

## SATAN'S MUSIC in the CHURCH – Part Four: CHRIS TOMLIN, and REPTILIANS

Thank you to Ann Marie who pointed this album cover out to me. Not only is that an illuminati eye, because it is so obviously only showing one eye, but it is a reptilian eye. Why? We'll find out as this message goes along. And we have to remember that these people are not the illuminati, they are only puppets being used by them to help to condition and control us.

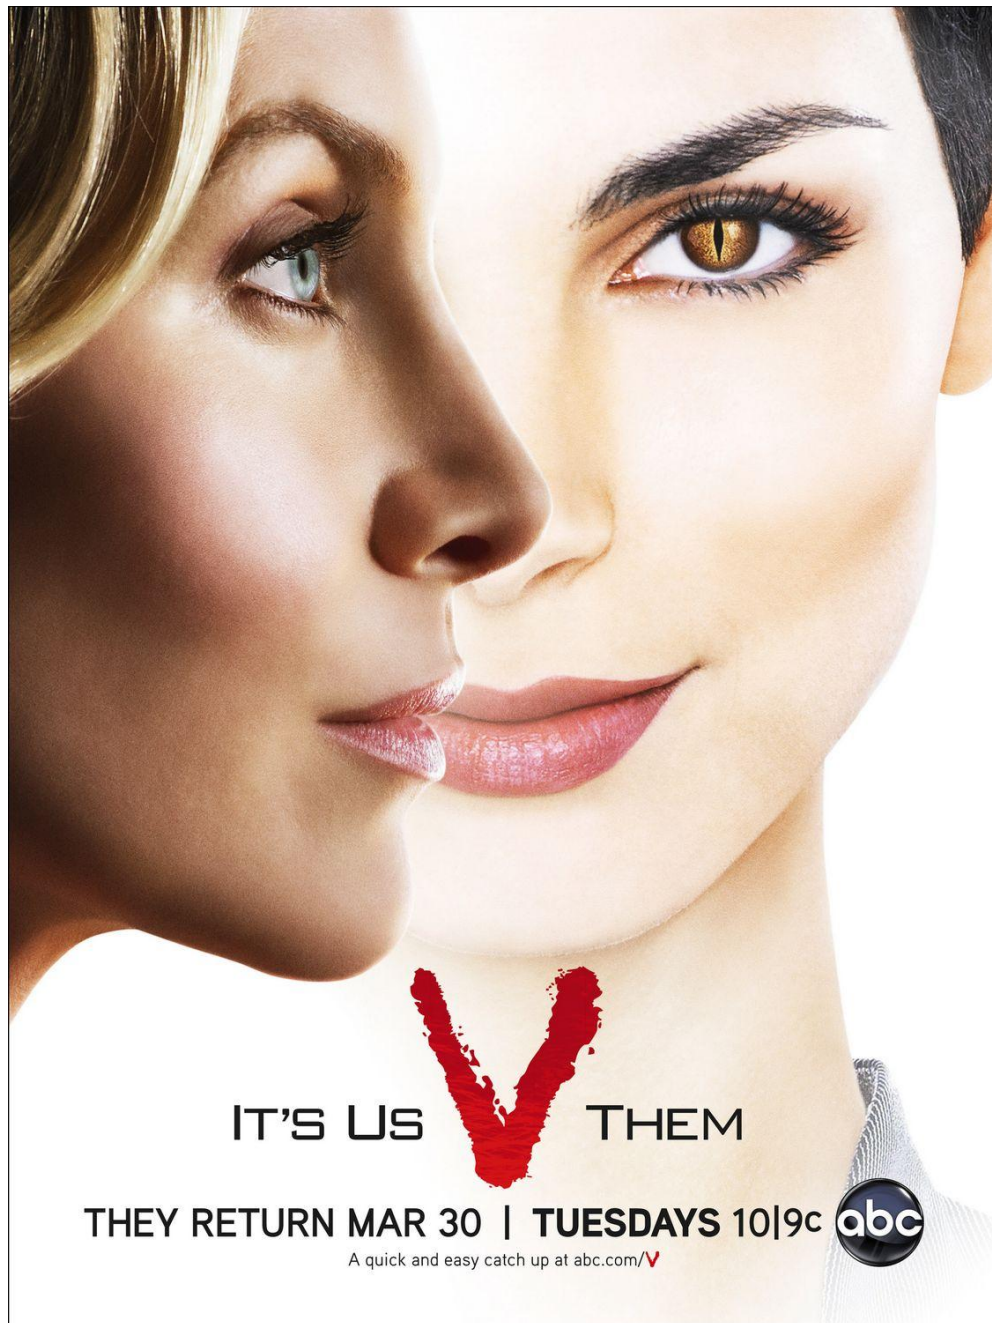

See how there is that outline around the slit that is a lighter color sort of highlighting the pupil. Humans don't have that, not even in pictures with reflections or flash on our eyes.

