

FREEMASONRY Pt. 6: SIGILS, CEREMONIAL MAGIC, SODOMY, PEDOPHILIA

WARNING – Mature content

If what I am revealing about freemasonry does not make sense to you I encourage you to watch all the sermons I have done on this subject over the years. Scott has created a tag on the sermons page for freemasonry so if you click on that all the sermons where I have covered the subject more in depth will populate for you there. It is important to understand who the freemasons are and how satan is operating in this world because we are not to be ignorant of the devil and his devices. **(2 Cor.2:11)** Too many people are sitting right in churches and trusting the government fully and don't even know what is really happening in this world. God never expected His church to be as ignorant as it is today. And by ignorant I just mean clueless spiritually about what is really going on.

Here you see the hexagram which is the same as the star of remphan in all of these occult religions: Hinduism, Catholicism, Islam, Buddhism, Judaism, Freemasonry, Mormonism, satanism and gnosticism – same star. This star has to

do with 666 because it has 6 small triangles, a six sided hexagon in the center and each small triangle point is supposed to be a 60 degree angle. So this thing is loaded with 6's.

I shared the following information in the sermon series – SATAN'S HIGH HOLY FEAST DAY. The hexagram - During Halloween time, if a sacrifice was not willingly provided, the home was cursed, druids would place a six-pointed star enclosed in a circle upon the door. An evil spirit would make this his point of entrance to take the victim's life. This drawing of the hexagram is where we get the phrase "putting a hex on someone." This is a highly demonized symbol and it does draw demons to it.

Here you see the hexagram in freemasonry: L: Busselton Masonic Centre, M: hexagram with the compass and square R: Masonic Temple with hexagram over

the entrance. The high level freemasons know that these symbols draw demons to them. They use these symbols in their witchcraft.

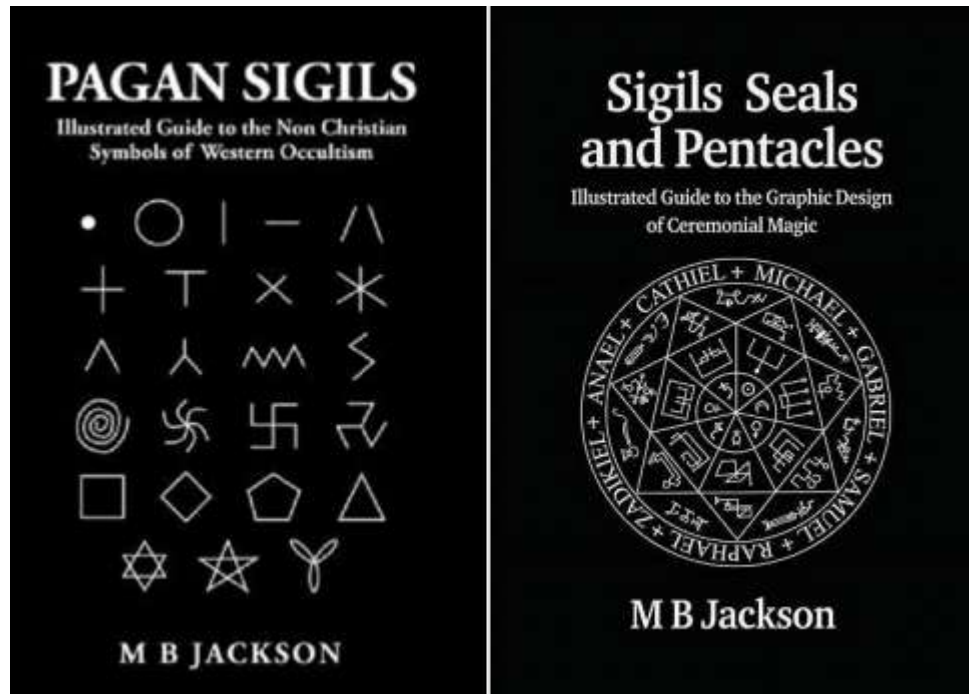

L: Star of remphan hexagram inside a Masonic lodge R: Hexagram on a freemason ring. The guys inside the lodge are an example of Billy Bob down the street, the everyday, common freemasons we see with bumper stickers on their car. These are not high level freemasons, they do not have the esoteric information, they are clueless but lend credibility to the organization for those who don't know the truth.

