Alberto Rivera was a Jesuit. He was trained to infiltrate true Christian churches and turn them against God. In the process of doing this for the Vatican he would up getting saved and then he began to share all that he had been taught and what he knew of the catholic churches horrible plans and crimes that they had been carrying out. Alberto’s wife says the Jesuits poisoned him and some reports say that he died of heart failure. Either way, I personally feel they got to him. We now know through their frequency weapons they can target a person remotely and give them a heart attack. They have taken many out this way.

Let me tell you of one of Rome's greatest under cover agents working in the U.S. with whom I have talked to a number of times. She was associated with the "Legion of Mary." She was assigned to penetrate the protestants and Pentecostals through the charismatic movement. She was a master of hypnosis and had tremendous psychic powers. This woman through her evangelistic campaigns, did a tremendous job for Rome. She had to establish the Roman Catholic code of ethics...this is how she did it. 1. She treated backslidden Roman Catholics as if they were saved. 2. She didn't encourage charismatic Roman Catholics to leave their own church. 3. She had priests and nuns on her platform to persuade protestants that Roman Catholics are saved and should stay in their own institution...and she told the protestants to do the same thing. She united them all with the "love" gospel and her smile. As a reward for her outstanding work she was granted a private audience with the pope. You understand...when a person is granted such an audience, he or she must bow down...and acknowledge the pope as Jesus Christ on the earth, and for this, he holds their hands in a special blessing for a job well done. Here is a picture of one of Rome's best

agents. I can't believe it! What a shock! This woman was loved by thousands of Christians! Yes, that's true.

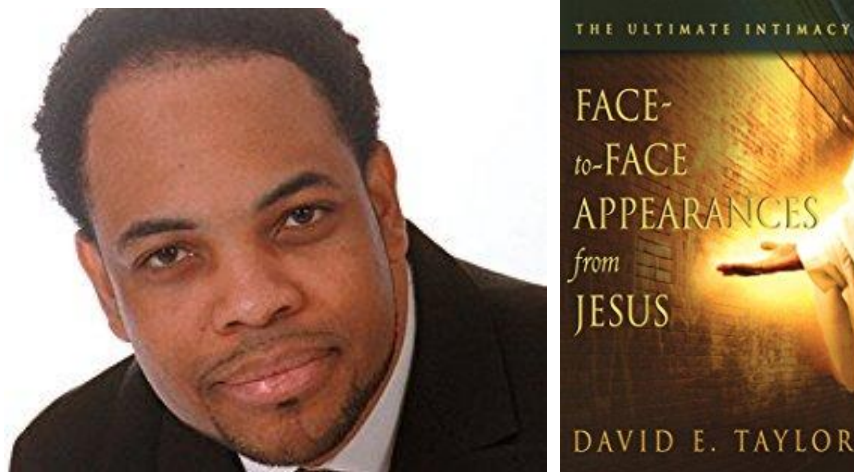

Benny Hinn attended a Kathryn Kuhlman meeting very early in his ministry and gives her credit for touching him greatly during this meeting and influencing him.

I had heard of Kathryn's giant healing ministry. I never gave it a second thought, just thought it was real and of God. Then I heard Alberto's testimony about her and was seeing many things God was revealing about the wickedness in this world and I wondered. Was He working through her or not? Many have come against Alberto saying he was lying etc. Of course the Vatican and Jesuits don't want the world to know the truth so they get their agents busy opposing truth. Then a friend showed me a video of David E. Taylor and I was taken in thinking this man had a great anointing from the Lord.