FRANK HAMMOND "Pigs in the Parlor":

## Demon Manifestions:

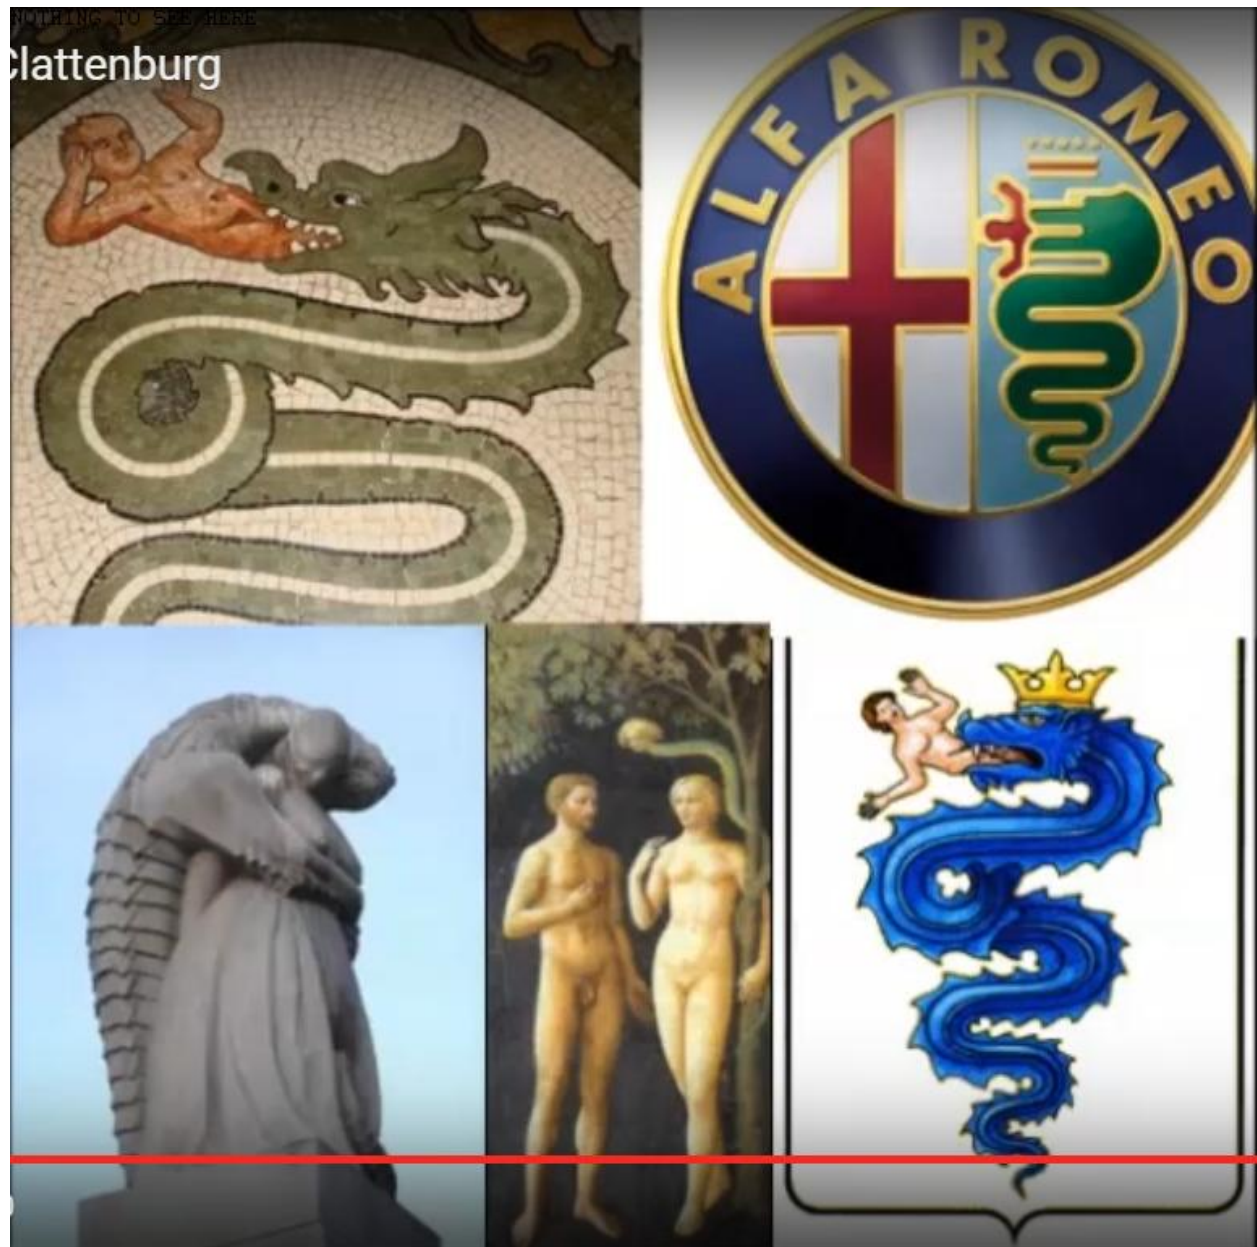

satan and his demons are identified with serpents.

**Luke 10:19** – Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

**Rev. 12:9** – And the great dragon was cast out, that old serpent, called the devil, and satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

It is not surprising that serpentine manifestations are sometimes witnessed. These may be in the tongue. They will cause the person to stick out the tongue or cause the tongue to go in and out very rapidly – exactly like a snake's tongue. The eyes may take on the characteristic of snake's eyes. (Most of the time the person being delivered will keep his eyes closed. The demons seem to know that the eyes of a person reveal their presence in a more readily observable way than any other.)

