

SUTHERLAND SPRINGS, TEXAS CHURCH SHOOTING

MASONIC RITUAL – Part Four

Brice reported to a group of people beyond the government called the “Council”

Please play from 1:27:08 1:33:01 John Todd says the military needed witchcraft, he shot an officer and “the brotherhood” completely erased the whole “incident” (about 6 min’s)

https://www.youtube.com/watch?v=orn_N8OUOnU

Scott had been telling me for a week or two that ANTIFA was talking about doing something and I thought he was saying Mandissa.

This shows that the date of the ritual was November 4 and not the 5th and was posted before the 5th.

They published this one 4 days before the shooting. They do this all the time.

Were they telling us something here? Did she really die and they just replace here with a clone? They know how to map your brain and download it on a computer chip and then just put it in a clone and program the clone from there. Donald Marshall shared this about reanimated clones. I have done several

messages on cloning, this has been going on since WWII as most of this other wickedness has as well.

They love to do predictive programming where they tell us what they are going to do before they do it. We don't elect anyone, they select them way ahead of time.

Call for Crisis Actors in Louisiana, Texas and Oklahoma

Want to make easy money? Interested in possibly participating in a false flag event? Well, you may be in luck if you're in Louisiana, Oklahoma or Texas because Human Domain Solutions LLC is currently hiring for October 30-November 2.

According to the site: "This exercises will be an Oklahoma emergency response to a simulated incident involving contamination elements. CRPs will be moulaged (injury makeup and fake blood) to portray various physical and emotional injuries and conditions, and will go through medical triage, decontamination, and medical treatment several times during each day of the exercises. Arrival times will be early morning, and the exercises will run between 6-8 hours each day. CRPs will wear cut-away prop clothing and will be washed in decontamination lines to simulate the cleaning off of contamination substances."

HDS is just one of many companies that offer services of this sort. 21st Century Wire in Orlando, Strategic Operations, IIF and others utilize paid role players to help "simulate" tragic events for drills. Oddly, Active Shooter Drills and Crisis Actor Calls have been known to precede major tragedies several times in the past. DHS (not HDS, silly) were in Charleston the same time as the church shooting happened, guess what, doing an active shooter preparedness drill.

There is usually a drill or practice or military in the area around the time of the “event.” NOTICE: ODDLY, ACTIVE SHOOTER DRILLS AND CRISIS ACTOR CALLS HAVE BEEN KNOWN TO PRECEDE MAJOR TRAGEDIES SEVERAL TIMES IN THE PAST. Ms. Christine told me they legalized propaganda in 2012. George Soros and others are doing this all the time now to push their agenda. They want to take our guns and gain more control over us.

Do I believe in this? You better believe I do. Some have said, shame on you, you are a Pastor.

Luke 22:36 - Then said He unto them, But now, he that hath a purse, let him take *it*, and likewise *his* scrip: and he that hath no sword, let him sell his garment, and buy one.

Jesus knew He was leaving them and He wanted them to be able to take care of themselves in the natural. They were about to crucify Jesus and He knew the world would come after His disciples.

Jonbenet Ramsey

Her parents were in the illuminati and that is why nothing happened to them. They were involved in her death. He was connected to Lockheed Martin which is a military company. I spoke about this in the Las Vegas False Flag message.

Please play from 26:50 to 29:20 and from 47:47 to 49:01 and from 49:38 to 52:14 and from 1:00:15 to 1:02:05 Brice talks about nazi Germany and all the horrific things that went on with mind experimentation and American brought those nazi's here and set them up with pay in our universities, military etc. CIA did this/they plan stock market crashes and manipulate wars and tell the media what lies to report/children being used by the illuminati for pornography all over the world and in churches too/(9 min's)

Brice mentioned porn done in churches. We have churches that are only fronting as Christian churches. Many targeted individuals have told me about being in church and the pastor or church members would participate in targeting them. Hitting them and burning them with frequencies or trying to trigger them etc.

Sacrifices are done on many holidays because they are all pagan in honor of satan.

A link to the satanic calendar will be in the notes on the church website.

