

# FREEMASONRY Pt. 8: ANCIENT EGYPTIAN FREEMASONRY, EGYPTIAN MYSTERY RELIGION, OSIRIS, SHRINERS, HIRAM ABIFF

Last week I began exposing how freemasonry came out of the ancient mystery religions.

Listen to this foreward to a writing on freemasonry:

It is once more my privilege to usher into the world, for the helping of the thoughtful, another volume of the series on the hidden side of things written by Bishop Charles W. Leadbeater. True Mason that he is, he is ever trying to spread the light, which he has received, so that it may chase away the darkness of chaos. To look for the light, to see the light, to follow the light, were duties familiar to all EGYPTIAN MASONS, though the darkness in that ancient land never approached the density which shrouds the west today.

**\*\*They speak of Egyptian freemasons here and on that website they show how ancient Egypt and freemasonry were married together all along.\*\***

Notice their use of the word light, looking for the light, following the light etc. They use Christian trappings to deceive those that join believing it is a Christian organization. New Age talks about light a lot and has light workers. The light they speak of is not Christ but lucifer, whom they say is the light bringer or bearer that they serve. The one who illuminates them. They say he brought light into this world because when Adam and Eve listened to him, thus sinning against God, they had knowledge of good and evil.

After this forward the Masonic site shared a huge writing by Annie Besant. A woman freemason occultist.

Here she is in her freemasonic regalia and doing the lion's paw in the center picture.

And as the mantra is repeated these stars pile up behind one another to form a tube having this five-pointed form of cross-section, which makes a channel for spiritual force coming from Shri Krishna, who is the same Being as the Lord Maitreya, the present Bodhisattva or World-Teacher, the Great One who entered into the body of Jesus as the Christ. With this force coming through it the mantra can be used for many purposes, such as healing, or the removal of fire and other elementals, as well as for general good.

She wrote: And as the mantra is repeated these stars pile up behind one another to form a tube having this five-pointed form of cross-section, which makes a channel for spiritual force coming from Shri Krishna, who is the same being as lord maitreya, the present bodhisattva or world-teacher, the great one who entered into the body of Jesus as the Christ. She writes that a Hindu false god entered into Jesus and is attributing what Jesus said and did - to him. What blasphemy! Mantras and all of this has to do with New Age, with Hinduism and all of that is witchcraft, which is idolatry against God and can be seen in the secret societies such as freemasonry. This is what they say about Jesus. She was a female freemason and writing specifically to the male freemasons to enlighten them on some of the true ancient meanings of their cult. This is what they believe and teach about Christ – the esoteric information. The article was very lengthy and linked freemasonry with ancient Egypt and Jesus was only mentioned 3 times and this was the main thing said about Him, that He was empowered by a Hindu god. Blasphemy is what it is, lies and false teachings.