Another manifestation of the serpent is through the nose. The person is caused to blow air through the nostrils making a hissing sound. On a few occasions I have witnessed the person thrown to the floor by the power of the indwelling spirits and his body writhe like that of a serpent.

If you look at art work around the world you will see it is laced with reptiles and not in a good way. This is telling us something.

Yes in trying to condition us to accept aliens which are demons, the pope said he would baptize one and that they are our brothers and were created by God and we are to love them.

If you are not familiar with where we are at on the timeline of the Lord's return and don't know what happened in Genesis chapter 6, and are unaware that we do have demons manifesting and satan housing his hierarchy in human looking bodies, I encourage you to go back and watch the nephilim series.

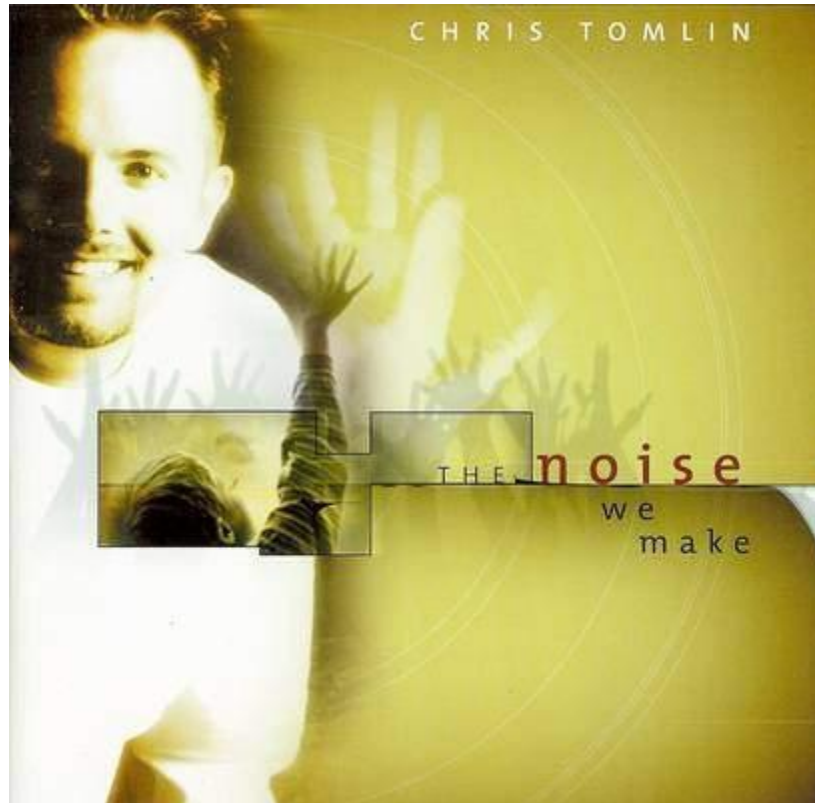

One eye in darkenss.