I want to share one more thing about this alleged shooter. The Air Force conveniently did not document his record to update the federal database to show his domestic assault conviction against his wife and stepson. This information would have kept him from being eligible to buy a gun. That's a red flag.

Let's talk about his name for a minute. I saw a video that showed that his name, first and last is an anagram for devil enki (instead of ending with an "i" switch it to a y which are interchangeable in semetic languages) which both mean lucifer. The occult loves to do this. Just like santa is an anagram for satan. a youtuber – InTruthByGrace mentioned that she'd seen in her research that others were saying that they tried to do a background check on Devin Kelly and that name doesn't come up. That makes sense to me then with why those ears are so fishy and how his name could be an anagram. Real people usually don't have names that can easily fit as an anagram.

What about his middle name of "Patrick"?

- The root word of Patrick is pater, the Latin word meaning father. Osiris is the father in the Egyptian Trinity.

Osiris was the sun god baal, the god of the underworld, the green man and is worshiped by the masons.

13 is a very occultic number

Please play from 22:33 to 24:56 and from 40:57 to 42:09 and from 2:39:39 to 2:40:24 and from 2:41:48 to 2:46:17 and from 3:03:50 to 3:05:09 John Todd explains the Council of 13 / The Council of 13 takes their orders from the Rothschilds who take their orders directly from lucifer at that time about only 2 % of the population in Britain were Christian / The Council of 13 are the Rothschilds private ministers / John reads from a freemason book and talks about how they DO HUMAN SACRIFICES and will kill their family members if they leave freemasonry / he paid millions of dollars to the churches that were on the illuminati payroll (about 10 min's)

<https://www.youtube.com/watch?v=5T7KxykDX6Q>

See that guy said because he left the organization that his own parents would set him up to be killed. **THEY DO, DO HUMAN SACRIFICE.** Masons and all those in secret societies are in witchcraft.

The first thing the Lord showed me when all of this came up was SS. Sutherland Springs. I thought about Hitler. So I looked it up.

Gas station close to the church

It is no secret that Hitler studied the occult and practiced it and had his men practicing it too.

L: That's a thunderbolt symbol on Harry Potter because those shows are all about witchcraft which God hates. R: Thunderbolt on Lady Gaga to show allegiance to satan who likes to be called the thunderbolt or god of the sky and storms and weather.

Luke 10:18 - And He said unto them, I beheld satan as lightning fall from heaven.

This is the SS, it also stands for Isis because in the occult reading in witchcraft and the mystery religions, they would often times drop the vowels and only have consonants to read words by. This is how they say our Old Testaments were written as well, with only consonants and that is why they made up the word jehovah because they had supposedly forgotten how to pronounce God's name. His name is I AM. One more thing I want to throw in is that when you want to download a video on youtube if you go into the web address for that video just in front of youtube and type SS and enter you will be taken to the download screen. That was chosen on purpose.

So you see, we have never gotten away from the corruption of the occult from Biblical days or modern times, it has only grown darker and multiplied again. As in the days of Noah.

Please play from 1:14:49 to 1:15:23 and from 1:19:28 to 1:21:15 he says he has friends who play “dungeons and dragons” and it’s just a game/he talks about reading the “Narnian Chronicles” to his kids and is trying to guilt those that have stood against ungodly books like this

<https://www.youtube.com/watch?v=EdOnLqJxTx8&t=3140s>

“it can be just a game”

I want to share with you some information from a pamphlet I have on Dungeons and Dragons from my mom’s things when she passed away. This pamphlet will be included in the sermon notes on the church website. (Please go there and read it, most all video games are working to introduce those that play them into the occult, and to open doors to satan and witchcraft in their lives.)

He mentions in Narnia the last book there was a witch but she just made everything frozen and then he said – oh like the movie “Frozen” – I just got that. All of those books, all of Harry Potter books and yes, that Disney movie “Frozen” are full of witchcraft.

First off, there's a dragon, and some other ungodly creature. The dragon is always satan. The logo on the dragon ship looks like the Rothschild logo and also like the TBN logo. But here is the one thing that should show you what this book is about. Look at that A.

