

PAT ROBERTSON, JOSEPH PRINCE, MOTHER GRACE

– Part Six: LUCIFER

According to the King James Bible-based Strong's Concordance, the original Hebrew word means "shining one, light-bearer", and the translation given in the King James text is the Latin name for the planet Venus, "Lucifer".

Like the planet Mercury, **Venus** was known in ancient Greece by two different **names**—Phosphorus (see Lucifer) when it appeared as a morning star and Hesperus when it appeared as an evening star.

Why is that naked woman standing there? Because venus was a false goddess.

Isaiah 14:12 - How art thou fallen from heaven, O lucifer, son of the morning! *how* art thou cut down to the ground, which didst weaken the nations!

In other translations satan is called: morning star, son of the dawn / shining star, son of the morning / day star, son of the dawn / shining morning star / bright morning star / shining one, son of the dawn / star of the morning, son of the dawn / lucifer, that rose in the morning

When you look at the translations down through time this verse has been poorly translated and seems to have been done so that there is confusion as to who the true Morning Star is.

Notice it says “son of the Morning.” Think about King David and the lineage that followed him, the lineage that was promised to sit on the throne of Israel. Those that were righteous kings were said to be sons of David their father. Like we as children of God through Christ are called sons of God or children of God. In research I saw where they were discussing how poorly this passage has been translated and they were pointing out that lucifer was being called son of the Morning because Morning is referring to Christ Who created him. There he was rebelling against His creator. Makes sense to me.

2 Cor.11:14 - And no marvel; for satan himself is transformed into an angel of light (IB: satan himself transforms himself into an angel of light).

satan has had his ministers working on translations to bring in confusion with titles so that he can deceive and be transformed into an angel of light. The illuminati or luciferians rever him as the light bringer or illuminator. But there is only One God of light and that is Christ.

John 8:12 - Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life.

Albert Pike was the Sovereign Grand Commander of the Scottish Rite's Southern Jurisdiction. He wrote "Morals and Dogma" of the ancient and accepted Scottish Rite of Freemasonry and here are some quotes from it: "Masonry is a search after light. That search leads us directly back to the kabbalah!" "All Masonic associations owe kabbalah their secrets and symbols." "The primary tradition of the single Revelation has been preserved under the name of the kabbalah." The apocalypse is, to those who receive the nineteenth degree, the apotheosis of that sublime faith which aspires to God alone, and despises all the pomps and works of lucifer. lucifer, the light-bearer! Strange and mysterious name to give to the spirit of darkness! lucifer, the son of the Morning! Is it he who bears the light,

and with its splendors intolerable blinds feeble, sensual, or selfish souls? Doubt it not!

This speaks to the masons because of the book that Albert Pike wrote. The cover says: Get touched by an angel. Notice the Masonic cross in the “o.” This is about two fallen angels trying to get back to heaven. They want to become human, get an indulgence from the Catholic Church to have all of their sin forgiven and then be worthy to enter into heaven again. If they succeed they would prove God and all that He is and has done completely wrong. See how they mock God? They say that they were mad because God gave man free will but not the angels. He did give them free will and when they did not want to serve Him they were kicked out of heaven.

Jude 1:6 - And the angels which kept not their first estate, but left their own habitation, He hath reserved in everlasting chains under darkness unto the judgment of the great day.

NIV: who did not keep their positions of authority but abandoned their proper dwelling

NLT: who did not stay within the limits of authority God gave them but left the place where they belonged

We have the choice, just as the angels do, to serve God or not. If we love Him and show Him by obeying and serving Him then we will inherit eternal life in heaven one day. Otherwise we will be damned to hell and then the lake of fire for all of eternity and live in torment and torture and pain forever.

2 Peter 1:19 - We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:

This clearly is supposed to be Christ Jesus and not satan. Peter would not be saying anything about satan/lucifer rising in our hearts. But again the translations are split as to what is supposed to be here.

Out of 29 translations listed on Biblehub – 21 say Morning Star, 1 says Sun (Aramaic), 7 say day star (KJV, KJV 2000, American KV, ASV, Douay-Rheims Bible (catholic Bible), ESV and Webster’s Bible translation).

Rev.2:26-28 - And he that overcometh, and keepeth My works unto the end, to him will I give power over the nations (authority over the nations): And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of My Father. And I will give him the morning star.

All translations agree here on morning star. Just a note, it is not capitalized.

Rev.22:16 - I Jesus have sent Mine angel to testify unto you these things in the churches. I am the root and the offspring of David, *and* the bright and Morning Star.

All translations agree here on bright Morning Star. This is Christ Jesus.

One other place speaks of morning stars. It is in the book of Job when God begins to answer Job from the whirlwind. He tells Him about when He created the earth.

Job 38:7 - When the morning stars sang together, and all the sons of God shouted for joy?

Brenton Septuagint Translation

When the stars were made, all My angels praised me with a loud voice.