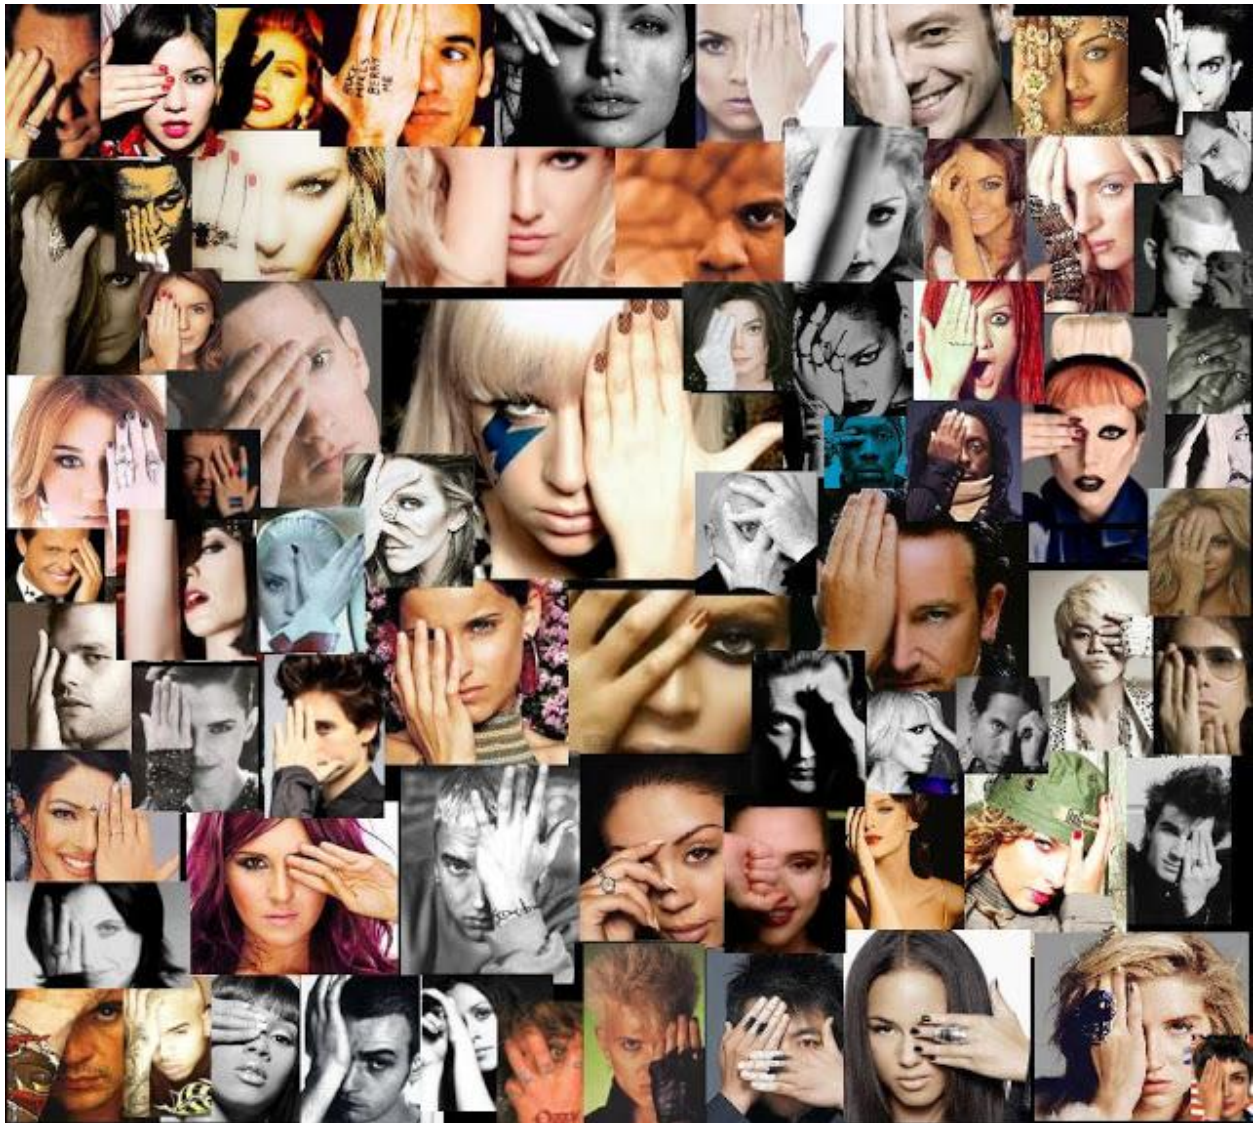

Only one eye showing.

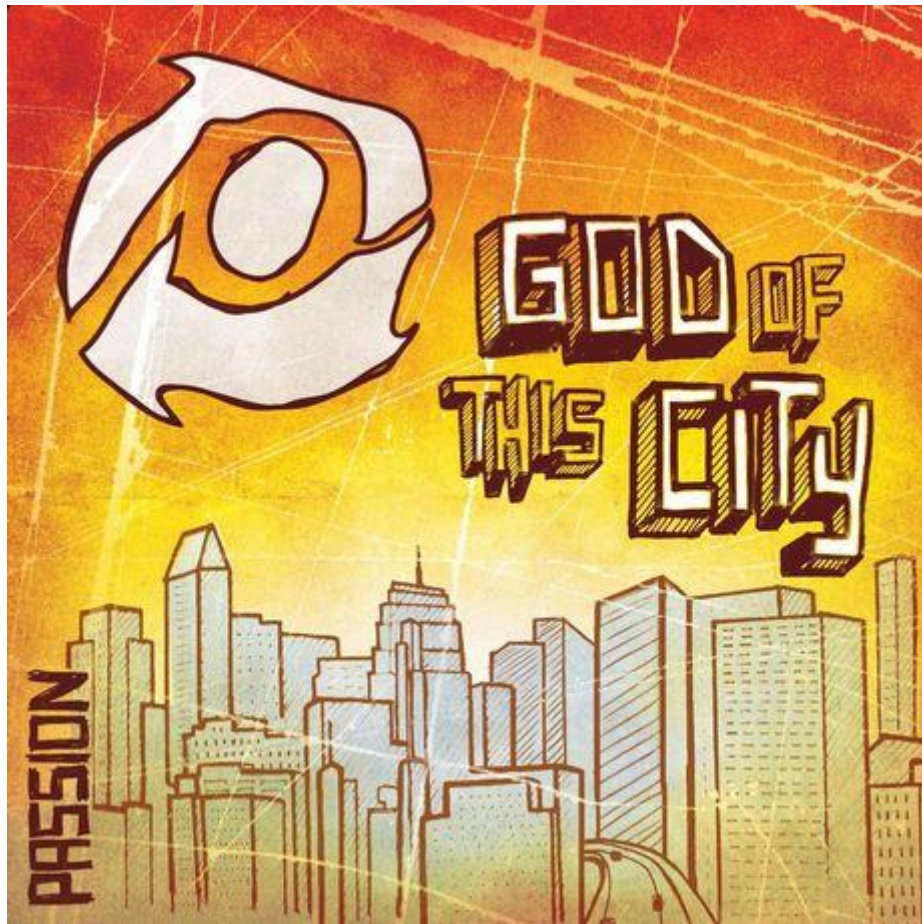

One eye is hidden.