In one of our early messages I even talked about his book which I read. But in that book he talked about God taking him to heaven and showing him around and he saw Kathryn Kuhlman walking across a bridge and asked Jesus if he could go and speak to her. RED FLAG!! Why would you want to leave Jesus' side and go talk to anyone? I began to pray and ask the Lord to show me the truth about her and in the process he showed me the truth about them both. One day I received a facebook message from David saying he was up late and God had given him a revelation for me. He left a number to call so he could give it to me. When I called all I got was his prayer line and they were not interested in leaving him a message that I had called or anything. It was a gimmick to lure me to give to his ministry. What a joke! He is no more a preacher for Jesus Christ than a man in the moon. He said that about Kathryn K. to tie her in to his ministry and try to boost him up in the eyes of the unsuspecting people. Kathryn was on the devil's payroll.

So how are all of these “healings” happening by them? How can satan cast out satan? Wouldn’t his house be divided if he were doing that?

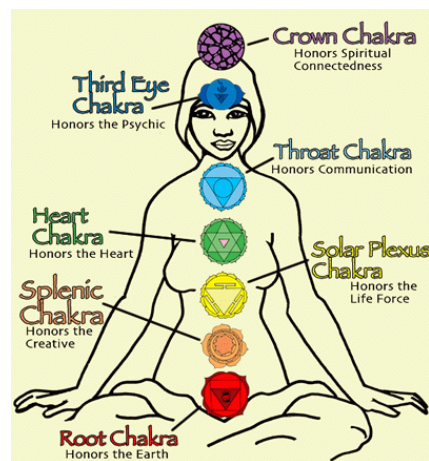

**Matt.12:26** - And if satan cast out satan, he is divided against himself; how shall then his kingdom stand?

Jesus said this because He was not working for satan. He was truly casting out demons and it was not by satan’s hand. It was by the power of the Holy Spirit.

So if these false prophets and false teachers are casting out sickness and disease and people are being healed then is satan’s kingdom divided against itself? NO. satan knows they work for him and his power flows in and through them. They know they have bowed down to satan, so his kingdom is working together. When someone is healed by them, satan is merely calling off his demons of sickness and disease through his own servant. To make the person think God healed them and keep them in his hands. They didn’t have to have faith or change their way of life or anything to be healed. Or they can even get a false anointing on them that can destroy their lives at that point. All of this is to keep people deceived and away from Jesus.

Witches use crystal power in their curses and spells along with herbs and amulets or talisman.

Meditation to heal and meditating on anything except God's Word is a no no.

### **CAN YOU LOSE YOUR HEALING**

**John 5:14** - Afterward Jesus findeth him in the temple, and said unto him, Behold, thou art made whole: sin no more, lest a worse thing come unto thee.

**YES.** You can leave the faith, or go back in your sin and certainly be sick again. Sin has consequences. We must strive not to sin, not to open any doors to satan to come in and destroy our lives. We must lift up strongholds and areas we struggle in, lift them up to Jesus and ask for help.

**James 2:20** - But wilt thou know, O vain man, that faith without works is dead?

Are you serving Jesus and working for His Kingdom? Are you spreading the gospel and praying for the lost to be saved? Are you walking in obedience?

We must do our part to maintain our healing.

If your healing doesn't come right away, or as quickly as you'd like, if you are in great pain and suffering remember this:

**2 Cor. 12:7-9** - And lest I should be exalted above measure through the abundance of the revelations, there was given to me a thorn in the flesh, the

messenger of satan to buffet me, lest I should be exalted above measure. For this thing I besought the Lord thrice, that it might depart from me. And He said unto me, My grace is sufficient for thee: for My strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.

### **FALSE HEALING MINISTRY of TOM FISCHER at CARDBOARD BOX CHURCH**

The minister Tom, denies impartation says you don't need that because if Holy Spirit is in you then you have the power of God in you, you just need to activate "it." Then they supposedly do a healing and I don't see glory being given to the Lord at all. The guy did not say he believed in Jesus or was seeking the Lord at all. After the guy is supposedly healed, he says, what'd you do? He is not even acknowledging Jesus. Then Tom says, well because he (Terrell) believes in Jesus, this has happened. He says if you believe in Jesus you can do this, the power is in you, ain't that crazy? Wow. This is not Biblical. What kind of statement is that?

