

DEAL with the DEVIL Pt.1: BOB DYLAN, DEMON HIERARCHIES, SOLD THEIR SOULS to the DEVIL

This teaching is about making deals with the devil. I want to shed light on those that are demonically talented, in Hollywood, in professional sports, in music and radio etc. I want you to understand who they serve and how they got/get their talent.

Ephesians 5:11 - And have no fellowship with the unfruitful works of darkness, but rather reprove *them*.

One thing God has called me to do is expose the evil works of darkness and that is exactly what this teaching is all about. Let's start out with a video clip:

*Please play from 1:30 to 2:58 and from 14:15 to 14:47 Ed Bradley interviews Bob Dylan in 2004. STOP

Ed asks him, "Do you ever look at music that you've written and look back at it and say, whoa, that surprised me." Bob says, "I used to, uh I don't do that anymore. Uh I don't know how I got to write those songs." Ed says, "What do you mean you don't know how?" Bob says, "Well those songs were like almost magically written. Uh Darkness at the break of noon, shadows even the silvery spoon, a hand made blade, a child's balloon." Then it cuts to a clip of him singing. He says, "Well try to sit down and write something like that, there's a magic to that and it's not uh Siegfried and Roy kind of magic, it's a different kind of a penetrating magic. And uh, I did it at one time." Ed asks, "You don't think you can do it today?" Dylan says, "um uh. (no)" Ed says, "Does that disappoint you?" Dylan says, "Well you can't do something forever and uh I did it once and uh I can do other things now but uh I can't do that." / Ed asks him, "Why do you still do it?" Dylan says, "Well it goes back to that destiny thing. You know I made a bargain with "it" (some believe there was an edit here and that he said "with the devil") you know a long time ago and I'm holding up my end." Ed asks, "What was your bargain?" Dylan says, "To get where um I am now." Ed says, "Should I ask who you made the bargain with?" They both laugh. Dylan says, "With...with...with you know with the chief uhh with the chief commander." Ed says, "On this Earth?" Dylan says, "On this Earth and in the world we can't see."*(about 2 min's)

He said the songs were almost “magically” written. That is because they get the music and lyrics from demons. He said it was not “magic show” kind of magic, meaning not slight of hand but it was a penetrating kind of magic. That’s true because the demons are in his life. They were there first of all just because of not being saved, then when he made his deal with the devil, certain demons were assigned to him and they manifested the lyrics and music to him.

Let’s watch this video clip and hear what Santana said about how he got his music:

*Please play this video – Carlos Santana is a great example of a musician who has openly spoken about how he receives his music through meditation, new age and hearing a voice give the music to him saying – “write this down.”

This video uses different information from magazine interviews, television interviews etc. to show different spirits – metatron being one – who Carlos Santana has interacted with. When he played on stage with Eric Clapton, they said they were calling out the spirits with their music. Rob Thomas says that Santana was meditating and had heard from the angels about the album “Supernatural.” He says when he plays on stage – he’s not Carlos anymore and when he sees himself on tv it’s like another guy playing. *(about 4.5 min’s)

The angels Santana heard from were fallen angels. Famous musicians and singers get the music and lyrics from the demons.

Once Bob made his deal with satan, then his life began to change through demonic power. satan began to equip him and bless his life with what he sought him for. Money, fame, women, material things etc.

When Ed asked him, “Why do you still do it?” Dylan said, “Well it goes back to that destiny thing. You know I made a bargain with “it” Right there when it seemed like he said he made a bargain with “it”, some believe there was an edit

here and that he said “with the devil” you know a long time ago and I’m holding up my end.”

satan copies God at every level. God has a military and there are different ranking and power among His angels. In the same way, there are different rankings and power in satan’s military as well. Let’s take a look at some demon hierarchy lists:

I freeze framed this from the video: X-Factor Winner Reveals World’s Secret Religion. This is a page listing a hierarchy of demons. The very first one – satanachia – commander-in-chief – can make women do his will. To the right seems to be other names he is known by and you will see aaman there and this is just another spelling variation of the word Christians say all the time – amen. amen was a name satan used in Egypt. If you still say that word, please watch the sermon series I did entitled “amen”, you can find it on the church website.

