

# TARGETING – Part Seven: IMPLANTS, MIND CONTROL, FALLEN ANGEL TECHNOLOGY

Rauni said, this psychiatric “bible” covers up the secret development of MC (mind control) technologies by labeling some of their effects as symptoms of paranoid schizophrenia.

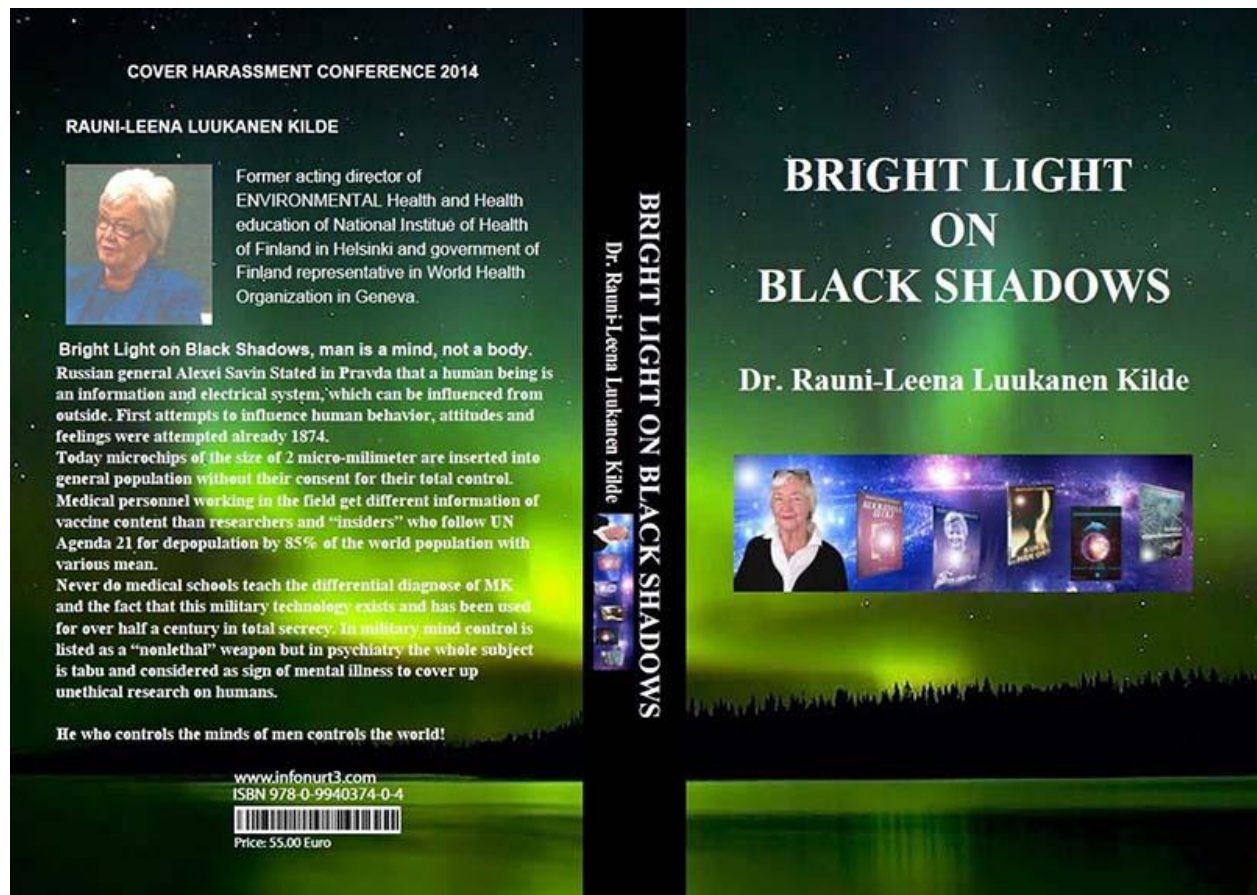

This is an illustration of what most of the psychiatry field does today. Rauni said, so that “Bible” for psychiatrist teaches them if they see something that looks like an alter in a person, it must be schizophrenia. The person gets no help and they push drugs at them. For that matter, all of the signs of covert harassment are dismissed as crazy.

In 2012, Magnus Olsson stated that all of this research and testing (targeting/torturing) was for construction of an artificial human being. And an artificial intelligence with a limitless capability. Dr. Rauni Kilde talks about the first chip being implanted in **1874** for behavior modification.

\*Please play whole video Rauni Kilde talks about implants, brain signature, mind control, hive mind by 2050 – each person becoming a robot and steered from a satellite, military astral projecting, wars are based on greed and money\* (about 11.5 min’s)

<https://www.youtube.com/watch?v=S-eGlt3BFcY>

This is the book that Rauni was excited about and talking about in the interview we just saw. (Read cover out)

Bright Light on Black Shadows: Former acting director of Environmental Health and Health education of National Institute of Health of Finland in Helsinki and government of Finland representative in World Health Organization in Geneva.

Man is a mind, not a body. Russian general Alexei Savin stated in Pravda that a human being is an information and electrical system, which can be influenced from outside. First attempts to influence human behavior, attitudes and feelings were attempted already 1874. Today microchips of the size of 2 micro-millimeter are inserted into general population without their consent for their total control. Medical personnel working in the field get different information of vaccine content than researchers and "insiders" who follow UN Agenda 21 for depopulation by 85% of the world population with various mean. Never do

medical schools teach the differential diagnose of MK and the fact that this military technology exists and has been used for over half a century in total secrecy. In military mind control is listed as “nonlethal” weapon but in psychiatry the whole subject is taboo and considered as sign of mental illness to cover up unethical research on humans.

