

# WITCHES in the CHURCH

Pastors Erustus and Sarah Museve

Witches in the spiritual realm see the strong Christians and churches affecting or destroying or hindering their activities and operations in that area and so those are their main targets. Recently I was administering deliverance to a student who had gone mad living in the same Ekeru village where our Church is located. They tried hospital but he was worsening, no eating, no talking but very violent. They brought him to us here in Bungoma. When I started casting out demons they said there were 40 in number and had been sent by his step mother called Mary.

She was using these demon spirits through witchcraft to destroy this young man's future. The demons said Mary was the main witch and had 3 men in the village recruited as her agents to assist in killing people, destroying Pastors, members and churches, marriages and anything good in people's lives and in the area they operate.

Pastor, I was shocked demons saying Mary pays back these men by having sex with them. Mary's husband died mysteriously some years back and they revealed she killed her husband. Deaths were so rampant in Ekeru village but when we planted a church there, deaths stopped. They were caused by this witch with her team.

Surprisingly, this Mary is a women's leader in one of the churches at Ekeru. She had moved so close to me and Sarah. She could visit us and gave us gifts, food and money. You remember one time I was very sick and hospitalized. When I was

discharged after no disease was diagnosed, she came to our house that very evening to see if anything wrong had happened to me, then she left immediately. Sarah discerned and told me that woman Mary was a bad woman and should stay away. Pastor, until recently when I was casting those demons out of the young man is when we got the truth. They left the young man shouting through Mary, they tried to kill me the time I was hospitalized but they failed. And once Mary stopped visiting us, giving us food and money the moment Sarah discerned and discovered she was an evil woman. And one of her agents hates me with a passion and even doesn't greet me. He has tried several times reporting us to the government offices here to stop us from playing church music, praying at night and holding open air crusades. Have discovered these are church activities that destroy their operations.

So Pastor have just shared that to help you open your eyes. Witchcraft is real and in any given area it has what I call a lead witch who is more powerful than the others who report to him or her. They use demonized objects, food, clothes, gifts, money, chanting, dead people's familiar spirits etc. to attack, destroy, kill or impart spirits in others. They are after destroying strong churches, ministers, Christians, families etc. But all in all they can't overcome a true believer who is always prayerful and fasts , looks into God's Word always, bold not fearful, full of faith, lives a holy life, covers his life and all things with Jesus' blood, walks with his or her spouse in unity and is a giver on his income(God destroys the devourer on one's finances ) and filled by the Holy Spirit always.
