Mrs. Elyshea sent me this picture taken on or near their ranch in Franklin, Texas. The population of Franklin in 2016 was 1,594. She said she guessed they were chemtrailing the cattle.

This is not natural, not God made. Many are being fooled by things they are seeing in the skies and believe they are signs and anomalies from God, when most of it is just man made.

CLOUD SEEDING OVER VIETNAM

NEW YORK, Monday (AAP-Reuter). — The United States has been secretly seeding clouds to manipulate rainfall over North and South Vietnam and Laos for military advantage during the past nine years, the New York Times reported today.

The report by Seymour Hersh from Washington was based on an extensive series of interviews with

not caused extensive flooding. One official was quoted as saying, "What's worse, dropping bombs or rain?"

The dropping of silver iodide into clouds was the first confirmed use of meteorological warfare and was not covered by any international conventions on warfare.

The Nixon Administration and the State Department had declined to comment officially on meteorological warfare.

Psalm 135:5-7 – For I know that the LORD is great, and that our Lord is above all gods. Whatsoever the LORD pleased, that did He in heaven, and in earth, in the seas, and all deep places. He causeth the vapours to ascend from the ends of the earth; He maketh lightnings for the rain; He bringeth the wind out of His treasuries.

satan is working through men that serve him and through fallen angels wreaking havoc on this earth. He is fighting against the earth which God made and all of God's creation.

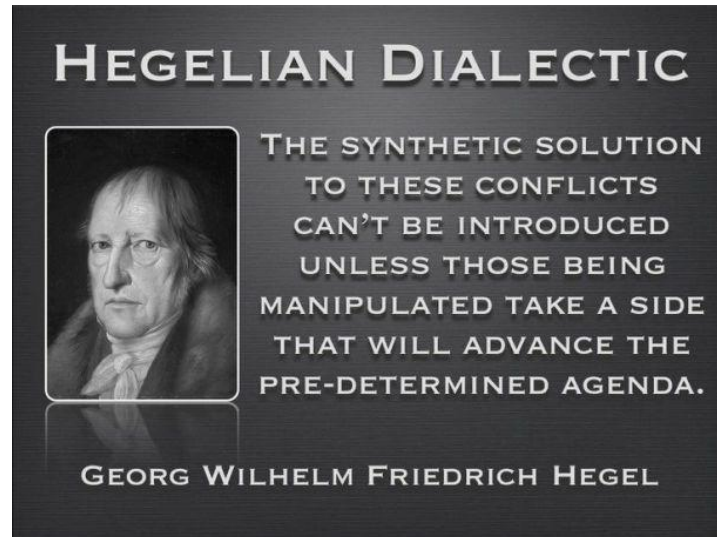

Job 38:22-23 – Hast thou entered into the treasures of the snow? Or hast thou seen the treasures of the hail, which I have reserved against the time of trouble, against the day of battle and war?

Many times throughout the Bible we see God use natural elements and processes to fight with. satan knows this and he is trying to master all of these systems to

use them against us now and to use them against God in the tribulation. It is like he is trying to provoke God to pour out His wrath now and begin the Day of the Lord.

Rev. 16:21 - And there fell upon men a great hail out of heaven, *every stone* about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.

satan will not be using these systems to fight during the tribulation. Remember the people will seek death and not find it. Now we learn they will blaspheme God because of the hail. They will not be the ones in control during the tribulation. You do not want to be here during that time. It will be hell on earth.

They create the problem waiting for us to have a reaction so that we ask for the solution that they already had in mind. I don't see that working in this case though. I don't think they want to stop.

Premiere globalist think tank **Club Of Rome's** quote from the First Global Revolution 1993:

"...divided nations require common enemies to unite them, "either a real one or else one invented for the purpose." Because of the sudden absence of traditional enemies, "new enemies must be identified." "In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill...."

“... All these dangers are caused by human intervention, and it is only through changed attitudes and behaviour that they can be overcome. The real enemy then, is humanity itself.”

So while the public are routinely blamed for trashing the planet with their consumerism and ordered to pay through their nose with individual carbon taxes, (many big corporations are largely exempt), the scientists advocate spraying the entire sky of the planet with toxic chemical and biological materials, um, to save the planet, while it's actually been going on for nearly twenty years. Supreme Orwellian double-think.

These people are power hungry, greedy, and prideful. They are not being led by the Spirit of God.

Rothschild's, And The Geoengineering Empire

Why would the Rothschild's be so interested in owning the largest and most recognized weather modeling organization out there? **Why would E.L. Rothschild LLC wish to have the controlling interest in the worlds leading provider of interactive weather graphics and data services for television, web, and mobil?** Because when you are involved in climate decimating geoengineering programs, you must also control the "forecast" models to cover your tracks.

Defense contractor "Raytheon" does all the "forecast" modeling for the National Weather Service and NOAA. Lockheed Martin does the modeling for the FAA. Since both of these private defense contractors are up to their necks in weather modification patents and programs, the "forecasts" are more or less the "scheduled" weather. Now, with the Rothschild's acquisition of the dominant private modeling organization, the control of weather "modeling" seems complete.

These people who decided to cover this up and lie to us are the same ones still lying to us today. They do all sorts of damaging things and say it is for the good of humanity when all the while they are destroying us and this earth.

Some believe they are trying to block out the sun with the chemtrails, or block out the sky so we are not aware of something coming toward us. We do have something coming toward us.

He talks of Nemesis coming toward us projected at that time to hit in 2052, it sounds like this is the same thing that many are talking about right now coming toward us (planet X, the 10th planet, Nibiru etc). Man can only estimate the time frame, God can speed this up or slow it down or take it completely out of existence. He can do anything and He can bring something in that they cannot see ahead of time. He is All Powerful and He doesn't dance to the beat of their drum. He can bypass or block their radars and all of their instruments and technologies. He is the One that says when things happen. He makes the decisions and He can certainly allow them to carry out His prophecy if He chooses.

