

WEATHER and CHEMICAL WARFARE – Part Four: CHEMTRAILS

CHEMTRAILS

****Please play from :40 to 11:36 Harald Vella, a scientist shares about where the term chemtrails comes from and a little bit about how the chemicals are broken down to be sprayed****(about 11 min's)

<https://www.youtube.com/watch?v=j88BcgzzcTc>

You can see that this was recorded at a ufo conference. We can't play like people who know about aliens/demons and ufo's are crazy because we now know all of that is fallen angels and their technology. Harald seems to believe in new age and we know that is not of God so we ignore that information, but we keep the facts he brings to the table about where chemtrails came from and what they are.

satan wants to have the power to decide when we die. But that right only belongs to the Lord.

King David speaking here:

Psalms 139:16 – Thine eyes did see my substance (embryo), yet being unperfect; and in Thy book all my members (organs and body parts) were written, which in continuance were fashioned (just as we know when a baby’s heart develops, when the fingers and toes develop etc.), when as yet there was none of them.

God wrote this all down before King David was even born.

Job 14:5 – Seeing his days are determined (decreed), the number of his months are with Thee, Thou hast appointed his bounds that he cannot pass;

Supposedly the C-130s will treat over six million acres of land while dispatched to the region, far more territory than in previous post-hurricane operations.

Houstonians and other surrounding areas are about to get their daily dose of chemtrails in large amounts. Each aircraft can spray 190,000 acres per day emitting chemicals into the atmosphere and ultimately ending up in living organisms.

Back in the Vietnam War, the Pentagon launched its herbicidal warfare coined Operation Ranch Hand, which sprayed Agent Orange for deforestation purposes.

According to the American Cancer Society, "there is now quite a bit of evidence about the health effects of Agent Orange" on the human body.

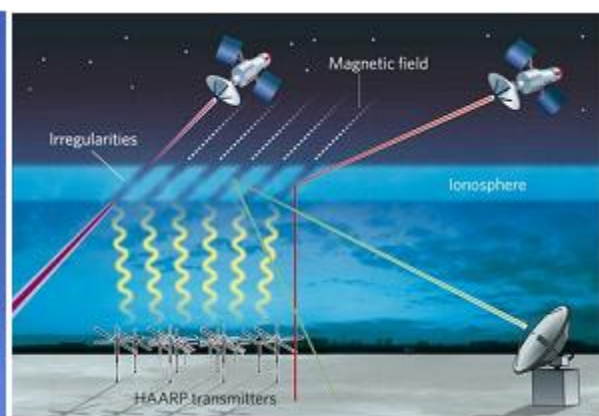

Some returning veterans from Vietnam began reporting skin rashes, cancer, psychological symptoms, birth defects in their children, and other health problems in the 1970's. In 1979, a class action lawsuit was filed against major herbicide manufacturers and was settled in 1984 out of court forming Agent Orange Settlement Fund.

Same picture, chemtrails October 2017 New Caney, Texas

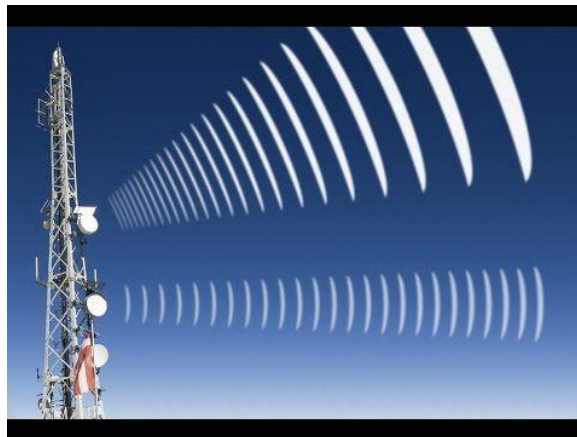

Chemtrails October 2017 at Kroger in New Caney, TX. These have had frequencies shot into or through them fanning them out

L: The GWEN (ground wave emergency network) towers that are everywhere are emitting radio frequencies down into the ground. R: HAARP is shooting up into the ionosphere, ground and space satellites are involved.

These are directed energy weapons. They shoot lasers/frequencies.

Our atmosphere is being unnaturally affected by all of these things being used in conjunction. They are radiating us and this planet like crazy.

