

## SATAN'S MUSIC in the CHURCH – Part Six: BACKMASKING

Please go and watch the clips associated with these messages, they are powerful. If you can't get our message on youtube, you can usually go to our church page and watch it from there.

### The Occult Lesson of Reversal

satanist aleister crowley sporting his pyramid for sun worship. Remember he said that 666 meant merely sunlight and that you could call him little sunshine.

He was a freemason and broke away and developed his own occult.

One of Crowley's chief insinstances was that his followers learn and put into practice the *Occult Law of Reversal*. In the many various and sundry classes he instructed in his home in the occult, he invariably instructed his multitude of excited students in this major law of satan.

Those who want fame, power, spell-casting abilities, demons at their beck and call, and to recognize the godhead within, as well as to know the past, present, and future, he extolled to his apt students, must consistently, with intensity, practice **talking (reverse speech), walking, thinking, and playing phonograph records, backwards.** This is a form of divination, and we are warned against this in the Holy Bible.

**\*\*Please play from 4:07 to 5:04    Crowley believed a book he had written would replace the quran as the law of man / backtracking can be very destructive.\*\***

Most people you watch on tv and hear on the radio are in the occult in one way or another. In witchcraft or the masons. This is Nascar's David Reagan and he is a shiner which means he's a mason.

On the far right is David Reagan. These are shriners and they are first masons. All shriners are masons but not all masons are shriners. Look at their hats. Does it look familiar? Masons worship Egyptian deities, they are pictured in the back of Masonic bibles. Masons take an oath and swear on the quran. Many in the occult are following the teachings of Aleister Crowley. The Beatles, Michael Jackson, Jay Z and many others have studied his occult teachings.

**\*\*Please play from 0 to 2:07 Michael Jackson used demons to walk backward and dance the way he did\*\***

<https://www.youtube.com/watch?v=k2Sks1jGqSo>

The walk he did was called the “moon walk.” That refers to the goddess, semiramis, queen of heaven, ashtoroth, mother nature, athena, etc. So that walk is named for her.

He studied Crowley. Michael had a room full of mirrors that he used to contact and channel spirits. He talked to Liberachi there and said he was like a guardian angel to him. We in the church would know that as a spirit guide of the occult.

**\*\*Please play from 3:33 to 4:19 Michael Jackson talked about demons giving him his music**

I am showing you worldly people this week because they have openly been telling us how they get their music and how they can move the way they do. We cannot be naïve and not realize that CCM (Christian contemporary music) is doing the very same things. They will not speak openly about it so that they don't blow their cover. But they are showing us in their clothing and album covers and the deals they make and the people they are in business with.

So called christians are doing this too. Their way of “doing what thou wilt” is that they say, Don’t judge me and they continue right on in their sin.

I’ve noticed in this message series that another way so called christians “Do what thou wilt” is to attack someone speaking the truth and tell them they are not flowing in love, tell them that they are tearing down the body of Christ, that they are giving Christianity a bad name. There is no respect for God’s authority in the church, they run right over it and boldly want to argue about God’s Word. They don’t want to listen and learn or be disciplined, but they want to be the authority, each person believing the way they want to believe.

This is the standard today. Everyone has their own truth. If they don't like something, then it isn't true or not for them – it is your truth. That is how the majority of people are acting toward God and His Word right now.

**Judges 17:6** – In those days there was no king in Israel, but every man did that which was right in his own eyes.

Remember God had already given the ten commandments and all the ordinances and He was the people's king at that time.

**Exodus 24:3** – And Moses came and told the people all the words of the LORD, and all the judgments: and all the people answered with one voice, and said, All the words which the LORD hath said will we do.

**I Samuel 8:5-7** – (The people came to Samuel wanting a king) And said unto him, Behold, thou art old, and thy sons walk not in thy ways: now make us a king to judge us like all the nations. (like all the nations – heathen nations) But the thing displeased Samuel, when they said, Give us a king to judge us. And Samuel prayed unto the LORD. And the LORD said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected Me, that I should not reign over them.

