

FREEMASONRY Pt. 9: SUN WORSHIP, SUN GODS, HIRAM ABIFF, LUCIFER

I left off last week talking about Hiram Abiff because freemasonry has a few legends that equate masonry to him, the Biblical character, because of his skill. Some freemasons believe Hiram is Tammuz. Tammuz is another name for Horus, Osiris' son in Egypt, a sun god. Or for Nimrod and Semiramis' son, Tammuz who is said to be the reincarnated sun god. Remember there were women weeping outside God's temple for Tammuz. This was mandatory worship required by his mother for him once he was killed. **(Ezekiel 8:14)** God was showing Ezekiel all the idolatry and wickedness going on against Him right in His own temple. We really shouldn't be surprised to learn that the mega churches are in satan's grip.

Last week we learned that a high ranking freemason, Albert Pike, believed that Hiram was khur-om, a sun god. Aleister Crowley, a very high ranking freemason, referred to himself as "the beast 666". Crowley also said "the beast 666" only means sunlight, you can call me "little sunshine." I have shown over the last few weeks how freemasonry came out of the ancient mystery religions of Babylon and Egypt who worshipped sun gods. The sun gods they worshipped are fallen angels of whom satan or lucifer is the head of them all.

In paganism, "sun god worship" refers to the practice of venerating the sun as a deity, often personified as a powerful male god associated with light, life, and warmth, with many different cultures across history having their own specific sun god figures like Ra in Egypt, Helios in Greece, or Sol Invictus in the Roman Empire; this practice is considered a central element of many ancient polytheistic religions due to the sun's vital role in sustaining life on Earth.

In ancient Egyptian religion, Osiris was associated with the setting sun, while Horus represented the rising sun. Although Osiris is often depicted as the god of the dead, some interpretations suggest he was also a sun god.

This freemasonic badge is called a jewel in freemasonry. The first time I showed it we could see it very well but now we can see it a little better. In the sun symbol at the top which stands for lucifer with wings for divinity and showing dominion, there is engraved Author's Lodge. The sun symbol which stands for the sun god lucifer, Osiris, horus, ra, amen etc. is encircled with cobras which also always symbolize satan, that old serpent from the garden of Eden. The false goddesses kneeling here in worship are Maat and maybe Isis or Nephthys. The thing in the middle of them is called a djed and is a symbol of Osiris, they say it represents his spin and regeneration or rebirth. They say he died and rose again. There is his symbol, the ankh raising arms to the sun god. Below it, the pharaoh is also Osiris, the king and god of ancient Egypt. He is green for new life and rebirth. He has wings for divinity and dominion and he is standing with the square and he is called the compass.

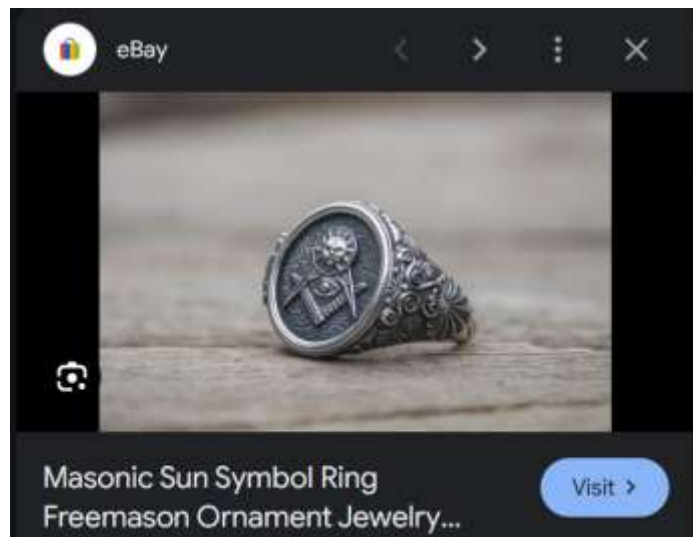

I believe these were associated with the past master mason – sun symbolism is just too obvious.

