

FREEMASONRY Pt.2: JUDAISM, CROWLEY, OCCULT LAW of REVERSAL, DO WHAT THOU WILT

I did a sermon on freemasonry back in 2015 when the Lord first began to awaken me to the wickedness of this organization. We decided to consider that sermon as part one and so today's sermon continues in that vein exposing freemasonry for what it is, a satanic organization.

Years ago I learned from Mrs. Joy, who was brought up in a luciferic home, that the luciferians study God's Word in order to do the opposite of what it says to do. I found this to be true in my research of luciferians.

Let's watch a video clip explaining why luciferians do the opposite of God's Word besides the obvious reason, it is sin against God:

*Please play from 8:23 to 12:20 In an interview Jewish Dr. Martin Antleman shares about Judaism, the kabbalistic Jews and their beliefs on how to usher in the Messiah. STOP

He says a man by the name of Sabbatai Zevi had a big following and believed he was the Messiah. He was born in 1626 and died in 1676 and he said he was The Messiah. When the sultan realized that his following was so great that there were going to be problems he gave Sabbatai an ultimatum, convert to Islam or die. There were about a million followers prior to the conversion and when the conversion happened there was disillusionment among the Jews. But there were some diehard people who set up different cults of this man. The worst one of them was called the "Donmeh" which was a secret organization. Donmeh refers to a group of "crypto-Jews" in the Ottoman Empire who converted publicly to Islam, but were said to have secretly retained their beliefs. The Donmeh was based in Turkey. The Donmeh gave rise to these terrible orgies that went on. They became part of the immorality theology of Sabbatai Zevi corrupted later on. He apostasied himself 10 years before his death. When he died in 1676, he had these cults doing all kinds of evil. The interviewer asked why his followers were doing all this evil. Martin says that the Talmud says that The Messiah would come when everybody's good or everybody's bad. There is such a saying in the Talmud. So Sabbatai said that it is impossible for everybody to be good it is easier for

everybody to be bad. So they turned around the Torah and said if you do an evil deed then you will use up the energy of the universe and it will collapse and will force Messiah to come because you will have used up all the evil in the world. So whenever they engage in an orgy they make a bracha (blessing or thanksgiving). They would figure out a way to do as much evil as they could each day. Like they would eat fat because eating fat was forbid according to the Torah and those that did so were to be excommunicated from their people so they would eat fat. It was prohibited, unkosher from an unkosher animal. This was in the same category of eating blood from a kosher animal – this is forbidden. ((Eating blood at all is forbidden no matter what kind of animal it is.)) So they were doing the opposite in order to hasten the coming of The Messiah. After Sabbatai died one of the most powerful Sabbatain groups was a transformation of the Donmeh, the most extreme cult to Europe led by Jacob Frank. The Frankists started to spread and take over entire communities and make them satanic. You can actually trace a line historically to the CFR from Sabbatai Zevi and another organization called the illuminati which was founded in 1776 by Adam Weishaupt. The illuminati were involved in the French Revolution which is well documented. The interviewer confirms that there really is already a NWO and Martin says yes and mentions a book written by Professor Jacob Katz, The Jews and Freemasonry. This book shows the interface between Jews and some of the cults that derived out of Sabbatai Zevi. (The following information is the rest of that video which I did not cover in this sermon): The Jews made a big excommunication of the Frankists. They said they were bastards to the 10th generation. Frankists were into kabbalah. So the Jews forbid the study of kabbalah until you were 30 or 40 years old – after you had had a belly full of Talmud, only then could you study kabbalah. On screen: Abracadabra is a Hebrew phrase that means “I create what I speak”. The Jews said the Frankist women are whores and are excommunicated to the 10th generation. This was determined in their council – sounded like forelance. Non-Jews did not join the Sabatein cult. Then they show a news story about freemasons doing lewd sexual acts right in front of the police and ends showing strippers or exotic dancers dancing at Masonic lodges. *(about 4 min’s)

I have shown you the wickedness of the Talmud in the teaching I did on Israel. It is corrupt teachings of men and not of God. Judaism is witchcraft. Kabbalah is witchcraft. So now you have heard from their own writings and teachings that they believe they will cause the Messiah to come back by doing evil all the time every day. Remember the Jews have rejected Jesus and they are not seeking Him, they do not consider Him The Messiah and they do not obey God's Word. Freemasonry came out of Judaism, I explained that in the teachings on Israel. They are working to usher in the antichrist, he is their messiah and satan will possess him.

