

# SUTHERLAND SPRINGS, TEXAS CHURCH SHOOTING MASONIC RITUAL – Part One

I want to look at this event spiritually and see what we can discern. I do not have all the answers, I don't know if anyone really died or not. When someone dies in a false flag or ritual event, they are considered a sacrifice by the occult/elite/illuminati/masons. It is very sad if that is the case and we really have to see what is being perpetrated on us here in America as well as around the entire world. These events are happening all over the world, they are not random, they are very well planned out in advance and not by a lone person but a very large organization. When you stand for the truth and expose this wickedness you are seen by the world as cold, and unfeeling and hateful. That is not the case here. They have done false flags like this since before 911 and 911 was a major false flag. It is hard to believe anything they are feeding us from their bought and paid for news. It is all about control.

## Description

Sermons, Worship Services, and Events at First Baptist Church of Sutherland Springs, Texas.

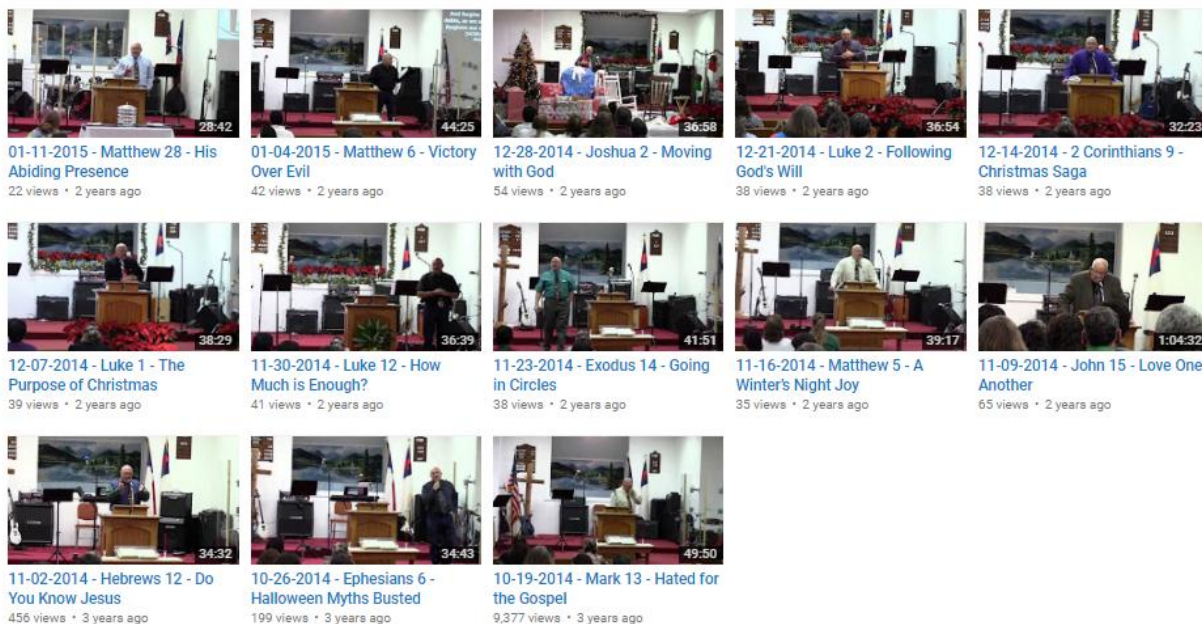

Says they started their youtube channel in 2014. They currently have 169 videos.

Three Hearts Church also joined youtube in 2014 just about 3 months before they did. I think the numbers have been manipulated here with the number of views on his messages. Their last 10 videos have a huge amount of views for straight Biblical type of messages. I know from experience that the numbers increase quickly when it is a “sensational” type of message. But when I do a teaching that is more Bible based and not so much revealing wickedness, the numbers go down tremendously. So that alerted me that something is off here. I understand that some of his messages are now attracting viewers because of what happened and I accounted for that when I researched this pastor and his church.

Look how low these views are. I pulled these screen shots on the 8<sup>th</sup> or 9<sup>th</sup>.