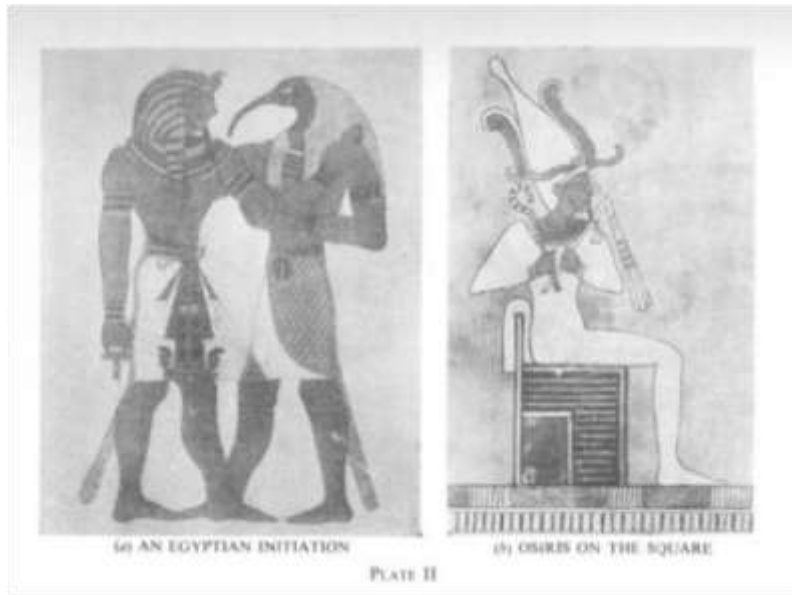

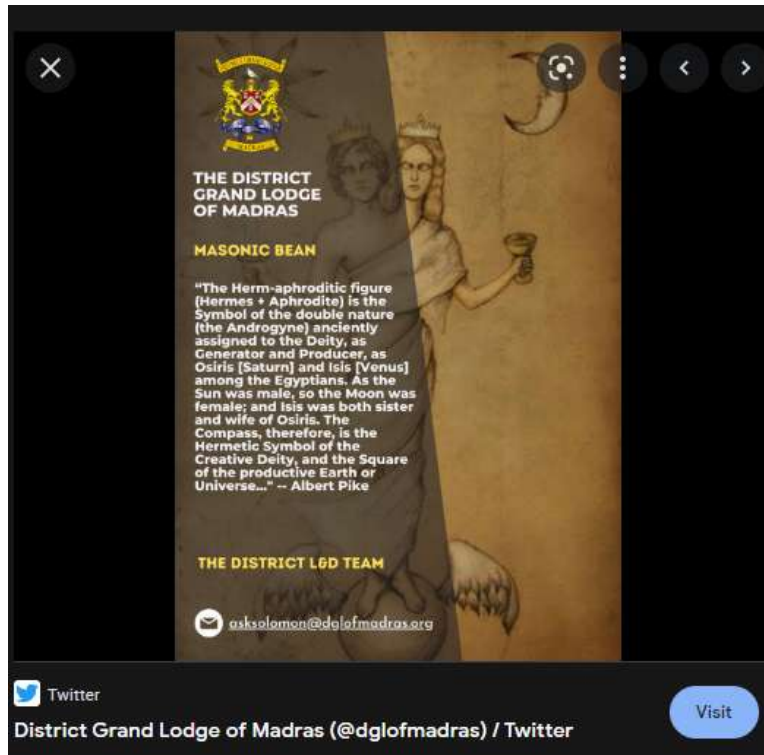

Plate II shows L: An Egyptian initiation In freemasonry, they have their secret hand-shakes; they stand in certain ways for initiations and rituals. The one hand on the shoulder and thoth, the one with the birdlike head, touching his arm and his back – this is part of their rituals. R: Osiris on the square. Notice the throne Osiris is sitting on, they call it the square. Osiris was supposed to be Nimrod but really I believe Osiris is just another name of satan's.

