

FREEMASONRY Pt. 3: CROWLEY, IMMORTALITY, TANTRIC SEX MAGIC, PEDOPHILIA

*****WARNING – THERE WILL BE SOME SEXUAL AND MATURE CONTENT TODAY.
IT IS NOT SUITABLE FOR YOUNG CHILDREN.*****

Warfare over video and information: I bind up demonic activity through the images and frequencies of the videos we will see here today in Jesus' name. We don't receive anything from the devil's hand in the name of Christ Jesus. I cover our eye gates and ear gates in Jesus' blood. I cover our hearts, minds, souls, spirits and the frequencies coming into our ears in Jesus' blood. I cover every person listening to and watching this sermon in the blood of Christ. I thank You Lord Jesus for protecting us and this ministry as I expose the evil works of darkness.

Last week we learned about the occult law of reversal. This is something that high level freemasons, luciferians, illuminati, occultists, those in Judaism, kabbalah and witches adhere to. They study God's Word so that they can do the opposite of it. Freemasonry came out of Judaism and those who practice Judaism are taught to do as much evil as they can in order to use up all the evil in the world so that the universe will collapse in on itself and usher in their messiah. This is completely the opposite of what God's Word says. We are to worship God only, and above all else, and love our neighbors as ourselves. **(Matt.22:34-40)** When you practice doing evil deeds all the time you are not worshipping God. You cannot show love to your neighbor when all you do is wickedness. What they teach and believe and do is against God. When we keep God's Word we will not be doing evil. They are against God. They hate Jesus and the one they are working so hard to usher in is actually the anti-christ. The anti-christ is their messiah.

I left off with the teachings of Aleister Crowley, who was a very highly honored freemason, and a very wicked man. He wrote the occult book, The Book of the Law in which he states "do what thou wilt shalt be the whole of the law." They live by this. So they live for themselves and do their own will and not the will of God. Freemasons consider themselves to be free from Jesus, free from God's

Word, free from obedience to God. They are lovers of themselves and they do all sorts of evil wicked things like their father, satan.

This is Aleister Crowley, showing us what he's all about. He has the Egyptian all seeing eye on the hat of his hooded robe. Notice the pentagram on the book he's posing with which may be The Book of The Law that he wrote. High level freemasons worship Egyptian deities. You will find this in all of the secret societies because it all circles back to the fallen angels. Freemasonry is witchcraft and worship of satan and his angels. Crowley was a highly honored freemason and they incorporated his teachings into freemasonry.

Let's watch this video to understand more about Crowley and the freemasons:

*Please play from 0 to 5:27 – Bill Schnoebelen, a former witch, member of the illuminati and high priest of satan's was on The Prophecy Club sharing some of the major secrets within the freemasonic organization. Please understand as he speaks that he is speaking of high level freemasons who have the esoteric information, they are on the inside. He is not speaking of the lower level initiates who only have exoteric information, they are kept in the dark and because they are ignorant of all these things they lend credibility to the organization because everyone knows

someone who is a common every day freemason. They will be judged for being part of this cult even if they are in complete ignorance to the wickedness of it all. STOP

0:00 – Edward Alexander Crowley called himself the wickedest man in the world. He changed his name to Aleister Crowley so that it would add up to 666. He called himself the great beast. He contacted and heard from a demon named Aiwass in 1904. He received the demonic book of the law from this demon in 1904.

:40 – This book claimed that the slain and risen God (JESUS) had stepped off His throne and that a new god, the crowned and conquering child was taking His place. Crowley had several Masonic degrees.

1:15 – Crowley began doing rituals to bring forth this crowned and conquering child. He started the cult of the fascinating child. He accidentally uncovered the royal secret of masonry. A german occultist, Theodore Royce, came to see Crowley and told him he had given away the greatest secret of freemasonry. Crowley did not even know what it was. He initiated him on the spot to the 9th degree of the OTO (Order of Oriental Templars).

2:15 – The secret is that as a mason you are promised immortality. Immortality is conveyed to them through tantric sex magic. The type of sex magic that they do is violate a little child. Crowley was taught the way to live forever was to vampirise little children sexually. Not all masons know this. Probably one in a hundred. Masons believe every time they defile a little child, they steal some of that child's youth. They believe they are accessing alternate universes, alternate realities where they can become as gods.

