

FREEMASONRY Pt. 15: AMEN, OSIRIS, LUCIFER, X SYMBOL, MASTER BUILDERS

Annie Besant, a female freemason who was teaching the male masons - wrote: All men knew and worshipped the one god, amen-ra, the "one without a second," the centre of whose manifestation on the physical plane is the sun; but they worshipped him under different aspects and through different channels.

amen, 2nd from the left is shown here to be the father of the gods in the oxford freemasonic bible. Notice all except for ptah have a bull tail on them. The god amen later merged with ra and became amen-ra – all three are sun gods: amen, ra and amen-ra. I taught a long sermon series on who amen really is and it is satan. Remember he wanted to be God Himself and God is the Father. satan always has his false trinity and in this false trinity, you see Ptah called the creator mocking Jesus Who created all things, amen-ra is mocking God the Father and Thoth is mocking The Holy Spirit Who is our teacher.

This is the bull version of the god amen – amen was called the “bull of his mother.” You see the two straight plumes just like amen was wearing.

L: Osiris and R: apis – notice they both have the curved feathers on their heads. Same one, supposedly apis represented the embodiment of Osiris once he died. The bull tail is worn by Egyptian pharaohs and is associated with Egyptian deities. The bull tail is a symbol of power and virility.

Albert Pike said that Osiris is saturn and from my research, saturn is satan. We have already learned that hi-level freemasons venerate Osiris as the one sitting on the square. Osiris is all over freemasonry. They proudly associate themselves

with him even naming lodges after him and splashing him and his symbols all over their lodges, jewelry, architecture, clothes, Masonic regalia etc.

Here on a freemason ring we see on the outside the word jehovah which is a name for satan and not God. If you have not heard this before, please go to the church website and listen to the sermon series entitled “Deception of God’s Name.”

jehovah used in tarot cards/reincarnation wheel. The Hebrew letters on this wheel of fortune spells out jehovah. The witches love their wheels. Notice on the

top of this one there is a sphinx with a pharaoh's head, I believe that's osiris. And there is an X at the top of the card and that is a symbol tied to osiris.

In the middle around the triangle it says jahbulon. This is the god of the freemasons. jah is not a name for God, it is a name for satan. Bul is a symbol of many false gods including baal, amen and Osiris. We just saw how the bull is equated with them and they would wear a bull tail as a symbol of power and virility.

In part one, which I did back in 2015, I shared research that indicated that the god the muslims serve, allah, traces back to an ancient god called hubal which traces back to the god of the Canaanites, baal. It all goes back to baal. No wonder freemasons have to swear on a Koran at the higher levels. They are pledging allegiance ultimately to baal.

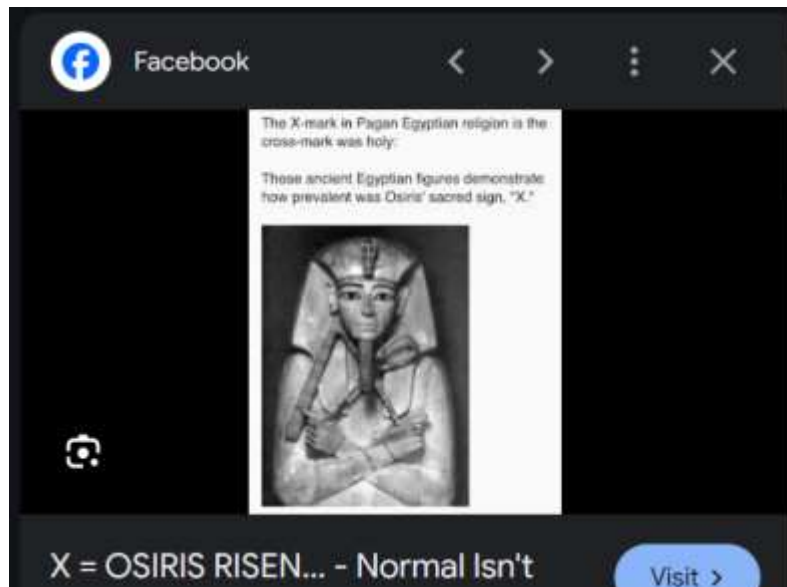

The last part of that name on the ring is "On". "On" is the name of the city of the sun god in Egypt as well as being an epithet for Osiris. So we keep seeing Osiris all over freemasonry. All of this points to satan behind and connected to each one of these names.