## The District Grand Lodge of Madras – From The Masonic Bean

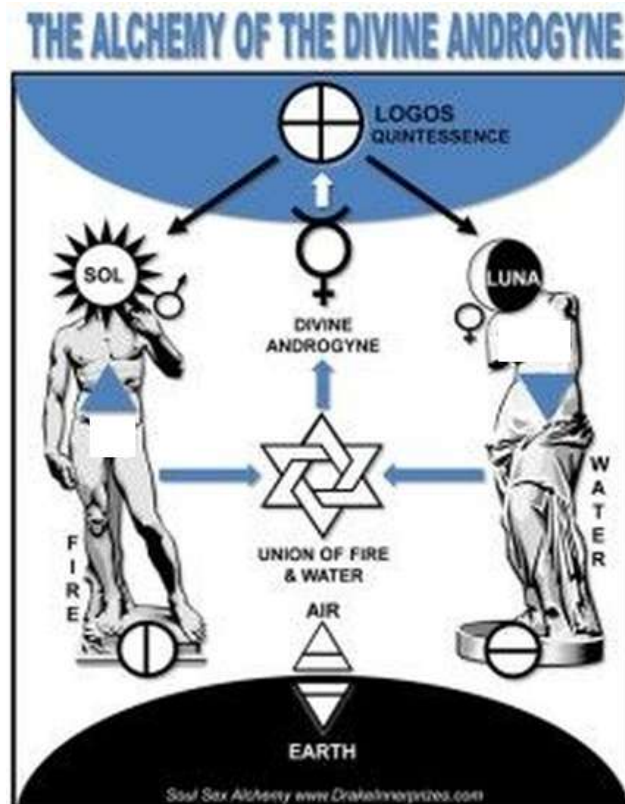

“The Herm-aphroditic figure (Hermes + Aphrodite) is the symbol of the double nature (The androgyne) anciently assigned to the “deity”, as generator and producer, as Osiris (saturn) and Isis (venus) among the Egyptians. As the sun was male, so the moon was female; and Isis was both sister and wife of Osiris. The compass, therefore, is the Hermetic symbol of the creative deity, and the square of the productive earth or Universe...” –Albert Pike

Please keep in mind that Albert Pike, who was a revered leader of the Scottish Rite of Freemasonry says here that Osiris is the same as the ancient god saturn and he is considered a sun god and the creative deity. Initially in my research about the truth of Christmas, many things led to Nimrod. He was a wicked man but let's be clear, these high level freemasons and luciferians are not worshipping Nimrod. They worship lucifer and they really have not tried to hide it much lately. Maybe initially they did but not anymore and their writings plainly state who they worship and who those that have already died, worshipped. Albert Pike sang lucifer's praises and that is who Osiris and saturn really are.

They try to introduce this false teaching of androgyne into the church.

**Genesis 1:27** - So God created man in His *own* image, in the image of God created He him; male and female created He them.

The false teaching goes that God created Adam in a body that was male and female until the time He decided to separate them.

The alchemy of the divine androgyne. Logos quintessence – pointing to sol for the sun god with the fire symbol being a triangle pointing upward. Pointing to luna for the moon goddess with the water symbol being a triangle pointing downward. You see in the middle a symbol or sigil for divine androgyne and then the union of all this, of fire and water of male and female forms the intertwined hexagram. Also they show the symbol for air an upward facing triangle with a line and earth a downward facing triangle with a line through it.

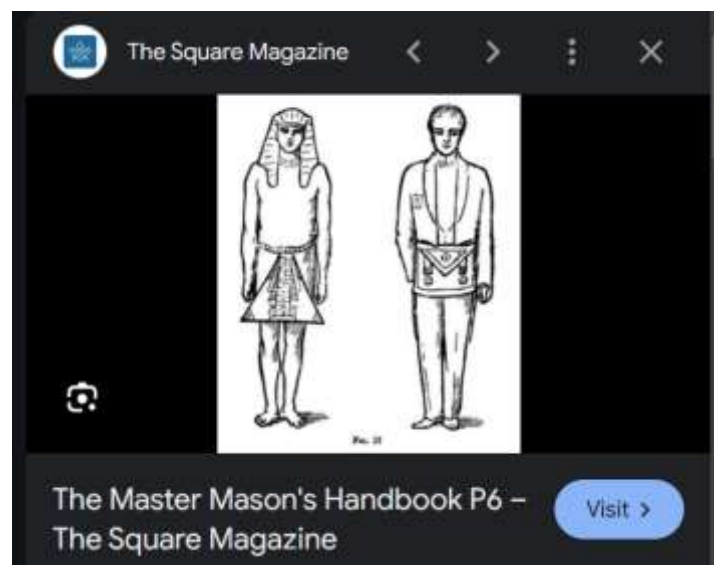

Alchemy tied with religion or spiritualism is witchcraft. The occult, and freemasonry is part of the occult, practice all of this in their ceremonial magic. This is what Albert Pike just spoke of. He linked the sun and all it's symbolism to Osiris, saturn, lucifer and the moon to Isis also called venus. Isis was a mother

goddess and that is why her symbolism is tied to the earth or universe – mother nature or mother earth would be titles of hers. He links Osiris with lucifer as the creative deity – the symbol of the compass standing for him. The square symbolizing the earth or mother goddess – the productive earth or universe.

