

WEATHER and CHEMICAL WARFARE – Part Eight: JADE HELM and VACCINES

Shout out: Pastor Erustus and Pastor Sarah – baby boy Ruphus Favor Museve born on February 16th. It was prophesied to Pastor the he would have a son. They chose a Godly name for him coming from Romans chapter 16. That is how true prophesy works.

Connect the lines and you have two triangles, one above and one below. If you look at the arrows, it is an x for sun worship. This is also a 6 pointed star, star of

Remphan, satan. If you look at the sword it points up as if in an assault on God in the 3rd heaven or in rebelliousness against Him. Call no one master except God. To truly “master” the human domain, you have to get God out of the way. With the sword and the arrows pointing up this is sending the message that it is war against heaven and humanity. The wheel of a ship, the helm of a ship or boat. So who is at the helm? Jade is.

There are three terms we need to define: **Holland, the Netherlands**, and Dutch. In Old English dutch simply meant “people or nation.” (This also explains why Germany is called Deutschland in German.) Over time, English-speaking people used the word Dutch to describe people from both **the Netherlands** and Germany.

[Why Are People from the Netherlands Called Dutch? - Everything After ...](http://www.dictionary.com/e/demonym/)
www.dictionary.com/e/demonym/

Here is a perfect example of “Deutschland Germany”. This beer stein shows so many satanic symbols and emblems all around it. So the wooden shoe or clog in the middle reminds us of Germany, Hitler one of satan’s antichrist models.

All of that junk they do with numbers, twisting them and manipulating them for their secret codes and messages is gematria which is witchcraft. We as Christians don't use numbers or codes to speak of God or hear from Him.

So who is at the "helm" of this world? Yes, that's right, the masons, they are satan's elect. They are in covenant with him, they have chosen him as their god.

Jude 4 - For there are certain men crept in unawares (secretly), who were before of old ordained (prepared) to this condemnation, ungodly men, turning the grace of our God into lasciviousness (evil), and denying the only Lord God, and our Lord Jesus Christ.

10 - But these speak evil of those things which they know not: but what they know naturally, as brute beasts, in those things they corrupt (destroy) themselves.

This fits the masons because they try to twist scripture to fool people into thinking it is a Godly religion. The pope and Jesuits who are also masons do the same thing, twist scripture. They all hate Jesus Christ just as the unsaved Jews do

and they have rejected Him. In their pride and seizing worldly power, they are deceiving and destroying themselves.

These are not Godly men. They are not playing by any rules of engagement. They are playing or fighting dirty and dishonorably.

James 2:13 - For he shall have judgment without mercy, that hath shewed no mercy; and mercy rejoiceth against judgment.

Matt.5:7 - Blessed *are* the merciful: for they shall obtain mercy.

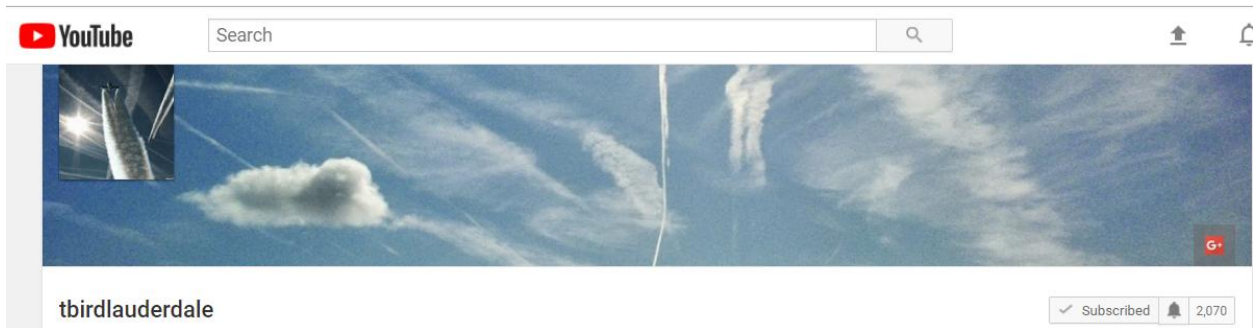

Luke 6:36 – Be ye therefore merciful, as your Father also is merciful.

