

FREEMASONRY Pt. 4: ALL SEEING EYE, SODOMY, PEDOPHILIA, KAY GRIGGS

*****WARNING – I AM COVERING VERY SEXUAL AND MATURE CONTENT TODAY. IT IS NOT SUITABLE FOR YOUNG CHILDREN.*****

Warfare over video and information: I bind up demonic activity through the images and frequencies of the videos we will see here today in Jesus' name. We don't receive anything from the devil's hand in the name of Christ Jesus. I cover our eye gates and ear gates in Jesus' blood. I cover our hearts, minds, souls, spirits and the frequencies coming into our ears in Jesus' blood. I cover every person listening to and watching this sermon in the blood of Christ. I thank You Lord Jesus for protecting us and this ministry as I expose the evil works of darkness.

The video we are about to watch is another portion of the video we watched last week. It picks up right where we left off but begins with the symbolism of the all seeing eye, the way they spliced the video there is some overlap here.

*Please play from 0 to 2:12 and from 2:28 to 4:31 and from 5:19 to 6:24 This is Bill Schnobelen, who was on The Prophecy Club sharing about freemasonry. STOP

Here, he shares about the mysterious symbolism of the all seeing eye in freemasonry. This is a very mysterious symbol which you've heard all sorts of explanations for but I'm going to give you the Masonic illuminati inner meaning of what this means tonight. (The eye symbol) And it's gonna probably gross you out and astonish you and I apologize in advance but this is what it means. Crowley reveals the meaning behind the all seeing eye symbol in one of his books the book of Thoth which is a very advanced manual on tarot card readings. The eye in the triangle is the eye of lucifer. But believe it or not it corresponds to a human organ that for lack of a more delicate term we'll call the rectum. Which is kind of ironic when you think about it that this represents lucifer. And what this refers to is that the occult archaeometric doctrine of masonry is that by accessing alternate universes through sodomy, especially of young boys, you can access alternate dimensions of reality through what are called the tunnels of typhon. There is a

belief that through this sexual perversion they can access these tunnels into alternate universes, alternate realities. And the goal of this kind of magic is to find your own universe and become the god over that universe. This buys into the modern day physics theory that there's many many dimensions of reality. Maybe you have read about that, alternate universes, it shows up in science fiction a lot. And then, once you're the god of this universe you can start sucking the energy out of it. And you can use that energy through this child to live forever and ever and ever. He has met men that claim to be hundreds of years old. Are they lying their lips off? He thinks they are. This is a deception. / And let me tell you something else, the other 95, 96, 97 masons have an even bigger problem. Because the spiritual headship over their organization trickles back down to this monster – shows Aleister Crowley with 666 on his forehead. And because of that, even if they're good men, even if they don't know about this, you know what happens? They begin to struggle with profound temptations to move in this area of pedophilia and homosexuality. And this is dangerous stuff. I mean this is spreading throughout the world like a plague. We have organizations like NAMBLA, the national association of man boy love. Their slogan is "sex before eight or it's too late". And they are trying to lower the age of consent to eight years old. All of this can be laid at the door of this occult monstrosity, Aleister Crowley. If you're a mason and you're in an organization with this kind of spiritual headship, this is all around you and you don't even know it. It's like a fish swimming in polluted water that's full of spiritual sewage. And you can't help but take this into yourself. But it's important to understand that in all of this that I myself as a normal red-blooded heterosexual was finding myself continually drawn into sexual thoughts and sexual fantasies about little boys. I thank God I never acted on any of that but it was being forced on me because I was under the umbrella of the Masonic leadership. And it is really a very tragic thing but it is very real, this kind of headship. Crowley had so many Masonic degrees that you could fill up five pages of a book with them. This guy was probably the most highly honored mason in the world. And he was also the most dangerous man of the 20th century. / Theodore Royce explained the secret to Crowley. The secret that masons are promised immortality. If you go to a Masonic funeral you will hear them discuss the immortality issue. You will hear them promise that they will go to the celestial lodge above and live forever. Where do they get their promise of immortality? Simply, the secret that Crowley uncovered, probably

through demonic intervention, is the secret that this immortality is conveyed through tantric sex magic. And the kind of sex magic we're talking about here unfortunately is the sexual violation of a little child. Crowley taught that the way you can live forever was by vampirizing little children sexually. And he personally bragged of having slaughtered 150 male children in one year. This is why he was called the wickedest man in the world. And this, I apologize that this is so horrible, but masons are doing this. *(about 5 min's)

Now we are getting better understanding about what this all seeing eye really means.

