

EVIL SPIRITS in YOUR HOUSE – Part Two: DRAGONS, SKULLS, 3:00 AM, THIRD EYE, DEMON IMPARTATIONS

These children had clothing with dragons on them, because of their popularity in the homeland of their mother. Those countries that venerate the dragon and snake are in darkness. Just as America is. We were founded by pagans or Jesuits as part of a plan that is being carried out right now. We were to be the Golden Atlantis. We are part of the plan to bring in NWO (New World Order). The story we have believed is that we were a Christian nation formed by Godly men and women but that is not true. Even George Washington was a freemason. Supposedly he left the group at some point but the oath you swear in allegiance to them says you can never leave. And the Bible says not to swear any oaths so why would a Christian do that? Look at the days of our weeks and months named for fallen angels/pagan deities. Real Christian men and women would not have stood for this. Look at the obelisk set up in this country in worship of the sun god and the statues all around Washington and other places of these fallen angels.

Some of their clothes were mine craft, skull shirts and monster high. These type of clothes are inviting the spirits of death, suicide, unclean and evil spirits in.

2 Cor. 6:17 - Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean *thing*; and I will receive you,

A Christian is to have no part in anything evil or sinful. In the Old Testament they were forbidden to touch anything dead and if they did they were considered unclean and had to go through a purification process before they could have anything to do with God again.

The little girl had a toy rubber snake. Kennedy witnessed to her friend about the snake and she threw it away. I also then explained about what the snake and the dragon represents and what it does when we have them in our homes.

These things draw and attract demons into your children's lives.

They asked me about Day of the Dead.

A screenshot of a Google search for "Day of the Dead". The search bar shows the query and a magnifying glass icon. Below the search bar are tabs for "All", "Images", "Maps", "Books", "News", "More", "Settings", and "Tools". The search results show "About 432,000,000 results (0.84 seconds)". A knowledge panel is displayed on the left, stating: "Dia de los Muertos (Day of the Dead) 2017 in United States of America began on Tuesday, October 31 and ends on Thursday, November 2". To the right of the knowledge panel are two images: a colorful sugar skull and a person in a costume.

L: Altar to the dead R: Conditioning our children to welcome this in.

What are we teaching our children? The costumes they put on welcome those same spirits into their lives for life. Those spirits only want to harm them, ruin and pervert their lives. You are the covering for your child. God has given each parent a great responsibility to teach them right from wrong, to teach them His

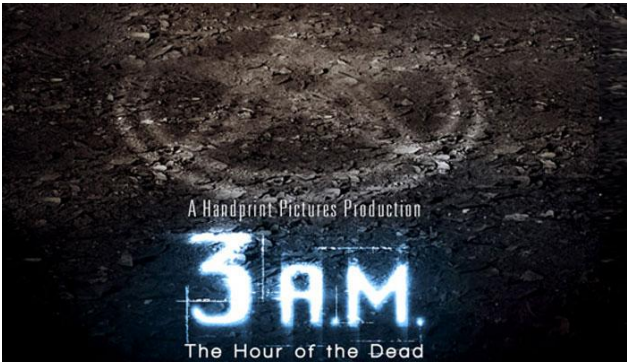

ways and not the ways of the world. To know what sin is and that it has consequences. This is sin against a Holy God.

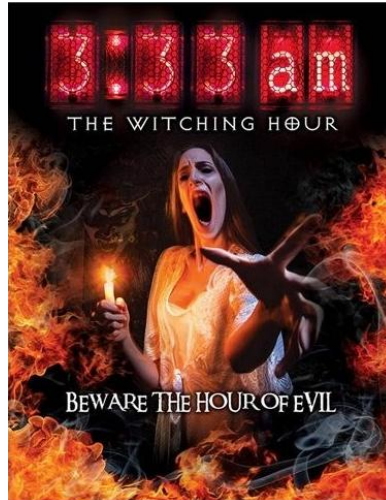

They mentioned something about going to the voodoo dr. for money. Maybe a relative went to the voodoo dr. to have them put a curse on them or do a spell so that money would flow to them. That is witchcraft plain and simple. If it works for a little while it won't be long and the problem will be back or a new problem will begin to happen and then they will have to keep going back to the voodoo dr. The person getting the money is the voodoo dr. If you want to try satan he will do amazing things to get you on his hook and one day he'll slam the door shut and have you in his trap!