Eye witness accounts from the last few days have fostered a wave of reports that Chem-webs, as they are commonly called, are dropping upon the Isle of Wight, southern England. In Yorkshire only a few weeks ago these phenomena were filmed covering whole areas of park in a web-like film. These are not spider's webs. They are gone when poked with a stick. They must not, under any circumstances, be touched by hand as numerous independent studies have revealed they are polymers sprayed from aircraft and a favorite way of being the carrier for many molds, fungus and bacteria to ride on their backs. The sun in Ireland, a still I captured from the above video we just played. Look at the shape of it. That's a hexagon.

The Crazy Horse Memorial is a mountain monument under construction, which will depict the Oglala Lakota warrior, Crazy Horse, riding a horse and pointing into the distance. This picture was taken in August of 2017. The man who took the picture noticed later a hexagon shape in the top left corner. He sent the picture off to a website that investigates the strange sounds and things that people are seeing.

They blew it up and altered the coloration so we could see the shape better. It is a sun simulator. You can google patents for these as far back as the 60's.

They have sun simulators, mirrors, reflectors, satellites, lasers and who knows what else up in space. Just to trick us, and torture us.

Isaiah 30:26 - Moreover the light of the moon shall be as the light of the sun, and the light of the sun shall be sevenfold, as the light of seven days, in the day that the LORD bindeth up the breach of his people, and healeth the stroke of their wound.

Now if the sun is going to be seven time brighter in a single day then it stands to reason with that intensity comes 7 times more heat. satan knows that the time of The Tribulation is at hand. He is scrambling and doing all he knows to do to try and come up with a way to beat God. Surely he of all angels should know by now that God's Word is true and it does not fail, it will come to pass.

As a side note last week when we were driving around under the chemtrailed sky we were looking at how many gwen towers we have around us and we passed some solar panels mounted alongside the road. Scott said, well with them blocking the sun, then they also cut off people that are trying to live off of solar power.

In the comments on Terry's video someone mentioned the lyrics to the following song saying, "maybe they knew something."

Lyrics to "Chorus" by Erasure

And they covered up the sun
Until the birds had flown away
And the fishes in the sea
Had gone to sleep

Holy Moses our hearts are screaming
Souls are lifting only dreaming
We'll be waiting some are praying
For a time when no one's cheating

The sunlight rising over the horizon
Just a distant memory a dawn chorus
Birds singing bells ringing
In our hearts in our minds

Yes, they are showing us and telling us in tv shows and songs just like they always do.

****Please play from 30:50 to 44:51 Harald Vella talks about the chemicals in the chemtrails being rained down on us. This is fallen angel technology and there is no deactivation code for this technology that they have been releasing into the environment and atmosphere to work against us. He talks about how the nanoparticles are used with scalar waves (rf weapons and scalar physics) and how plant life are absorbing too many uv rays and this is stopping the plants cell division. They are working to access our nervous system via nanoparticulates, using mercury to strip our nervous systems and rebuilding it with the aluminum, barium and strontium so we are more sensitive to the electromagnetic field. The nanobots are giving them direct access to the nervous system.**** (about 13 min's)

Please play this video - nutrients are bad they say, and they are being irradiated – hit with radiation (about 5 min's)

The organizations she spoke of are Masonic organizations. They are part of the secret societies that are running our world.

F = 6 and the O = 6 $66 / 6 \times 6 = 36$ which equals 3 6's or 666 / The A has a triangle.