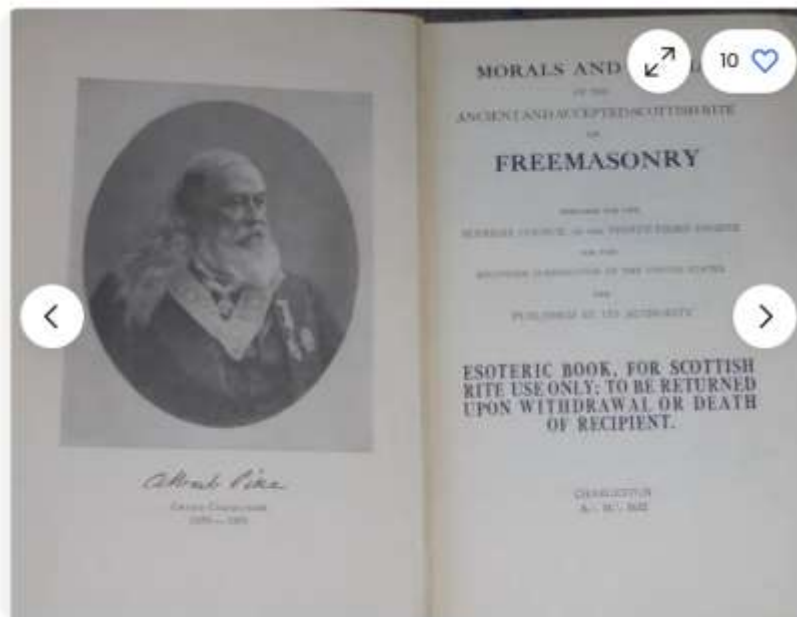

Ancient architects. The pyramid apron of the pharaohs and the Masonic tomb of Seti I.

The Egyptians wore little apron skirts as do the freemasons covering their jewels – private parts. They probably teach Christian initiates that it represents the covering of Adam and Eve after they sinned against God.

Albert Pike believed that Hiram was actually Khur-om, which he thought was the same as the sun god Heracles. Pike was an Arkansas historian who wrote *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*, which was first published in 1871.

Youtuber: givingGodtheglory wanted me to talk about Shriners too.

Yes, all Shriners are Freemasons, but not all Freemasons are Shriners. Shriners International is an appendant body of Freemasonry.

All shriners are freemasons, but not all freemasons are shriners. Shriners International is an appendant body of Freemasonry. Those you see on tv and those doing all the “good” are still freemasons.

### Shriners' name

The Shrine's full name is the Ancient Arabic Order of the Nobles of the Mystic Shrine (A.A.O.N.M.S.). The initials can be rearranged to spell "A MASON".

Ancient Order Imperial Council Nobles Mystic Shrine – North America 6/6/1876  
You see all the sun symbolism for their sun god lucifer and again, a sphinx inside a pyramid – all goes back to Egypt. This alludes to a mystic shrine.

Ancient Egyptian Arabic Order Nobles Mystic Shrine. The freemason's religion is the same as the mystery religion of ancient Egypt. Notice the pharaoh and the pyramids here. They aren't hiding it, it is right out in the open if we have eyes to see.

Do not forget the guy who was a Shriner who kept saying lucifer was pure and good and holy and he even said he was lucifer. All shriners are under the same demonic anointing from Crowley and Pike. Freemasonry at the root of it is worship of satan. It is like joining a satanic church but you didn't research it and no one told you it was a satanic church but it is still against God and there you are in league with it. We will be judged for sins of ignorance too.

## Osiris Shriners, Osiris the god of Egypt.

This book will be welcomed by all Freemasons who feel the beauty of their ancient Rite, and desire to add knowledge to their zeal. The inner History of Masonry is left aside for the present, and the apprentice is led by a trustworthy guide through the labyrinth which protects the central Shrine from careless and idle inquirers. Places that were obscure become illuminated; dark allusions are changed to crystal clarity; walls which seem solid melt away; confidence replaces doubt; glimpses of the goal are caught through rifts in the clouds; and the earth-born mists vanish before the rays of the rising sun. Instead of fragments of half-understood traditions, confused and uninterpreted, we find in our hands a splendid science and a reservoir of power which we can use for the uplifting of the world. We no longer ask: "What is the Great Work? We see "that it is nothing less than a concerted effort to carry out the duty that is laid upon us, as those who possess the Light, to spread that Light abroad through the World, and actually to become fellow-labourers with T.G.A.O.T.U. in His great Plan for the evolution of our Brn".

