

SATAN'S MUSIC IN THE CHURCH – Part One

1 Chronicles 6:31-32 – And these are they whom David set over the service of song in the house of the LORD, after that the ark had rest. And they ministered before the dwelling place of the tabernacle of the congregation with singing, until Solomon had built the house of the LORD in Jerusalem: and then they waited (served in) their office according to their order (assignment).

****Please play from 0 to 1:41 - sounds like a good worship song huh****

I'm going to show you some things about this song and video and then I want you to watch it again.

This puzzled me, but I know it means something. So I googled 5 points in the occult and stars came up.

A five pointed star. Yes, I chose this one and in a minute you'll see why.

lucy in the sky with diamonds is a song about lucifer. The occult refer to him as the enlightened one or the light bringer or the shining one. This girl with this t-

shirt is not in this video by accident. Remember they plan everything they do on purpose and send messages to other masons and those in their secret societies.

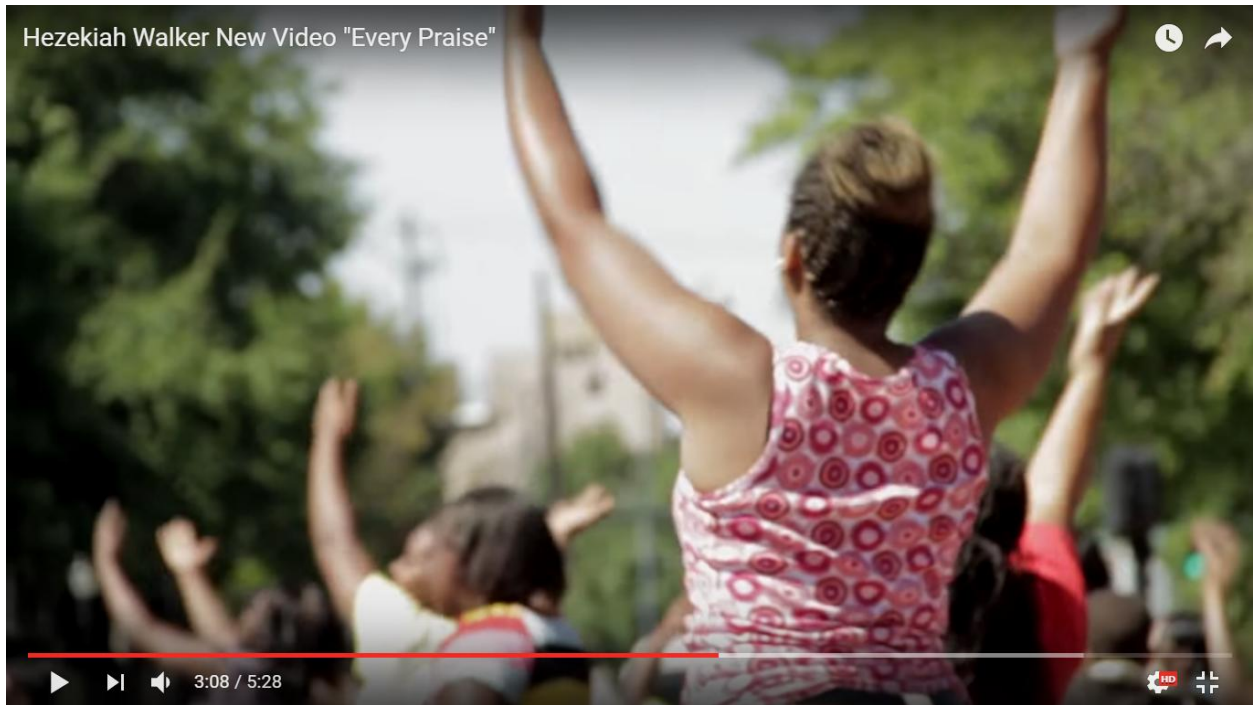

The lady in brown looks like she saying, I love you so much Lord.

But....

The Crook and Flail, the symbols of divine authority, were carried by Egyptian Pharaohs in State ceremonies. The flail symbolised the Pharaoh's role as provider of food for his people and the crook symbolised his role as the shepherd of his people. Both the crook and flail also served to associate the Pharaohs with Osiris, as they are Osiris' emblems. X is a sign of osiris worship, a sign of sun worship.