Masonic supply shop, grand master aprons – again more sun symbolism.

Here is a Masonic ring, with the all seeing eye of lucifer surrounded with sun rays. Masonic jewelry his highly satanic. These are demonized objects, if you have inherited anything Masonic you need to destroy it and ask forgiveness.

Another Masonic ring with the sun symbol, all seeing eye of lucifer and compass and square.

Prince Harry is certainly a freemason as are all the royals. There is a huge sun symbol beneath his hands on his apron and on his medallion too. Everything these people do and say that we are privy to is scripted.

Here is Osiris in Shriner freemasonry, they really make no secret and are not trying to hide this. They just know that most people have no clue what any of this means and they just believe what they are told about it.

We are led to believe the stories of Osiris the god of Egypt are just myths or legends. What is really hidden in these myths and legends, in mythology are the things that went on with the fallen angels. You find all sorts of supernatural things in these tales. It is just hard to get down to the truth of it because they will have varying stories throughout mythology and the things that went on in ancient times. We have to remember there was a time when the fallen angels walked the earth openly and they did mate with human women and have offspring which are called nephilim or giants – supernatural beings – part human and part supernatural. **(Genesis 6:4)** The word hero was always equated with the offspring of the fallen angels.

This is a freemasonic car windshield sun visor. It says the pursuit of knowledge. Too bad they are not pursuing knowledge from God , when you fear Him you will gain knowledge, understanding and wisdom. **(Prov.2,6 & 9:10)** They however, have no problem aligning with an organization that is taking them back into paganism against God. The o's having dot's in the middle is symbolism of sun worship and of the generative god that the freemasons serve – for fertility.

WHO I BELIEVE HIRAM REALLY IS

Freemasonry points back to Hiram Abiff who was skilled to do all the work for God's Temple. Never does it say he was a stone mason but that he was skilled

and had wisdom and understanding to do the things he was hired to do. There is another Hiram in Scripture, King Hiram, who supplied cedar wood, cypress wood and labor for the building of God's Temple. **(1 Kings 5:1-7, 10)**

High level freemasons claim their bloodline goes all the way back to Hiram, the skilled craftsman who had knowledge and wisdom. The Bible says skilled craftsmen came out of Tyre in fact King Solomon bragged on them to King Hiram. **(2 Chr.7-8, 14)**

I believe underneath the cover story where they use Hiram the skilled craftsman, they are really honoring the ruling spirit over the city of Tyre because of the wickedness practiced there. Tyre was a Phoenician city and some of the gods they worshipped were baal, asherah or astarte. God pronounced major judgements against that city later in Scripture. **(Ezekiel ch.26)**

In fact there is duality in Ezekiel where God is speaking judgment against the king of Tyre.

Ezekiel 28:1-19 - The word of the LORD came again unto me, saying, Son of man, say unto the prince of Tyrus, Thus saith the Lord GOD; Because thine heart *is* lifted up, and thou hast said, I *am* a God, I sit *in* the seat of God, in the midst of the seas; yet thou *art* a man, and not God, though thou set thine heart as the heart of God: Behold, thou *art* wiser than Daniel; there is no secret that they can hide from thee: With thy wisdom and with thine understanding thou hast gotten thee riches, and hast gotten gold and silver into thy treasures: By thy great wisdom *and* by thy traffick hast thou increased thy riches, and thine heart is lifted up because of thy riches: Therefore thus saith the Lord GOD; Because thou hast set thine heart as the heart of God; Behold, therefore I will bring strangers upon thee, the terrible of the nations: and they shall draw their swords against the beauty of thy wisdom, and they shall defile thy brightness. They shall bring thee down to the pit, and thou shalt die the deaths of *them that are* slain in the midst of the seas. Wilt thou yet say before him that slayeth thee, I *am* God? but thou *shalt be* a man, and no God, in the hand of him that slayeth thee. Thou shalt die the deaths of the uncircumcised by the hand of strangers: for I have spoken *it*, saith the Lord GOD. Moreover the word of the LORD came unto me, saying, Son of man, take up a lamentation upon the king of Tyrus, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, and perfect in

