

ISRAEL Pt.5: THE IRON DOME, KABBALAH, IDOLATRY, WITCHCRAFT, MAGIC

Let's start off today with a video to get our critical thinking going about this so called war going on in Israel and Palestine.

*Please play from 0 to 6:56 This video brings forth information that brings into question if the "iron dome" defense system of Israel is even real. STOP

The video opens with a map showing Palestinians territory and as Israel was made a country again, then it shows how Palestinians have been gradually pushed out of their country over the years. They go on to show that a scientist in Israel is questioning the iron dome and footage shows that there are no nuclear war heads on whatever is being fired from Israel's side. It looks like just fireworks are being fired. And whatever Hamas is supposedly firing doesn't explode either. Just a big scam on everyone, a way to make money. That's what today's wars are all about, making money. The point is made in this video that there have never been any blown up missiles from Gaza fall to the ground. There should be proof but none is ever found. This system is a way to keep Israeli's in fear believing they are under constant fire and enrage them against Gaza, against Palestinians to justify the "war". And it also gives them faith in their government, believing it is keeping them safe all the time. The guy narrating the video says he believes the iron dome is just a big fireworks system that the U.S. is paying billions of dollars in funding for. (about 7 min's)

The scientists asked the IDF (Israeli Defense Forces) to show him proof that the iron dome was legit and they said it was classified. Our own government uses terms like that to keep info. back from us and they use gag orders on individuals to keep them from talking about what they know.

This system is a way to keep Israeli's in fear believing they are under constant fire and enrage them against Gaza, against Palestinians to justify the "war". And it also gives them faith in their government, believing it is keeping them safe all the time. This is the times we are living in. Deception at every turn and always many layers and angles involved. I could see it being just a fireworks system too. Where is the proof of any missiles falling to the ground that were blown up? How come we don't see two missiles colliding? They have dumbed everybody down so much that no one is questioning anything. Wars whether fake or real are a money making machine for the luciferians.

If you question the narrative you are a problem. You will be censored, blocked, suppressed, and your info. will be buried so not many find it. You will be fought and especially if you are a real Christian who knows the truth of what's going on in this world. Our world governments have been lying to us and fighting against their own citizens.

The areas in red on this map show the countries that have made it illegal to question the holocaust in any way. Isn't that interesting? If something is true, it will stand up on its own. We are told that 6 million Jews were murdered in the holocaust. That is one of the luciferian's favorite numbers. Some truthers don't even believe this happened anymore because of all the lies we've been told.

Let me give you a comparison to think about. When God first began to wake me up to fake school shootings I was researching Sandy Hook. I found a guy online who was calling the whole thing out for how fake it was. He was bringing forward

so much evidence and showing how staged it all was. He was being harassed, stalked and fought against hard. I see the same thing happening around Sandy Hook as the holocaust. If you question the narrative or think for yourself, you are a problem. They used Alex Jones as an example of anyone that speaks about Sandy Hook being fake. Too bad they had him cave in and say he was sorry about the whole thing. Trust me, he didn't pay a dime of that money to anyone. It was all just a show for our benefit. He's a shill and they just chose to use him to set an example for everyone else. Making it illegal to speak about something or to question something is taking away our free speech. That's also what censorship is doing.

They roll out government manufactured news so hot and heavy that I cannot possibly cover all their fake news. I'd get nothing else done and then I'd just be a truther. But I'm a Christian pastor with a flock to disciple and equip. I try to find a balance of teaching God's Word and exposing the evil works of darkness.

One thing I want to share is when they first roll out a fake shooting or a police brutality story or a racist agenda and the truthers take off with it exposing it for what it is. They toy with us and they will wait a little while and then they will roll a story saying we have new evidence or lost footage has just been found or we have new facts etc. They just keep spinning it however they want it to go and that essentially accomplishes discrediting or shedding doubt on what the truthers have exposed. They walk stuff back all the time. Just like how Tucker Carlson, a freemason / illuminati / luciferian puppet acted one way about Trump the whole time he was on FOX, then all of a sudden he said I was made to say that, but that's not how I feel at all. It was all lies. They love to do that. It is all staged, they all have their roles to play and they will say and do what they are told to say and do to further the agenda.

Many war scenes shown on main stream media are just footage of video games, sometimes they go to a completely different country like India where things are destroyed or abandoned and they say it is Israel etc. They have a huge network of actors paid to play these roles for the news and they have all of Hollywood at

their disposal. That's how they make fake wounds look real etc. They also use amputees to make it look like a bomb blew off a limb or a leg.