He said they turned around the Torah, the first five books of the Bible. So they have read them and they are focusing on doing the opposite of what is written in those books penned by Moses. That is non-sense anyway because the law which is contained in those books has already been fulfilled through Christ. The Bible tells us no one could keep the law. **(Acts 15:10)**

Galations 3:11 - But that no man is justified by the law in the sight of God, *it is evident*: for, The just shall live by faith.

We have a new covenant through Christ. But they refuse to recognize Him.

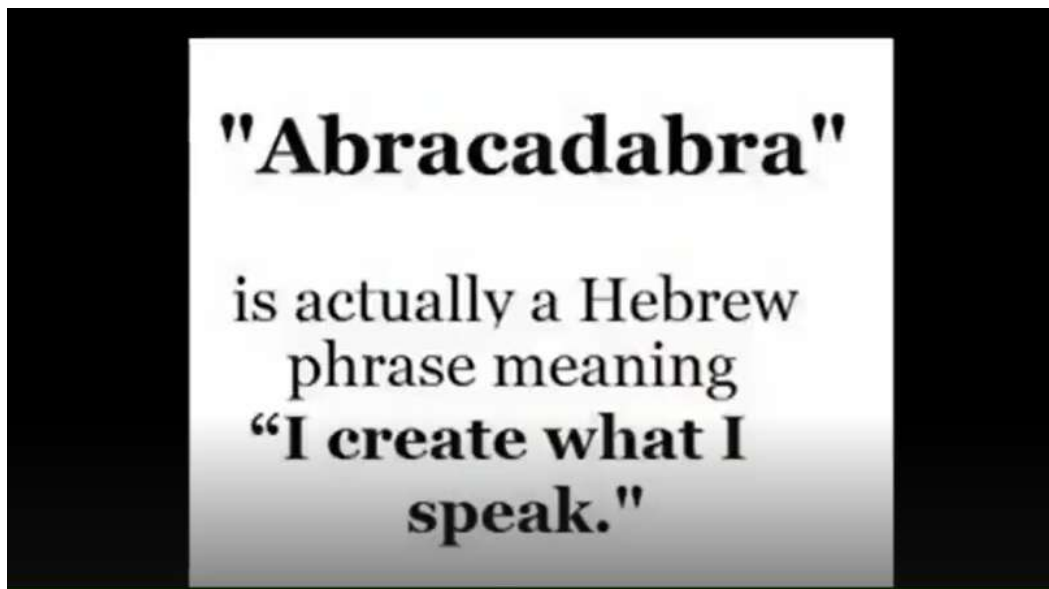

John 1:11 - He came unto His own, and His own received Him not.

Jesus came to the house of Israel, the Jews first and they did not receive Him. They are still rejecting Him today. They are practicing witchcraft against God on purpose, trying to do as much evil and wickedness as they can. What they really hope to accomplish through all the wickedness they are doing is to force God's hand to send Jesus back. They don't call the shots, God does. He will move on His timetable when He is ready. Meanwhile, He does make a way for His children and protect us while we are here in this wicked world.

Leviticus 17:13-14 - And whatsoever man *there be* of the children of Israel, or of the strangers that sojourn among you, which hunteth and catcheth any beast or fowl that may be eaten; he shall even pour out the blood thereof, and cover it with dust. For *it is* the life of all flesh; the blood of it *is* for the life thereof: therefore I said unto the children of Israel, Ye shall eat the blood of no manner of

flesh: for the life of all flesh *is* the blood thereof: whosoever eateth it shall be cut off.