1 Kings 9:11-13 - (Now Hiram the king of Tyre had furnished Solomon with cedar trees and fir trees, and with gold, according to all his desire,) that then king Solomon gave Hiram twenty cities in the land of Galilee. And Hiram came out from Tyre to see the cities which Solomon had given him; and they pleased him

not. And he said, What cities *are* these which thou hast given me, my brother? And he called them the land of Cabul unto this day.

Interesting that King Solomon was supposed to be so smart and rich and after their contract of working together when the projects were completed he gave a junky gift to this king.

Cabul means dirty, worthless, displeasing etc. Notice the word bul is on the end of cabul. Hmmm Could that play into this: Ja-bul-on?

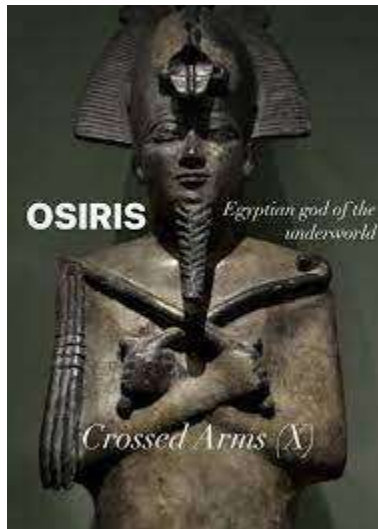

The x-mark in pagan Egyptian religion is the cross-mark was holy: These ancient Egyptian figures demonstrate how prevalent was osiris' sacred sign, "X." X = Osiris risen. Osiris was supposedly murdered and Isis gathered up all his body parts and did black magic to raise him from the dead.

Hi-level freemasons know that the X stands for sun worship, for worship of lucifer. The beard on Egyptian gods and pharaohs is the tail of the serpent and the head of the serpent comes out at the forehead. This is who they are enlightened by and who they serve and they show that they have had the kundalini serpent force awakened within themselves by this serpent symbolism on their foreheads. This also takes us to Scripture about the mark of the beast on their foreheads.

(Rev.13:18) The serpent itself or an X can certainly be the mark of the beast because they both stand for satan.

In freemasonry, as we learned from former freemason Bill Schnoebelen, they practice sodomy and from Max Spiers we learned that all high level people in positions of power have had sodomy done to them in order to be illuminated and thus part of the illuminati. They have been enlightened or illumined by satan who they call the light bringer, that's what lucifer means in latin. But Jesus is the true light of the world! **(John 8:12)**

Osiris – Egyptian god of the underworld – crossed arms = X – the symbol of Osiris.

Freemasons doing the X for Osiris risen.

Osirian Statues of Hatshepsut: These statues of Hatshepsut at her tomb show her holding the crook and flail associated with Osiris.

Osirian statues of hatshepsut: These statues of hatshepsut at her tomb show her holding the crook and flail associated with Osiris. She is in a typical Osiris pose, crossing her arms making an X which is a symbol of the sun god Osiris and mummy wrapped.

Osiris and Isis. You can't see his "x" very well on the left but he clearly has the "X" on him on the right. These type of hieroglyphs were all over the Egyptian temples and tombs. These are the gods of freemasonry. I have shown you their images, pillars, faces and symbols all over freemasonic lodges, jewelry and clothing. Osiris is the god of the underworld and Osiris is just another name for satan.

Osiris overseeing the weighing of the soul in the Hall of Judgement.

