

# WEATHER and CHEMICAL WARFARE – Part Two: GEOENGINEERING & HURRICANE HARVEY

[Jackie Land](#)

My son's friend , Zachery was stationed in Iraq. When he had a leave and came home, my son asked him what are we really doing over there ?.... He said in no uncertain terms..." We are stealing oil...killing anyone who gets in the way ." My son was so disturbed by what he said . Also my son kept telling me that something was wrong with Zach .I figured it was typical war...it changes you .Josh,(my son) said...No Mom, It's beyond that ...something dark. Zack did about 4 years in the army. Finally he was coming home for good to his wife and two children. Zach tried to see every one of his friends and we thought he was going to be ok....but after he was home for approximately 4 months...Zach hung himself. Needless to say my son and all of Zachs friends and family were devastated. He left no note. All his Mom said was that he was depressed. I know in my heart (Holy Spirit) as does my son ... Zach could not live with what he was doing or did in the Irag war. He was perfectly normal and had high expectations when he joined. They (the army) really messed his head up (MK). So basically he was over there fighting to put money in our government's pocket except it was in the form of oil. ....and they don't care who they use or who they kill !

### **Study Links Bangladeshi Children's Deaths To Pesticide**

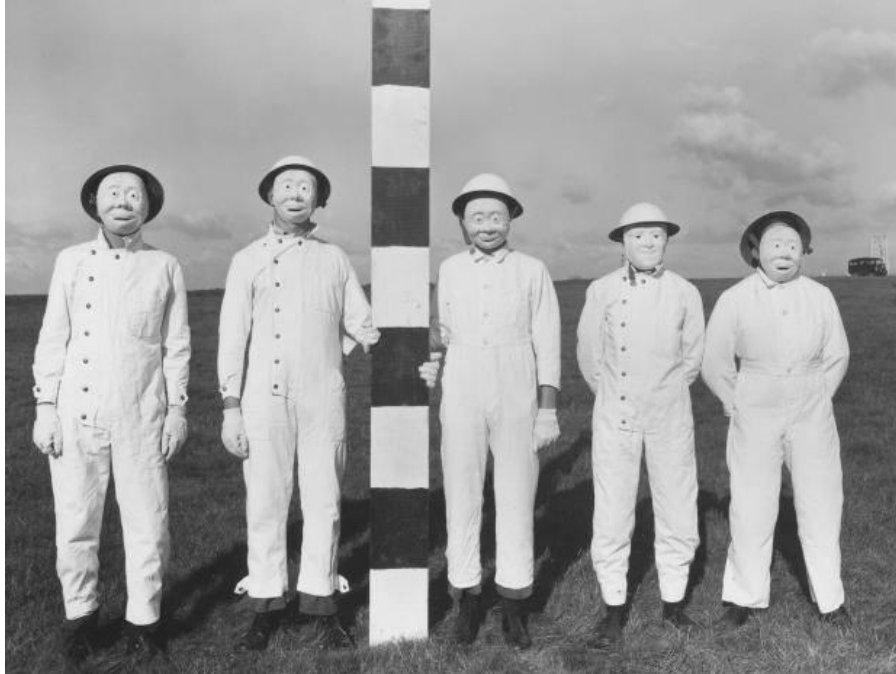

The death of 13 children in Bangladesh has been linked to the use of a pesticide known as Endosulfan.

Haven't we all heard about "agent orange".

There is no doubt about the toxicity of Agent Orange. Even the government **details** a wide range of diseases caused by exposure to the herbicide, including (but not limited to) Parkinson's Disease, prostate cancer, respiratory cancers of the lung, larynx, trachea, and bronchus, Hodgkin's Disease, Non-Hodgkin's Lymphoma, Leukemia, Type 2 Diabetes and Ischemic Heart Disease. The effects of exposure to Agent Orange are also passed on to the children of victims.

While veteran exposure to Agent Orange is tragic and the compensation is warranted, the U.S. government has failed to make reparations for exposing countless Vietnamese civilians to the herbicide in its attempt to **clear forest and crops** during the war. According to the Vietnamese Red Cross, **nearly one million Vietnamese** were affected by the **19 million gallons** sprayed—including generations of children born with debilitating birth defects.

During the Cold War, the British Government used the general public as unwitting biological and chemical warfare guinea pigs on a much greater scale than previously thought, according to new historical research.

In more than 750 secret operations, hundreds of thousands of ordinary Britons were subjected to 'mock' biological and chemical warfare attacks launched from aircraft, ships and road vehicles.