Illuminati slaves are made to do this, to show allegiance to their god osiris/horus

## Outrageous Claims Made For The Pope!

Not only are outlandish claims, such as those above, made regarding the authority of the pope, but he is addressed by various terms (Supreme Pontiff, Holy Father, etc.) which belong only to God. No such terms were given to a mere man in the holy Scriptures. The term "Holy Father" is used only once in God's word. It is used by Jesus in John 17:11 as He prayed to God the Father. For a mere man to assume

the authority and titles which belong only to God, is surely the height of arrogance and blasphemy. If not, why not?

1. The New York Catholic Catechism, under: Pope, says, "The Pope takes the place of Jesus Christ on earth...by divine right the pope has supreme and full power in faith and morals over each and every pastor and his flock. He is the true Vicar of Christ, the head of the entire church, the father and teacher of all Christians He is the infallible ruler, the founder of dogmas, the author of and the judge of councils; the universal ruler of truth, the arbiter of the world, the supreme judge of heaven and earth, the judge of all, being judged by one, God himself on earth."
2. In his encyclical, "The Reunion of Christendom" (1885), Pope Leo XIII stated that the pope holds "upon this earth the place of God Almighty."
3. The Council of Trent declared: "Sitting in that chair in which Peter, the Prince of the Apostles, sat to the close of life, the Catholic Church recognizes in his person the most exalted degree of dignity, and the full jurisdiction not based on constitutions, but emanating from no less authority than from God Himself. As the Successor of St. Peter and the true and legitimate Vicar of Jesus Christ, he therefore, presides over the Universal Church, the Father and Governor of all the faithful, of Bishops, also and of all other prelates, be their station, rank, or power, what they may be."
4. The Catholic book, "My Catholic Faith" which is based on the Baltimore Catechism, on page 251, says, "The Pope can make and unmake laws for the entire Church; his authority is supreme and unquestioned. Every bishop, every priest, every member of the Church is subject to him."

By David J. Riggs

A few of my thoughts of the blasphemy and abomination of the pope and the catholic church for supporting him:

The pope forgives sins / Jesus is our sacrifice.

The pope decides who he will declare as a saint. Those who take Jesus as their Savior and obey Him are saints, it is another name for a Christian.

He allows worship of himself when people bow to him and kiss his ring. / No man is to be worshiped.

He promotes euceminism – to bring all religions together – JESUS is the only way.

He says in communion that the bread actually turns into Jesus' body when you eat the cracker, and that the grape juice turns into His blood when you drink it.

**Romans 16:17-18** – Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple (innocent).

**\*\*Please play this clip Louie says that Jesus got beat up by demons in hell\*\***

<https://www.youtube.com/watch?v=EFIPGFj8ecA>

Time had to pass for people to truly believe He had died and see the miracle of resurrection for themselves. Remember Lazarus, 4 days in the tomb. Jesus waited on purpose.

**John 11:3-4,6, 14-15** – Therefore his sisters sent unto Him, saying, Lord, behold, He whom Thou lovest is sick. When Jesus heard that, He said, This sickness is not unto death, but for the glory of God, that the Son of God might be glorified thereby. 6 When He had heard therefore that he was sick, He abode two days still in the same place where He was. 14 Then said Jesus unto them plainly, Lazarus is dead. And I am glad for your sakes that I was not there, to the intent ye may believe; nevertheless let us go unto him.

If He would have resurrected immediately they would have just thought He didn't actually truly die in the first place.

**Ephesians 4:7-11** – Read out

**1 Peter 3:18-19** – For Christ also hath once suffered for sins, the just for the unjust, that He might bring us to God, being put to death in the flesh, but quickened by the Spirit: By which also He went and preached unto the spirits in prison;

**Psalm 16:9-10** – Therefore my heart is glad, and my glory rejoiceth: my flesh also shall rest in hope. For Thou wilt not leave my soul in hell (hades); neither wilt Thou suffer Thine Holy One to see corruption.

Remember hell at the time of Jesus' death was called paradise on one side or Abraham's bosom and it was separated from the side of torment by a great gulf between the two sides. You can read about this in Luke 16:19-31.

**Isaiah 5:14** – read out (hell enlarged herself)

**Matt.25:41** – Then shall HE say also unto them on the left hand, Depart from ME, ye cursed, into everlasting fire, prepared for the devil and his angels:

**1 Cor. 15:17-23** – Christ is the first fruits

There is no separation anymore between paradise and hades, there is only hades. Once Jesus went down and then ascended He took those souls out of paradise with Him to heaven.

**\*\*Please play this clip – Copeland and Hagin both say Jesus suffered in hell\*\***

<https://www.youtube.com/watch?v=7dwbNvBq7eQ>

These men have been honored and revered as “fathers” of the faith. They have laid hands on people and passed on their “anointing.” Copeland laid hands on Donald Trump and prayed over him. When you can't discern that someone is operating of a spirit that is not of God, that same spirit that is working in them can transfer to you because you are in agreement with it. They preach in Jesus' name but their heart is not for Jesus. If you openly false teach, then to be truly for Jesus Christ, you should openly confess and repent and recant that false teaching. I can find nothing of the sort on any of these men.

**Galations 1:8-9** – But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed.

L-R: Louie Giglio and wife Sharon with Roma Downey and Mark Burnett at “The Voice” This show has nothing to do with Jesus Christ, it is worldly.