Osiris overseeing the weighing of the soul in the hall of judgement. Looks like false goddesses Isis and Nephthys standing behind him. Remember freemasonry says he's sitting on the square which is the throne he's sitting on. We know Christ is The One Who will judge all souls, not osiris. **(2nd Cor.5:10)**

Egypt served false gods and God showed His power against them when He poured out plagues and did miracles to set His people free. Now we see that freemasonry honors Egypt in all of their symbolism, writings, regalia and décor in their lodges. If you are a Christian and you are in freemasonry, you should be asking yourself why this organization is honoring Egypt and the gods and goddess of Egypt. Egypt never came and served God and all through Scripture God judged His own people for continually turning to Egypt as an ally in war instead of turning to God. **(Isaiah 31:1)**

This is Sir Thomas Lawrence's 1797 painting of "satan summoning his legions." Notice how satan is drawn to be muscular, powerful and handsome. He is exalted in this painting, shown in a good light. I can assure you the person who painted this was not a Christian. When you test the spirit behind this, what is the purpose of drawing this? It is to reverence satan.

Marina Abramovic, witch to the stars and of the illuminati is pictured here with Jacob Rothschild, in front of the painting of satan summoning his legions. This was taken at the Rothschild Foundation lecture held at the Royal Academy of Arts in London. They are proudly posing here with their god, purposely standing in front of this picture.

The luciferians really are not trying to hide who they serve. You would never find me posing with a picture of satan. These are high level freemasons. The Rothschild's are the highest up on the illuminati pyramid, the only one higher than them is lucifer himself. They are possessed and empowered by his demons.

L: Painting of lucifer 1797 R: Statue of Liberty 1875 – given to America by French freemasons – I'd say there's a remarkable resemblance here. The statue of liberty is giving reverence to the sun god of this world – satan or lucifer – same one.

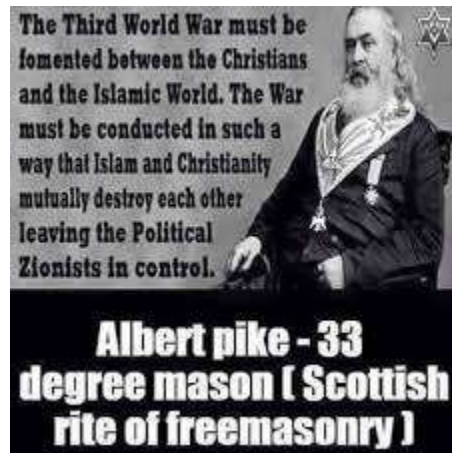

Baroness Philippine W.P. de Rothschild – she certainly isn't trying to hide who she serves. L: huge stereo typical devil face necklace and on the R: another version of the devil she serves, a goat with horns. It seems she is always sporting something in honor of her master. She is another high level freemason.

These high level freemasons have openly shown who they love and serve and who they are empowered by. Crowley taught what the all seeing eye really is, a symbol of lucifer but also a symbol of the rectum because high level luciferians practice sodomy and have had sodomy done to them in order to open their third eye, seeking spiritual clairvoyance, knowledge and power. Crowley referred to himself as "the beast 666". Crowley also said "the beast 666" only means sunlight, you can call me "little sunshine." Albert Pike said lucifer is god as in the only god, as the one he served and worshipped. The god over freemasonry. Annie Besant wrote of "amen" being the only true god and that is a name for satan in freemasonry and in ancient Egypt. These are high level freemasons and what they have spoken and written is the truth of freemasonry, the root of it all came out of the mystery religions and those religions were founded on worship of satan and the fallen angels.

Top row l-r: The sigil of Saturn. The South Pole of Saturn: the all seeing eye. And as we have recently learned that it is also the rectum to esoteric luciferians / freemasons. Next is The Sigil of Saturn between two Masonic pillars. Last is a freemasonic apron sporting the all seeing eye of lucifer hovering over things in a lodge and right below the eye you see the same sigil of saturn on the altar in the lodge. Bottom row l-r: The Masonic square and compass. Next Masonic square and compass w the eye of saturn - lucifer, hovering over it all, also known as the rectum for sodomy because high level freemasons are sodomites as are all high level luciferians. Sodomy is part of lucifer's system of worship and those that serve him in high positions of power do practice sodomy. Sodomy is a great abominable sin against God and so lucifer has incorporated it as a mainstay in his system of worship. Next is the sigil of the top demon: azazel which is another name for satan. And last is the all seeing eye of lucifer – symbol of sodomy in the occult, plastered on the U.S. one dollar bill hovering over an Egyptian pyramid. It all goes back to Babylon and Egypt and all of that is recorded in our Bibles.