****Please play from 1:21:09 to 1:22:57** John talks about being born into witchcraft and what he read (C.S. Lewis and JRR Tolkien), in witchcraft the parents don't love their children – the children are the property of “the craft,” (about 2 min's)

https://www.youtube.com/watch?v=orn_N8OUOnU

This movie is occultic, made by Disney. This movie poster has a moose or reindeer on the cover to symbolize the horned god, the character Elsa is a white witch or snow queen and she represents ashtoroth/semiramis in this movie. The middle movie poster is showing clearing the as above /so below occult symbol or flor de leis which in the occult represents the sun god baal/ashtoroth/tammuz – the false trinity.

He's doing a subtle dance with wickedness.

Witches are people too, try loving them

...by another classmate, "What is it like to be a Christian?" The girl replied, "it's like being a pumpkin. God picks you from the patch, brings you in, and washes all the dirt off you. Then he cuts open the top and scoops out all of the yucky stuff. He removes the seeds of doubt, hate, greed, etc., and then He carves you a new smiling face and puts His light inside of you to shine for all..."

I think that we would all agree that this is a really creative way to share the Gospel message. However, there are those who would scold the young lady for using something that they refer to as Halloween props. Remember this pumpkin was created by God to not only be eaten but to also be used in any way that glorifies His kingdom. We need to stop and remember that all things were created by Him and for Him before we start condemning and hurting others for our own convictions. There are some things we should speak out against, yet many of the things we condemn others for are really our own pet peeves, not God's. Pray before you speak this season and let's remember that we are to build the Kingdom of God, not drive people away.

Love Never Fails, - Pastor Frank

He keeps talking about how it is ok to watch ghosts movies and read occult books like Chronicles of Narnia, JRR Tolkien books, says ungodly things are ok as long as you don't believe in them you don't give them any power. That is a lie. God said NO, don't touch it, don't look at it, don't buy it, don't have it in your house, AVOID ALL APPEARANCE OF EVIL. Period.

CLOSING

That pastor is not a pastor for God. He is a wolf in sheep's clothing. He is doing manipulations and twisting with his teachings and it is clear to me who he represents. He is subtly introducing his church to witchcraft. He is not preaching the whole truth of God's Word so that they can be more opened to satan coming into their lives and leading them away from God.

Zechariah 11:17 - Woe to the idol shepherd that leaveth the flock! the sword shall be upon his arm, and upon his right eye: his arm shall be clean dried up, and his right eye shall be utterly darkened.

John 10:12 - But he that is an hireling, and not the shepherd, whose own the sheep are not, seeth the wolf coming, and leaveth the sheep, and fleeth: and the wolf catcheth them, and scattereth the sheep.

How does this verse apply? Isn't that man standing there pretending to be a true servant of Jesus Christ yet he has a dark heart and an evil eye. He has left the flock already. He knows evil is welcomed in that church and into their lives for sitting under his teaching and accepting him as a pastor. They are not rebuking him and demanding him to step down or change his wicked ways. He knows hell is coming for those people and he is not warning them. He is setting them up for satan. Setting them up for the kill.

Jude 1:4 - For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ.

Matt.24:4-5 - And Jesus answered and said unto them, Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many.

This man is teaching in Jesus' name, but he has not surrendered his life to Jesus Christ. He is fooling men but he is not fooling the spirit realm. God knows who this man's heart belongs to and it isn't to Jesus. He has not been a true undershepherd for the Lord Jesus Christ.

Is Devin Kelley a real person or a fabrication of the masons for this Masonic ritual event? I don't know. I don't know if anyone died or not. If they did, they were a freemason sacrifice. Only time will tell if these victims surface as crisis actors or somewhere else. Our military, highest levels of government, world leaders and bankers, the Vatican, false churches are all in secret societies and are masons. We are in the last days and we have to remember that although they are mixing these events with real people and crisis actors, sometimes no one dies and sometimes they do. Sometimes we can't prove if any really died or not. We have to remember that at anytime they can start making these events 100% the real thing. If people copy cat what they are doing, they love it, to them it is so much more the better. satan wants to control us through NWO or kill us and he doesn't care which.