Now take a look at these messages posted just 2 years ago and look at the number of views. Look how low they are except for the last one posted here. I find it hard to believe that "hated for the gospel" would draw that many views and it was like one of the first messages posted. Something shady is going on here.

Frank Pomeroy is the pastor. He is not a Christian pastor, but he is a witch. He is preaching a different gospel. I pray that after this message is over you will understand by God's Holy Spirit that there are leaders who are serving satan and trying to deceive us all. We will talk about one today.

**\*\*Please play from 7:06 to 7:25 and from 32:43 to 34:17 and from 36:46 to 38:11 and 39:03 to 39:19 and from 55:03 to 55:50 lots of different entities.../he references C.S. Lewis and mentions his book "The lion, the witch and the wardrobe" which is not Christian while talking about him he mentions one of C.S.'s group – JRR Tolkien who is not Christian either and he calls his daughter Annabelle - "Belle"/trust the forces you cannot see, the centrifical forces/mixing from Christ to forces you can't see\*\* (about 5 min's)**

<https://www.youtube.com/watch?v=KYu-XUdms10>

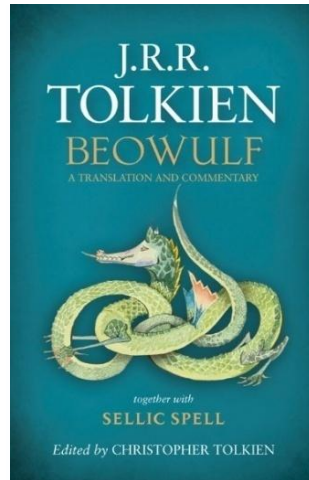

### **RESEARCH ON C.S. LEWIS (mentioned in the above church sermon)**

For starters in understanding the man, here is a quotation from a letter that he wrote describing a trip that he and his wife Joy took to Greece in 1960. He wrote, "I had some ado to prevent Joy and myself from relapsing into Paganism in Attica! At Daphni it was hard not to pray to Apollo the Healer. But somehow one didn't feel it would have been very wrong".

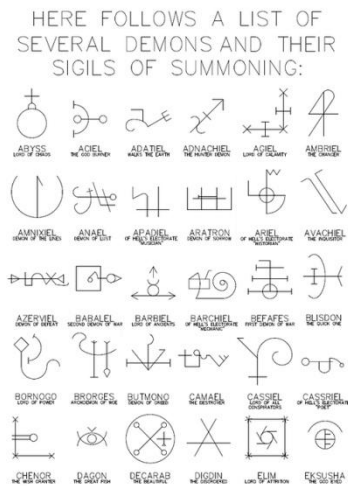

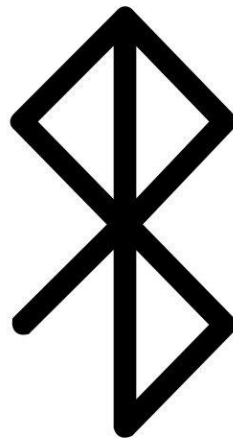

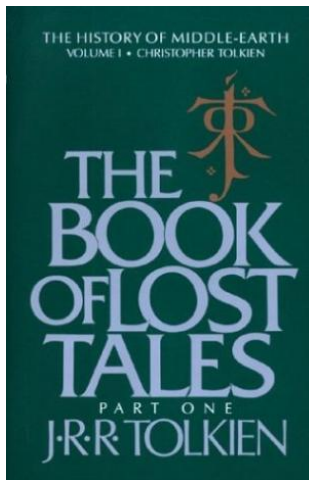

Lewis also said that **"Christianity fulfilled paganism"** and **"paganism prefigured Christianity."**

C.S. Lewis mixed Christianity and paganism in his life and writings and you cannot do that. We cannot bounce back-n-forth. God calls us to live holy for Him and be devoted to Him and set apart for Him. We don't long for what we left behind, for the old life of sin that Jesus saved us from and out of. This subtleness is what occultists do and fool many because most have not studied the Word of God and many are not even baptized into the Holy Spirit to have Godly discernment on these things.