If you think for yourself and you don't think what they want you to, the thought police will come for you. Just like in the movie, *Minority Report*, just like in the book *1984*. They always tell us what they are going to do before they do it. Now they are using A.I. to program everyone's thoughts and the only way around that is Jesus.

KABBALAH

Jewish Kabbalah is a set of esoteric teachings meant to explain the relationship between the unchanging, eternal God—the mysterious Ein Sof (אין סוף, "The Infinite")—and the mortal, finite universe (God's creation). It forms the foundation of mystical religious interpretations within Judaism.

Me: Kabbalah is mysticism, mysticism came from the mystery religions of Babylon and Egypt. Mysticism is interchangeable for mystery religions. Kabbalah is a big part of Judaism. Mysticism is witchcraft and idolatry against God and that is what Kabbalah is.

Merriam- Webster Dictionary: Kabbalah – a medieval and modern system of Jewish theosophy, mysticism, and thaumaturgy marked by belief in creation through emanation and a cipher method of interpreting Scripture. 2. A traditional, esoteric, occult, or secret matter.: esoteric doctrine or mysterious art.

Me: Mysticism is witchcraft. Thaumaturgy is defined as magic. All of this the Jews learned from the pagan nations. Have you ever heard of things being coded and hidden in Scripture? There are books written that are supposed to crack the hidden codes within the Bible.

Comparing Kabbalah and the Scriptures The kabbalists teach: There is a “code” encrypted in the letters of the Hebrew Scriptures that, once deciphered, reveals the hidden truth of God.

I have heard of modern names of people being found in the Bible and all sorts of stuff. That scientists have fed the Hebrew Bible into a computer and found modern day people’s names etc. hidden in Scripture. Do you really believe all that? Do you think God wanted to make His Word so hard to figure out? We have a hard enough time trying to discern difficult passages of Scripture without

believing that there is a whole nother level of learning and uncovering that we cannot even begin to understand or break down by ourselves. And to find those names, it has to be the “Hebrew” Bible. It is non-sense of the unsaved Jews perpetrated out to the world. Now you can see that this decoding and cyphering is part of kabbalah which is witchcraft plain and simple.

Kabbalah is considered by its followers as a necessary part of the study of Torah – the study of Torah (the Tanakh and rabbinic literature) being an inherent duty of observant Jews.

It is a duty of observant Jews to study kabbalah.

Kabbalah (also spelled Kabalah, Cabala, Qabala)—sometimes translated as “mysticism” or “occult knowledge”—is a part of Jewish tradition that deals with the essence of God. Whether it entails a sacred text, an experience, or the way things work, Kabbalists believe that God moves in mysterious ways. However, Kabbalists also believe that true knowledge and understanding of that inner, mysterious process is obtainable, and through that knowledge, the greatest intimacy with God can be attained.

Whether it entails a sacred text, an experience, or the way things work, kabbalists believe that God moves in mysterious ways. However, kabbalists also believe that true knowledge and understanding of that inner, mysterious process is obtainable, and through that knowledge, the greatest intimacy with God can be attained.

Me: They call what is pictured here the tree of life. You will see the same type of thing in New Age and in freemasonry. This is a godless religion. They are not being intimate with God. Remember Jesus said they don’t even know God or hear Him because they don’t belong to Him. They are however, interacting with fallen angels. Jesus said their father is the devil and he’s a fallen angel and that is who they interact with through the witchcraft teachings of kabbalah. Let’s see what Jesus said about how to be intimate with Him and The Father:

John 14:21-24 - He that hath My commandments, and keepeth them, he it is that loveth Me: and he that loveth Me shall be loved of My Father, and I will love him,

and will manifest myself to him. Judas saith unto him, not Iscariot, Lord, how is it that thou wilt manifest Thyself unto us, and not unto the world? Jesus answered and said unto him, If a man love Me, he will keep my words: and My Father will love him, and We will come unto him, and make our abode with him. He that loveth Me not keepeth not My sayings: and the word which ye hear is not Mine, but the Father's Who sent Me.

No, they don't just get to ignore and reject Jesus. Jesus is the New Covenant, He is the only way to be saved. We are all just supposed to believe that they are somehow close with The Father. Not only have they rejected Jesus but they are purposely teaching against Him and against God's Word. They know what they are doing but the world has been deceived about them. Within the Jewish writings and teachings of Judaism is witchcraft, philosophy and occult knowledge.