The frequencies emitted from these gwen towers (ground wave emergency network) are used in conjunction with HAARP, satellites, RF (radio frequencies) to produce the rib like effect and other anomalies in the clouds. Those towers are microwave weapon towers. They also have microwaves hidden in the big street lamps lining our highways and cities.

Chemtrails December 2017 at the church. You may have to blow the picture on the right up a little bit to see that this one was going straight across very low and all of a sudden they took it straight up at an angle. The other clouds higher up that look sort of like stripes in the sky are just chemtrails that have fanned out a little bit. All of what you see here is chemtrail action.

Chemtrails January 2018 at Wal-Mart in New Caney, TX This is the same sky, on the left you can see the chemtrails swept or fanned out and wispy looking. In the top right corner on the left you can start to see the cotton ball effect starting up. On the right is total cotton ball effect.

This is not a joy ride, this is not a normal path for any plane. This is chemtrails.

Radio Frequency Manipulated holes in clouds

satan is trying to rival God but he has to use technology to do it.

Job 37:11-12 – Also by watering He wearieth the thick cloud: He scattereth (disperses) His bright cloud: And it is turned round about by His counsels: that they may do whatsoever He commandeth them upon the face of the world in the earth.

The chemicals and the nanoparticles contained in the chemtrails are to charge up the atmosphere for their plans to be carried out against us and to manipulate the weather for their purposes. They are using the nanoparticles to target us, to torture us and to mind control us. Everyone by now is probably already carrying these nanobots around inside of themselves. This program has been going on a long time, they have sprayed us, the land, the water and the animals. They have made sure to add nanoparticles to our medicines and vaccinated them into us. That is why they are pushing their vaccinations so hard, they want to be sure you are a carrier and have as many metals in your body as possible. They also use the nanoparticles for weather manipulation in warfare against us. Chemtrails were supposed to be used on the battlefield, to map out targets and jam radars, and now we learn we are the battle field. A.C. Griffith said it was part of a Radio Frequency Mission Planner - Radio Frequency weapons.

A.C. Griffith said that DARPA is involved in this program and they are into biologicals. We are in a war. Our own militaries and governments worldwide are fighting against us. A silent war. We have soldiers that are so mind controlled they don't care who they are killing, even their own families.

GLOBAL WARMING

**Tree-rings prove climate was WARMER in
Roman and Medieval times than it is now -
and world has been cooling for 2,000 years**

- Study of semi-fossilised trees gives accurate climate reading back to 138BC
- World was warmer in Roman and Medieval times than it is now

well known, but also a period during the toga-wearing Roman times when temperatures were apparently 1 deg C warmer than now.

They say the very warm period during the years 21 to 50AD has been underestimated by climate scientists.

Lead author Professor Dr Jan Esper of Johannes Gutenberg University in Mainz said:

We do not have global warming going on. That is their cover screen to get away with what they have been doing. When their back is to the wall they will just say they were trying to save the planet. This planet wasn't "warming" but now they are causing so many things to happen because they are disrupting the natural systems that God put in place in, on and around the earth.

When you know spiritually who "they" are and who they serve, it becomes clearer what they have been up to.

CLOSING

We heard some big booms or bangs during Harvey. This past week we got rain mixed with sleet and then snow. Sometimes while I sat there looking outside our classroom window I would see all of a sudden a ton of sleet coming down and then later snow coming down. One time I told Kennedy to look at all the snow all of a sudden coming down and she ran to the classroom and said, "yeah mom I just heard two big booms." I believe those mysterious booms that people are hearing all over the world are from HAARP and the RF weapons that they use along with the chemtrails to target certain areas for certain types of weather. They test their weapons and just like pretty colors that showed up in the sky

before Japan was hit with an earthquake, the booms are doing the same thing. It is them and their weapons.

<https://www.youtube.com/watch?v=HzgoCkHdTHw>

Job 37:2-5 – Hear attentively the noise of His voice, and the sound that goeth out of His mouth. He directeth it under the whole heaven, and His lightening unto the ends of the earth. After it a voice roareth: He thundereth with the voice of His excellency: and He will not stay them when His voice is heard. God thundereth marvelously with His voice; great things doeth He, which we cannot comprehend.

satan was in the 3rd heaven, and he knows God's power and the sound of His voice. He is so eaten up with jealousy and he is trying so hard to be a god but he is only a created thing, a fallen angel. He chose to smart off and be prideful and so God kicked him out of the 3rd heaven.