**Gen. 3:1** - Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

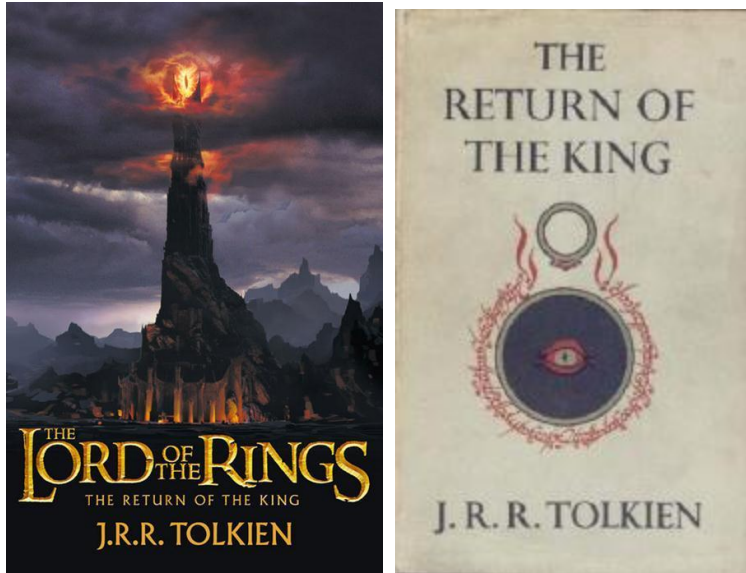

The title alone and picture on the cover gives you an idea of what it is about and that is darkness.

You can see here that Tolkien uses a sigil for his symbol.

Prince used sigils to summon demonic power.

This whole saga is satanic and “the ring” is about the supposed ring King Solomon had when he was worshiping false gods. Supposedly he had control of the demons and used a ring in his dark workings. The occult base a lot of their teachings on Solomon when he was in idolatry and away from God.

L: King Solomon’s ring was supposed to look something like this with God’s name on it, only that is not our God’s name on that ring, but the devil’s name. R: Placido Domingo kissing Pope Francis’ ring. The occult is supposed to know where this ring of power is and this is a picture of who is wearing it right now.

The Hobbit is another of Tolkien's writings with wizards and elves, magic and things that are dark and against God.

No this man and his friend C.S. Lewis are not people you would reference in a good way in church. He knows this well enough for it is plain to see.

2 days ago - "We lost more than Belle yesterday," said Sherri Pomeroy who was away with her pastor husband Frank when Devin Kelley opened fire on their ...

The pastor and his wife would affectionately call their daughter Belle. The world would think this was sweet. But when you look into this man and what he is doing, you know there is something else at play here.

She was called Belle.

Can you see the three 6's? This is code to those that are masons, witches and they speak through their company logo's and the colors they wear and dates that things happen on.

Here is Annabelle

It is not an accident that they chose to call her Belle.

**1 Kings 18:22** - Then said Elijah unto the people, I, *even* I only, remain a prophet of the LORD; but Baal's prophets *are* four hundred and fifty men.

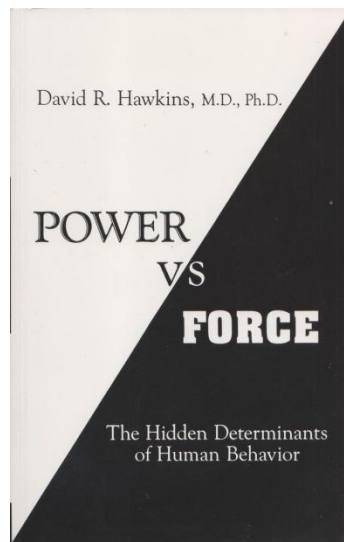

**1 Kings 19:18** - Yet I have left Me seven thousand in Israel, all the knees which have not bowed unto Baal, and every mouth which hath not kissed him.

The name Baal was used of gods all over the area. For example, in [Numbers 25:3](#) there is a Baal of Peor. In [Judges 8:33](#) Baal-berith was worshiped by the Israelites after the death of Gideon. In Canaanite belief, Baal was the son of El and the goddess Asherah. Baal became more powerful than even El, defeating various other gods in battles. Baal was often worshiped as a **sun** god or storm god.