L: Soul Journey through the Tarot – Key to a complete spiritual practice. Integrating numerology, astrology, kabbalah, and the contemplative life by John Sandbach R: Kabbalah and Tarot – The ultimate guide to kabbalistic tarot, divination, and astrology by Mari Silva. Look at this wickedness. Kabbalah teaches witchcraft practices. New Age teaches numerology and astrology and

contemplative prayer. Tarot cards are a no-no for Christians. This is all part of trying to know and foretell the future by seeking to fallen angels instead of loving God and trusting His plan for your life and future. All of these things are witchcraft and idolatry against God. He forbids His children to participate in these things from the kingdom of darkness.

Kabbalah is also part of the Oral law. It is the traditional mystical understanding of the Torah. Kabbalah stresses the reasons and understanding of the commandments, and the cause of events described in the Torah.

The teachings of Judaism are against God and they have not correctly interpreted Scripture. They twist Scripture to fit their witchcraft teachings. They are interpreting without The Holy Spirit because of rejecting Jesus.

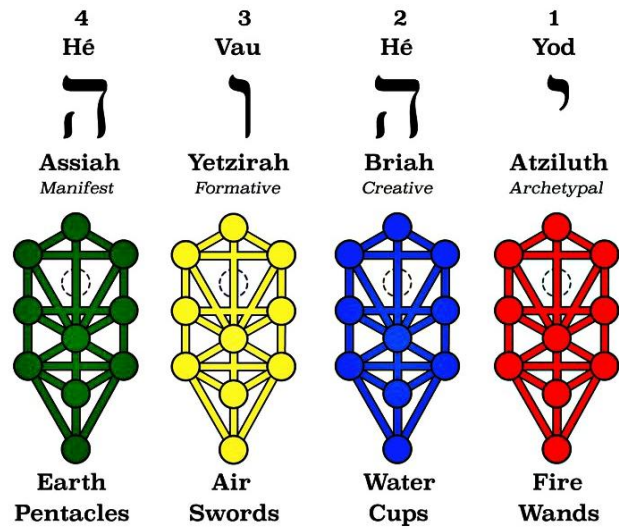

John 14:26 - But the Comforter, *which* is the Holy Ghost, whom the Father will send in My name, He shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

The Holy Spirit is our Teacher and when we read Scripture He is the One Who will bring it to our remembrance at just the right time.

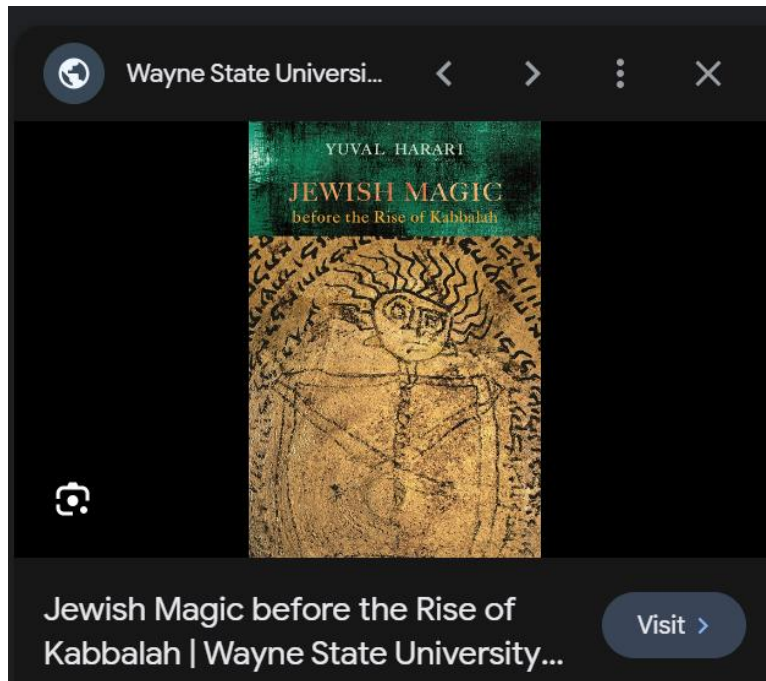

1 Cor.2:14 - But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know *them*, because they are spiritually discerned.

We cannot understand God's Word without The Holy Spirit, He is the One Who helps us to understand spiritual things. He teaches us as we read and helps us to grow.