Now you know the truth, high level freemasons who have esoteric information are gay, they are sodomites. Not only are they sodomites but they are pedophiles. They are the very ones pushing to make pedophilia legal.

In all of the things I knew the “G” stood for: god of this world, goat for their god satan / pan, geometry – they wanted us to believe that one, generative, gnosis etc. Never did I realize the “G” in the middle of the compass and square stood for gay. Now we understand the “g” much better. The high level, those at the top, they are sodomites.

Let’s hear what Kay Griggs shared about sodomy going on at the highest levels of our military and government. Keep in mind her husband at that time, George Griggs, was being considered for general and he and she were involved with and around high level people.

*Please play from 28:48 to 31:20 from 16:34 to 16:58 and from 37:54 to 41:17 and from 1:11:16 to 1:11:40 and from 1:16:03 to 1:17:09 and from 1:23:19 to 1:25:57 and from 1:42:08 to 1:47:51 In clips from an interview with Kay Griggs, she talks about secret societies and homosexuality in our military at high levels. STOP

Hannah Moore was deeply in love with her husband. He got back from Vietnam, he was an army ranger. He battered her, he physically and psychologically abused her. She started screaming – telling everyone. Kay was battered and bruised. A lot of wives are by these Vietnam vets. But if they are a colonel or a “rising star”, the wife has got to be crazy because they have too much invested in these men.

It is a very small cult. She has heard some of the things they do when they are colonels. It is some of the same things they do in Cap and Gown, which is the Princeton version of Skull and Bones. Her husband went to Princeton after he went to the Hun School for four years. The interviewer wants to clarify what these clubs are. Many people would not be familiar with that. Are these clubs that these young inductees are pulled into? Secret societies. She says, yes. Is this to make them feel super special and to put a control on them so that they never tell these secrets? She says, yes, you have got it. The interviewer says that he's heard of child molesters, people who are not connected to the military will molest a child and they will tell them don't you ever tell. They will kill or strangle a cat and threaten them saying they will do this to their mother or to them and threaten them never to tell. The child will grow up and never tell unless someone comes along to help them out of it. Kay says her husband is frightened to death. Kay said she believed George's brother was murdered to keep George in. Because he had gone through 4 years of this mind control. The man who did it was Charles T. Caddock and Alexander Robinson, a marine. / Kay's husband was the chief of staff for General Al Gray who was the commandant of the marine corp. Gray is a homosexual, a cherry marine. / George got into Cap and Gown which is the same kind of fraternity, I mean it is an eating club at Princeton for intelligence officers. He asks, would Cap and Gown have anybody involved that wasn't intelligence oriented? She says, yes football players and so forth. But she said she has a feeling that Cap and Gown has a lot of intelligence officers and boys who may have been raped. Of course they would never talk about it. But I know that the initiation is that they get very drunk. They do this in the marine corp. It is called "dining in". They have the shellback ceremony. They do a lot of homosexual enticement. The boys are, when they come in as new recruits, they strip them nude, they violate their personal parts. There's a lot of that going on even now. What about tail hook? She said, yes. Is there a connection? Yeah, sure, because the cream of the crop is doing this. They are having group sex parties. What about the navy, is there a connection? He says, maybe we should clarify what tail hook is. She says when she was single in Norfolk, she knew one of the people who was deeply involved in tail hook. He was the captain of the Saratoga who was very much involved with this kind of behavior. She knows a lot about the...She says she never thought about group sex. This is so awful for me to contemplate. These orgies are going on all over the Mediterranean with the captains, lieutenants, the