God said not to eat the blood, so they eat the blood. This is what satan requires in worship of himself. That is why high level freemasons, kabalists, witches, illuminati – do drink blood of humans and animals. Go and listen to the sermon series: Satanic Ritual Abuse, Sacrifices on the church website and you will understand this better.

This is from that video. Abracadabra is actually a Hebrew phrase meaning “I create what I speak”. Look at this wickedness. They put this in tv and cartoons etc. everywhere. We have all known this is supposed to be a magical word. That’s true, this is something witches say but it is also something those in new age believe and teach – to speak it into existence. This goes back to people believing they are gods. We are not.

Romans 4:17 - (As it is written, I have made thee a father of many nations,) before him whom he believed, *even* God, who quickeneth the dead, and calleth those things which be not as though they were.

God creates new things out of nothing. The first few chapters of Genesis tell us how Jesus spoke this entire world into existence. As christians we speak in faith but we don’t cause things to manifest. If God so chooses, then He will manifest in our lives the things we hope and pray and speak in faith for but it must be in line with His will and His will for our lives.

Be careful of magic words because they are witchcraft words. God taught me a long time ago not to go around speaking Hebrew words because there is deception packed into the words they have given us and taught to us. I have exposed several of them like hallelujah and amen. I don't say those words anymore.

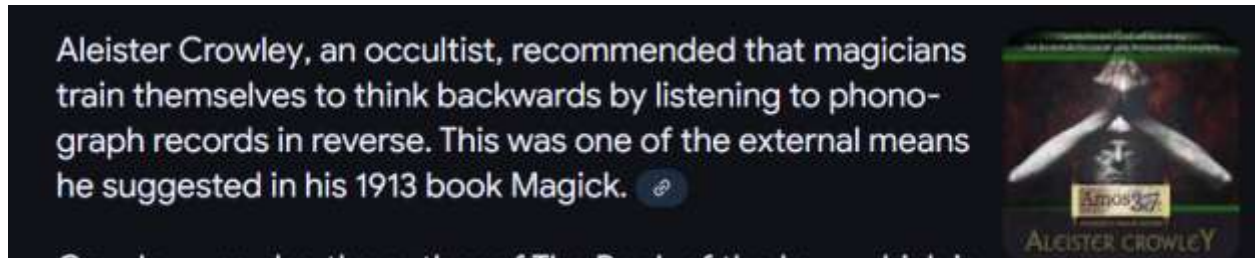

In this clip they showed some scenes from the very telling and wicked movie *Eyes Wide Shut* which showed things that go on at rituals. Then they showed Prince Charles holding his mask at a masquerade party. If you put the little hat and caped robe on him he'd look just like the guy in the movie. They are showing us truth if we can just grasp it. Our eyes, are the ones that have been wide shut to all of this. God wants us to understand their wickedness and have no part in it. But we are not to remain in ignorance of what they do in serving satan. Stanley Kubrick who directed that movie died earlier the same year the movie came out.

Aleister Crowley was one of the world's most wicked men, highly honored and decorated freemason, a huge guru of freemasons and luciferians. In research on Crowley – : In Bataille's terms, we might say that much of Crowley's sexual practices centered around calculated acts of *transgression* -- that is, deliberate violations and systematic inversions of the moral laws and sexual codes of the larger social order.

Judaism and freemasonry existed before Crowley came along so what he did was just add to their wicked practices by teaching how he got empowered with more demons and higher level demons.

Aleister Crowley wrote the satanic book entitled *The Book of the Law* which was dictated to his wife by an evil entity, which is a fallen angel named aiwass. We are going to take a look at some of the sexual depravity and teachings of Crowley that are foundational in freemasonry. This information is esoteric information and lower level initiates who only have exoteric information are mostly not aware of these things. Those of the higher degrees, those who meet in lodges we will never see, those we will never hear of – they know this information.

