

## NEW AGE Pt. 31: AFFIRMATIONS, CHANTING, I AM MOVEMENT, OPRAH, BEYONCE

Last week we learned about the new age 'I Am Movement' being taught right in the church by false teacher Joel Olsteen. I'm going to pick up right where I left off with that:

Oprah said – “I also like some of Joel Olsteen’s work. I think he’s now doing a book about one of my favorite sermons of his, “The Power of ‘I Am.’” I just love that sermon. This is a big old witch, freemason, luciferian. satan has used her powerfully to influence the masses.

\*Please play this clip – On The Oprah Winfrey show they had a discussion about how to get to heaven. Listen to this. STOP

The first lady in the audience says there are two forces in the world, there is God but there is also a power of darkness that we need to be aware of. Oprah asked her if she believed she could choose between one or the other and the lady said, most definitely. Oprah says we are either moving in the direction of darkness or moving in the direction of light. Then Oprah begins talking about new age authors and praises a book called *Ishmael* and says that in the book it says that a mistake that people make is believing that there is only one way to live. The book says that we don’t accept that there are diverse ways of being in the world, that there

are millions of ways to be a human being. Woman interjects – then how do you please God? Oprah dismisses what the lady said and says no and then continues saying there are many paths to what “you” call God and her path might be something else and when she gets there she might call it “the light”. But her loving and her kindness and her generosity brings her to the – if it brings her to the same point that it brings you it doesn’t matter if she called it “god” along the way or not. The one lady tries to address the comment when a lady in the audience cut in saying there was ONLY ONE WAY! Oprah responds saying there couldn’t possibly be just one way. The lady says there is one way and only one way and that is through Jesus. Oprah just keeps saying there couldn’t possibly be only one way. The lady challenged Oprah and says just because you say there isn’t – meaning – just because you say so doesn’t mean it’s true. The lady says because you intellectualize it and say there isn’t. If you believe that then you are all buying into the lie. Then Oprah says, do you think if you are somewhere on the planet and you never hear the name of Jesus, you never hear the name of Jesus but yet you lived with a loving heart, you lived as Jesus would have had you live, you lived for the same purpose that Jesus came to the planet to teach us all. But you are in some remote part of the earth and you never heard the name of Jesus – you cannot get to heaven you think? The lady in the audience says God knows the heart. Then Oprah says, does God care about the heart of does He care about if you call His Son Jesus? The lady says, you know Oprah, Jesus cannot come back until that gospel is preached in the four corners of this earth – so...you know, figure it out. Then Oprah says, ok, ok, I can’t get into a religious argument with you. \*(about 3 min’s)

<https://www.youtube.com/watch?v=aJlZXNcoWyl>

Oprah came down on the wrong side of that argument.

**John 14:6** - Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by Me.

Jesus is the only way to The Father and to eternal life. He is the resurrection and the life. **(John 11:25-26)**

She also said she has a problem with God being a jealous God.

**Exodus 34:14** - For thou shalt worship no other god: for the LORD, whose name *is* Jealous, *is* a jealous God:

He created us and He loves us and it hurts Him tremendously if we go chasing after and serving the fallen angels. The ultimate result of that is our downfall and can end in eternal damnation. He doesn't want that for us and that is what it means for God to be jealous over us. It is a righteous jealousy.

She highlighted that sermon on "I am" because it is a new age teaching and a way to open people up to the demonic realm. These witches always work together. They help to promote each other.

You do not use God's name as a way to try and manipulate Him to give you whatever you decide you want and start chanting it. This is a major sin and if you do it, the "power" that is activated is not God but from the kingdom of darkness, the demons will respond.

Here's Oprah and Tyler Perry attending one of Olsteen's services. They are freemasonic luciferians making a mockery of Christianity.

TD Jakes let Tyler Perry lay hands on him as if to pass an anointing onto him. That was all a mockery of the church and of real ministers. That whole thing was out of order.

**Eph.4:11-12** - And He gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:

#### **New Living Translation**

Now these are the gifts Christ gave to the church: the apostles, the prophets, the evangelists, and the pastors and teachers.

Their responsibility is to equip God's people to do his work and build up the church, the body of Christ.

#### **New Living Translation**

Now these are the gifts Christ gave to the church: the apostles, the prophets, the evangelists and the pastors and teachers. Their responsibility is to equip God's people to do His work and build up the church, the body of Christ.

These five offices listed here are the highest offices in God's ministry. Never ever should anyone who is not in the five fold ministry, lay hands on someone who is. What Tyler and TD Jakes did was act out a well rehearsed show for those who cannot discern and are not in Christ.

So Oprah and Tyler were being recognized for their appearance at Joel's church. Their presence was noted so as to highlight their stamp of approval on Joel

Olsteen's ministry and draw even more people to it. These luciferians network and work together all over this world.

I remember Simone sharing that some of the new age religions she was mixed up in were teaching that you are a co-creator along with God. They are subtly teaching their followers that they are gods.