L: The symbol of The Grand Lodge of The State of Israel – you see a crescent moon, a cross and a hexagram inside the compass and square surrounded by laurel leaves for their sun god. M: There is no religion higher than truth – However, the truth they speak of is not God's truth and His is the only truth there is. This symbol is for the Theosophical Society started by Madame Blavatsky. You see the Hindu symbol Namaste at the top, there is an x used as a symbol for sun worship, and an ouroboros – the snake swallowing its tail surrounding the hexagram with an Egyptian ankh in the middle. R: Do what thou wilt shall be the

whole of the law. Love is the law, love under will. This symbol has a star in the middle but I have seen it without the star as well. The big triangle or chevron symbol on top has the very same thing below it and by not making straight lines on the bottom of the triangles it makes more points and more triangles. This is Crowley's symbol or sigil for Thelema. It is just a stylized hexagram.

Both of these books are written by M.B. Jackson: L: Pagan sigils – Illustrated guide to non Christian symbols of western occultism. You see the hexagram on the bottom row. These sigils are used in witchcraft to draw demons into places, people, ceremonies etc. R: Sigils, Seals and Pentacles. Illustrated guide to the graphic design of ceremonial magic.

Ceremonial magic is a type of magic that involves the use of rituals and accessories to work with spirits. It's also known as ritual magic, high magic, or learned magic.

How it works

- Ceremonial magic involves working with spirits, such as elemental, heavenly, or chthonic spirits
- It uses tools like alchemy, astrological alignments, and other correspondences
- It's often based on book learning and intricate sets of correspondences
- It involves precise and complicated rituals

Where it originated

- Ceremonial magic is part of Western esotericism and Hermeticism

Ceremonial magic is a type of magic that involves the use of rituals and accessories to work with spirits. It's also known as ritual magic, high magic, or learned magic.

How it works:

Ceremonial magic involves working with spirits, such as elemental, heavenly, or chthonic spirits. Elemental spirits are air, water, fire spirits, and chthonic spirits are spirits of the earth, underworld or fertility. All these spirits are demons / fallen angels.