Deuteronomy 8:18 - But thou shalt remember the LORD thy God: for *it is* he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as *it is* this day.

The boy mentioned that he had heard at school that 3:00 is satan's hour. Wonder where a lot of this seeking out these things has come from? School.

Research: Another tidbit presented by the writers is 3:00 AM. Most of the evil events happened at 3:00 AM. Father Moore explained that 3:00 AM is, for the lack of a better term, the "bewitching hour" and the time of the heaviest evil activity since 3:00 AM is the reciprocal or opposite of 3:00 PM, the hour at which Jesus is said to have given up the Ghost on the Cross at Calvary. Witches and satanists know that there is power in numbers, as in being in one mind and one accord. They do come together in agreement to practice their witchcraft. Today the church can't even agree on scripture much less pray in agreement.

Luke 23:44-46 - And it was about the sixth hour (noon), and there was a darkness over all the earth until the ninth (3pm) hour. And the sun was darkened, and the veil of the temple was rent in the midst. And when Jesus had cried with a loud voice, he said, Father, into thy hands I commend my spirit: and having said thus, he gave up the ghost.

Remember these times are based on Jerusalem and would not be the same worldwide. We have time zones and different days going on around the world.

satan has always mimicked and mocked God at every turn. So it doesn't surprise me that now 3:00 a.m. is being called satan's hour.

We as Christians are not to walk or live in fear of what satan or witches or those of darkness may try to do to us. We don't have to wake up at midnight to try to fight off the witches, or 2:00 am or 3:00 am. You stay covered in the blood of Jesus Christ, read the Word of God, pray, keep the full armor of God on and trust that He is with you all the the day and night. If you don't belong to Jesus, you can be wide awake at

any hour day or night and still get all kinds of attacks. Remember the seven sons of Sceva who did not know Jesus intimately and they got torn up by the demons. (Acts 19:11-20)

Isaiah 29:15 - Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who seeth us? and who knoweth us?

Matt.24:43-44 - But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh.

Eph.5:11 - And have no fellowship with the unfruitful works of darkness, but rather reprove (expose) *them*.

Tell your kids about the dangers of all of this stuff so they can stand against it.

The mom shared that the little boy had been getting a lot of headaches and he said that his forehead had been hurting a lot and he thought he needed to open his 3rd eye to make the pain go away. He had been researching about trying to open his 3rd eye on the computer.

Doesn't she make it look so appealing to want to do this? It's fun and everyone is doing it. Don't you want to be psychic and know and see things, to ascend your consciousness?

Here is a warning from Pastor Cherie – NEVER DO THIS. IT IS AGAINST GOD. You will unleash evil into your life in ways you have never imagined. Many times satan doesn't announce that he has arrived. He is subtle, sneaky and only wants to harm you and kill you and others if he can. I remember hearing a testimony of a young girl who was trying to master yoga and she was learning how to do kundalini and one day she spoke out to her mother telling her she was going to kill her. Only it wasn't her speaking, it was a demon inside of her. Yoga, hinduism, new age, meditation on anything but God's Word, raising your consciousness – ALL OF THESE THINGS WILL BRING SATAN AND HIS KINGDOM INTO YOUR LIFE FULL FORCE.

Why are we surprised at the things are kids are doing or searching and seeking out online? Their cartoons are flooded with this filth. You as the parent are responsible for what goes on in your home and you need to stop allowing your children to watch this kind of garbage. You may not realize it at first, but the door will stay open until you come to God and learn how to close it.

This is a Getty Images, remember they are one of the photographers for the Illuminati. They show us truth. Why do you think these kind of idol statues exist? Because it is showing us truth. Notice the death skull on top of the head. This person doesn't look peaceful, they look possessed.

Matt.6:22 - The light of the body is the eye: if therefore thine eye be single (is sound), thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great *is* that darkness!