The set of "The Voice": From left you see a V with the fingers, then a V in the middle with the writing of voice and then another hand with the V in the occult this is 666. Remember in Hebrew the letter V = 6. Red, black and white are very occultic colors. Black/white is duality, opposites like light vs darkness. Red is symbolic of blood or a sacrifice. You see these colors in the freemasons, rosecrucians, illuminati colors. anubis, the Egyptian god of the dead is black. Remember they study the book of the dead and do the opposite of the Bible.

Mackey also cites Portal's Symbolic Colors which states that red, representing fire, is the symbol of the regeneration and purification of souls.

We should have known they'd be sporting it.

Lady Gaga meeting the queen. Red black and white.

For you guys that don't know yet, Christmas is not about Christ, but rather about worshiping nimrod who was worshiped as the sun god at winter solstice. Saint Nick represents none other than nimrod. You can learn more in the series I did on Christmas.

Red, black and white – Dracula is a creature of the night and he changes from man form to bat like part man part animal like what the nephilim created. He drinks the blood and God says that the life is in the blood and it is sacred to God we are not to drink blood.

## Phoenix

- Various notes:
  - Masonic Interpretations of the Phoenix By Manly P. Hall [The Secret Teachings of All Ages](#)
  - Note what a former witch had to say regarding the occult belief in the Phoenix Bird. "The Phoenix.. is believed to be a divine bird going back to Egypt.. This Phoenix destroys itself in flames and then rises from the ashes. **Most occultists believe that the Phoenix is a symbol of Lucifer who was cast down in flames and who they think will one day rise triumphant.** This, of course, also relates to the rising Hiram Abiff, the

Masonic 'christ.' [Source: Dr. C. Burns, Masonic and Occult Symbols Illustrated, p. 123]

- "In **ancient Egyptian mythology** and in myths derived from it, the phoenix is a **mythical sacred firebird**. Said to live for 500, 1461 or for 12594 years (depending on the source), the phoenix is a **male bird with beautiful gold and red plumage**. At the end of its life-cycle the phoenix builds itself a nest of cinnamon twigs that it then ignites; both nest and bird burn fiercely and are reduced to ashes, from which **a new, young phoenix arises**. The new phoenix embalms the ashes of the old phoenix in an egg made of myrrh and deposits it in Heliopolis ("**the city of the sun**" in Greek), located in Egypt. The bird was also said **to regenerate when hurt or wounded by a foe, thus being almost immortal and invincible** - a symbol of fire and divinity. Although descriptions (and life-span) vary, the phoenix became popular in early Christian art and literature as a symbol of the resurrection, of immortality, and of life-after-death. **Originally, the phoenix was identified by the Egyptians as a stork or heron-like bird called a benu, (see Bennu)**, known from the Book of the Dead and other Egyptian texts as one of the sacred symbols of worship at Heliopolis, closely associated with the rising sun and the Egyptian sun-god Ra."

Triangles in the occult represent sun worship as well as the false trinity of  
nimrod/ashtoroth/tammuz

While researching this I saw a title on a play list “Powerful Worship music makes demons flee” and I noticed that one of the artists was Chris Tomlin. This is part of the deception because when you play music that was written for satan by his demons or their influence or with witch lyrics, the demons aren’t going anywhere because they know who it is uplifting.