"Satanachia" refers to a demon in occult lore, specifically mentioned in the "Grand Grimoire" as a high-ranking commander in Satan's army, often described as having power over a large number of legions of demons and the ability to control women and girls at will; essentially, "Satanachia" translates to "belonging to Satan" or "Satan's servant" based on its etymology combining "Satan" with a possessive suffix.

The following list is from the great grimoire written in about the 1500’s. A grimoire is a magic book which explains how to work witchcraft. There are many magic books that attribute much of their information to King Solomon. I believe that is because he was a big feather in satan’s cap when he cause him to commit idolatry against God. King Solomon went deep into the occult and can you imagine what satan must have offered him? He knew how God has blessed him. I cannot confirm what he knew or how much he contributed to occult knowledge, I am just sharing my opinion on what may have conspired when he went into sin against God.

List of demons [\[edit \]](#)

This book mentions three greater demons.^{[\[citation needed\]](#)} These demons are similarly prioritized in *Grimorium Verum*.^{[\[9\]](#)}

- [Lucifer](#), emperor
- [Beelzebub](#), prince
- [Astaroth](#), grand duke

It also mentions six lesser demons:^{[\[citation needed\]](#)}

- [Lucifuge Rofocale](#), prime minister
- [Satanachia](#), commander in chief (in French, "commandant en chef")
- [Agaliarept](#), commandant
- [Fleuréty](#), lieutenant-general
- [Sargatanas](#), brigadier-major
- [Nebiros](#), marshal and inspector general

List of demons

This book mentions three greater demons. These demons are similarly prioritized in Grimorium Verum.

lucifer, emperor / beelzebub, prince / astaroth, grand duke

It also mentions six lesser demons:

lucifuge rofocale, prime minister / satanachia, commander-in-chief / agaliarept, commandant / fleurety, lieutenant-general / sargatanas, brigadier-major / nebiros, marshal and inspector general

The first 3 are in our Bibles and it is interesting that ashtaroth is mentioned as the queen of heaven in Scripture (**Jeremiah 44:25**) but here is listed as a male demon.

We have to remember a demon can present however they choose, male or female because spirits are genderless. They can take on any form or look they want to. A human host can have male demons or female demons or both inside them at the same time.

- Ministers of the Office:
 - [Adrammelech](#), Grand Chancellor and Grand Cross of the Order of the Fly.
 - [Ashtaroth](#), general treasurer, Knight of the Fly.
 - [Nergal](#), chief of the secret police.
 - [Baal](#), commander in chief of the armies of Hell, Grand Cross of the Order of the Fly.
 - [Leviathan](#), Grand Admiral, Knight of the Fly.

This is another list of a demon hierarchy and the last one from the bottom is baal – commander in chief of the armies of hell, grand cross of the order of the fly.

Now this last one was from Wikipedia where they have several demon hierarchies from various sources. People have shared over the years what they believe the rank of and names of different powerful demons to be. There does not seem to be agreement between different sources about the order of power among satan and his fallen angels.

Notice in this hierarchy they list things like grand cross of the order of the fly or knight of the fly etc. This sounds like secret society names and names for knights templar etc. That is because those in freemasonry and secret societies serve demons but that information is not known by the initiates of the lesser degrees who are only given exoteric information – basically kept in the dark to the truth of it all. And by the way the X-Factor Winner put out a great video but he himself is a shill.

It seems to me this commander in chief that Bob Dylan was talking is satan himself. According to the information we are given from our Bibles, he led 1/3 of the angels to fall and follow him, and he is over them. He is the one who tempted Jesus in the wilderness offering Him all the kingdoms of the world. He is the ruler of the demons.

When he was in heaven and close to God's throne he was called lucifer but once he fell he then took on the name of satan and many other names and titles as well: prince of the power of the air, father of lies, adversary, deceiver, the devil etc.

Dylan called the one he made the deal with, the chief commander on this earth and in the world we cannot see.

