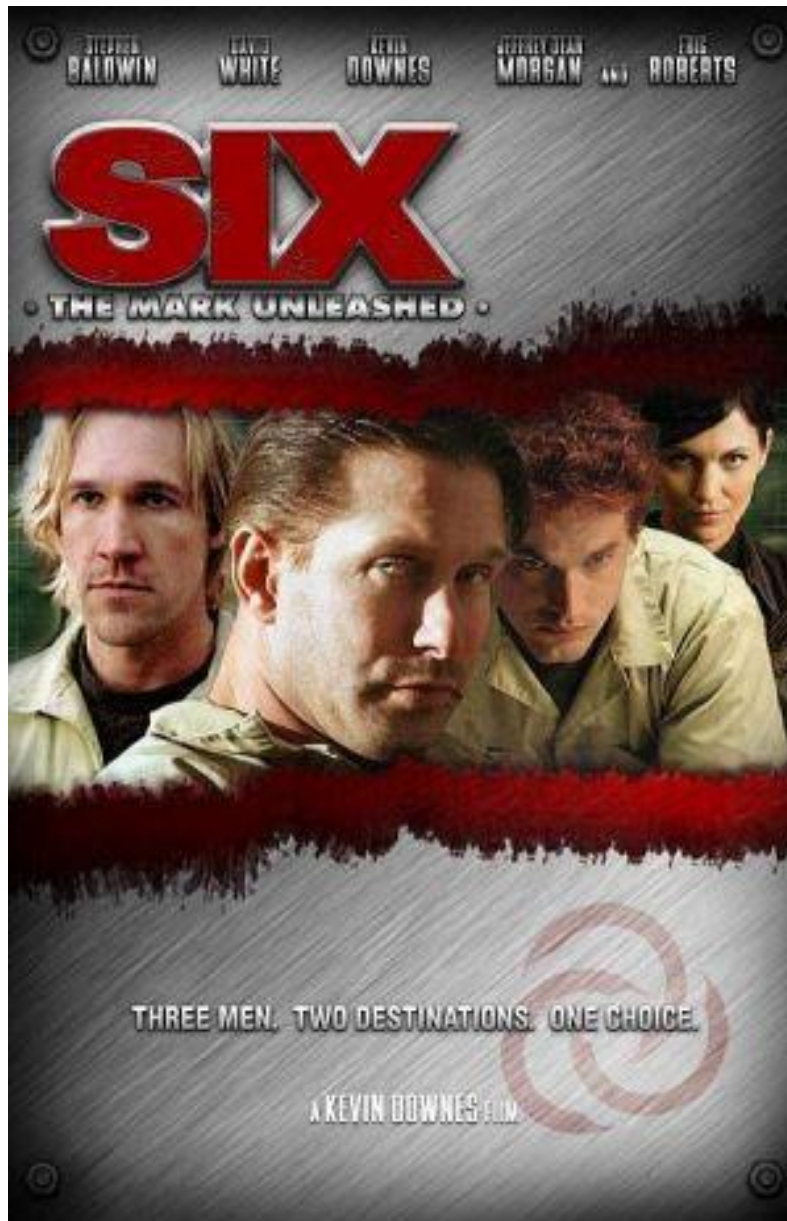

11: And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

I believe the mark will be offered voluntarily at first and gradually it will become mandatory.

Have they (the illuminati) been telling us anything about the mark? You better believe they have. In the movies the mark has not been portrayed as a spiritual mark, but a physical mark for all to see. Remember, they have been showing us truth all along in movies, cartoons, video games, etc. They tell us plainly but many don't catch on. Left Behind tells us the timing of the rapture – it's before the tribulation. That backs up the Bible.

We recently watched a movie "New World Order," and they did a pretty good job of showing what part of the tribulation might be like. Once the government made getting the mark mandatory people began to tell on those that weren't marked. One family was pressured or threatened and felt scared and so they even told on their own daughter who had to go on the run. Their daughter's own boyfriend helped them to escape to a safe place, or so they thought, he turned out to be a mark. It will be great deception and wickedness going on then. Who to trust?

Another movie we recently watched that was doing a good job of portraying what the tribulation might be like was “6 The Mark Unleashed.”

These guys were rounded up and put into prison camps. They were the ones that refused to take the mark. Now, not all of them believed in Jesus. So you have two groups here, those that came to Jesus after the rapture and became true Christians, and those that just didn't want to go along with New World Order but don't trust in Jesus. If the ones that don't believe in Jesus die during the tribulation and don't accept Jesus as their Savior, they will still go to hell. Not taking the mark doesn't get you into heaven. It is not taking the mark AND TRUSTING IN JESUS AS YOUR SAVIOR FROM YOUR HEART that will get you to heaven during the tribulation. Notice the symbol on the one guys jacket, that is what they portrayed the mark to be. Sort of a 666 mobius. In the movie people were proudly displaying their allegiance to the NWO by wearing that mark on their forehead or right hand. In different scenes you began to notice that the minority were those that had not taken the mark and they were made to feel uncomfortable.

If you take the mark, whatever it turns out to be, the chip, or electronic tattoo, or 3rd strand dna you will be changed and you will be controlled – your thoughts and memories etc. will be controlled or even erased. You will be plugged in to the hive mind. You will not live by free will – you will bow to satan and be his slave.