It uses tools like alchemy, astrological alignments, and other correspondences

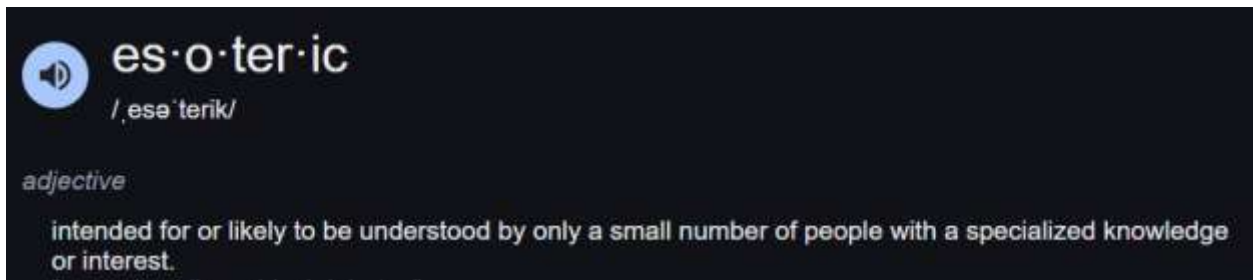

It's often based on book learning and intricate sets of correspondences

It involves precise and complicated rituals

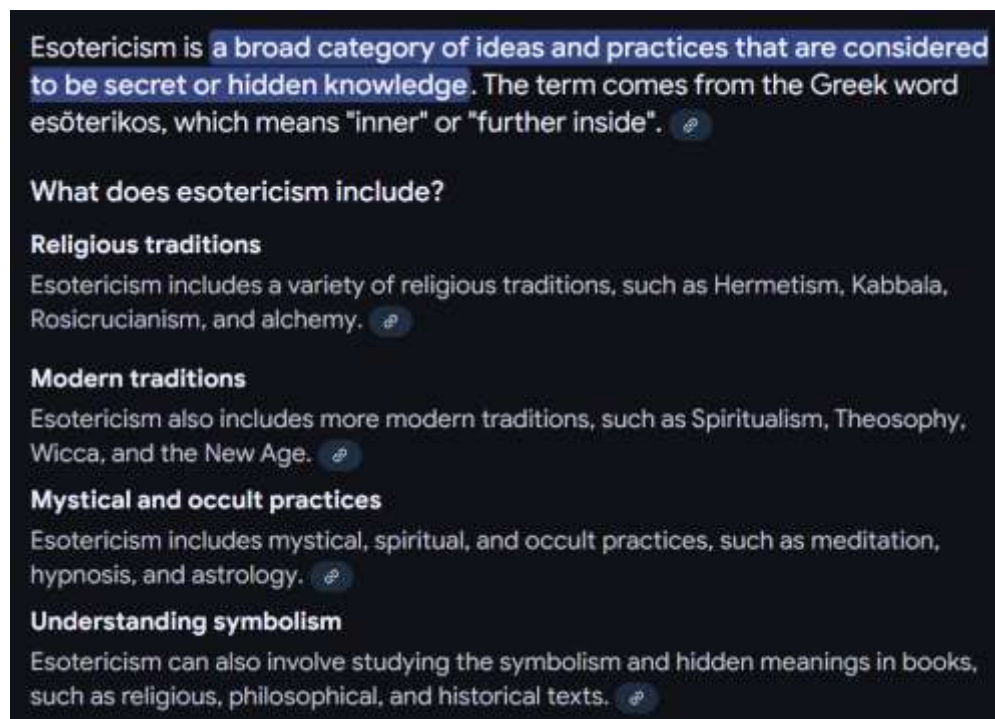

Where it originated

Ceremonial magic is part of Western esotericism and Hermeticism.

Freemasonry is packed with symbols and if the lower level initiate believes in the Bible then he is taught that the symbols represent Christianity. These will be fake definitions and things – a type of christianeze – the same thing that they do in New Age. When they speak of Jesus it is not the Jesus of Scripture.

Esoteric – intended for or likely to be understood by only a small number of people with a specialized knowledge or interest.

Esotericism is a broad category of ideas and practices that are considered to be secret or hidden knowledge. The term comes from the Greek word esoterikos, which means “inner” or “further inside”.

What does esotericism include?

Religious traditions

Esotericism includes a variety of religious traditions, such as Hermetism, kabbala, rosicrucianism, and alchemy.

Modern traditions

Esotericism includes mystical, spiritual, and occult practices, such as meditation, hypnosis, and astrology.

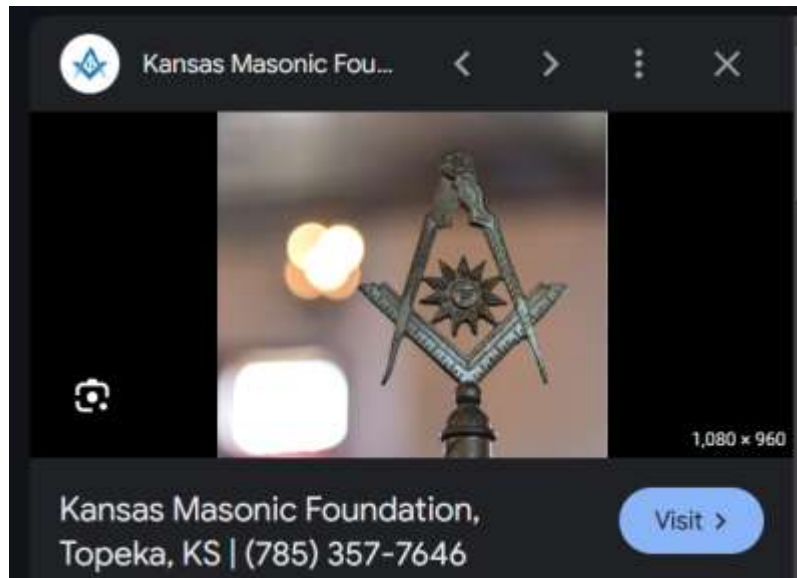

Understanding symbolism

Esotericism can also involve studying the symbolism and hidden meanings in books, such as religious, philosophical and historical texts.

High level freemasons, especially those behind the scenes that we don't see in the public eye, do ceremonial magic and rituals.

These are sigils – magic symbols for ceremonial magic. The double headed birds standing for power over government and religion. At the bottom are inverted pentagrams for baphomet the god of freemasonry and eastern star.

Kansas Masonic Foundation, Topeka, KS – notice the sun symbol inside the compass and square. Prince Harry's apron had the sun symbol on it. High level freemasons worship the sun god, baal who is satan. God said not to worship the things He had created, the sun, moon and stars and not to worship any other gods but Him. That is why freemasons who are luciferians worship the sun god who is satan. The fallen angels came down from the planets and stars and behind those symbols in freemasonry and all cult religions are the fallen angels.

This next video I shared in the sermon series SATNIC RITUAL ABUSE, SACRIFICES. It bears repeating as it is another witness to the pedophilia and sodomy that these high level cults, freemasonry, illuminati, Jesuits etc. are practicing.