No the lady with the “Target” shirt on is not here by accident either. Sun worship which equals nimrod/baal/satan worship.

Some Examples of Sun Symbols

See how they are pointing up like they are praising God? That's not how you praise Him. You might point up when speaking of Him but that's not praising Him.

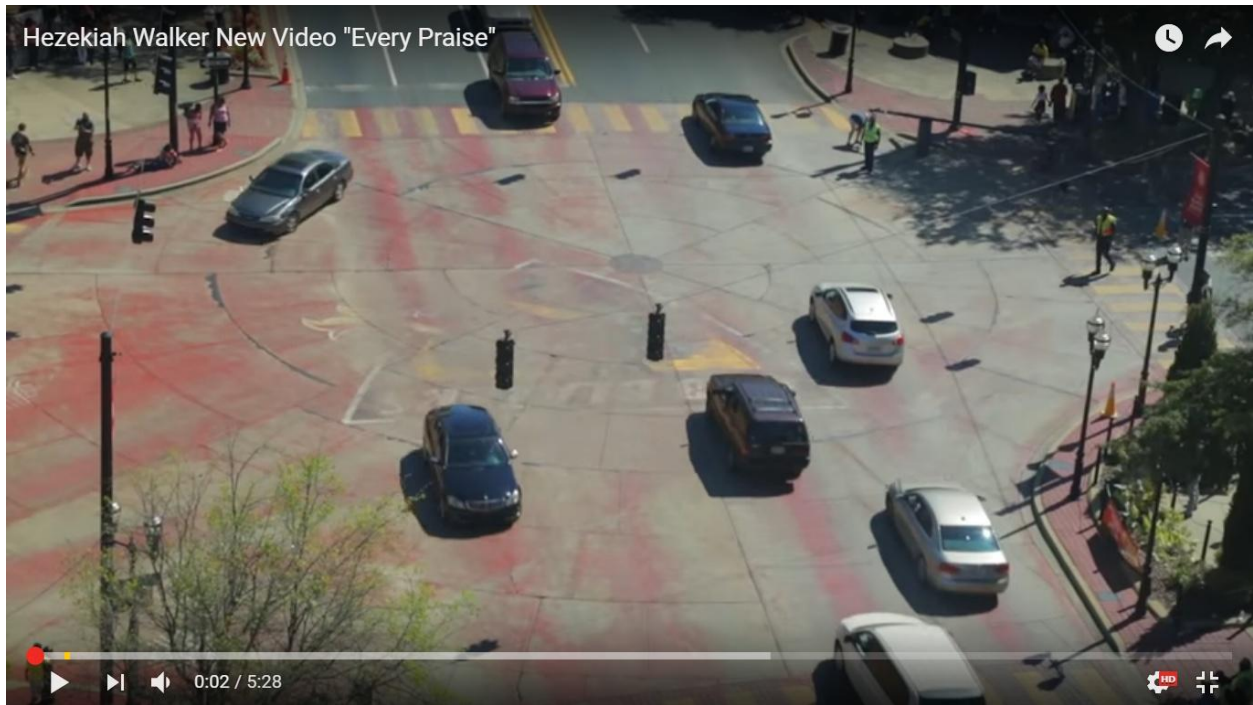

The index finger or forefinger was regarded as venomous in bygone days. Even in present times it is rude to point especially with this finger. Pointing the finger away from the body is known in occult circles as 'the sign of faith', while pointing upward is the 'sign of preservation'.

The planet Jupiter is represented by the index finger — in Mesopotamia, the planet Jupiter was known as Neberu (or Nibiru) and associated with the god Marduk, the patron god of Babylon, and considered equivalent to the older Sumerian god Enlil. Psychologically, this finger is related to the conscious mind.

The same thing muslims do to worship allah.

This is what the intersection looked like in the video. Looks like they took some editing software and sort of blurred over the image in the middle of the intersection. I wanted to see what it was.

Here's that same intersection a little more to normal color.