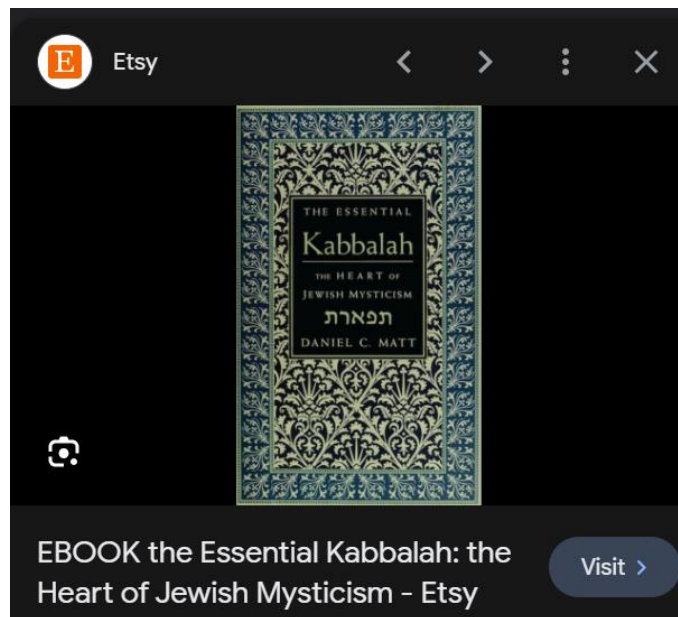

The Four Worlds of Qabalah

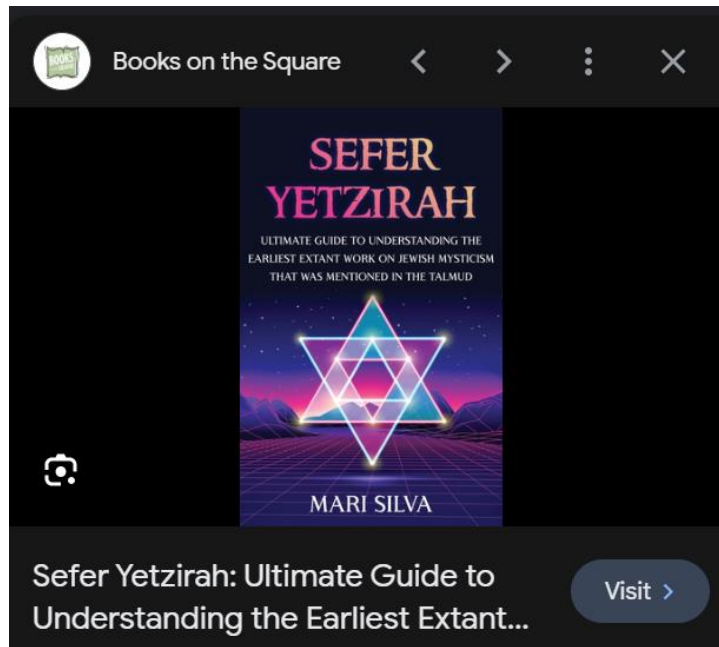

The four worlds of qabalah - It reads from right to left: 1 Yod, Atziluth archetypal – fire wands, 2 He, Briah Creative, Water cups, 3 Vau, Yetzirah formative, air swords, 4 He, Assiah manifest, Earth pentacles. You can see this ties right into witchcraft. Witches worship spirits of the elements: earth, wind, fire, water and spirit. This ties into color magic, red for fire, blue for water, yellow for air and green for earth. You have number magic involved and you have the tarot at play with the mention of wands, cups, swords and pentacles. Reading tarot cards is divination and that is witchcraft and idolatry against God. None of this is godly.

They really aren't trying to hide that kabbalah is magic or that is witchcraft. God doesn't try to make things so complicated for us to know Him. This business about the secret knowledge is actually how to interact with demons which will keep you away from the knowledge of God.

CLOSING

Once you get saved, God seals His children with the Holy Ghost and marks them with the blood of Jesus Christ as marks of legal ownership by God. And angels are assigned to watch over the believer not demons because legal ownership has changed. The unsaved Jews do not have holy angels watching over them because they are not sealed by The Holy Spirit, they are not covered in Jesus' blood. They have rejected the blood He shed for them. They interact with demons and are filled with demons.

John 4:24 - God *is* a Spirit: and they that worship Him must worship *Him* in Spirit and in truth.

The unsaved Jews who practice and adhere to Judaism are not worshipping God in Spirit and in truth. They are not sealed by The Holy Spirit and they have

rejected to know the truth, Who is Jesus the Son of God and God Himself Who is the Savior of this world.

Judaism is idolatry against God. Judaism is mysticism and it is the root of freemasonry. The unsaved Jews took what they learned when they were in captivity in Egypt and Babylon, wrote it down and began to teach it and practice it from ancient times all the way to today.