Please play this video

Their dad was the leader of this cult and it involved the school, churches, restaurants etc. Wednesday was the sex day and so much sex was done to them. Those of us living normal lives can't fathom these things but God has called me to reveal these things in the church so that we can wake up to what is happening at high levels. Judges, cops, government, military, schools, especially Roman Catholic Churches etc. all participate in this. We have heard witness after witness after witness to the same things.

The following description was beneath the video:

Uk witchcraft cult sodomising children - to awaken third eye (artificially) through trauma. The base of the spine has a nerve which they try to stimulate through the anus, along with trauma. Which they believe will awaken the third eye (giving children spiritual clairvoyance) and flashes of cosmic consciousness. The trauma is used to create what we now call mpd (multiple personality disorder) in their victims. (The newer term is dissociative identity disorder).

In the occult, to program a person, they traumatize them, sodomize them, rape them etc. to the point that they split their personality from the pain, abuse and horrific things they see. Demons come into the person as well and from there it is a process of programming the alters that have been created through shattering the person. The person can be a woman and have male alters inside, child alters etc. Mrs. Joy said she had like a computer grid of alters created inside of her – thousands of alters. Programmed to do all sorts of things for the illuminati and never be suspected. This information about sodomy matches what we heard from Max Spiers last week.

“The act of sodomy is also performed to open up the victim's "third eye" which is suppose to enhance psychic ability.”

“Now these survivors have told me that the, "Key of David" is the Rothschild sodomy. The penetration occurs at an upward angle, so it strikes the nerves at the end of the spine and produces white flashes of light in the brain.”

The Master Plan of the Illuminated Rothschilds: Ron Patton interviews Marion Knox

This is from The Open Scroll:

“The act of sodomy is also performed to open up the victim’s “third eye” which is supposed to enhance psychic ability.”

“Now these survivors have told me that the “Key of David” is the Rothschild sodomy. The penetration occurs at an upward angle, so it strikes the nerves at the end of the spine and produces white flashes of light in the brain.” From *The Master Plan of the Illuminated Rothschilds: Ron Patton interviews Marion Knox*

Ritual sodomy specifically stimulates what's called the kundalini gland, which acts to stimulate the pineal gland (part of the brain). Some use drugs like peyote, mescaline or DMT for a similar experience, but ritual sodomy is the preferred means that appears to have no real substitute. There is a powerful ritual sex magick that was practiced by the ancients and is practiced today, which still manifests a powerful transformative supernaturalism.

Again, this matches what we heard Max Spiers explain to us last week. Remember, these luciferian family's and organizations are practicing ancient rituals and witchcraft. Most of them are born into this and have had this done to them and then they grow up and do it to those under their control.

I understand why it is called the key of Solomon because he went deep into pagan idolatry against God so they learned deep satanic and occult things from him. It is sad that they try to drag King David into their occult perversions by calling it the key of David here.

We are about to watch a clip from Cathy O'Brien and Mark Phillips sharing at the Granada Forum.

*Please play from 50:34 to 56:43 and from 1:36:25 to 1:37:09 Cathy O'Brien was a victim of mind control and Mark Phillips was a CIA agent (supposedly a good guy like Ted Gunderson was) he actually got her out of it. STOP

At that time because of government, the criminal faction of our government was so interested in D.I.D. (dissociative identity disorder) persons they knew that any child that was subjected to child pornography had to have endured trauma that was so horrible that they had to be suffering from that disorder. Therefore the criminal faction of our government sanctioned this child pornography ring so that they could identify and target children such as Cathy for the project. At that time, the politician, local politician mafia politician, the politician who was protecting this Michigan mafia pornography ring was a guy named Gerald Ford. This is the same Gerald Ford that went on to become the first unelected president of the United States. She never perceived his political affluence, she only perceived him as another abuser just like her father because Gerald Ford sexually abused her as a child and sexually abused her right on through her mind control victimization right on until Mark rescued her and her daughter Kelly in 1988.