Young's Literal Translation

In the singing together of stars of morning, And all sons of God shout for joy,

Seems like it is talking about the stars first and then the angels. This is talking about the angels celebrating as God created. They were watching Him create and they were created before us.

Job 38:4 - Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding.

Think about those stars singing and remember what Jesus said if the people did not praise Him, He said the rocks would. (Luke 19:39-40)

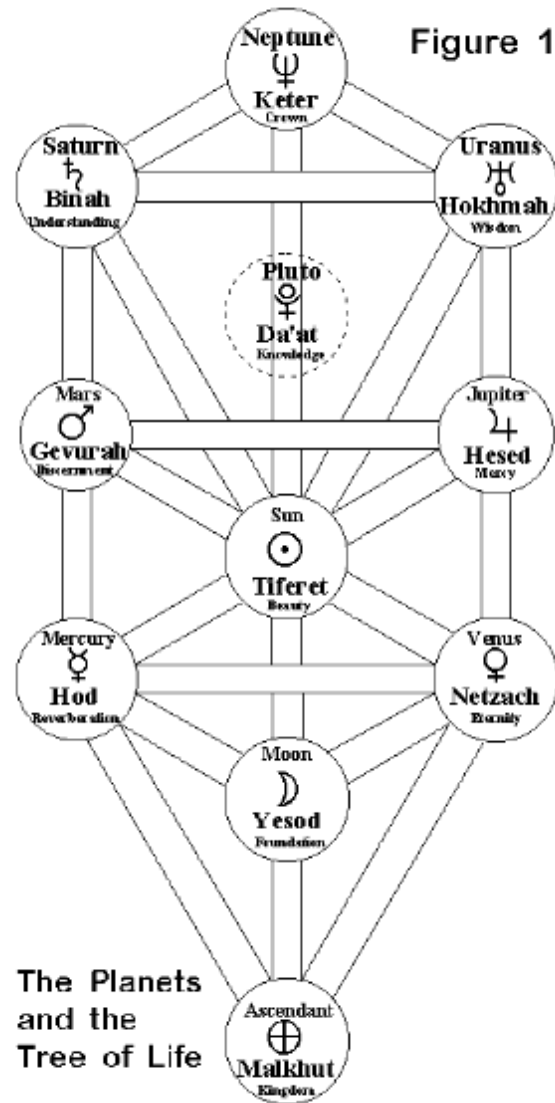

Each of the planets and the earth corresponds to one of the Sefirot. The diagram of the Tree (Figure 1) shows the Hebrew transliteration of each of the Sefirot together with the planetary correspondence.

Newcomers to Kabbalah who have some knowledge of astrology are often surprised to find that Mars, the planet of assertion, is to be found on the passive side of the Tree at Gevurah, while the peace-loving and harmonious **Venus** is placed on the active side of the Tree at Netzach.

This can be explained by using the analogy of the martial artist whose essential mode of attack is non-movement, striking only occasionally and at precisely the right moment. Such discipline and judgement is the hallmark of Gevurah.

Netzach, which corresponds to **Venus**, the young girl, symbolises the principle of attraction. Often it is she, rather than the man with whom she is about to form a relationship who “makes eyes” or moves her body in a suggestive sort of way to attract her mate - she is anything but passive.

To the astrologer with a “traditional” outlook, however, the Kabbalistic placing is more logical, for the right hand side of the Tree emphasises growth and therefore contains the benefic planets, **Venus** and Jupiter while the left-hand side, symbolising destruction and decay contains the malefic planets, Mars and Saturn.

Who do you think this little pack of wolves is serving? That “daystar” is for lucifer.

Lucifer in Isaiah

Lucifer was said to be "the fabled son of Aurora and Cephalus, and father of Ceyx". He was often presented in poetry as heralding the dawn. The Latin word corresponding to Greek "Phosphoros" is "**Lucifer**". It is used in its astronomical sense both in prose and poetry.

[Lucifer - Wikipedia](https://en.wikipedia.org/wiki/Lucifer)

So we see lucifer is considered the day star and the day star rising in the morning is said to also be Venus. Venus was a Roman false goddess so we see the mixing of male and female or duality that the occult like to do. lucifer is said to be the father of "ceyx" or sex because that's what it sounds like. Disney was a freemason and Disney usually shows "sex" in their movies. They put it in flames in a fire or in the sky through star patterns. Subliminal programming.

Sammu-ramat, Greek Semiramis, (flourished 9th century BC), Assyrian queen who became a legendary heroine.

Sammu-ramat was the mother of the Assyrian king Adad-nirari III. Her stela (memorial stone shaft) has been found at Ashur, while an inscription at Calah

(Nimrud) shows her to have been dominant there after the death of her husband, Shamshi-Adad. Sammu-ramat was mentioned by Herodotus, and the later historian Diodorus Siculus elaborated a whole legend about her. According to him, she was born of a goddess, and, after being married to an Assyrian officer, she captivated the king Ninus by her beauty and valour and became his wife. You always find the Asherah poles and groves along with the baal altars in Scripture. Her poles were sometimes images of her and sometimes they were obelisks in worship of Nimrod or baal's male anatomy.