The false prophet recognized something about these guys and knew the same spirit he operated under was present in their lives. This t-shirt is from a heavy metal band. That guy being in agreement with that music and listening to it with his ear gates, spending his money on that t-shirt, he's in covenant with all the spirits behind that group and the demons attached to that music.

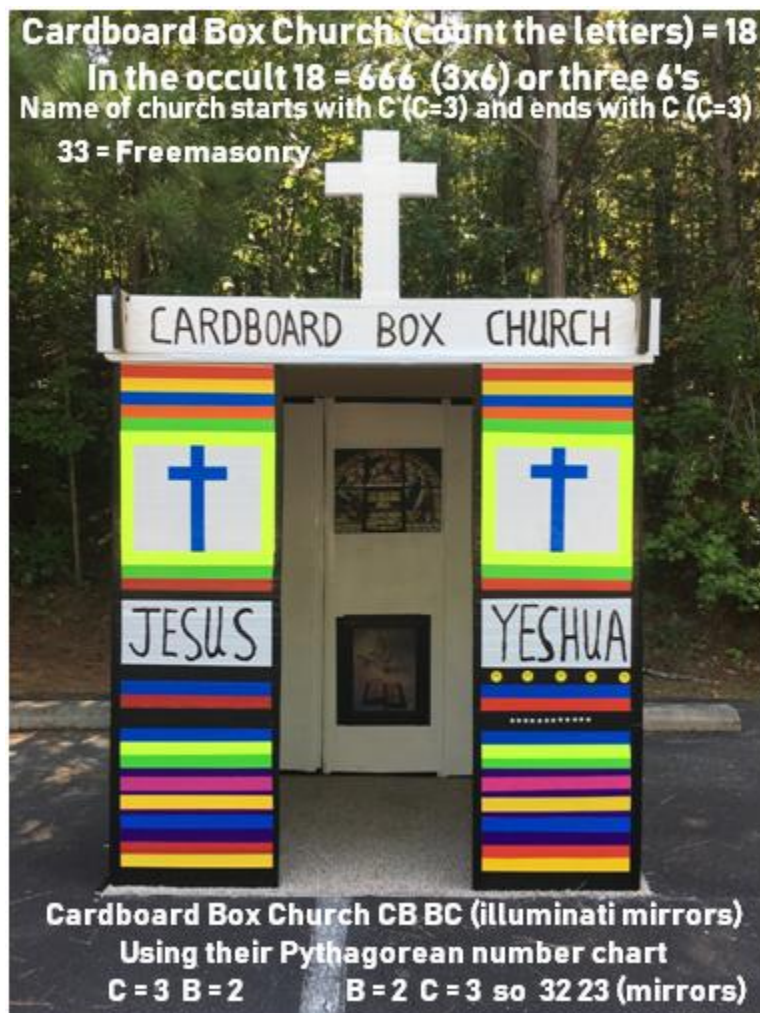

The one guy says he could save a lot of money not having to go to dr's about his back. Then Tom says, there you go right there, that's a practical reason right there – to be saved. Really? You don't come to Jesus for salvation to save money.

Then he leads them in a prayer of salvation and he starts to pray over them asking the Holy Spirit to come upon them with more power and more peace and he keeps moving his arms toward them saying to show them how real that was and Who You are. He keeps moving his arms toward them saying power and peace in Jesus' name. Then he asks them when he was moving his arms did they feel something hitting them and they said yeah, a little bit. Then he gave them each 20 dollars saying it was from Jesus, to help you believe without a doubt how real He is, and that HE loves you and that He has forgiven you of your sins. Did these guys say they wanted to go and tell everyone about Jesus Christ? No. The one guy said he wants to go and do martial arts. Tom was telling the angels to stay around these guys. WE DO NOT PRAY TO ANGELS, MUCH LESS TELL THEM WHAT TO DO. Also he didn't say which angels. Since he is operating under a different anointing and spirit, you better believe he was talking to fallen angels. Fallen angels work for satan and those who have bowed to satan know this.