The Third World War must be fomented between the Christians and the Islamic World. The war must be conducted in such a way that Islam and Christianity mutually destroy each other leaving the political Zionists in control. Albert Pike – 33rd degree mason (Scottish rite of freemasonry)

This statement shows his support of Jews who have rejected Jesus to rule politically. Remember they have said the more they sin the faster their messiah will come and their messiah is actually the antichrist. We should not be shocked to hear something like this at this point. Initially I thought freemasonry came out of Judaism but when you look closer you find that it all goes back to the ancient mystery religions. Judaism uses freemasonry and their ultimate plans are to rule over the freemasons too.

You can't separate freemasonry from ancient Egypt, from the mystery religions or from what those like Albert Pike, Aleister Crowley and Annie Besant have said and taught about it. What it really is goes back to the root of all of this and no matter how low level freemasons try to distance from these things and these people, they can't. They are speaking and showing the truth of what it really is and all of it is idolatry against God. It all goes back to worship of lucifer. He is the god they want to see rise from the ashes.

Even though freemasons use the cover story of Hiram Abiff to draw christians into their organization, he had nothing to do with it. We have already learned even from the writings of hi-level freemasons themselves that freemasonry goes all the way back to the mystery religion of ancient Egypt and this was at least 1000 years before we hear of a Hiram Abiff in Scripture. Tubal-Cain is another character that freemasons love because he taught how to make weapons and was considered

the first black smith. So freemasons have a code word where they use the name of “Smith” and it speaks of wicked Tubal-Cain, that name seems to be another cover name for satan. Tubal-Cain and Hiram Abiff seem to be alias’ pointing to lucifer which is who hi-level freemasons really worship.

They love to taunt us with the question of who built the pyramids, we are told it is still a mystery today as to how this was done. Whoever did it were considered “master builders,” well it seems to be the fallen angels and their offspring. The freemasons have built a worldwide network, they love to consider themselves to be master builders.

1 Corinthians 3:10-11 - According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon. For other foundation can no man lay than that is laid, which is Jesus Christ.

In all the places Apostle Paul traveled to, he laid the foundation of Christ, the only true, right and righteous foundation.

Freemasonry is built on a different foundation, not on Christ. Not only do we now know that the high level freemasons worship lucifer, but they also accept belief of any god into this organization, they accept muslims, Buddhists etc. This is not a Christian organization.

CLOSING

Psalms 118:22 - The stone *which* the builders refused is become the head *stone* of the corner.

The head stone or corner stone is Christ and they rejected Him in ancient times and they continue to reject Him today. They have rejected Him at the top of this organization and that means that the whole thing is without Christ and under a satanic anointing. The hi-level freemasons who know full well what the organization is all about all the way down to the low level initiates who only have exoteric information – all of them are under a satanic anointing for being joined to an ungodly organization like this. The satanic perversion this organization is based on goes out over everyone who is part of this.

Freemasons like to say that they are master builders but the real master builders are those – that just like Apostle Paul – are leading people to Christ through sharing the good news of what He did for all of mankind to be saved and have eternal life through Him. Those that are sharing the light of Christ are the true master builders.

Freemasonry is complete idolatry against God. Idol worshipers will not enter into heaven. **(1 Cor.6:9-11, Rev.22:15)**

Masonic Temple – gods are worshipped in temples. But the One True and Living God is not worshipped in Masonic temples. Albert Pike said they must remain true to the pure doctrine of lucifer. That's what freemasonry is all about.

If you are a freemason listening to this sermon, it is not by accident. God has drawn you here. I pray that you will listen to this whole series and ask God for forgiveness, ask Him to break off all the demonic activity and presence in your life because of joining yourself to this. I pray you will repent and destroy all literature, Masonic regalia of any kind and anything you have that pertains to this organization. This is a highly occultic organization.

I may add to this sermon series in the future.