Gerald Ford is not a pedophile per say, she calls him tri-sexual – he'll try anything, any age, anybody, anytime, anywhere just as long as he had control. He had a perversion of power in addition to his interest in mind control. He came out to their house and told her father how to raise her in the project according to government specifications. Her father had been caught sending child pornography through the U.S. mail. Because of the pornography he was approached and told that if he sold Cathy into that project he would have immunity from prosecution. He remains free from prosecution today for so called reasons of "national security." Her father thought it was wonderful and immediately sold her into the project. He felt the government condoned child abuse and so did she. He had 5 more children to be sold into the project as well (7 in all). Once her father sold her into the project, she was taken routinely to Mackinaw Island, Michigan, a political retreat where the Michigan governor's mansion is located, a Bohemian Grove of sorts where politicians met and discussed New World Order controls, where they discussed mind control, mind control of the masses, mind control of the school systems, how to use occultism as a trauma base. One of my sexual abusers at that time was the Prime minister of Canada, Pierre Trudeau. He is a professed Jesuit. The Jesuits are an intelligence arm of the Catholic Vatican. There's a criminal faction within these Jesuits. There's good and bad in everything. She's not saying all Catholics are bad etc. Pierre T. represented this criminal faction of the Catholic Church of the Jesuits that believe in this mind control of the masses. Because they wanted to be the One World Church of the New World Order. The money being brought in through the church was funding New World Order Controls. Another sexual abuser of hers was then Michigan Senator and later U.S. congressman Guy Vanderjag. He headed the committee that put George Bush into the office of President. It was at Mackinaw Island when she was 13 she was dedicated to U.S. Senator Robert Byrd who would become her "owner". It's not about Democrat or Republicans, it's about who is for the New World Order and who is not. He was head of the Senate appropriations committee. He held the purse strings of our country. He decided where money would be spent. He was appropriating money in directions that would allow for New World Order Controls. Not only that but her father for having sold her into this project was granted a lucrative military contract for making cam shafts for military automobiles. He became extremely wealthy on a 6th grade education. Senator Byrd as her owner decided where she would go and when and what operations she would carry out during the Reagan – Bush administration. What places should be taken specifically for mind control

programming. / Little children were being used in prostitution in Washington D.C. and it was written up in the newspapers at that time. There was a house of prostitution that these congressman were using that was using little children in there. Nobody thought to ask what happened to the little children that were being used? He said, they were moved right down the street, 2 ½ blocks away to three other houses of prostitution that still operate to this day.*(about 7 mins.)

Cathy's dad had always sexually abused her and Gerald Ford also told him specific things to do to her as well. For sexually abusing his children and selling them / trafficking them to the government he was rewarded with a big pay off from the government and the military – he became rich. It goes all the way to the top. She named presidents, prime ministers and senators and congressman. No one on the world stage or in a position of power at the top gets a pass, they all do this and participate in it.

Mark was talking about the government sexually abusing children and when it came out all they did was move the children down the street and continued the abuse. They might say they stopped doing these wicked crimes but they never do. They say that the mind control experimentation projects done by our government and military have stopped but that is just more lies. They know that naïve people believe anything they say. They are not going to stop doing something that gives them more power and control.

Revelation 22:14-16 - Blessed *are* they that do His commandments, that they may have right to the tree of life, and may enter in through the gates into the city. For without *are* dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.

Whoremongers are the sexually immoral and those loving and making lies are those who love to live a lie.

When New Jerusalem comes down from heaven, we are told that dogs will be kept out. As a baby Christian I thought, man God is really hating on dogs here. But furry dogs, like the ones most of us have as pets is not what is being referred to here. This is talking about a sodomite. God hates sodomites and they will not be in heaven.

Deuteronomy 23:17-18 – There shall be no whore of the daughters of Israel, nor a sodomite of the sons of Israel. Thou shalt not bring the hire of a whore, or the price of a dog, into the house of the LORD thy God for any vow: for even both these *are* abomination unto the LORD thy God.

A dog here, is speaking of a male prostitute – which is a sodomite because sodomy is what they participate in. God told the Israelites they were never to do the things that the pagan unbelieving nations did in worship of their gods – the fallen angels. He said do not even bring money that was received for doing such abominable acts into My Temple – it would not be accepted.

CLOSING

Those in positions of power who we see and those behind the scenes are seeking spiritual enlightenment from satan and the fallen angels by the perverse act of sodomy and other means. The more God hates something the better satan likes it and will reward those that practice it.

If you are in freemasonry and have The Holy Spirit in your life you should be feeling conviction to get out of it. I have already shown enough truth about this organization – it is not godly at all and is in fact against God in every way despite the fake Christian symbols and definitions they have taught you. They have given you exoteric information because you are on the outside. Just by linking yourself to this demonic organization you now have a demonic anointing on your life. You do not want this on your account when you stand before Jesus in judgement.

Freemasons like to be considered master builders, they are building a kingdom against God. They are laid on a wrong foundation and not on Christ.

I praise God for as much as He has allowed me to get out to you all thus far.