2 Cor.4:4 - In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

The god of this world is satan. satan is who Dylan refers to as the chief commander on this earth and in the world we cannot see – meaning the spirit realm. He is not dealing with the godly side of things or the righteous side so what he said is exactly correct. However, we as Christians know that Jesus holds all the power on earth, in heaven – in the spirit realm and over all things and places. satan has but a short time to do his work (**Rev.12:12**) before Jesus takes His bride and then the tribulation and then the battle of Armageddon and after that satan will be imprisoned for 1000 years and loosed for a little season and finally judged at the end of all of that. He has been judged already but he is not serving his sentence yet. God uses him to test us, to see who we will choose and serve because this world is our testing ground and right here and now is where we decide what our eternity is going to be – heaven or hell.

Remember those who are luciferians do take initiations and swear oaths and allegiance to lucifer. They have initiated names.

DEALS with the DEVIL

Let's hear some confessions of those who made a deal with the devil, straight from the horses mouth:

*Please play video – Charisse Jackson, a reality tv star appeared on Iyanla's "Fix My Life" program. Let's hear what she and the other lady had to say about their lives: STOP

Iyanla says she wants them to turn around and face her, close their eyes and come present in your body. Yeah. Give yourself permission to know the truth. What are you holding on to? Charisse says, I sold my soul. Iyanla says, yes. Let it come out, let it come all the way out. Let's tell the whole truth and nothin' but the truth. I sold my soul for what? How about a house, a car, a vacation...what? What did you sell your soul for? Charisse says, I sold my soul to have a life that I wanted, that I never had. The host says, yeah, a material life, yeah. Let that come out, come on you're doing so good. Let it come all the way out. Yeah, good, let it come up. The host says, this is a major breakthrough for Miss Charisse, recognizing that she gave up any chance at internal happiness in order to get external validation. And that is never the answer. But today she can choose to be different. The host says, the thing that I just don't understand is why both of you can't just do this (slaps hands together) and let it all go. The other guest says,

because that's ridiculous. Host says, oh really? Other guest, says it's, it's the thought, it's what you want. It is. It's what you want more than anything. Host says, is what? Other guest says, is your identity, your self respect. Host says, right - yeah. Host says, and what is... Other guest says, but that trade off is so hard. It's it's like, if you put all your weight on one leg, if you switch you'll fall. The host says, if you tell yourself it's hard. You feel like you're gonna fall. Host says to other guest, you thought you were doing the right thing staying. What if you're wrong now? What if it really ain't hard? You just gotta be willing to do some stuff that you may have thought you didn't want to do. *(about 2 min's)

The talk show host herself is in New Age, she has made her own deals with satan to get where she is as well. Most of these people are not truly happy with their fame and riches or whatever it was that they wanted in their deal with the devil. They are miserable and made to do unimaginable things in order to keep appeasing satan.

*Please play this video from 0 to 1:17 – Let's hear what Beyonce shares to Oprah.
STOP

Beyonce talks about how when she performs she has a different personality inside that takes over – an altar ego called Sasha Fierce (a demon). She says when she has to do choreography or when she has to perform, then this altar ego takes over. She says, it is no different than anyone else, she feels like we all have that “thing” that takes over. *(about 1.5 min's)

https://www.youtube.com/watch?v=4AA5G8vCl9w&list=PLXCXsfpmj0_hz4pjadGrAo5wKKO62KVW&index=7

That other thing that takes over for Beyonce is a demon. She certainly has sold out to satan. Remember on Letterman, Johnny Depp said he doesn't watch his own movies because then “he's up there – you know what I mean.” He was either talking about his demon or a clone.

