

## NEW YEARS is PAGAN

Please know that the things I am revealing are things that I myself once participated in. I had no clue what these things were really about as I'm sure you guys don't either. My mom did not tell me, it was just what we did, the whole family did.

Now I am God's servant and am called to warn others about these sinful things that God is revealing to me. He wants His children to come out of "Babylon". Babylon was a heathen/pagan nation. He did not want His children learning and practicing the things she did.

The catholic church has been a big part in opening the door and allowing paganism in. They dressed it up a bit, gave it a new name and said it was christian and we all bought it hook, line and sinker. The catholic church is an occult and steeped in idolatry.

January is not God's new year. His new year is more like close to passover which would be late March or early April for us now, based on our "Gregorian" calendars. Exodus 12:2-4 tells you when God considers it to be a new year.

So satan gave us months named after false gods and wicked people. January happens to be named for the Roman god Janus. Janus has two faces - two faced. Not good.

A double minded man is unstable in all his ways. **James 1:8**

He is said to be the keeper of gateways and doors. So he looks back on the past.

But his wife looked back from behind him, and she (Lot's wife) became a pillar of salt. **Gen. 19:26** Jesus said: Remember Lot's wife. **Luke 17:32** And Jesus said unto him, No man, having put his hand to the plow, and looking back, is fit for the kingdom of God. **Luke 9:62** WE ARE NOT TO LOOK BACK.

They say that Janus opens the door to the future (new year). This is what new year's resolutions are all about. Taking account of the past (looking back) and looking ahead to the future.

Look how sneaky satan is in getting us to participate in this idolatry. This isn't all that has to do with new year's but I pray it is enough to get your wheels turning, to make you research it and pray about it and to be led by God's Holy Spirit out of this idolatrous celebration.

God bless you guys as we keep learning and growing and going deeper into Christ and higher up to the Father.