This writing is from Annie Besant the female freemason teaching the male masons the truth of their occult: This book will be welcomed by all freemasons who feel the beauty of their ancient rite, and desire to add knowledge to their zeal. THE INNER HISTORY OF MASONRY IS LEFT ASIDE FOR THE PRESENT, AND THE APPRENTICE IS LED BY A TRUSTWORTHY GUIDE THROUGH THE LABYRINTH WHICH PROTECTS THE CENTRAL SHRINE FROM CARELESS AND IDLE INQUIRERS. So she speaks of protecting the central shrine from careless and idle inquirers.

The ancient Egyptians have often been accused of polytheism, but in reality they were no more guilty of the charge than are the Hindus. All men knew and worshipped the One God, Amen-Ra, the "One without a Second", the centre of whose manifestation on the physical plane is the sun; but they worshipped Him under different aspects and through different channels. In one of the hymns addressed to Him it was said:

The gods adore Thee, They greet Thee, O Thou the One Dark Truth, the Heart of Silence, the Hidden Mystery, the Inner God seated within the shrine, Thou Producer of Beings, Thou the One Self. We adore the souls that are emanated from Thee, that share Thy Being, that are Thyself. O Thou that art hidden, yet everywhere manifest, we worship Thee in greeting each God-soul that cometh forth from Thee and liveth in us.

Continuing: The ancient Egyptians have often been accused of polytheism, but in reality they were no more guilty of the charge than are the Hindus. Make no mistake The Egyptians and the Hindus are polytheists – they worship multiple gods – the fallen angels. In this article they refocus from many gods and name one god above them all, this one, they say is amen-ra and his symbol in this realm is the sun.

From the Freemasonic Oxford Bible: Plate I – Egyptian gods and goddesses

Ptah - the creator, amen - father of the gods, ra – the sun-god and thoth – scribe of the gods.

This is blasphemy against God and shows exactly who they worship. amen is satan – I did a huge teaching on that. satan wanted to be God.

In the hymn they refer to amen-ra as the dark truth, and the heart of silence. They have a sign of silence they use to pay reverence to him and to speak of their oath not to talk and to identify themselves to the brotherhood.

A.F. & A.M. Means ancient free and accepted masons. The bottom saying translates to: Dare to see and be silent.

The high level freemasons use a sign of silence to speak to the brotherhood and show their allegiance to keep its secrets.

L: Dalai Lama, M: Cardinal Bishop Tarcisio Pietro Evasio Bertone R: Obama – all signifying the sign of silence here. Speaking without saying a word.

When Nimrod started the great rebellion against God by building the tower of Babel and setting up a government system that was against God, a government without God and a religious system that did not worship God – then God confused the languages so that they could not continue building the tower. Since that time satan came up with a system of worship based on symbols. That is how they speak today in mixed company, that is among those who do not belong to the brotherhood. They do this on tv all the time, they are speaking without saying a word. They flash their hand signs, use symbols for their corporation logos – they always identify themselves to each other as well as salute and pay tribute to their master. The symbols are a form of witchcraft. Remember the philosopher Pythagoras, his initiates had to identify themselves in some way by the number 666. These are the things those in the occult do, things freemasons do.

Here are two quick examples of company logos sporting 666. Google conglomerate is a huge government spying machine and CERN who has not made a secret of being involved in occult things. They say they were trying to discover the “God particle”. They are really searching for immortality. They will just tell the world they have figured out the big bang and go on from there to deceive the world further that God didn’t just speak everything into existence and those believing government paid for science will swallow it up hook, line and sinker and this reinforces their stance that there is no God. THEY KNOW THE TRUTH – they just don’t want to receive Christ.

**Open Broadcaster  
Software**

Open Broadcaster Software – I use this software when I make a short. Can you see the 666 in their logo? So wicked and right out in the open. This stuff is everywhere.

