

FREEMASONRY Pt. 7: MYSTERY RELIGIONS, MYSTICISM, WITCHCRAFT, BABYLON and EGYPT

I feel I have to give a disclaimer when speaking of freemasons, I am not speaking or teaching about the common, low level ones who live in our communities and attend the local lodges. When I'm talking about freemasons, I'm speaking of the high level ones, especially those behind the scenes that we never see or know much about like the Rothschilds. Like those that meet in lodges we'll never see pictures of and control everything behind the scenes. The ones that are possessed by and empowered by demons because they have willingly and on purpose summoned them and sought them out and worshiped them for power and control.

When I picked this series back up I was sharing some great and deep information about Aleister Crowley that was contained on this website: it was esoteric.edu.msu I wasn't finished reading and gleaning from it and now it has been taken down. This is how fast they censor truth these days.

The ceremonial witchcraft that high level freemasons practice, their rituals and occult practices come out of the mystery religions. Mystery religions and mysticism simply put are witchcraft. Those that participate in them are practicing witchcraft by worshipping demons and interacting with them, being granted the power over demons for a time like a contract and being possessed by them using them for their purposes by bowing down to satan and doing what he commands of them. We have already learned that the freemasons believe that they can gain immortality through this practice, worshipping the fallen angels and believing the

promises of satan to them and doing what he says they must do to have immortality. Which at the top of the list is sodomizing little boys.

Mystery religions were secretive religious cults in the Greco-Roman world that offered exclusive spiritual experiences and knowledge to their initiates, known as mystai. Notable examples include the Eleusinian Mysteries, Dionysian Mysteries, and the Mysteries of Isis, which often involved rituals centered around themes of death and rebirth.

In ancient times, "mysticism" primarily referred to **the practice of secret religious rituals and initiation into mystery cults**, where individuals sought a direct experience of the divine through participation in hidden ceremonies, often involving symbolic rites and practices, with the word itself deriving from the Greek "mystes," meaning "an initiate of a mystery cult." 

Key points about ancient mysticism:

Origin in Greek "mystes":

The term "mystic" comes from the Greek word "mystes," which describes someone initiated into a secret religious cult or "mystery religion" prevalent in ancient Greece. 

Secret rituals and knowledge:

Ancient mystical practices were often shrouded in secrecy, with only initiated members allowed to participate in the rituals and understand the deeper meanings behind them. 

Seeking divine union:

The core goal of mysticism in ancient times was to achieve a direct connection or union with a higher power through these mysterious practices. 

Example of an ancient mystical practice:

- **The Eleusinian Mysteries:** One of the most well-known ancient mystery cults in Greece, where initiates participated in rituals honoring the goddess Demeter, believed to grant knowledge about life after death.

The “divine” they seek to interact with is not God. None of this has to do with God. We know from reading His Word this is not how we come to Him but only through Jesus and in Old Testament times it was by obeying His Word, bringing the right sacrifices year after year and believing He would send The Messiah.

They are only going as far back as Greece and Rome with their definitions but the mystery religions spun out of what happened at the tower of Babel when God confused the languages, He busted up their rebellion against Him.

Genesis 11:1-9 - And the whole earth was of one language, and of one speech. And it came to pass, as they journeyed from the east, that they found a plain in

the land of Shinar; and they dwelt there. And they said one to another, Go to, let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for mortar. And they said, Go to, let us build us a city and a tower, whose top *may reach* unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people *is* one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. Go to, let us go down, and there confound their language, that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city. Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.

This land of Shinar in the KJV is Babylon. Nothing like making it confusing for us. Freemasons identify themselves to each other by asking if they are a traveling man? If the person is a freemason they will say they have traveled from the East. This ties into the passage we just read because they traveled from the east and settled in Babylon.

When God judged them at The Tower of Babel and broke up it up and changed the languages so that they could not understand each other, from that point on they came up with their system of using symbols, numbers, colors, sigils etc. in order to speak without saying a word and in order to identify themselves to each other. All of these things are used in their system of witchcraft and worship of satan and the fallen angels. The mystery religions actually date back to Babylon and Egypt.

Freemasons are initiated into this cult, they are initiates of the mysteries and the low level common freemasons who profess to be Christians, I'm sure are told they can get closer to God through freemasonry, maybe that it explains the Bible or takes them deeper in and closer to God. They are deceived right there if they believe in any other way except Jesus and there is no other thing to study to know God better, other than His Word.

They want knowledge about life after death. The occult seeks immortality, they believe in reincarnation and anything that will make them feel better about what happens after we die. As Christians we feed on God's Word and learn and grow from His Word. He reveals to us what He wants us to know and otherwise, the secret things belong to Him. **(Deut.29:29)** He has made it clear in His Word that it is appointed unto man once to die and then comes the judgment and He has told us in His Word that Jesus is the way to eternal life. They are seeking another way to live forever.

There are examples of the mystery religions in our Bibles, the mystery religions practiced in Babylon and Egypt where they worshipped false gods which are the fallen angels. They practiced all sorts and levels of witchcraft in these mystery religions.

Exodus 7:10-12 - And Moses and Aaron went in unto Pharaoh, and they did so as the LORD had commanded: and Aaron cast down his rod before Pharaoh, and before his servants, and it became a serpent. Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments. For they cast down every man his rod, and they became serpents: but Aaron's rod swallowed up their rods.

Egypt was a pagan nation and Pharaoh did not hesitate to call his sorcerers, also called magicians.