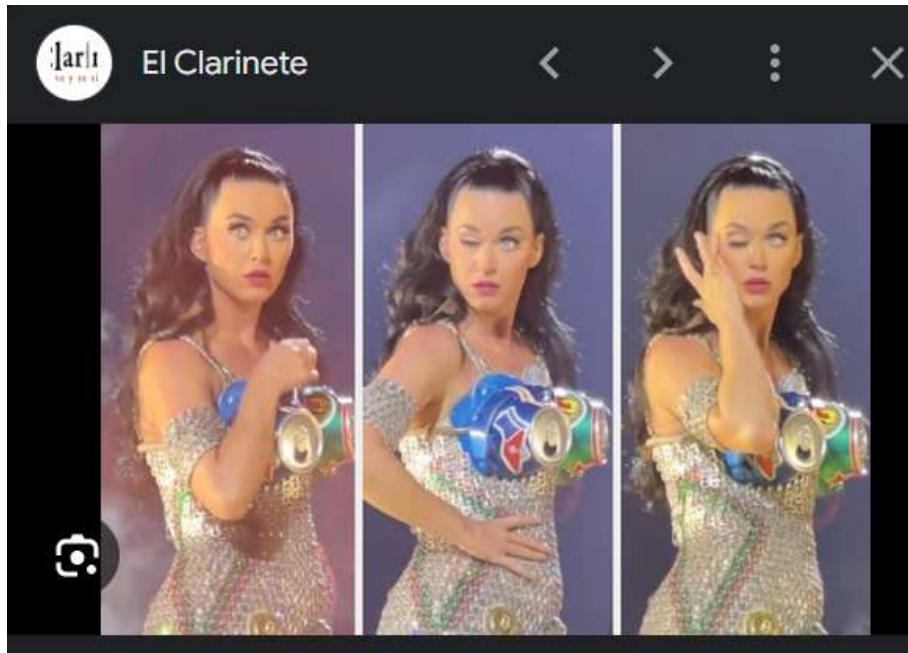

Here's a video clip of Katy Perry talking her deal:

Please play from 0 to 37 Katy Perry initially started out in gospel music. Stated that her parents were both traveling ministers and all she ever did was listen to gospel music. She said she wanted to be like the Amy Grant of music but it didn't work out and so "I sold my soul to the devil."(about .5 min's)

https://www.youtube.com/watch?v=8ZGoixVlrKE&list=PLXCXsfpmj0_hz4pjadGrrAo5wKKO62KVW&index=2

Yes, it is safe to say that Katy certainly has sold her soul to satan. Here she is sporting allegiance to him by the evil Egyptian eye of lucifer.

She had an eye glitch at a concert in 2022 that set everyone abuzz that she's a clone or a robot and her explanation was pretty cheesy too. If you know the truth they just try to laugh it off and keep going.

Mark 8:36-38 - For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul? Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when he cometh in the glory of his Father with the holy angels.

What do you benefit if you gain the whole world but in order for that to happen, you lose your own soul? Your soul is the most valuable thing you have.

CLOSING

The rich and famous people who have sold their souls to the devil or one of his fallen angels - are witches. They are practicing idolatry against God. Each one of them has made sacrifice to the devil, the first being entering into a covenant with him about serving him, and as the relationship goes along they will make sacrifices and continue to bring sacrifices to him in continuing the covenant with him. He is supplying them with whatever they have agreed upon, money, fame,

sex, power, materialistic things etc. He is also supplying them with demons according to their level of worship. These people are demonically talented. As Christians, we are gifted by The Holy Spirit. The luciferians, illuminati, freemasons, witches, those in Hollywood, on the big screen, tv, radio, professional sports, in government etc. they are gifted by demons granted to them by satan who is the leader of them all.

These people could not die to themselves and pick up their cross as we are told to do and follow Jesus every day in order to have eternal life. Do not idolize these people and teach your children not to do it either. Teach them to desire the things of God more than the things of the world.

To anyone listening who believes you are a lost cause, it is too late for you, no way you can come to Jesus and be saved and look forward to eternal life in heaven one day, it is not too late. All souls belong to God, **(Ezekiel 18:4)** you can renounce whatever deals you made with satan or his demons. You can confess to Christ, ask forgiveness and repent – which is stop the idolatry against God. If you do this, once you are saved, ask Jesus to baptize you into The Holy Spirit or get to a real and mature minister who can lay hands on you and pray over you for this. Don't be more scared of what satan and his demons will do to you than of being damned to hell. The Bible tells us to fear God more than those that can only kill the body because God can kill the body and soul in hell. **(Matt.10:28)**

As long as you have not blasphemed The Holy Spirit, you can still be saved, as long as you are alive, you can still be saved. Once you die, it is too late. You cannot work your way out of hell and no one can pay your way out either. This life is our chance to choose our Master. Choose Jesus while you still can.