He who controls the minds of men controls the world!

BOOK FOREWARD: "Having attended numerous international conferences in the last 30 years — some open, some closed, invitation only — in various countries from Moscow to Washington DC in the fields of parapsychology, exopolitics and ufology, mind control, psychiatry, neuro-electromagnetic telecommunication in military medicine, electronic warfare experimentation with an unknowing public with "non lethal weapons" etc. I feel I have acquired quite a bit of information which the general public should be made aware of. In spite that governments and secret services in various countries want to keep the lid on the extreme technical advances in science like time travel, continuous trips to other planets like Moon, Mars, Saturn etc. to keep the general public in ignorance. Reading and influencing thought signals, manipulation of our behaviour by electrical, chemical and psychological means is totally unknown to the general public and even mediocratic medical doctors.

\*\*It is important to understand that you don't even have to have a chip implant to be connected, spied on, tortured, because our brains have their own “signature” like a fingerprint.\*\*

This technology is for total control and for the transformation of the human race. It is because satan and his minions are at war against God the Father, Christ Jesus and Holy Spirit.

When you understand how deep this mind control program goes and how long they have been testing it and perfecting it – it should cause you to really embrace God's Word.

**2 Cor. 10:5** - Casting down (demolishing) imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

Ex: “you’re a loser” NO. Because:

**Psalm 139:14** - I will praise thee; for I am fearfully *and* wonderfully made: marvellous *are* thy works; and *that* my soul knoweth right well (and my soul knows it very well).

“everything came from a big rock explosion” NO. Because:

**Genesis 1:1** - In the beginning God created the heaven (heavens) and the earth.

“you came from an ape” NO. Because:

**Genesis 1:27** - So God created man in His *own* image, in the image of God created he him; male and female created he them.

When you hear crazy thoughts come into your head, or voices – take it captive to the Word which is Jesus Christ, He is the Living Word.

She thought the universe was helping her. That is so clearly new age.

She did not acknowledge God so He gave her over to her vain imagination.

She said: WHAT IS GOD? It is not a white man sitting on a cloud somewhere. SHE SAID GOD IS “A universal energy of love”.

**1 John 4:8** – He (The one) that loveth not knoweth not God; for God is love.

God is love – but let’s be clear He is not in every person. You have to choose Him of your own free will. There is so much confusion in the world because satan has studied God’s Word and has subtly twisted it into these abominable teachings that sound good to most people. But they are against God. These teachings have been around for a long long time and satan has been working to perfect them. So that it seems good to say things like if we would all just be positive and show love and think good thoughts we could overcome the evil in the world and defeat these weapons etc. That will never happen because those that talk like this are leaving Jesus Christ out and they are trying to do it on their own.

**John 14:6** - Jesus saith unto him, I am The Way, The Truth, and The Life: no man (one) cometh unto the Father, but by (through) Me.

**John 15:5** - I am the vine, ye *are* the branches: He that abideth (remains) in Me, and I in him, the same bringeth forth much fruit: for without Me ye can do nothing.

She believes that we should have the knowledge (of the fallen angels/demons working with the governments and militaries) – Yes, I agree. It should have been known openly that the fallen angels and demons were here messing with mankind openly now. Our military and governments chose to keep this information from us and they made covenants with them and have been working together against us ever since.

**Matt. 24:37** - But as the days of Noe *were*, so shall (so will) also the coming of the Son of man be. Who is Noe? That is supposed to say Noah. It is a Mandela, supposedly his name in greek although the KJV was supposed to be written in English and in the Old Testament his name is written Noah. These are the things KJV readers are contending with now.

I do not agree that we should all have contacts etc. This is the problem. Man has been listening to satan, a fallen angel, an extraterrestrial in the sense that he is not from earth. He and his armies have been deceiving man and still are. Dabbling in the fallen angel technology and working with them, making agreements with them is destroying this earth and mankind. World leaders and those in the shadows are trying to live forever without God. satan is doing all he can to damn mankind away from God.

In 1996 U.S. military was putting 6 million dollars into parapsychology and cosmic contacts research. \*Our military, green berets and special ops, are training in and using psychic powers to carry out agendas. Remember they trained on how to kill animals with their minds and then began to use that satanic power against people.\*

She mentioned that they have been making chimeras. Think about what is in mythology that we have been taught was just make believe. Part man and part goat, this is satyrs in our Bibles. Dagon was part man and part fish, just like mermaids are part woman and part fish. Donald Marshall said they had made horrific things in the DUMBS and are weaponizing them.

**Revelation 6:8** – And I looked, and behold a pale (green) horse: and his name that sat on him was death, and hell (hades) followed with him. And power (authority) was given unto them over the fourth part of the earth, to kill with sword, and with hunger (famine), and with death, and with the beasts (wild beasts) of the earth.

### **CLOSING**

She said when we see an extraterrestrial we find out they are 1000's of years old and so intelligent that we then know and see that we are like ants in this universe. That is not what God says:

**John 3:16** – For God so loved the world that He gave His only begotten Son that whosoever believes in Him should (would) not perish but have everlasting life.

**Malachi 3:17** - And they shall be mine, saith the LORD of Hosts, in that day when I make up My jewels; and I will spare them, as a man spareth his own son that serveth him.

**Psalms 116:15** - Precious in the sight of the LORD *is* the death of His saints.

We are not insignificant, we are precious to Him.

### **PRAYER**

What to do for Christians, also **\*\*fast and pray\*\***