Here's that intersection, with a sports team logo of a fire breathing dragon in a triangle close to the middle of the intersection, the circle. The dragon always represents satan.

Rev.12:9 – And the great dragon was cast out, that old serpent, called the devil, and satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

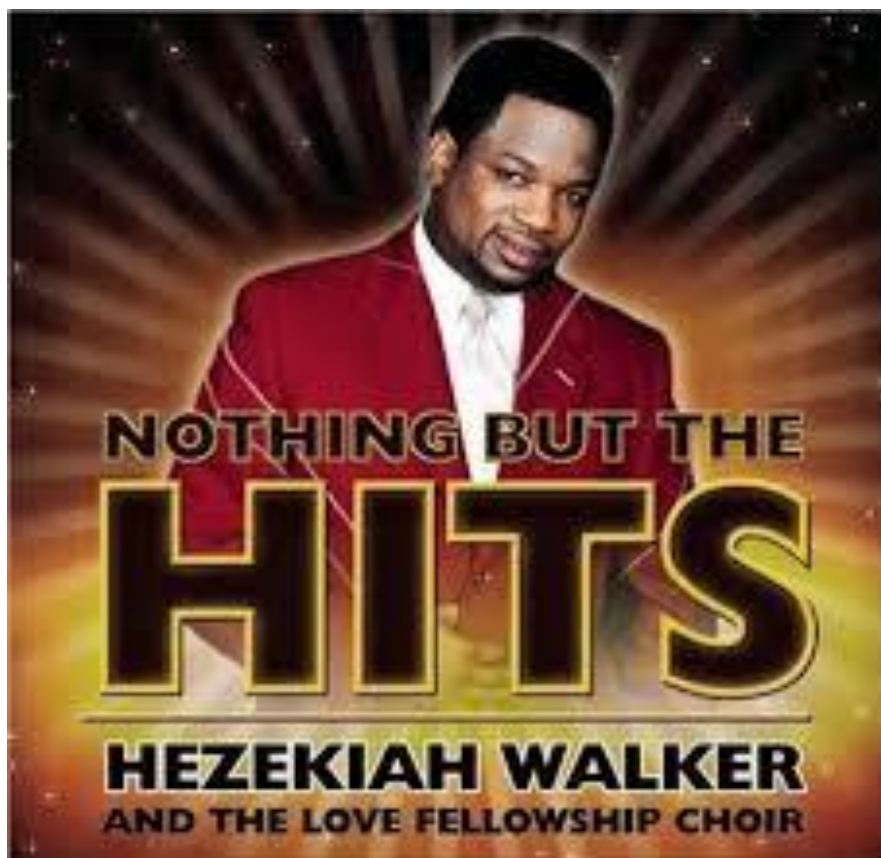

Here is pan, baphomet, satan, cernunnos, the horned god.