men who rise to the top are the ones who are picked to play the games, the pool parties, the nude pool parties. General Al Gray was the main prime mover. They have the secretaries who come in. I have talked to 3 guys and of course my husband who went to these pool parties. Then she talks about these all male party houses on The Mediterranean. He asked if these parties are all homosexual in nature or heterosexual. The parties start off with these “wild secretaries.” / They were army and navy together – joint. George calls them the members of the firm. ((Think about the Tom Cruise movie, *The Firm* – they always show us truth in the movies.)) She has also heard them called The Brotherhood. They are very close, it’s a small group, very hierarchical. / He knows my husband’s profession instantly. He brags about being with the mobs, the mob runs the port of Norfolk. She makes a pyramid with her hands and says it is terrible to say but at the top is the bankers and then that – then she stops and feels she cannot say more about this. The interviewer probes her to go on and she says the ports are run by a homosexual hierarchy. They get the little ones in (young new recruits) by introducing them to the big guys (decorated officers – high ranking) at the top. George met Einstein. Einstein was in the same little ring that the Saudi’s of Princeton were in. They partied (sexually) together. The mob runs the port and it is very organized. / They come back from a break and the interviewer begins to speak about George Bush being asked by an interviewer about his having been a member of Skull and Bones. He was shocked the question was asked and said he could not talk about that because it is secret. All these men are a member of this same club. ((This is the freemasons / illuminati)). If this got out that these guys are all inducted because they have some kind of homosexual thing on them....Kay says, right. She says, indoctrination, or I mean induction. They have to do that, in a coffin. It’s even now coming into the military totally. The chiefs do that, they put them in the coffin, they do the bowling ball trick. The guy asks, why do they get into a coffin? Kay says, when you get your eagles and points to her shoulders, that’s a German thing. This is what the German high command did and most of them had the boyfriends and stuff. The croups and all that. It is a German thing that they say goes back to Greece. It is all the male marine looking men that they do it with. Now the chiefs have to do it. George said it’s like a zoo. They get everybody really drunk. Sometimes it’s called “dining in”. Shell back is another time they do it. Not everybody does it but the ones that do, if they are young, they go right up to the top. He says, what is it that they do? She says anal sex. He

says, what do they do in the coffin? She says they put them in the coffin and they do things. He says, they perform things on each other? She says while they are all around there going drunk. The guy in the coffin is the one that things are being done to, oral and anal things. What is the significance of the coffin? She says, I don't know. / The CIA is a bogus thing it is training indoctrine command, it's NATO, it's SHAPE (Supreme Headquarters Allied Powers Europe), started by Eisenhower. (SHAPE) It's a totally independent corporation, it's main function is to sell weapons and launder money. He says, you're talking about the CIA and she says no, talking about SHAPE. The CIA is kind of bogus, it's just there to confuse us and throw us off the track. It's all being done by army people who are now "joint" because the word joint comes from the group that brought over, a lot of good people came over, but they came over illegally to kind of escape Nazi Germany and stuff. I don't know that much about it but one of the funding organizations was out of New York and it was called "The Joint". And Meyer Lansky, see our mob, the organized crime, the Jewish Kabbalist group who don't believe in God, well they do, they look at God as a kabbalah kind of thing and the opposite of good is bad and they have to get rid of all the good people and kill them. I mean they really do this, they're killing people who are good on purpose. And they get brownie points with their little cult. This funding group in New York, they would pay for pass ports which was illegal. Her grandfather was involved with that and that is how she knows so much about it. He was told to keep silent and not to tell anybody. He told his wife and she told her daughter and she told Kay etc. They all know. They brought in probably more than 200,000 Nazi soldiers, and SS and whacko scientists and psychologists and all of them, most of them had the German disease, you know because it was their culture. The German disease? Yeah, the German disease is what the pink triangle boys were. Colonel Ron Ray writes about this. He's a Christian marine colonel who's writing about the cherry marines, the homosexuality, the group sex, the orgies and so forth. Which brought down the German government because Naples, which is where all of the Navy is doing their "playing". Today in Naples these orgies are going on. It was where Krupp, the weapons manufacturer, used to take the German high command and they would go into the Isle of Capri, into The Blue Grotto and they would have big orchestras and they would bring in little boys, little Italian boys who would be raped. They would give them trinkets. And of course the mothers gradually found out. The Italian mothers went to the newspapers in Italy and

they would not listen. But when they went to the wives of these guys in Germany, it brought it all out, it brought the German government down because they were duplicitous in it. What they were doing was pedophilia, they were raping, bringing in little boys. They involved the catholic, you know who were..bringing in...But what happened was this whole group came over to the United States. This is an old culture and it is the reason so many things are going on with children these days. It explains why it's all being covered up because if you've got police officers playing these games and they're going into the woods like to..what is this place where... I mean even Eisenhower played these games, even Mike Kemp out in The Hermitage it's called out in California. Where they all get drunk and run around nude in the woods and stuff. He says Bohemian Grove and she says, that's it. Rather than The Hermitage is actually Bohemian Grove, she said her brain was tired. There was a big one in Washington called Rush River Lodge. Where they used to all go and there are lots of places now. The problem as I see it is that I think they are trying to destroy America and the basic protestant Christian culture. Because where you have a basic military society where the rules are only for those people. *(about 16 min's)