Aleister Crowley, an occultist, recommended that magicians train themselves to think backwards by listening to phonograph records in reverse. This was one of the external means he suggested in his 1913 book *Magick*. To be clear a true magician, not one that is just doing slight of hand tricks, but a true magician as is spoken of here, is a witch, one that works with demons, that works through demonic power, summons demonic power and thrives on it. Train yourself to think backwards. This is all part of satan's system of worship and power.

This is why Michael Jackson was famous for the moon walk. That is in honor of the moon goddess, Diana, Athena, Semiramis, Artemis etc. Even though you can learn to do the moon walk, he was demonically empowered to glide across the floor backward. If you watch any of his videos you will see him flash all kinds of

satanic signs and this is drawing on demonic power and paying allegiance to satan his master.

****Please play from 3:33 to 4:19** Michael Jackson talked about demons giving him his music. He would wake up from a dream and write down the music that was given to him in the dream. He said it had already been done and he was just the courier bringing it into the world. This was told to Newsweek in 1983. He said “When I hit the stage it’s all of a sudden a magic from somewhere that comes and the spirit just hits you, and you lose control of yourself.” We are to test the spirits. Michael Jackson spoke like a prophet but not a godly one. *(about 1 min.)

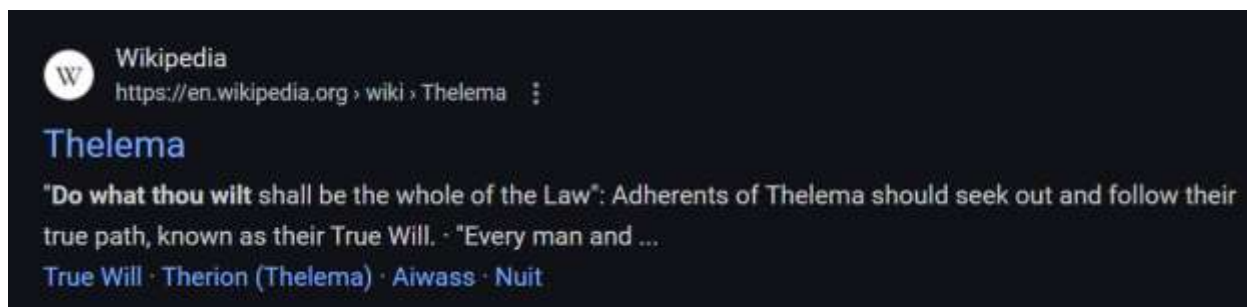

<https://www.youtube.com/watch?v=Kc-l6zBfVH4>

He didn’t lift Jesus up with his life or his talent. He worked with evil spirits. He was demonically talented.

This is why when you play rock records backward you hear satanic messages there. They adhere to Crowley’s teachings. When they put messages in rock songs backward it is called backmasking. I taught on this in SATAN’S MUSIC IN THE CHURCH PART 6 back in 2017. I was amazed to go back and find so many of the videos from that sermon have been pulled down from Youtube. Censorship is unreal, keeping back the truth from the masses. **(Romans 1:18)**