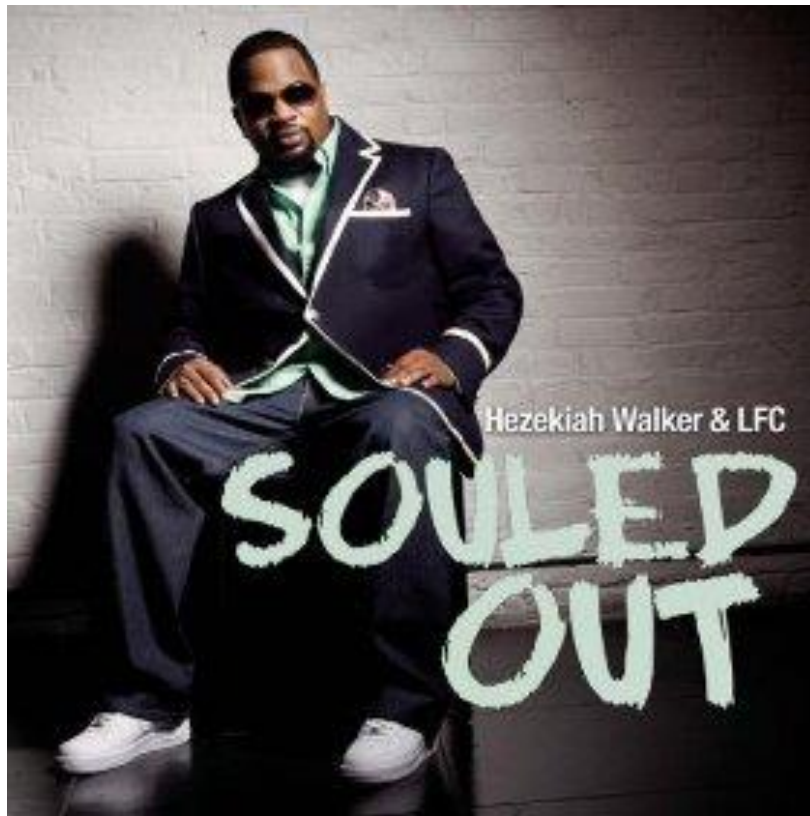

In my research I ran across someone that shared this: Does anyone have any info. on the Five Points area in Birmingham, Alabama (USA)? Five Points is where five streets intersect. At this intersection there is a statue of a goat standing on its back legs holding an open book. If you climb to the top of the statue, you will see a pentagram engraved in the book. From the air (i.e., an airplane) at night, the lit street lights on these five roads form a large pentagram across the city. *I could not find for sure if there's a pentagram on the book or if the street lights make a pentagram. But seeing what we've seen already, I believe it.*

Please play the video – look at how they dance when they put their arms up and then down – as above / so below

Sun worship.

I think this album cover says it all.

No this location was not chosen by accident. It was well orchestrated and if this singer was truly a Christian he would have protested singing in this location. But when you want fame and money more than Jesus Christ, these are the things you will do. They tell you what to do, but you still have free will. Do you want the lime light and the career and money and girls and big houses and fancy cars and partying more than Jesus? Are you scared to lose your life if you stand up and say I want out??

Matt.16:25 - For whosoever will save his life shall lose it: and whosoever will lose his life for My sake shall find it.

Is Hezekiah saving his life by bowing to satan, to the illuminati, to the world system to money? No, he is only saving his fleshly life. However, he is spiritually dead. If he stays in this state, he will die in his sins and go to hell for eternity. But if he were to take a stand and say I'm not doing this anymore. I will stand for Jesus no matter what and ask forgiveness and confess and repent sincerely from

his heart, then he will have lost his life, his life of fame and fortune and of doing what is evil in the Lord's sight doing what the world loves and expects. At that point, he would have found his life because of Jesus and he would have eternal life.

Jumping up and down in the dark in a night club saying this is worship and praise to Jesus – No it isn't.

II Samuel 6:14-16 – And David danced before the LORD with all his might; and David was girded with a linen ephod. So David and all the house of Israel brought up the ark of the LORD with shouting, and with the sound of the trumpet. And as the ark of the LORD came into the city of David, Michal Saul's daughter looked through a window, and saw King David leaping and dancing before the LORD; and she despised him in her heart. (this pretty much ended their marriage)

Dance – strong's 3769 dance i.e. to whirl

Leaping – strong's 3669 to spring (as if separating the limbs) This reminds me of what a male ballerina might do.

****Please play from 26:11 to 27:00 – Christian says the church is chasing an experience and their feelings and emotions and music is playing a major role in deception.****

It doesn't matter that they are singing to "god," they are not singing to the God we serve, the Lord God Almighty. When they have sold out to satan, and they

sing about Jesus, they aren't singing to the Jesus of the Bible. We have let our guard down and really if we would have tested the spirits we would have known.

CLOSING

They are putting Jesus lyrics and supposedly christian lyrics over rebellious music and it is changing people.

Psalms 100:1-2 – Make a joyful noise unto the LORD, all ye lands. Serve the LORD with gladness: come before His presence with singing.

We need to be very careful with what we allow in our churches. We serve a Holy God. Would Jesus approve of the music you are playing in your homes and cars and churches? This is the kind of filth that has been getting played in churches across this world. Praise the Lord this one did not get played in our church but I'm sure there are some just as bad that have. We have repented and cried out before the Lord and asked forgiveness and stopped playing this kind of music in our church.