<https://www.youtube.com/watch?v=XWGCyJuk-Ys>

You might be wondering why we are learning about all of this in church today. Because God doesn't want His children to be ignorant of how our world is governed and who is running the show. He said in His Word He would bring all things out into the light and that is what He is using me and this ministry to do.

(Luke 8:17)

Many people are blindly trusting the government and military today and we need to tell our friends and family and the people in our lives about these very things so that they can wake up and quit being deceived. They run so many operations on us and Kay said it right when she said she thought they were trying to break America down. That's exactly what they are doing.

This is her husband, Colonel George Griggs. He was involved in the sex parties, had mind control done on him, a military assassin. Kay said that George was scared and she believes they murdered his brother to keep him in. I think that type of thing goes both ways. Sometimes they kill someone close to keep someone in and sometimes the person voluntarily gives up someone they are close to in order to gain more power and move up in rank.

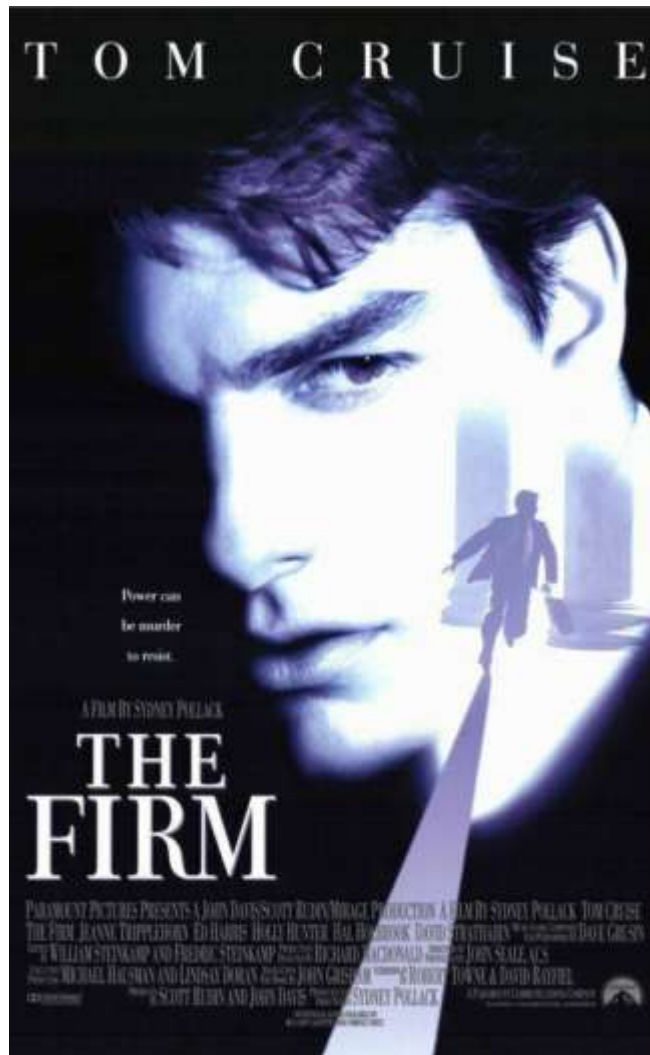

This is General Al Gray whom she called a cherry marine. He was George's boss, he served in the U.S. marine corp. for 41 years. You are looking at a 4 star general and a sodomite.

Here is General Jim (James) Joy that she mentioned. Another highly decorated man at the top. On the right he is the one on the right. That is a freemasonic handshake, notice how the one man is extending his hand and the general puts his thumb over the top of the man's knuckles. In this manner they are telling their rank within the freemasons.

George referred to the men he worked with and was surrounded by as The Firm and The Brotherhood. That's because they are all freemasons, high ranking ones. Kay called it right when she called it a cult.