beauty. Thou hast been in Eden the garden of God; every precious stone *was* thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. Thou *art* the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. Thou *wast* perfect in thy ways from the day that thou wast created, till iniquity was found in thee. By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire. Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee. Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee. All they that know thee among the people shall be astonished at thee: thou shalt be a terror, and never *shalt* thou *be* any more.

It is interesting to note that the other translations do not mention pipes and tabrets but only beautiful clothes adorned with these precious stones. We always equate satan with the ability to make beautiful and mesmerizing music. On the flip side of that, there is very wicked music as well that will open the door to demons. satan has certainly capitalized and set up his kingdom over the music industry – every single genre including contemporary “christian” music. This passage spoke of the beauty that lucifer had in heaven, he was beautiful and this added to his pride.

For many believers heavy metal remains inextricably tied to the devil. A kind of doorway or portal like quija boards, witchcraft or other occult practices that can invite the forces of darkness into a person’s life. Dave Mustaine is one of the founding “gods” of metal. A founding member of Metallica and founder and front

man for Megadeath. He says he has no doubt about the devil. Dave says, the greatest lie satan's ever told is convincing people he doesn't exist. And you know you see people and they think he's red and that he's got a goatee and a pointy tail and stuff like that. He doesn't. He's very beautiful, he's an angel. Why would he look like some monster? He's capable of looking just like you. He could be in this room right now, we wouldn't know it. Interviewer says, that's a scary thought. Dave says, it's a very scary thought. *(about 1 min.)

The kind of music Dave plays will certainly open doors to fallen angels in your life. No doubt I believe he's seen the devil himself and he says he's beautiful. satan can appear however he wants to but we know that in heaven he was a beautiful angel. I believe he can appear as monstrous, scary, part animal and part human or beautiful. Whatever serves his purpose at the time is how he will appear.

The passage of Scripture in Ezekiel is about the king of Tyre but is also the very passage that speaks of lucifer and iniquity being found in him. God uses sarcasm when He says, behold you are wiser than Daniel. He tells the King of Tyre he is very proud. These are the very things that we are told caused satan to fall from grace, his beauty and his pride and wanting to be God. So because he thought he was as wise as God, God pronounced judgment against him. This goes for the King of Tyre and for satan. God begins by speaking to the King of Tyre who is just like his master, satan. God then switches and begins to speak of lucifer who the King of Tyre is mimicking.

When this passage of Scripture was written, a different king was king over Tyre, not King Hiram. But from Scripture we are told that the skilled craftsmen who did the work for the Temple of God came out of the city of Tyre. Where Hiram Abiff – was from and where King Hiram had ruled. I believe you have to trace back to this city to see the real connection to freemasonry for who they really worship. The false information is built on Hiram but the ones who have the esoteric information know it is really lucifer that they honor, worship and serve. As the shiner mason attested to on video a few weeks back.

CLOSING

High level freemasons know the truth, they have the esoteric knowledge, they use the masons that worked with stone in the Bible and Hiram to prop up their organization and make it appear to be Christian to draw Christians into it. This is how they twist and use Scripture. They make up Christian meanings to go along with their symbols and use all this to deceive low level initiates into believing it is all Christian and good and accepted by God.

Freemasonry hides the fact that lucifer is the god it worships from new and low level initiates. This information is reserved for high ranking freemasons. The initiates will be tested as they climb the ladder and if they give the right responses they will eventually reach the higher levels and be given the truth, that they are worshipping lucifer. By then most of them will already be on the hook, thriving in business, money is not a problem, the brotherhood helps them out and they will not leave the organization.