Terrel says, Jesus Christ is the bomb. That is not reverent. It is actually a play on words like Jesus causes damage and destruction and harm. This is what the occult/illuminati do. They say and do things in plain sight because they know they do not get corrected or called out and if they do, still enough people follow them that they don't care. And if you say, well he was just trying to be cool to relate to a younger generation, guess what, Jesus doesn't operate like that. You don't bring Him down to your level. He is Holy and is to be revered.

This martial arts kid throws the devil sign quite a few times. You may have to watch that video again to catch it better.

The only reason all the occult math even plays into this is because this preacher is not a preacher of God. He serves a different Jesus. The spirit realm knows who he serves. They know his heart is not about Jesus Christ the Son of God. God the Father knows who this man serves and so does Satan. But to people who are not saved, or are lukewarm Christians or asleep Christians when this man says Jesus on the end of prayers – they cannot discern any of this so they are being deceived.

**Matt.24:5** - For many shall come in My name, saying, I am Christ; and shall deceive many.

This guy was trying to pass a false anointing onto those two kids. If those kids weren't plants for this video, then they walked away believing they were saved. They were not sorry for their sins and they were not seeking Jesus.

**PLEASE MERGE THE THREE CLIPS ABOVE TOGETHER**

Why is this going on? Because no one in those churches rebuked those pastors, they have not stood against it. These things will increase, Satan and those that are his can do lying signs and wonders.

In **(Matt.7:21-23)** Jesus said many are going to say to Him Lord, Lord we prophesied in Your name and in Your name we cast out devils etc.. Jesus is going to say to them – DEPART from Me you workers of iniquity.

How is that possible? Because they belong to satan and are standing in the church using Jesus' name just as a cover to deceive many. People who are lukewarm or have not studied their word believe when someone ends a prayer in Jesus' name or says Jesus that they are truly saved and are a Christian. We must have better discernment than that. We are in the last days. Many deceivers are among us already.

## **CLOSING**

**Psalms 51:10** - Create in me a clean heart, O God; and renew a right spirit within me.

People often wonder why God doesn't do this or that. We don't always understand Him or His methods, He is beyond our understanding. But out of every situation His children go through, He will work it for HIS glory, not ours. He brings good out of all things but we may not always live long enough to see how good comes from something bad that we go through. But we trust Him because His Word says that He causes all things to work together for the good of those that love Him and are called according to His purposes.

Even little innocent babies die, small children die. It is because we live in a world that went into sin when Adam and Eve disobeyed. Jesus will redeem this world back to Himself very soon!

Remember Jesus bore those stripes in His body for our healing. He took our sins so we could be washed clean and forgiven and saved in every way, including delivered from bondage and healed. If we don't see deliverance or healing this

side of heaven, we will be delivered and healed through death and live in peace and blessing the rest of our lives in heaven with our Savior. Like Scott said, most people get all caught up in this life and act and think as if this is all there is. The truth is you don't even start living until heaven.

**Mark 16:15-18** – And He (Jesus) said unto them, Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. And these signs shall follow them that believe; In My name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

Even if you have laid hands on people and never ever seen one of them healed. Don't let that stop you from obeying Jesus and believing His Word. Keep on praying for people, keep on laying your hands on them if they are seeking Jesus and to be healed or are welcoming your prayer.

**John 14:12** - Verily, verily, I say unto you, He that believeth on Me, the works that I do shall he do also; and greater *works* than these shall he do; because I go unto My Father.

Pray for others to be healed, many times when you pray for them, God will move in your situation. If you are not seeing your healing manifest, make sure you don't have any known unconfessed sin, that you are walking obediently by the Spirit, that you have forgiven everyone that has ever hurt you – you do all you know to do and ask the Lord to reveal to you if there is anything hindering your healing. If He shows you something, then take care of it, if not, then stay in faith and wait on the Lord.