3:28 – Everything in magic has its yin and yang. Me: This is the as above so below or black vs white or good vs evil. The occult believe they have to have balance in their system of satanic worship. * Continuing – Positive, negative good vs evil, there is always this dynamism. Just like there's a tree of life, there's also a tree of evil. Their tree of evil in Hebrew is called "harlots." They believe through this sexual perversion they can access these tunnels into alternate universes and alternate realities. The goal is to find your own universe and to become the god over it. This buys into the modern day physics theory that there are many many dimensions of reality. Then once you are the god of this other universe or

alternate reality you can suck the energy out of it through this child and use that energy to live forever and ever.

4:44 – This is called transyuggothian magic (doing sexual perversion to a little child so you can live forever.) That means it is magic that goes into transplutonian space. They believe this goes beyond the planet Pluto which is beyond the pale of the sun and so is beyond the Christian God. They believe there are gods out beyond Pluto that are far more powerful, dangerous and deadly than either God or the devil. That is what these men are trying to access.

5:26 – He said he knew of 5 support groups that are helping victims of Masonic ritual abuse. Bill Schnoebelen stops speaking at 5:27. *(about 5.5 min's)

These people are so messed up without Jesus that they have opened the door in their lives wide to satan and the fallen angels. Their minds are corrupt and the demons they have welcomed in feed on evil and perversion against God and His creation. When they do pedophilia, sodomy and all sorts of sexual immorality, then they are empowered with more demons. This causes them to believe they are gaining immortality, because they have more power or energy in their lives. So the vicious cycle continues. They prey on little children especially.

They love to high light this idea of alternate universes and alternate realities in the occult, various dimensions, other worlds, other people on other planets etc. The Bible speaks of the third heaven where God resides, the second heaven which is where the sun, moon and stars are and the first heaven, the immediate atmosphere right here around us. We know there is the invisible, the spirit realm and the natural realm where we are. The Bible does not say that God put mankind on many and various planets. He created us on this Earth. The idea of other universes, other dimensions is tangled up in the fallen angels. They came down from heaven, from the stars, the planets. They bear the names of the planets. They have spun so many lies and those caught up in the occult and false religions believe these things.

The freemasons are promised immortality. Who would fall for that? Only God can give immortality.

John 14:6 - Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by Me.

The life spoken of here is eternal life. Jesus is God, and He created all things and He knows all things. There is nothing that He doesn't know, He is past, present and future – He has always existed, He's eternal. He is the truth and when you know Him, He begins to set you free. **(John 8:32)** Jesus is the only way to The Father and He is the only way to Eternal Life. Eternal life is immortality – that is living forever in peace, comfort, blessing and happiness. Satan cannot back up a promise of immortality to anyone. Not even with body snatching, not with consciousness transfer, mind control or demon possession – none of this is true immortality. Not even their invention of artificial organs can give them immortality. Cloning themselves will not bring them immortality; the clone eventually breaks down and dies.

Eternal life is with God in heaven and Jesus is the only way to The Father, the only way to heaven. Satan does not have the right nor the ability to offer immortality.

Crowley wrote that the way to have this immortality is to sexually violate little children. When he said not all masons know this, probably only one in one hundred. Those at the top levels with the esoteric information who meet in lodges we'll never see nor hear about, they know this full well. They target children because Jesus had so much to say about little children. Children are precious in His sight.

Matthew 19:13-14 - Then were there brought unto him little children, that He should put *His* hands on them, and pray: and the disciples rebuked them. But Jesus said, Suffer little children, and forbid them not, to come unto Me: for of such is the kingdom of heaven. And he laid *his* hands on them, and departed thence.

Jesus took time for the little children. He laid hands on them and blessed them before He left.

