

# WEATHER and CHEMICAL WARFARE – Part Eleven:

## MORGELLONS

Picture of a person suffering from active morgellons.

### From Wikipedia:

**Morgellons** ([/mɔːrˈdʒelənz/](#)) is the informal name of a self-diagnosed [skin condition](#) in which individuals have sores that they believe contain some kind of fibers.<sup>[1][2]</sup> Morgellons is poorly understood but the general medical consensus is that it is a form of [delusional parasitosis](#); the sores are the result of compulsive scratching, and the fibers, when analysed, turn out to originate from textiles.

The name was coined in 2002 by Mary Leitaio,<sup>[3]</sup> a mother who rejected the [medical diagnosis](#) of her son's delusional parasitosis. She revived it from a letter written by a physician in the mid-17th century.<sup>[4]</sup> Leitaio and others involved in her Morgellons Research Foundation successfully lobbied members of the [U.S. Congress](#) and the U.S. [Centers for Disease Control and Prevention](#) (CDC) to investigate the condition in 2006.<sup>[5][6]</sup> CDC researchers issued the results of their multi-year study in January 2012, indicating that there were no disease [organisms](#) present in people with Morgellons and that the fibers found

were likely cotton, and concluded that the condition was "similar to more commonly recognized conditions such as delusional infestation".

This is a complete lie. I have shown in the Las Vegas False Flag message how large corporations are spending tons of money to lie to us.

L: Old DAARPA Logo Our governments and MSM (main stream media) are pushing out their propaganda. They made it legal as of 2012 to fund riots and fake school shootings and public shootings (yes they are staged and practiced events sometimes no one is hurt at all and sometimes it is a mixture). All of this is to sway you to vote their way, buy their product or believe their lies. Propaganda was legalized in 2012. That is a huge piece of information to clue us in on what is going on now.

Do you think something called wiki – sort of like wicked, do you think they always give you 100% factual information? No they don't.

Dr. Blaylock has voiced his concerns about nanoaluminum, neurodegenerative and the neurodevelopment effects of chemtrails. This article outlines some of the evidence regarding chemtrails aimed to illustrate that there is a reality behind this 'conspiracy'. It is definitely something the public should be made aware of.

My major concern is that there is evidence that they are spraying tons of nanosized aluminum compounds. It has been demonstrated in the scientific and medical literature that nanosized particles are **infinitely more reactive and induce intense inflammation in a number of tissues**. Of special concern is the effect of these nanoparticles on the brain and spinal cord, as a growing list of neurodegenerative diseases, including Alzheimer's dementia, Parkinson's disease, and Lou Gehrig's disease (ALS) are strongly related to exposure to **environmental aluminum**.

The environment, the people of the planet, every country is being sprayed with such abandon, such wanton destruction, that even the soil's pH level is changing and plant life is dying off. After heavy spraying, flu-like symptoms that persist, respiratory problems, fatigue, cramps, and even fiber poking through people skin are reported, worldwide. In the case of the fibers an exact match between what the Chemtrails contain and the fibers taken from **Morgellon's** sufferers has been found. They have a link to read more on this article.

**SELF ASSEMBLING NANOBOTS:** at 53:50 spray the fiber & then spray the color and they are self replicating and the color goes into the fiber. Self replicating nanobots. He said you put in the chemicals that form the colors in the computer and found a company in Berlin that holds the patent on them. **EVERY IS CARRYING THESE THINGS BUT NOT EVERYONE IS DISPLAYING ACTIVATION RIGHT NOW.**

When you look at who holds patents on diseases and weapons you find military, NASA people like Bill Gates etc. Now here we see a company in Berlin. Look how many things have been revealed to us that have come out of Germany, MK Ultra / mind control is one of the biggest. At 56:00 talks about making a person angry

and reading it and shooting it out on a crowd and making the whole crowd angry. This is being used as a weapon on many different levels.

An idea of the types of things coming out of people's bodies from this bio tech.

Remember Harald talks about morgellons and a man who figured out that the elite are the ones causing mad cow disease and things like this through vaccinations. The farmer who figured out they were making the cows sick with mad cow disease, refused the vaccines and exposed what they were doing and 10 mos. later he died of brain cancer. Harald said they would guess that 100% of the population in Europe is infected with nanoparticles, because the military did a test there. When he talks about mankind being about to ascend, that is new age. He talks about how these nanoparasites are mirroring what we would know as demons – living inside of people. He talks about black magic and the ones doing this want to control people. Yes, this is fallen angel technology and so witchcraft certainly is playing a role in all of this too.

**CLOSING**

**1 Peter 5:8** - Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle *you*. To him *be* glory and dominion for ever and ever.

**John 16:33** - These things I have spoken unto you, that in Me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.

**Matt. 28:20** - Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, *even* unto the end of the world.

**2 Cor. 1:3** - Blessed *be* God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God.

**2 Cor. 12:9** - And He said unto me, My grace is sufficient for thee: for My strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.

**WHATEVER WE SUFFER OR GO THROUGH, HE IS WITH US AND EVEN IF WE DON'T UNDERSTAND IT, HE WILL USE IT FOR HIS GLORY.**

Next week I am going to introduce you to someone who has many remedies and helps to fight against all of this nanotechnology. He is a blessing. We'll talk about Morgellons a bit more and then go into nutrition.