Up until now historians had thought that such operations had been much less extensive. The new research, carried out by Ulf Schmidt, Professor of Modern History at the University of Kent, has revealed that British military aircraft dropped thousands of kilos of a chemical of 'largely unknown toxic potential' on British civilian populations in and around Salisbury in Wiltshire, Cardington in Bedfordshire and Norwich in Norfolk.

The new research has discovered that a hitherto unknown biological warfare field trial was carried out in the capital's tube system in May 1964.

The secret operation – carried out by scientists from the government's chemical and biological warfare research centre at Porton Down, Wiltshire - involved the release of large quantities of bacteria called *Bacillus globigii*. The scientists were keen to discover whether 'long distance travel of aerosols' in the tube network 'was due to transportation within trains' or through the tube's air ventilation systems.

On September 20, 1950, a US Navy ship just off the coast of San Francisco used a giant hose to spray a cloud of microbes into the air and into the city's famous fog. The military was testing how a biological weapon attack would affect the 800,000 residents of the city.

The people of San Francisco had no idea.

When fields in St. Louis were sprayed with chemicals that included radioactive materials in the 1950s, Mary Helen Brindell, who is now 73, told the AP that she was aware of a squadron of green planes flying low overhead while she was playing a baseball game with friends, and covering them all in *“a fine powdery substance that stuck to skin.”* Since then, Brindell said she has suffered from *“breast, thyroid, skin and uterine cancers,”* and her sister died of a rare form of esophageal cancer. *“I just want an explanation from the government. Why would you do that to people?”* she said.

CITY OFFICIALS WERE KEPT IN THE DARK ABOUT THE TESTS – Uh huh. Either way, something to remember is that the military tells the government what to do not the other way around. Did you notice at close to 1:40 it said plutonium was put into vaccines? What on earth?

[BHOPAL, India](#) — A court Monday convicted seven former senior employees of Union Carbide's Indian subsidiary of "death by negligence" for their roles in the 1984 leak of toxic gas that killed an estimated 15,000 people in the world's worst industrial disaster.

Survivors of the Bhopal accident, some of whom gathered in this central Indian city chanting slogans, said the light sentences — two years in prison — are too little, too late given the scale of the damage. In India's notoriously slow justice system, the appeal process could drag on for years, even decades, while those convicted remain free on bail.

A Bhopal survivor who fainted Monday outside the court following the verdict is assisted.

On the morning of Dec. 3, 1984, a pesticide plant run by Union Carbide leaked about 40 tons of deadly methyl isocyanate gas into the air of Bhopal, quickly killing about 4,000 people. Lingering effects of the poison raised the death toll to about 15,000 over the next few years, according to government estimates.

In all, at least 500,000 people were affected, the Indian government says. More than 25 years later, activists say thousands of children are born with brain damage, missing palates and twisted limbs because of their parents' exposure to the gas or water contaminated by it.

We always hear that so many children are born with cleft palate because of malnutrition. Makes you wonder now, doesn't it.

An example of biological (or germ) warfare occurred on October 4, 1940 when a Japanese airplane dropped plague-infected fleas (causing bubonic and other plagues) over Quzhou, a small town in western Zhejiang Province. The first victims died within a few days, and more than 2,000 people in Quzhou died within one year from this plague. In addition, in September 1941 a railway worker brought the plague from Quzhou to the city of Yiwu (about 90 miles east of Quzhou), and within a year, more than 1,000 people in the Yiwu region died from this plague. Another example of germ warfare was a series of anthrax and glanders attacks starting in 1942 on many villages in the Jinhua area of Zhejiang Province (including the one mentioned at the beginning of this article), when at least 6,000 of the 30,000 inhabitants of Jinhua were infected by bacteria caused by biological weapons, and at least 3,000 of them died soon after the infection while suffering extremely painful and miserable lives before they died. Below is a photo of the legs of a victim of the glanders attack.

**Glanders** (from Middle English glaundres or Old French glandres, both meaning glands; Latin: malleus, German: Rotz; also known as "equinia", "farcy", and "malleus") is an infectious disease that occurs primarily in horses, mules, and donkeys. It can be contracted by other animals, such as dogs, cats, goats and humans.

Oh yes, they know that humans can contract it because they dumped it on them just to be sure.

Look over there!!! Distraction, it's what they thrive on. Hurricane Harvey came right after the Virginia riots.

They have been telling us openly for a long time but we didn't realize to what extent they were already manipulating our weather.