This passage is not about raising your consciousness or trying to open your third eye or any of that garbage. And just because it says eye and sounds like one eye it is understood that it means both, we have two eyes. Only because of people trying to open their third eye is this even a passage that people are trying to make fit that sin.

The little girl has a friend who is Catholic. She came over and spent the night. For those of you who don't know, the Catholic church is a cult.

This is the Paul VI Audience Hall building at the Vatican. It is a snake. This view is the audiences view of the stage.

Just to be clear, here is the pope obviously fine with presenting in this building. This is what the back of the hall looks like – a snake as well.

Dragon statue at Vatican Museum.

Clearly Catholic, clearly snakes.

Witchcraft star in a circle. They do this type of thing a lot.

National Cathedral dragon/snake gargoyle. It has been taught that gargoyles ward off evil spirits. That is a lie. This only draws evil spirits in.

Here's your third eye, right here on this Catholic church.

I have shown their satanic church windows, the gargoyles that they put on their buildings, the statues of Jesus and Mary and the saints from the Bible which are really statues of fallen angels, lighting candles and praying to the dead, praying to and through Mary, trying to pay to get loved ones out of purgatory which does not exist and so much more. After this little friend spent the night, the little girl began to see a "shadow presence" in her room and she was scared. The mom also had slept in her bed with her and the "shadow presence" did not show up. But at that time the little girl was still scared. The friend brought in demonic spirits because she is not living a true Christian life, she is only doing what she has been taught by her parents. She is not being raised up in the Lord's ways. She has attachments and there was an agreement for her to be welcomed into the home and into the little girl's room and bed and so this transfer took place. The atmosphere of that home was already compromised with all that was in the home and all that was going on in the home – many open doors.

The little girl's room was decorated in winged horses and unicorns.

CLOSING

Teach your children about both spirit realms because they are seeking these things out even if you are not aware of it. Look at their computers and phones and see what sites they are going to and what they are doing. While they are in your house under your roof, they are your responsibility and you will answer as the parent for what went on in your home. What are you buying them, what are

you modeling for them? Pay attention to their friends and know about their family and background. Don't be embarrassed to pray over the friend that comes into your home. Being invited to spend the night is a covenant and it is personal to sleep in someone's bed. Just as having sex with someone can transfer demons and create soul ties, so can staying in someone's home. For the friend wanting to come over, it should not be a surprise or bother them that you want to pray. They should already know this about you.

We as Christians are to be aware of who our friends are and God calls us not to be unequally yoked. We are supposed to know if they serve God faithfully or are they just giving lip service and playing Christian, what religion have they chosen and is it actually part of the occult or a false religion. We are not to turn a blind eye to sin in our friend's lives. We do not want to share in their sin.

Gal. 6:1 - Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted.

Kennedy has witnessed to some of her little friends about different things she has seen them do or that they have talked about. That is what friends do. Look at the innocence there, Kennedy will just openly say that is bad to do or a sin. Adults are not like children, we get too polite and politically correct with ourselves, don't want to hurt anyone and so we say nothing and leave that person in there sin. We need to approach our brothers and sisters in Christ and those professing to be Christians in love and tell them about the open sin you see in their lives.

1 Cor. 5:11 - But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater (Catholic church is steeped in idolatry), or a railer, or a drunkard, or an extortioner; with such an one no not to eat.

Make sure you are saved first, then get on your knees and confess your sins to the Lord, ask forgiveness and repent (stop doing it.) Get rid of all things in your life, home – in your possession that don't please God. Don't give them to someone else, don't give them to a resale shop, don't sell them to try and get back some of the money you spent – DESTROY/BURN them.

In Jesus' name bind up and command all demonic spirits, evil spirits and attachments that came in because of the possessions and behavior to leave in Jesus name. Bind up anything that is in your home and life that doesn't bow its knee to Jesus Christ and command it to leave in Jesus Name. Remember even the demons are subject to you in Jesus' name. Cover your home, yourself and your children, pets and all your possessions and everything that pertains to you in the blood of Jesus Christ. Lift all of this up to God and ask for His sanctification, anointing and blessing on all that you are and have in Jesus' name.