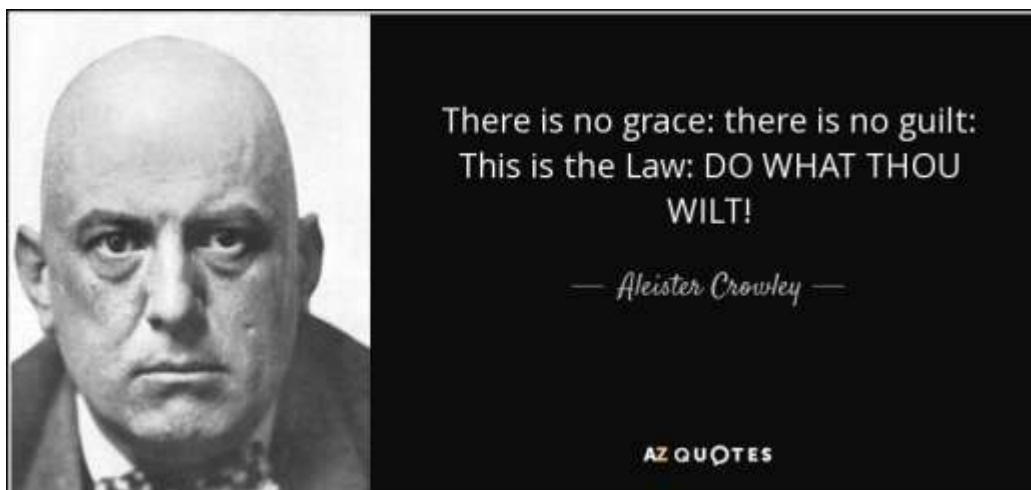

This is why Oprah’s company is called Harpo because that is her name spelled backward and Harpo Marx did not speak alluding to the sign of silence which harkens to the oath they take not to talk about what they do and what they have signed up for. They have sold their souls. Harpokrates is a greek god that corresponds to the Egyptian god Horus. So Harpo seems to be short for worship of him as well.

Crowley taught that those who want fame, power, spell-casting abilities, demons at their beck and call, and to recognize the godhead within, as well as to know the past, present, and future, must consistently, with intensity, practice **talking (reverse speech), walking, thinking, and playing phonograph records, backwards**. This is a form of divination, and we are warned against this in the Holy Bible. **(Lev.19:26)**

Crowley founded the cult of Thelema. “Do what thou wilt shall be the whole of the Law”: Adherents of Thelema should seek out and follow their true path, known as their True Will.

What a bunch of non-sense. They try to put a good spin on it and make it sound like something good but it’s just a bunch of new agey talk that is ultimately against God. This idea of doing what you want matches up with Judges 17:6 where Israel had no king and everyone just did what they thought was right.

There is no grace: there is no guilt: This is the law: Do what thou wilt. – Aleister Crowley.

This is more like it. No grace means no Jesus for salvation, no need for God, no guilt implies that there is no condemnation – no judgement because those who adhere to this system of worship do not believe in God, don’t love Him or seek Him and certainly are not serving Him. They want to be free – free mason – meaning free from God’s law free from His will. Doing what they want and living the way they want to and living like that pleases satan who is against God. This is

the wide path, if you like it do it, if it feels good then do it. The wide path leads to hell and then the lake of fire.

Doing God's will once you are saved is the only way to eternal life. The Bible says that anyone who calls on the name of the Lord shall be saved. **(Romans 10:13)** If someone on their deathbed calls out to Jesus, sincerely believing He is God and they are truly sorry about their sins and they ask forgiveness, then in that moment they will be saved. But if they die right after that then they did not have an opportunity to live an obedient life, they are still saved. But for the rest of us who are saved and then go on with our lives we are to live righteous lives in obedience to God's Word and will. God is patiently waiting for more people to repent and be saved. **(2 Peter 3:9)** That means stop the sin, stop living for self, stop living the way you want to and turn to Christ and bring Him glory with your life.

CLOSING

It doesn't matter what they say, what they teach, every single one of us is going to be judged for what we did or did not do.

2 Cor.5:10 - For we must all appear before the judgment seat of Christ; that every one may receive the things *done* in *his* body, according to that he hath done, whether *it be* good or bad.

We will each receive whatever we deserve for the good or evil we have done in this earthly body.

High level Freemasons, Jews in Judaism, Kabalahist, Luciferians, Witches all deny Jesus.

They are trying to get rid of Jesus, get rid of obeying Him. Jesus said if you love Me you will obey Me. Anyone who does not obey/love Jesus, will not be in heaven.

John 14:6 - Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by Me.

He is the only way to eternal life. He is the only way to be forgiven and made right before The Father.

Next week we are going to take a closer look at some of the secrets of freemasonry.