The snake ruling the world is satan who is the god of this world. This is the rod of fallen angel aclepius – god of medicine. Aclepius is the son of apollo the sun god. The laurel leaves are for appollo the sun god. When you count the sections that the world is divided into you get 33. That is for the 33rd degree of freemasonry.

Sun rays for sun worship and also chemtrails. On the Pythagorean number chart for the number game that masons play, the C in the front = 3 and the C in the back = 3. Put them together and you get 33 or 33rd degree of freemasonry.

Hi Pastor Cherie. Thank you so much for your thoughtful and kind words. I refer to nuclear radiation a lot these days, because of the cover-up of Fukushima and we will see ever so many more people with cancers: brain tumors, Leukemia, bone cancer and so forth, heart attacks and nearly 1,800 auto-immune diseases associated with man-made radiation. I didn't know then what I know now about chemo-therapy, radiation 'treatment', MRIs and CT scans. I truly believe the medical 'industry' is just that...an industry, along with the pharmaceutical

companies, getting filthy rich off of our misery. If and when I get cancer or another disease that is associated with man-made radiation...that is, radiation that comes from nuclear fission, not fusion. Fusion comes from the sun and is called 'natural radiation'. The BIG cover-up by the so-called anti-nuclear activists who are pushed on us in the media (to keep the people dumbed-down) will always equate Fukushima radiation with the radiation that comes from the sun. They do it all the time. All the scientists and academics go along with it, but, they are all complicit and shameless. Please do not eat anything out of the Pacific ocean. I will not eat anything out of any ocean. We MUST make attempts to mitigate the rads, because radiation is cumulative. Mushrooms have high concentrations of radiation. Everything is radiated now. 2 million of those atoms can fit on the head of a needle. It only takes one atom to cause a cancer. If you get a chance to look into Fukushima, please stay away from the people who try to demonize Dana Durnford. They leave out many truths and Dana is not afraid to call them on it. Also, Japan is allowed to sell their food from Fukushima Prefecture! There is so much on this subject. I am sorry I end up typing a long comment. Leuren Moret said try to stick to root vegetables, as root vegetables will not be hit with as many rads. I know this is not good news and no one wants to be the bearer of bad news. Seriously, I could go on and on about this, but, I believe people have a right to know. I know of no other subject out there as serious as this one. Fukushima had 4 meltdowns and Unit 3 was using MOX (mixed-oxide fuel). God bless you and your family and I pray people hurry up and wake up to this, so they can make the right choices for their own families. ~ Elaine

CLOSING

Rev. 16:8-9 – And the fourth angel poured out his vial (bowl) upon the sun; and power was given unto him to scorch men with fire. And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give Him any glory.

God is always in full control. They will cry out against God in the tribulation.

2 Thess.2:8 - And then shall that Wicked (antichrist) be revealed, whom the Lord shall consume with the spirit of His mouth, and shall destroy with the brightness of His coming:

The masons who are running this weather and chemical warfare against us serve the sun god baal.

Jesus is brighter than the sun!

Acts 26:13 – At midday, O king, I saw in the way a light from heaven, above the brightness of the sun, shining round about me and them which journeyed with me. And when we were all fallen down to the earth, I heard a voice speaking unto me, and saying in the Hebrew tongue, Saul, Saul, why persecutes thou me? It is hard for thee to kick against the pricks (goads).

At the appearance of Jesus, everyone fell down. His brightness is power and glory. Notice He asked Paul why He was persecuting Him? Now when you read the Bible Paul was persecuting Christians. Be sure when you belong to Jesus and you are persecuted for His sake, those people are persecuting the Lord Himself. He sees all and if they don't repent, He will repay them.

Start teaching how to pray against the chemtrails and the weather. Pray against the weapons. Pray for God to bless your food (you can ask Him to add back what should be there and take away what should not be there). Ask His blessing and sanctification over your medicines. Thank Him for protecting you from all that they are doing against us. Pray against the vaccinations and all that you have received in your lifetime. Stay under the blood of Jesus Christ.