You will be tracked. Seems that the quantum computer will be used in all of this along with satellite technology.

Remember islam is not a peaceful religion and they worship the same sun and moon gods we have been talking about. They kill infidels (unbelievers in allah) by the sword – beheading. The Ottoman Empire could be the beast system that will come into power as it was, is not and could be.... Remember they had the sun all around their coat of arms or seal and 666 in it also.

CLOSING

****Please play this clip - John McArthur says it's ok to take the mark of the beast****

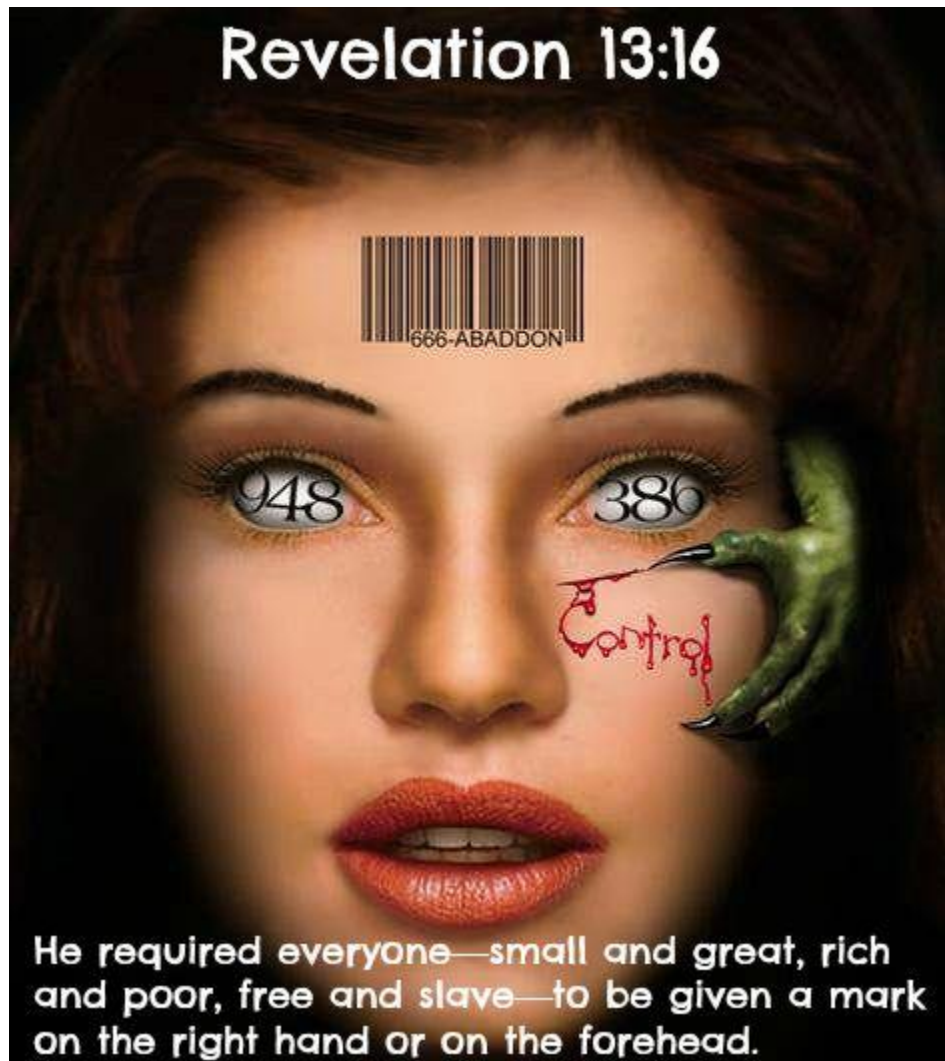

<https://www.youtube.com/watch?v=iU3tjRq6tX4>

John 3:19 - And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. *The true light is Jesus Christ, not satan.*

666 is damnable because you are faced with a choice of who you will depend on for provision. Will you trust and depend on God or will you choose satan? If you are faced with starving and watching your family starve, your children starve, not traveling, can't buy anything or sell anything, no pay check and no benefits paid to you, what will you do? If you take the mark, you have made a permanent covenant with satan and there is no taking this back, no repenting and being forgiven for this, no cutting off your hand or cutting anything out of your hand or forehead to have repentance. You will not have any mercy from God anymore once you do this. You will go to hell.

To be clear I am not talking about someone forcing you to take a chip or mark. Or torturing you and forcing you to take it. This is something you will take of your own free will or not. If there is anyone out there right now who thinks they have been made to take the mark, that it has been forced on them or tortured to break and take it, you do not have the mark of the beast. It is something that you will

accept freely or reject freely. It is all about worship. Who will you worship. Jesus or satan?

Do not wind up like this woman. If you are here when the mark is rolled out, never accept it. Ask Jesus into your heart and stand for Him and give your life for Him but never bow to the beast. DO not take the mark, or his number, or his name. Ask Jesus to forgive you of all of your sins and to stand with you and help you through this time if you find yourself in the tribulation. It will be better to suffer and die for Jesus by beheading than to take the mark and live for a moment and then be damned for all of eternity and at the Great White Throne Judgment be thrown into the lake of fire and brimstone forever and ever.