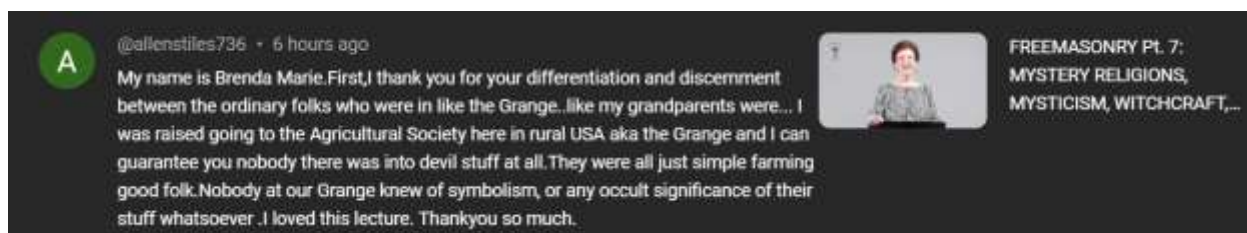

Dos Equis beer is honoring Egypt with a pharaoh between two x's. In the mystery religions the X stands for the sun god Osiris and ultimately for satan. This company logo is showing their 666 because in Pythagorean the  $x = 6$ . The 2 red x's are on top of a big gold x so that makes 666. God is the color the occult uses in worship of the sun god.

Low level initiates are told that freemasonry dates back to Hiram in Scripture who came out of Tyre and had wisdom and understanding to do all the work for the Temple.

**1 Kings 7:13-14** - And king Solomon sent and fetched Hiram out of Tyre. He *was* a widow's son of the tribe of Naphtali, and his father *was* a man of Tyre, a worker in brass: and he was filled with wisdom, and understanding, and cunning to work all works in brass. And he came to king Solomon, and wrought all his work.

He was half Israelite since his mother was of the tribe of Naphtali. He came and did all the metal work and skilled work needed for the Temple. Freemasonry calls him Hiram Abiff even though my Bible only refers to him as Hiram Abi. They use this guy as their cover story, or exoteric information for those that are not privy to the inner, hidden information, the esoteric information. Interesting to note that he was not a stone mason, the Scriptures do not say he worked with stone.

On part 7 - Youtuber allenstiles736 shared this: My name is Brenda Marie. First, I thank you for your differentiation and discernment between the ordinary folks who were in like the Grange...like my grandparents were...I was raised going to the Agricultural Society here in rural USA aka the Grange and I can guarantee you nobody there was into devil stuff at all. They were all just simple farming good folk. Nobody at our Grange knew of symbolism, or any occult significance of their stuff whatsoever. I loved this lecture. Thank you so much.

I appreciated her comment and this is what I'm trying to bring out now which I did not bring out in years past. There are so many innocent people caught up into this occult organization unknowingly. That is a big part of why I am bringing this to light. Because the same satanic anointing flows out over everyone who has joined themselves to this no matter who they are – knowingly or unknowingly. The same demonic anointing on Aleister Crowley, on Albert Pike, on Annie Besant – satan's anointing flows out over the whole thing and into the lives of everyone who has joined themselves to this. That is why I encourage you to wake your family and friends up about this. It's not too late for them to come and repent and ask forgiveness and get out of it. To break the oaths they took, to break the covenant with satan by being part of this and have God's forgiveness and deliverance from it.

## CLOSING

**Matt.24:24** - And Jesus answered and said unto them, Take heed that no man deceive you.

Jesus was talking about the time of His return and what would go on before then. He said that many would come in His name saying He is Christ but they would deceive those who listened to Him. We need to understand freemasonry and recognize that it is a cult because our world leaders are in this cult. They make up the beast system government and they serve satan's agenda. They want lucifer to rise up and empower and indwell the antichrist.

**2 Cor.2:11** - Lest satan should get an advantage of us: for we are not ignorant of his devices.

We are not to be ignorant of satan's schemes and plans and how he works in this world. If you can't recognize him and those that serve him in this world, you will be deceived.

Next week I'm going to share with you who I think Hiram really is.