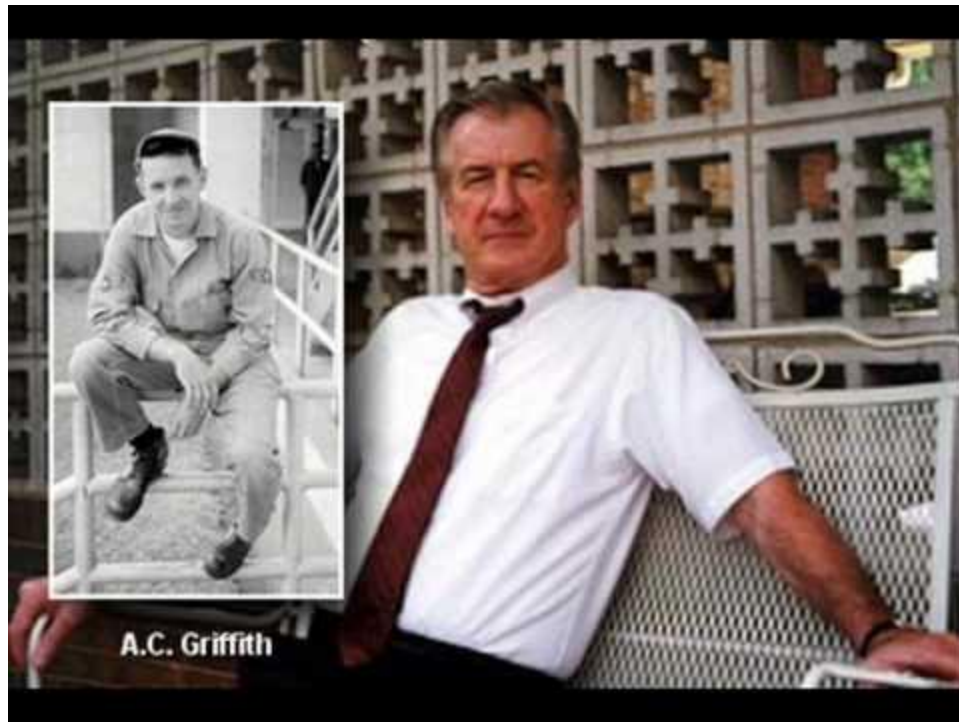

**Eph.2:2** – Wherein in time past you walked according to the course of this world, according to the **prince of the power of the air** (satan), the spirit that now worketh in the children of disobedience.

\*satan's minions are controlling the air/atmosphere\* They are using military grade weapons and chemicals. This is carried out by military world wide.

The HAARP systems around the world are being used by satan's elite to manipulate the weather and manipulate and torture humans.

The first time I became aware of weapons like haarp and weather manipulation was through A.C. Griffith who spoke about chem. trails, scalar weapons and weather warfare. He died in 2012 of a massive heart attack at home.

He lost his life and many others have as well over speaking out on this type of information. We are at war, and it is spiritual.

### **HAARP: Reported weapons functions:**

- SDI (Strategic Defence Initiative) Radiofrequency weapon
- Environmental warfare - Weather & earthquake warfare
- Space Warfare System
- Missile Defense System
- Scalar energy warfare against land and population targets, including cities, industrial sites, buildings, populations and individuals

- ELF weapon with electromagnetic harassment and mood manipulation of target populations and individuals.
- Biological & Binary Weapons against populations (with Chemtrails component)

Harald mentions that this information is unconfirmed. It is hard to get people to come forward with truth because usually they are killed pretty quickly after that, hard to get people to put their names out there. But this information confirms what the first guy shared in his video about them using these weapons to get what they want. If you don't do this, then we'll cause an earthquake or hurricane etc.

Here is further confirmation because Leuren Moret is an independent scientist and she has done thorough research into these weather warfare weapons and I will share more of what she talks about in this series.

The people who are knowingly using these weapons on us and on their own countries or being blackmailed or doing it for the money or what have you, the following scripture applies to them.

**Rev.12:11** - And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

**Matt.16:25** - For whosoever will save his life shall lose it: and whosoever will lose his life for My sake shall find it.

Read this out

Phil worked in over 70 countries and had a level 3 clearance for NATO. He said the DUMBS are there in case of martial law. When he gave this speech there were 131 DUMBS at that time. The DUMBS are being used against us. He talked

about how our military was training foreign troops on American soil. Phil stated that there were 39 prison camps – they are being called “boot camps.” We know them now as FEMA camps.

Phil said that the US and Russia have been working together on weather modification since the 70’s.

HAARP – we have harp stations all over the world. What they are using to modify the weather and use it as a weapon is much more even than HAARP now.

They can take a hurricane or a tornado completely out of existence. They can cause it to rain or cause a drought. They can drive hurricanes wherever they want them to go. They can cause earthquakes etc.

Please share this with your friends and family to help spread awareness.

Please pray for these people to be saved and be convicted of what they are doing and to stop participating in this wickedness.