Tragically, [Jeremiah 19:3-5](#) notes child sacrifice to Baal: "Behold, I am bringing such disaster upon this place that the ears of everyone who hears of it will tingle. Because the people have forsaken me and have profaned this place by making offerings in it to other gods whom neither they nor their fathers nor the kings of Judah have known; and because they have filled this place with the blood of innocents, and have built the high places of Baal to burn their sons in the fire as burnt offerings to Baal, which I did not command or decree, nor did it come into my mind."

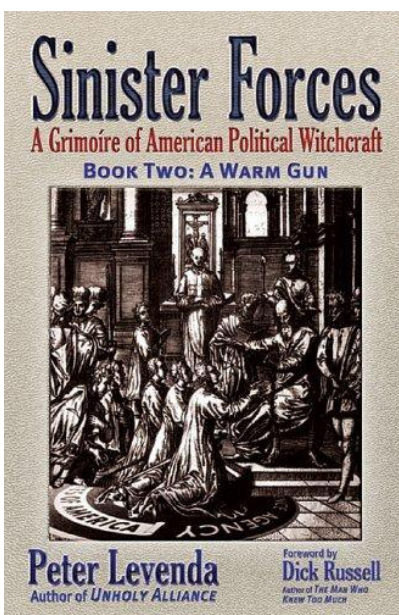

The Baal Principality has been called god of a thousand faces. Some of his other names are:

Apollo, Zeus, Marduk, Ahura-Mazda, Osiris, Tammuz, Dagon, Prometheus, Jupiter, Nimrod, Mithra, Ra, Lucetius, Dyaus, Dionysus, Hermes, Adonis, Pan, Hades, Eros, Uranus, Gaea, Assur, Merodach, Ninus, Shamas, Zeus-Belus, Bacchus, Shiva, etc.

L: You see the black & white duality, triangles, as above so below.

In my research, there are many many occultic books on the force or with force in the title.

### Synopsis:

The roots of coincidence and conspiracy in American politics, crime, and culture are investigated in this analysis that exposes new connections between religion, political conspiracy, terrorism, and occultism. Readers are provided with strange parallels between supernatural forces such as shamanism, ritual magic, and cult practices, and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK-ULTRA. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating details on Nixon and the "Dark Tower," the Assassin cult and more recent Islamic terrorism, and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed.

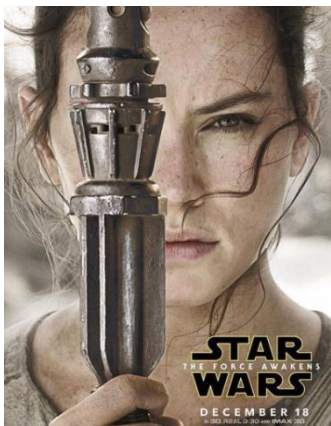

When I was looking up force to find some examples. This picture of a WWII B-24 Bomber popped up. I thought, why did that show up? Then instantly I thought, Air ...FORCE. Wow. They have been putting it in plain sight.

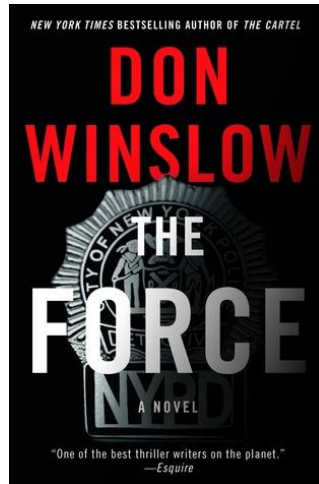

Look at some of these Air Force patches. R: “let them hate, so long as they fear”  
They are not good and wholesome. And before you say everything isn’t spiritual, I pray you know better than that. We were created by God and satan and the fallen angels are doing their best to come against all that He is and those that trust in Him. We are at war.

L: Illuminati covered eye of horus the sun god R: Anakin using satanic force/power (telekinesis) to move this object

Of course, Law Enforcement is referred to as “The Force”

**CONTINUED ON PART TWO**