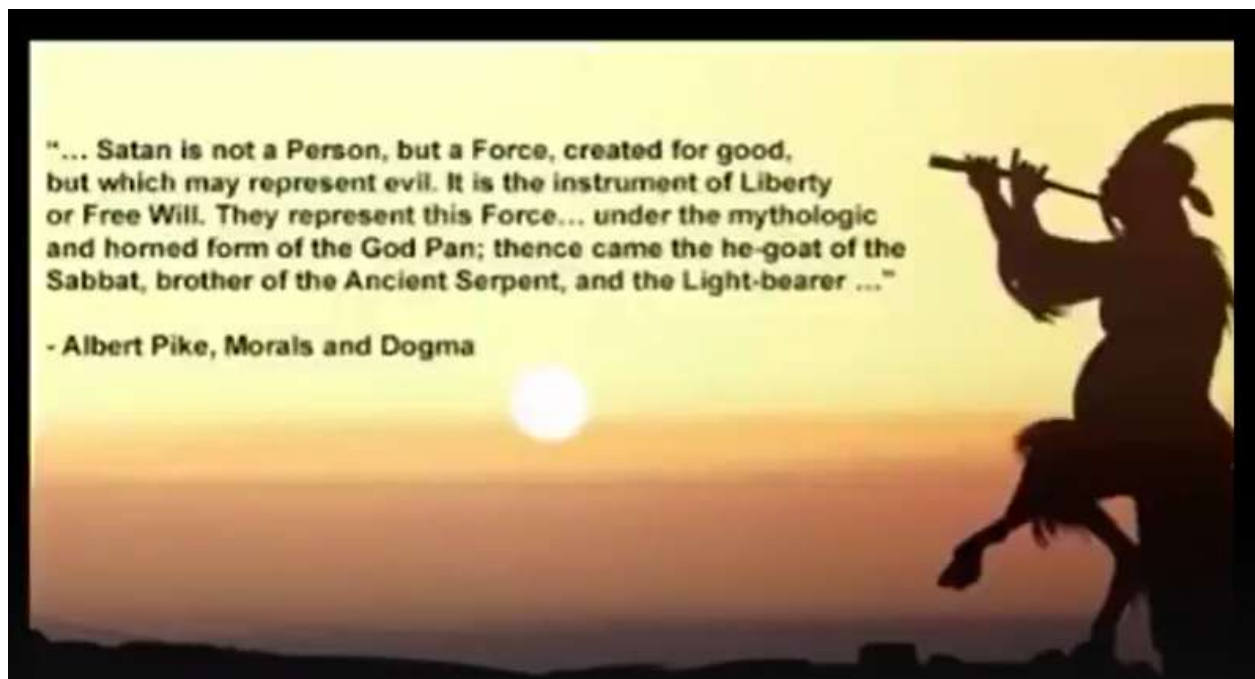

Matt.18:1-3 - At the same time came the disciples unto Jesus, saying, Who is the greatest in the kingdom of heaven? And Jesus called a little child unto him, and

set him in the midst of them, And said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.

Little children depend on their parents to meet all their needs, they believe what their parents tell them and they trust their parents. Very young children are still innocent before God. This is a picture of how we should be in relation to God.

So the high level freemasons and luciferians purposely seek out children to abuse in all sorts of ways. They believe the lies they are fed because they are in a cult and they themselves are filled with demons because of their abominable sins against God and His creation.

Mrs. Joy shared years ago that they abuse and torture little children and tell them to call out to Jesus to come and save them. They call out to Jesus and then an even more wicked person comes through the door to continue raping, molesting and abusing them. They do this to gain more demonic power as you just heard on the video and to break the child from believing in Jesus.

This is from the video...satan is not a person, but a force, created for good, but which may represent evil. It is the instrument of liberty or free will. They represent this force...under the mythologic and horned form of the god pan;

thence came the he-goat of the sabbat, brother of the ancient serpent, and the light-bearer..." – Albert Pike, Morals and Dogma

There is some truth here. satan is not a person, he is a fallen angel – a supernatural being. One name he is called by is "the force" like in star wars which is based on the fallen angels ruling the planets. They say in that movie "may the force be with you" and the joke of the whole thing is, that satan is the force that those in the illuminati, luciferians, witches, freemasons are referring to when they say that. Now, he was created as a holy angel and he enjoyed heaven and was right near God's throne and was a beautiful angel (**Ezekiel 28:17**). However, he became prideful and wanted to be God and at that point God kicked him out of heaven. From then on he has become an evil angel, a fallen angel and thus the name change. He is no longer lucifer but is now called satan but those that worship him still want to reverence him by the first name God gave him which was lucifer. They love lucifer because he was the one who rebelled against God. He goes around tempting us to do evil against God. When we listen to him instead of God, we are in sin against God. He is not the instrument of liberty or free will. God gave us free will and Jesus is The One Who sets us free. (**John 8:36**) High level freemasons are lifting lucifer up as the one who gives liberty because he rebelled against God and took 1/3 of the angels with him. (**Rev.12:3-4**) They look at this as freedom or liberty, not having to do what God says to do.

They worship lucifer and believe he is good and he is light, the one who gives enlightenment and that is because when Adam and Eve sinned then their eyes were opened and they knew they were naked. They now had knowledge of good and evil that they did not have before (**Gen.3:7**) and all of this was sin against God. They listened to satan rather than God. Jesus is The Light of the world. (**John 8:12**) satan is mocking God. He is worshipped by his followers as a sun god. Jesus made the sun. satan fails miserably when you know the truth.