Tom Cruise starred in *The Firm*. The caption is: Power can be murder to resist. He's in between two Masonic pillars and from the bottom up to his foot is the shadow of an obelisk or triangle which points to Egypt, to the mystery religions and to the sun god who is lucifer.

It was released in 1993. They put so much truth out to us in the movies. This is exactly the stuff that Kay Griggs was sharing about the mob, who is the military, who are freemasons. Remember Brice Taylor, a survivor of mind control, said that almost all of our presidents have been freemasons.

Let's watch the video clip of Tim Russert interviewing George Bush and John Kerry:

*Please play this video - Tim Russert from Meet the Press asks George W. Bush and John Kerry About Their Connection With Skull And Bones. They were both in it and neither of them wanted to talk about it. *(about 1 min.)

<https://rumble.com/v17ji17-tim-russert-asks-george-w.-bush-and-john-kerry-about-their-connection-with-.html>

Tim Russert died 4 years after these interviews at the age of 58, he dropped dead of a sudden heart attack. Did they take him out? They can cause heart attacks through frequency weapons - directed energy weapons. They don't have to be near him to do this.

They do sex rituals in coffins and at parties to get you in a compromising act for black mail purposes as well as to initiate the person into their brotherhood.

This is a Masonic tracing board from St. Andrew's Lodge. You see the coffin incorporated on the right and a skull and cross bones displayed prominently on it. The masons use tracing boards to teach the meaning of their symbols. Of course there is the cover information or exoteric information for lower level initiates and the true information or esoteric information and only those at the top get that information.

Another tracing board, the all seeing eye right at the top and at the bottom right corner you will see the coffin. Middle right there is a skull and bones emblem. Freemasonry is based on symbolism; the truth of the symbolism is hidden from lower level initiates. They use Christian terms and references as a snow job to make them think these things mean something good or Biblical when in truth they do not.

Corey Feldman, who used to be a child actor has finally come out talking about child pedophilia in Hollywood and how they prey on young children in that industry. Sadly, he seems to be a shill, here he is flashing the Masonic number 2. They all do this in recognition of the brotherhood they belong to. He outed Steven Spielberg as a pedophile and so did Isaac Kappy before he was silenced.

The pedophilia, rape, sodomy, molestation, homosexuality – all of these things open doors to satan in the perpetrator's life as well as the victim's life. Demons come into both of their lives and set up camp and will not leave until the person comes to Christ. The top levels of our military, government, all of Hollywood etc. are filled with demons because of this perversion against God.

Kay was talking about how they go out to Bohemian Grove and run around nude and play their games. These games are not only their sex parties and homosexual acts etc. but also they play hunting games. I thought about Fiona Barnett and what she shared about Bohemian Grove.

Regina Louf was sold to the Belgian trafficking network by her wealthy grandmother, Cecile Beernaert, whose WW2 brothels serviced Nazi troops. Regina described being raped at sex orgies organised by businessman Jean Michel Nihoul who was later convicted of trafficking drugs and people into Belgium. Regina Louf and other Dutroux victims told police they were subjected to satanic ritual abuse and child hunts in which VIPs including Belgium Royalty hunted and murdered children for sport in locations including the grounds of Chimay Castle.

This is from her book “Eyes Wide Open” page 27: Regina Louf was sold to the Belgian trafficking network by her wealthy grandmother, Cecile Beernaert, whose WW2 brothels serviced Nazi troops. Regina Louf and other Dutroux victims told police they were subjected to satanic ritual abuse and child hunts in which VIP’s including Belgium Royalty hunted and murdered children for sport in locations including the grounds of Chimay Castle.

My first memory of Bohemian Grove is the ritual sacrifice of a woman by men in black robes. Their robes were taller with pointier caps compared to the Australian ones. My next memory is of being **hunted** for fun in the woods. A group of children I were dressed in teddy bear costumes. We were instructed to hide amongst the redwood forest so that the guests could seek us. The hunt occurred at night while the song *Teddy Bears' Picnic* played over loudspeakers hung throughout the forest. Those who got caught were raped through openings in their costumes. My furry suit complete with ears, made me look like an Ewoks in *Star Wars* series; hence I found the film scene triggering.