## CLOSING

**Matt. 24:37** – But as the days of Noah were, so shall also the coming of the Son of man be.

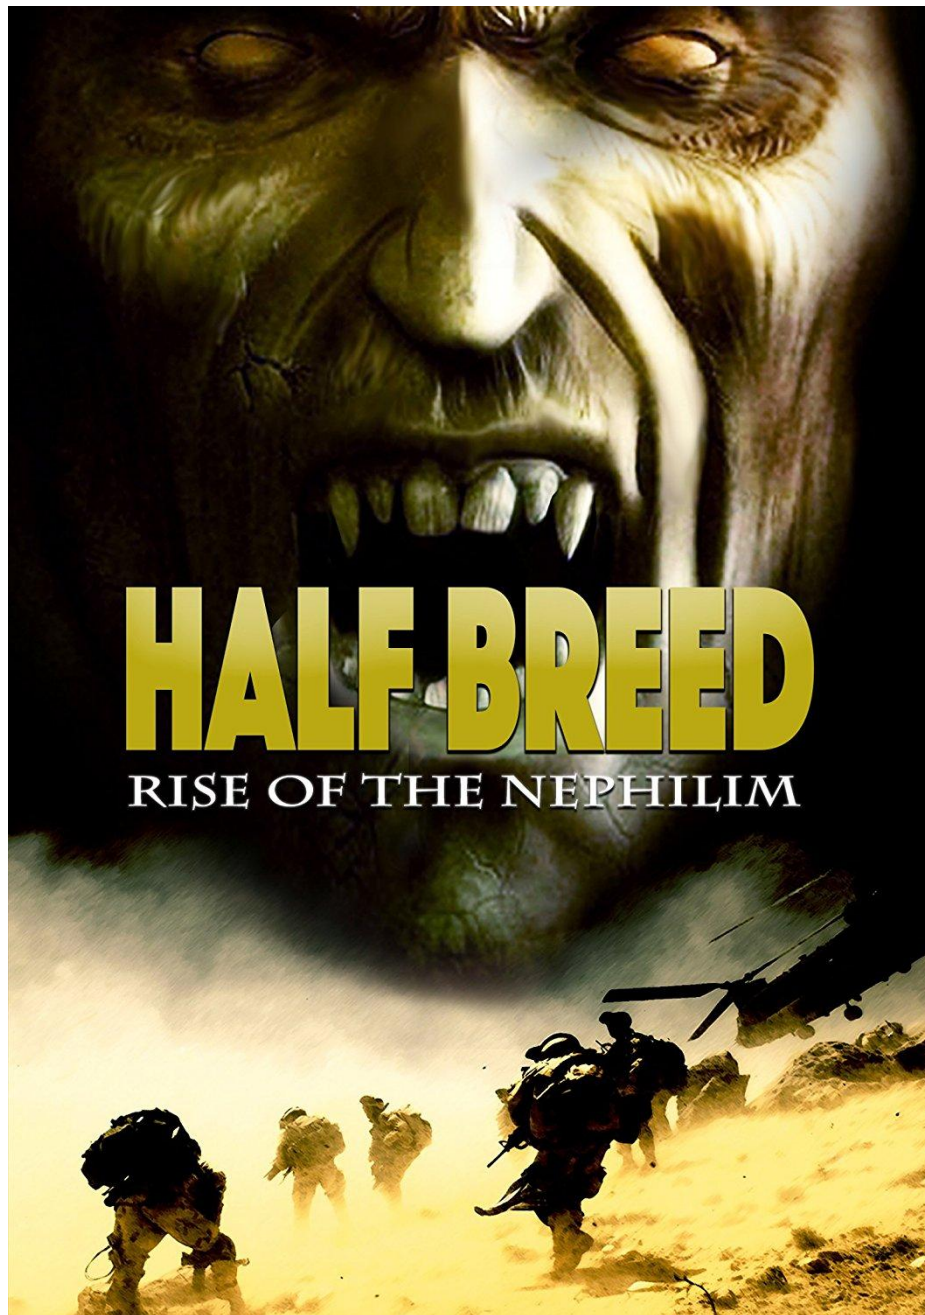

**Gen. 6:4-5** – There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. And God saw that the wickedness of man was great in the earth, and that ever imagination of the thoughts of his heart was only evil continually.

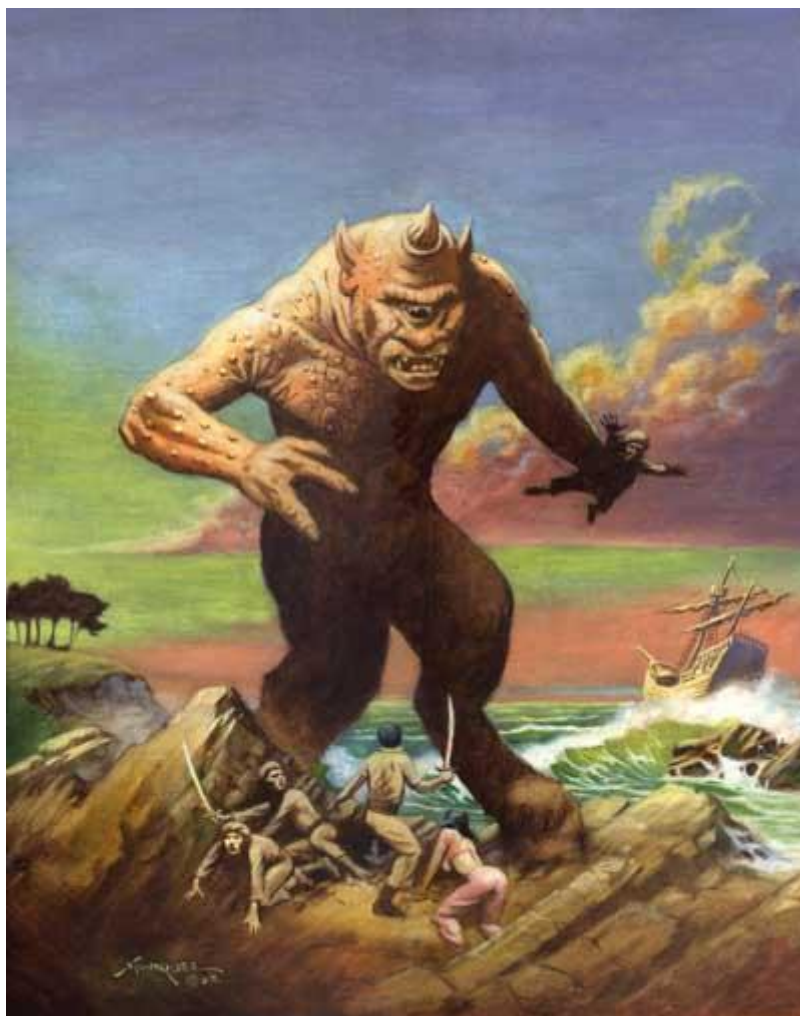

The flood did not kill them all, because King David and his men were still killing them after the flood. The book of Enoch which is referenced in the Bible (and used to be part of the Bible until the Catholic church took it out) says that this will