The depictions they reference are all ways that satan has manifested to mankind: the horned man-goat of the sabbat (which is the witches sabbath where they meet with the devil and do rituals), the serpent is one of his forms he associates with because he used the serpent in the garden to deceive Eve, Those that worship lucifer call him the enlightened or illuminated one, the light-bearer –

think about the statue of Liberty with the torch and sun rays on her head and she may be a man as manly as she looks, representing satan himself.

Her/his rays stand for the sun god baal, also known as mithra also known as satan. The statue of liberty was designed by freemason Frederic-Auguste Bartholdi. Above the statue of liberty is a carved image of the false god mithra – he was a sun god of the Romans. The seven degrees of Mithraism grade 2: nymphus, nymphobus (male bride) Symbols: lamp, bell, veil, circlet/crown (diadem) Associated planet/ protecting deity: venus Grade 6: Heliodromus (sun-runner) Symbols: torch, images of helios the sun, whip, robes Associated planet/Protecting deity: Sol – which is the sun.

Think about the Olympic torch and torch lighting ceremony. Now you should be able to see what the Olympics are all about. Olympics, mount Olympus... The Olympics pay honor to the Olympian gods. They are false gods, fallen angels and their goddesses.

*Please play this video – The interviewer is standing outside a freemasonic lodge and catches a freemason just before he goes in. Here is their conversation: STOP

The freemason asks the interviewer what his problem is. He tells him he's a Christian. The freemason says he is pure and virtuous and wholesome and innocent. He then asks the interviewer how can he say anything bad about him? The interviewer says, sir you need to be born again. He says, I am born again. Interviewer says, did you just say that you were lucifer? The mason says I am lucifer. The interviewer says, define lucifer for me. The mason says pure, virtuous, wholesome and innocent individual that's out to help people. The interviewer says, lucifer is? The masons says, yeah. The interviewer says, say that again. The interviewer starts trying to repeat what the man says and gets it wrong and so the mason repeats it again. The interviewer asks the man, is he the lucifer that God created? The mason says, that's the same one. The interviewer says, oh man this is great, I'm gonna put this on the internet. The mason says, oh God bless you brother! The interviewer says, because that's exactly what Shriners and masons teach is that lucifer is light. Then the mason tries to divert him onto the Shriner hospitals. ((Those are their covers for appearing to do good.)) The interviewer does not fall for it and says, you know what sir, Jesus said on that day many will say to Him Lord Lord did we not do these good deeds in Your name. And He will say away from Me you workers of iniquity, I never knew you. The mason, looking shocked says, Jesus said it? The interviewer says, in Matthew chapter 5. The mason touches his forehead and says, mercy, that's hard to believe. The interviewer says, so you're a Christian and you don't know that? The mason says, no, I really am because I'm pure and virtuous. The interviewer says, oh yeah, in other words you are perfect without Jesus – right? The mason says, no no no, no. The interviewer says, ok, tell me about Jesus. The mason says, he's my leader. The interviewer asks, is He the Son of God? The mason says, yes He is. The interviewer asks if Jesus is the only worshipful Master? The mason says, yes. The interviewer asks him if he's ever been called worshipful master? The mason says no because he's been too busy working. Says he's been too busy working to help people. The interviewer asks him, what kind of work and then the mason just turned and walked away to go to his meeting. The interviewer ends with: see, this is what a mason confesses, is that lucifer is light. *(About 1.5 min's)

That man was a member of Mahi Shriner Hall in Miami, Florida. I can see the evil on this man as well as feel it coming off of him. He has completely turned himself over to satan. In another video I listened to when I was trying to find that clip the guy was saying that 32 degree shriner freemasons are taught that Jesus and lucifer are one and the same. Anyone who would believe that is clearly not filled with The Holy Spirit. This is how wicked freemasonry truly is. I hope you are getting a clearer picture now and will warn anyone that you personally know who is in it.

CLOSING

John 11:25-26 – Jesus said unto her, I am the resurrection, and the life: he that believeth in Me, though he were dead, yet shall he live: And whosoever liveth and believeth in Me shall never die. Believest thou this?

Do you believe this? Who do you say that He is?

Jesus is the way to eternal life. The people committing these grave sins will not be in heaven unless they repent and only if they have not blasphemed The Holy Spirit.

We are going to uncover another secret of the freemasons next week.