2 Chronicles 34:1-5 - Josiah *was* eight years old when he began to reign, and he reigned in Jerusalem one and thirty years. And he did *that which was* right in the sight of the LORD, and walked in the ways of David his father, and declined *neither* (did not turn) to the right hand, nor to the left. For in the eighth year of his reign, while he was yet young, he began to seek after the God of David his father: and in the twelfth year he began to purge Judah and Jerusalem from the high places, and the groves (asherim), and the carved images, and the molten images. And they brake down the altars of Baalim in his presence; and the images, that *were* on high above them (incense altars), he cut down; and the groves (Asherim), and the carved images, and the molten images, he brake in pieces, and made dust *of them*, and strowed *it* upon the graves of them that had sacrificed unto them. And he burnt the bones of the priests upon their altars, and cleansed Judah and Jerusalem.

Look how young he was and yet he was determined to get the idolatry out and clean up the place as God had always commanded the Israelites to do. He burnt the bones of the priests that ministered on those baal and asherah altars – that promoted idolatry in the land of Jerusalem.

Notice – he began to seek after the God of David his father at eight years old. Have you taught your children to seek after the LORD? If not, it is never too late to repent and ask forgiveness and get busy sewing seeds in their lives no matter how old they are.

And if you say you are a Christian and your child doesn't know how to pray and praise the Lord already, even if they can't read, then shame on you, you better repent and get busy training them.

This is the Washington Monument here in the United States. See how they have strategically set up this obelisk or Nimrod's phallus to penetrate through the goddess symbol also called a vesica pisces. Notice it is a football shape. This was planned and they are all over this world. The other sexual piece to this is the oval office. They have set it up to be penetrated by a ray from the obelisk at certain times of the day. This also looks like an owl face which was a familiar and a symbol for molech/moloch/baal and isis/ashtareth.

The obelisk from Egypt that sits in front of St. Peter's Basilica. This is in worship to Nimrod's phallus and Ashtareth's female anatomy or womb. These were the things that Josiah broke in pieces and cut down.

Here is the goddess symbol again for the OTO which is a secret society luciferic organization. The top is the eye of horus or lucifer, middle is the dove for Semiramis or Ashtareth, and I'm not sure what is going on at the bottom but that is for Tammuz.

You find satan's false trinity symbols all over the Roman Catholic Churches, freemasonic lodges, Methodists, Episcopal and Presbyterian churches.

The female vulva. The word used in Sanskrit is *yoni*, which is interpreted as meaning the source of life: of a divine passage, in the sense of being a passage of the soul from spirit to matter. From the *yoni* emerges new life – a powerful symbol for the spirit of the feminine, for the cosmic goddess, and for the journey from the womb which we all have made to come into this world. Here, they are calling “mother Emmanuel” or “mother Grace” the “Cosmic goddess.”

Witches worship the elements, mother nature, the mother goddess, Ashtoreth. Notice the moon and sun symbols here. The luciferians worship the sun, moon and stars along with the elements. Witches don't believe they serve and worship lucifer. Let me make it plain, if you aren't worshipping and serving God then you are serving lucifer.

I remember watching this when I was a kid. This is in honor of mother grace or mother Emmanuel.

This was her counter part, Shazam / Zeus / Nimrod / baal / satan. L: Zeus holding lightning bolts in his hand. The lightning bolt is a symbol that satan adopted as his own.

CLOSING

Why did he adopt the lightning bolt? Remember he wants to be like God and even wants to be above God.

Job 40:9 - Hast thou an arm like God? or canst thou thunder with a voice like Him (like His)?

Psalms 18:13 – The LORD also thundered in the heavens, and the Highest gave His voice (uttered His voice); hail stones and coals of fire.

Jeremiah 51:16 - When He uttereth His voice, *there is* a multitude of waters in the heavens; and he causeth the vapours to ascend from the ends of the earth: He maketh lightnings with rain, and bringeth forth the wind out of His treasures.

Rev.14:2 - And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps:

Many translations say I heard a sound instead of a voice.

Luke 10:17-20 – And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through Thy name (even the demons submit to us in Your name). And He said unto them, I beheld satan as lightning fall from heaven (I saw satan fall as lightning out of heaven). Behold, I give unto you power (authority) to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. Notwithstanding in this rejoice not, that the spirits are subject unto you (submit to you); but rather rejoice, because your names are written in heaven (in the heavens).

*I thought it was interesting that the translations seem to be divided on whether it was 70 disciples that were sent out or if it was 72. Remember 72 is in kabbalah and the muslims think they will get 72 virgins. The kabbalists teach that God's

name has 72 letters in it. Also, the word “devils” is a Mandela Effect because there is only 1 devil but many demons or evil spirits. Many times now in the KJV you will see devils and it should say demons, evil spirits or spirits and it is understood to be evil spirits.*