From page 349: My first memory of Bohemian Grove is the ritual sacrifice of a woman by men in black robes. Their robes were taller with pointier caps compared to the Australian ones. My next memory is of being hunted for fun in the woods. A group of children and I were dressed in teddy bear costumes. We were instructed to hide amongst the redwood forest so that the guests could seek us. The hunt occurred at night while the song *Teddy Bear's Picnic* played over loudspeakers hung throughout the forest. Those who got caught were raped through openings in their costumes. My furry suit complete with ears, made me look like an Ewok in *Star Wars* series; hence I found the film scene triggering.

Fiona also speaks of children being hunted and killed in these kind of situations in her book on pages 272, 273, 346, 348 and 349.

People are speaking out about these things if we will just listen. If these men who are assassins and kill so easily, also get brownie points for killing good people, they certainly have no problem sacrificing someone at a ritual.

Now you can make sense out of why the popes and high ranking priests in the Roman Catholic Church are always accused of raping little boys. That's because it's true and they are all part of this. Cathy O'Brien said she was hunted in one of these hunting party games by former Vice President Dick Cheney.

In the four part interview of Kay Griggs she also names government officials who are part of the brotherhood. The Bush presidents to name a few and she said Eisenhower was part of all of it. Remember over the years we have seen pictures of presidents attending Bohemian Grove. Ted Gunderson stumbled upon Satanism in our U.S. government and the very things we have learned here today, he said it goes all the way to the top. Fiona Barnett has named high level government officials participating in satanic rituals, rape, murder and sacrifice of humans.

Crowley and the high level freemasons practiced and do practice sodomy. We just heard from Schnoebelen how the freemasons especially want young boys to rape, abuse and sodomize. High level freemasons who receive the esoteric information practice sodomy. Luciferians who want power, fame, money, to have mad skills, to be idolized and stay on top do practice sodomy. The same goes for high level witches and illuminati members – they practice sodomy too. And because they do this great perversion and abomination against God, satan rewards them with various degrees of demonic power. So that is, different levels of demons in their lives to work with, because they are all witches. Those in the lime light have done unspeakable things in order to get where they are and sodomy is one of them.

In Scripture, God passed judgement on the sodomites of Sodom and Gomorrah. Sodomy got its name from the city of Sodom because that's what they practiced there.

Deuteronomy 23:17-18 – There shall be no whore of the daughters of Israel, nor a sodomite of the sons of Israel. Thou shalt not bring the hire of a whore, or the price of a dog, into the house of the LORD thy God for any vow: for even both these *are* abomination unto the LORD thy God.

To be clear, a dog here is speaking of a male prostitute – which is a sodomite because sodomy is what they participate in. This is perversion against God. All sin is against God and He especially hates sexual sin and sexual perversion.

Note from my study Bible: In regards to what God said about never becoming a temple prostitute: Worship in Israel was to be different from that in Canaan. This prohibition includes all prostitution, male and female. God is not sexual and cannot be manipulated through sex. Pagans do sex magic in order to manipulate their gods.

Kay said police participate in all of it, the government and military at the top levels. Now you can understand why gay marriage has been legalized.

Many times the things that God instructed the Israelites against, were rituals and perversions that the pagan nations were practicing. God destroyed Sodom and Gomorrah and one reason was for sodomy, another was for pride. **(Ezekiel 16:49)** Put the two together and you can understand why the lgbtq etc. movement carries the banner of “pride” – it is against God. God’s children are not to be prideful.

But satan’s children are proudly boasting of pride, they are like their master, lucifer who rose up in pride and wanted to be God and was kicked out of heaven. So they are continuing the rebellion against God, instead of seeking Jesus Who can set them free.

CLOSING

The satanic anointing that was on Aleister Crowley is flowing out onto all those in freemasonry. It is the same with the satanic anointing on Albert Pike and all the founders of it, it goes back to Judaism which is a cult. Notice several times in the things that Kay revealed she kept saying it goes back to Greece and another time

she said it was an old culture. Yes, it is very old and ancient, it goes back to Old Testament times. The sin of sodomy goes all the way back to Sodom.

Just as anointing flows off of my life and ministry onto the flock God has entrusted to me, satanic anointing flows from the spiritual headship over freemasonry down to all the initiates no matter how great they are considered to be or how common they are considered, that same satanic anointing is over the whole organization and on all those who are a part of it, including the women's division which is called The Eastern Star. That satanic anointing is on those who know full well what it all means as well as being on the lower level initiates who are ignorant to it all. It is a cult and it is against God.