Jannes and Jambres – these men are witches, they threw their staffs down and they became serpents too. Moses' serpent ate their serpents. This was the first

god of Egypt that God came against. The serpent, which always represents satan, this was their main god and he was defeated right off the bat in front of Pharaoh and all those present. He has a serpent on his crown and this reflects where he got his knowledge and who he worshipped. These witches continued to challenge Moses at every turn.

Exodus 8:17-19 - And they did so; for Aaron stretched out his hand with his rod, and smote the dust of the earth, and it became lice in man, and in beast; all the dust of the land became lice throughout all the land of Egypt. And the magicians did so with their enchantments to bring forth lice, but they could not: so there were lice upon man, and upon beast. Then the magicians said unto Pharaoh, This *is* the finger of God: and Pharaoh's heart was hardened, and he hearkened not unto them; as the LORD had said.

Finally they admitted they could not duplicate the miracles God was doing anymore. God holds all the power. satan has power to do miracles which the Bible calls lying signs and wonders (**2 Thess.2:9**) and that is because they are not done by God's hand. satan is not and never will be more powerful than God.

Last week I came across some research claiming that freemasonry came out of the ancient mystery religion of Egypt. There certainly is plenty of evidence for this stand point as well. I have been saying that freemasonry came out of Judaism, well Judaism came out of Egypt and Babylon. The Israelites always learned from their pagan neighbors and it was deeply engrained in them when they lived in Egypt and were enslaved in Egypt, as well as Babylon. They never seemed to make it back to a pure and holy state after coming out of bondage to these nations.

Let's take a look at the tell tale signs of the Egyptian Mystery Religion in Freemasonry.

Egyptian Hall Grand Lodge of Pennsylvania. There are pharaoh faces on each side of the pillars and looks like the Egyptian false goddess Hathor in the background on the right, there are sun discs surrounded by serpents and sphinx's and Egyptian altars in this lodge as well as three golden pyramids in the artwork in the background.

Attribution 4.0 International (cc By 4.0) Here you see the winged sun disk flanked by cobras and the lotus pillars are crowned with Egyptian Pharaohs on all sides and the artwork all depicts Egypt.

This is from the museum of freemasonry. Bejewelled: Badges, brotherhood and identity – discover the badges of the freemasons. This is clearly Egyptian and clearly and proudly linked to freemasonry. There is the square overlaid on top of an Egyptian Pharaoh image here as well as the winged sun disk being worshipped.

In this lodge, you see all the Egyptian stuff and to the left is Hathor and to the right is maybe Isis if she has a throne on her head. Remember the mysteries of Isis that are practiced by those in the occult that have to do with death and rebirth. There are the pharaoh sphinx's. There is so much symbolism and imagery in each picture that I'm not addressing but just trying to highlight some of the main things.

Temple of The Swedish Order of Freemasons in Stockholm

Again, notice the Egyptian sphinx's in this freemasonic temple. This is the Temple of The Swedish Order of freemasons in Stockholm. Look at the big red Masonic crosses. And of course the ritual magic black and white checkerboard floor.

Kansas Freemasonry Lodge 120 has a sphinx out front. There are sigils on this statue. Sigils are symbols and emblems that are used as drawing points and points of entry for demonic powers and demons.

Freemason Hall in Dublin, Ireland. Notice the Pharaoh sphinx's inside the room and the Egyptian décor. Look at the cube in the center of the room, there is the current star of Israel. That is not the star of David but the star of remphan. **(Acts 7:42-43)** A hexagram, a highly demonized symbol.

Notice the winged sun disk of ancient Egypt over the leader of the lodge's seat. And to either side of the red chair there are Egyptian pharaoh heads. You see up top by the ceiling the 2 cobras surrounding the disk of the sun as well.

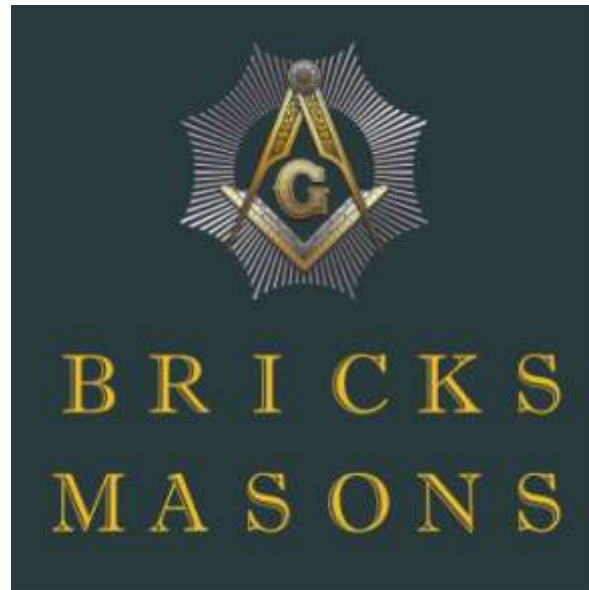

There is no way I would have anything to do with an organization so steeped and tied to the ancient mystery religion of Egypt. As a minister of God's, it is so clear and easy to see how obviously wicked freemasonry really is.

CLOSING

They pride themselves on being called masons and tie it to Scripture saying they were stone masons like those who built the Temple of God but it goes back to Babylon, where they were making bricks for their kingdom against God. They are also known as "brick boys."

George Floyd is speaking to the brotherhood here. They use the brotherhood for their purposes and no I don't believe he's dead just like I don't believe Epstein is dead either. I did a huge work up on the George Floyd event but never had time to get to it.

satan and those who serve him are still in rebellion against God, still trying to finish what he started way back in Biblical times. Don't worry, God has the last laugh! (**Psalm 2:4, Psalm 37:13, Psalm 59:8**)