So when they were “Do what thou wilt – ing” they were not obeying God.

As for judging, as Christians we are to judge each other righteously and in love.

**John 7:24** – Judge not according to the appearance, but judge righteous judgment.

**1 Cor.5:11-13** – But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such an one no not to eat. (not to have social relations) For what have I to do to judge them also that are without? (outside the church) do not ye judge them that are within? But them that are without (outside the church) God judgeth. Therefore put away from among yourselves that wicked person.

**Gal. 6:1** – Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted.

The Bible talks about a process of talking to your brother/sister in Christ if they have sinned against you in Matthew 18:15-20.

## **SYNCOPIATION**

**Definition of syncopation.** 1 : a temporary displacement of the regular metrical accent in music caused typically by stressing the weak beat. 2 : a **syncopated** rhythm, passage, or dance step.

They have studied music and know how to manipulate the beats to open your third eye/pineal gland or raise your consciousness. Remember Christian Berdahl said that the syncopated beats disconnect your logic and reasoning and move you into an alpha state where you receive everything you hear right in without questioning any of it.

Music can be used in healing or as a weapon to destroy.

There is tons of music online that says it will open your mind, music for hypnosis, music for putting yourself into a trance, music for brain power, music to raise your vibrations, lucid dreaming music, meditation music, sleep music, shaman music, chakra music, yoga music, reiki music, music to summon spirits etc.

**\*\*Please play from 2:06:28 to 2:08:18 John Todd talks about witchcraft in Hollywood and music and what you have to do to be on tv and in movies\*\***

[https://www.youtube.com/watch?v=orn\\_N8OUOnU](https://www.youtube.com/watch?v=orn_N8OUOnU)

Tom T. Hall was the leader of the witchcraft in country music. In Rock music you had to be an initiated witch – a coven member, a minister. In the 70's you had to be an initiated witch to be on tv. Must bear the scar of initiation into witchcraft. They all belong to a witchcraft or satanist brotherhood or they wouldn't be there. They will eventually weed out the older ones who were there some other way. You have always had to do something to be in the entertainment industry. You are not on television or movies because you are good, you are there because you paid a price, whatever the producer wanted from you. **Now it is witchcraft. In the early 70's and late 60's it was homosexuality. Before that it was the producer's couch and so on.**

He only talked about how to be on tv and in the movies, but you can include all of the entertainment industry in that now and that includes so called "Christian" music as well. That is why we are seeing them pay homage to satan in their album covers and the clothes they wear etc.

## CLOSING

**I Sam. 16:23** – And it came to pass, when the evil spirit from God was upon Saul, that David took an harp, and played with his hand: so Saul was refreshed, and was well, and the evil spirit depart from him.

There is something about the right kind of music, Godly music that drives the demons away! This is why satan has worked so hard to pervert the music so that instead of driving anything evil away, we are instead invoking evil spirits through the music we listen to, even so called Christian music being sung by contemporary or rock christian artists.

**II Kings 3:15-16** – But now bring me a minstrel. And it came to pass, when the minstrel played, that the hand of the LORD came upon him. And he said, Thus saith the LORD, make this valley full of ditches.

This minstrel playing a stringed instrument (Godly music) brought the Holy Spirit upon Elisha in order to prophesy to the 3 kings that approached him asking a word from the LORD.

**I Tim. 4:1** – Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils;

Many are being seduced by seducing spirits through this demonic music. Not just the worldly music if you haven't stopped listening to that, but this so called Christian music as well.

The worldly artists are telling us exactly what they are doing and how they are doing it. Now, do you think a supposedly Christian artist is going to admit any of this? No.

**\*\*Please play from 4:59 to 5:36    Helen Baylor talks about demonic elements creeping into worship music in the churches\*\***

**John 4:24** – God is a Spirit: and they that worship Him must worship Him in spirit and in truth.