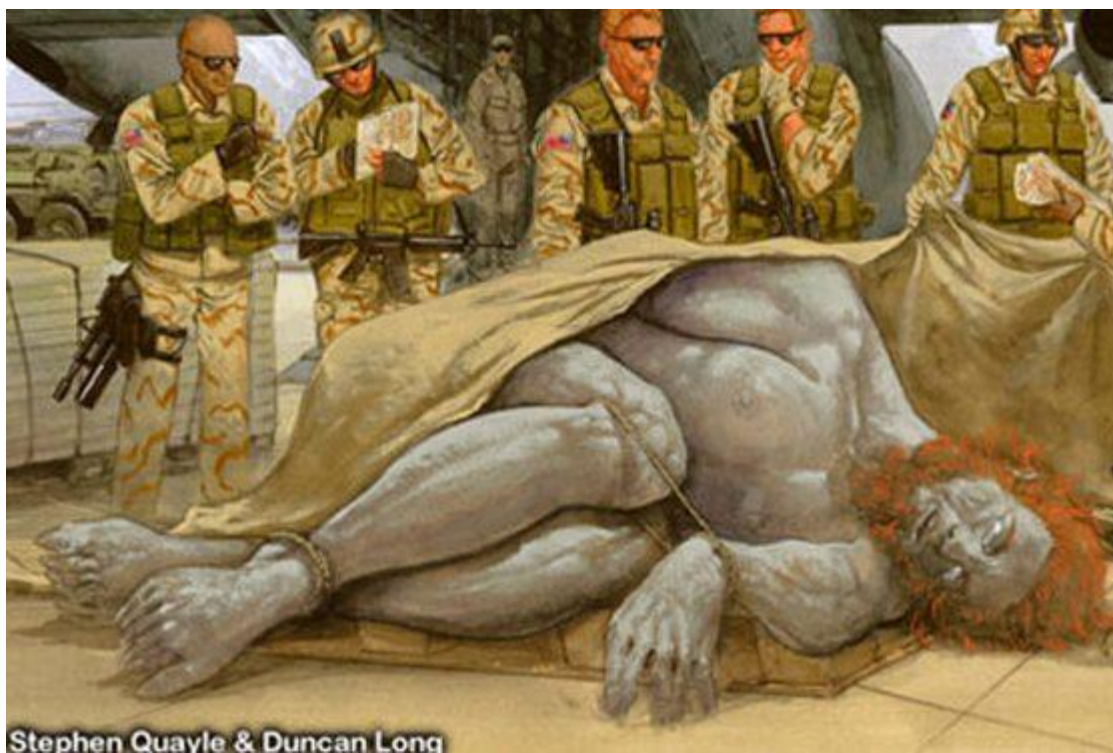

happen again. It says that those dead nephilim became disembodied evil spirits. Enoch chapter 7 & 15 cover a lot of this.

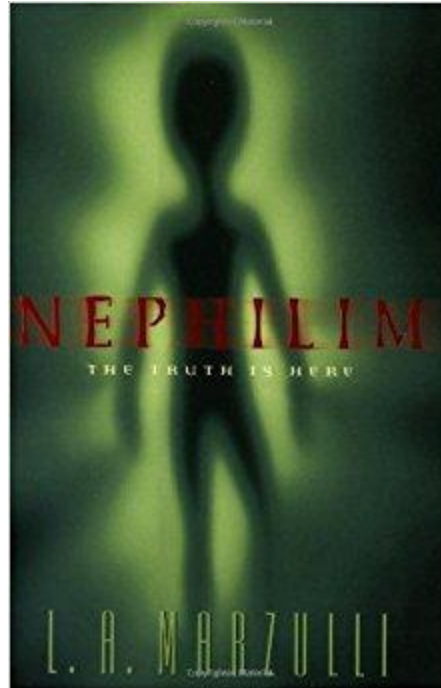

X = sun worship and these are not even 100% human, they are chimeras or hybrids with supernatural abilities.

We have been conditioned to believe this is an alien, but truly now we know these are demons.

Why have we thought that Hollywood was so imaginative? They are only showing us what they know and what they see and what they are living. Why have we thought they were wholesome and pure and holy and something to be admired?

They are holding hands and walking with the devil, it is no wonder that we are now beginning to witness demonic shape shifting right out in the open (Justin Bieber) and the referee. There is a mixture of things going on right now: shape shifting (I believe to be demon possession), hybrids, nephilim, fallen angels, clones of reanimated people (Donald Marshal talks of reptilians and he himself is most likely either dead or heavily programmed but seems to be speaking truth) clones to house satan's hierarchy. John Ramirez a former satanist openly says at his wedding on Halloween that demons attended in human and animal form. Our military is openly training to psychically kill people, to remote view (astral project) and they are working on super soldiers through programming. Our world militaries and governments are very interested in psychic abilities. All of this type of thing is of satan. We have to realize most of the world is not saved, only 8 souls went into the ark. They have been studying the ancient (from the time of Babylon) Book of the dead – not the book of Life which is the Bible. They study the Bible so they can do the opposite of it to bring more defilement and evil entities and satanic power into themselves. This is real, we ARE IN THE DAYS OF NOAH RIGHT NOW!!!