They make up their own facts and figures to further their agendas. They have their own scientists who they pay to say what they want them to say.

1 Kings 22:5-8 – And Jehoshaphat said unto the king of Israel, inquire, I pray thee, at the Word of the LORD today. Then the king of Israel gathered the prophets together, about four hundred men, and said unto them, Shall I go against Ramothgilead to battle, or shall I forbear? And they said, Go up; for the Lord shall deliver it into the hand of the king. And Jehoshaphat said, Is there not here a prophet of the LORD besides, that we might inquire of him? And the king of Israel said to Jehoshaphat, There is yet one man, Micaiah the son of Imlah, by whom we may inquire of the LORD: but I hate him; for he doth not prophesy good concerning me, but evil. And Jehoshaphat said, Let not the king say so.

Just as we see the king back then had surrounded himself with those that would say what pleased him, we have the same thing going on today with the elite of this world. In fact they lie and murder those that get in the way with the truth.

****Please play from 1:43:05 to 1:45:19 He talks about the chemtrails in front of the sun.* (about 2 min's)**

<https://www.youtube.com/watch?v=j88BcgzzcTc> *

He explains that they are not just spraying in front of the sun, but everywhere. They are trying to cut us off from the sun, from the earth, from knowing or finding out information.

Jeremiah 33:17-26 For thus saith the LORD; David shall never want (be without) a man to sit upon the throne of the house of Israel; Neither shall the priests the Levites want a man before Me to offer burnt offerings, and to kindle meat offerings, and to do sacrifice continually. And the Word of the LORD came unto Jeremiah, saying Thus saith the LORD; If ye can break My covenant of the day and My covenant of the night, and that there should not be day and night in their season; Then may also My covenant be broken with David My servant, that he should not have a son to reign upon his throne; and with the Levites the priests, My ministers. As the host of heaven cannot be numbered, neither the sand of the sea measured: so will I multiply the seed of David My servant, and the Levites that minister unto Me. Moreover the Word of the LORD came to Jeremiah, saying, Considerest thou not what this people have spoken, saying, The two families which the LORD hath chosen, He hath even cast them off? Thus they have despised My people, that they should be no more a nation before them. Thus saith the LORD; If My covenant be not with day and night, and if I have not appointed the ordinances of heaven and earth; Then will I cast away the seed of Jacob, and David My servant so that I will not take any of his seed to be rulers over the seed of Abraham, Isaac, and Jacob: for I will cause their captivity to return, and have mercy on them.

Now satan is taking this as a challenge. He seems to be trying to break God's covenant with the sun. But he cannot do it, he is covering it up and cutting the earth off from the benefit of sunlight and destroying but he has not stopped the sun from rising and shining and going down each day. We may not be able to see it but it is remaining on course because Jesus told it what to do.

Enoch 41:6 - From the first is the sun; and it executes its course in accordance with the commandment of I AM of Hosts -HIS NAME shall persist forever and ever.

Remember Jesus created all things and the sun will keep its course until Jesus tells it otherwise.

THE END.... or is it.....

On the subject of methane, geoengineering, and the article, I would like to add these additional findings. There was a [HUGE methane leak in the North Sea](#) just prior to AMEG's proposals for geoengineering. Also there is the ANGELS proposals, and the [Lucy](#) Project involving HAARP.

The ANGELS Proposal, [Arctic Natural Gas Extraction Liquefaction & Sales](#), is a plan to drill under the ice and extract gas/oil. This seems to be related to [Project Lucy](#), which would involve **three radars focusing their beams on methane clouds and turning those methane clouds into diamond dust, something formerly left to the science-fiction world of Alchemy**. Apparently the methane molecule and a diamond are very similar, and they believe with a 13.56 MHz frequency they can break methane down and turn it into diamond dust, which will reflect sunlight slowing global warming (aka SRM, or Solar Radiation Management). Further, the director of HAARP says they can form noctilucent clouds above the HAARP IRI using three radars, and if their plan works, **the heaters at HIPAS, Arecibo, EISCAT (Tromso), and Sura, Russia "could immediately attack the atmospheric methane as well."** source: [Radio and Laser Frequency and Harmonic Test Ranges for the Lucy and HAARP Experiments and their Application to Atmospheric Methane Destruction](#)

CLOSING

MILITARY ARE THE TERRORISTS – THEY WILL NOT RISE UP AND STAND AGAINST THIS. They would rather follow orders and turn on us than stand up against the evil power structure.

I believe Dane Wigington said, "it is not one group, it is not one thing, it is many groups working on separate pieces and many different types of attacks all working together as a whole to produce what we are now seeing and experiencing."

It is a spiritual fight. Why do they have the "voice of God weapon"? Why did they name their weather ship NOAA? Why is there a huge telescope used by the Vatican called lucifer? Why do the military patches all look satanic? Why is there a laser named Athena? Why was Al Roker triggered by the words Holy Spirit? Why were CERN scientists looking for the God particle? There is a reason they are

studying the effects of their weapons/chemicals on a religious person vs a non-religious person trying to destroy the “God gene”. Many would believe it is to win wars against other nations, but the war is against all of humanity. Against God’s creation. Slaughtering us while moving toward a NWO with whatever survives.

Many do not understand how God can stand by and let all of this happen. We can read how dire things are going to get in His Word. Sometimes God commands judgment. But man also carries out God’s prophecy himself because he has chosen to serve satan and push God away.

If you are not saved, now is the time.