\*Please play from 20:40 – 23:00 - Simone was in a few different religious false teachings within the new age movement that have to do with the "I Am Movement." STOP

She moved to a town where they didn't have Science of Mind so she started at Unity. She was apprehensive, repulsed of Unity because they included Jesus in their teachings. Originally they were called Unity the New School for Practical Christianity. They are an Emergent church. "Thoughts become things". The premises she was living with then were that there is a creative substance of which all things are formed and thought put into that substance will create like. So the idea was that as long as she could keep her mind on whatever she wanted to create, then that is what she created in her world. As long as she did not have any opposing or dissenting thoughts, then that was what she would create. So she said it was a co-creation partnership with God. Then she corrects and says in Science of Mind it was called "mind" or "Law" because this was the law of the universe. So she said she was a creator – basically was a god and coming into Unity their idea of Christ was Christ consciousness. Christ consciousness is the idea that it is Christ within that does the work and it was her job to turn to Christ within and to know her "oneness" with God. She said it was essentially that she was God. She almost had tattooed on her left wrist "God is" and on the right wrist "I am". She was the head of the prayer team. She would get up every few Sundays and pray over the prayer box and over the congregation. She brought that concept in, that God is and she was "I am". That is what she believed, what she was taught and that is what she thought.\*(about 2 mins)

All of the different false teachings in new age are so closely related and intertwined. One focus I see is getting people to believe they are gods and getting them to go through the motions of what only God can do. When they do this, spiritual doors are being opened in their lives for Satan and his kingdom to come in and continue leading them further and further away from Christ.

In the new age, especially Science of Mind and the many lines of followers that came after Phineas Quimby, there is a prayer formula in which the first two steps are: God IS, I AM.

Step 1, you name the qualities of what "God" IS that are relevant to your prayer (abundance, health, love, strength, etc.)

Step 2 is to claim your oneness with God and your "Christ Consciousness." Therefore, I AM abundance, health...

The many celebrities who use this reference are 100% revealing their allegiance.

Another that comes to mind is Will-I-Am from the black-eyed peas.

I agree with her on Will-I-Am – that is the reason they break his name down like that. Remember when Beyonce and Oprah were talking together and Beyonce was referring to herself as "I am".

She was referring to her Album which was entitled “I am...Sasha Fierce”.

She then went on tour and the tour was simply called The I am Tour or I am World Tour. It became very clear what was being said and what occult new age teaching she was aligned with.

This is the picture Wikipedia has on file for her I am tour. She is wearing or standing behind a baphomet motorcycle type of thing. They aren't trying to hide who they serve.

Here you can see how the sigil of baphomet on the right is the very same thing Beyonce is wearing on the left.

Here she is dressed like a sun goddess and her dance team are the worshippers along with the millions who idolize her.

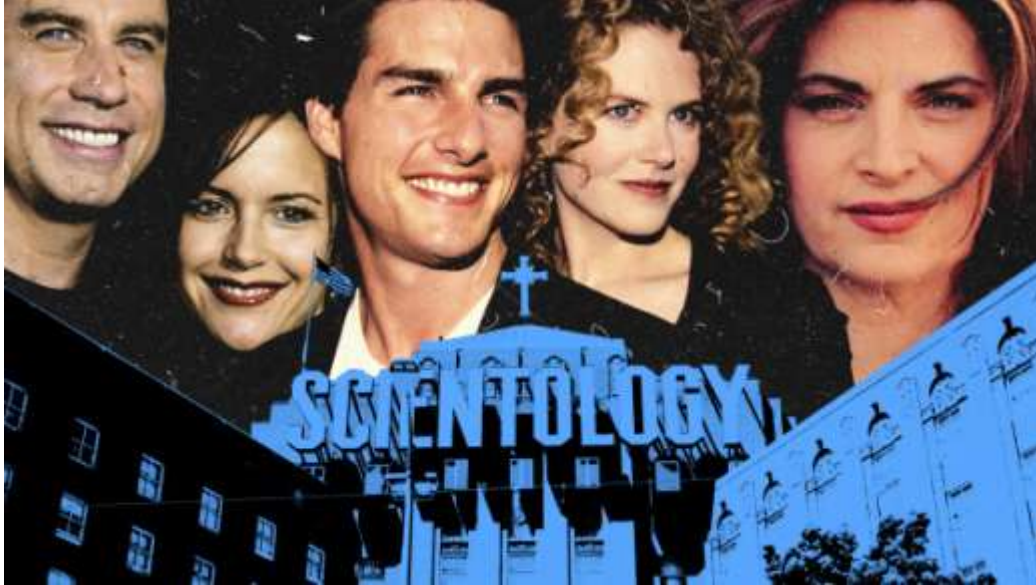

Here she is, invoking the evil spirit of the false goddess hathor from Egypt.

The demonic eyes and face of the entity who is performing through the use of her body says it all. satan uses musicians, Hollywood, professional sports players etc. as his puppets to draw the public away from Jesus, to draw them into idolatry, into lust and greed and all sorts of sin against God. She knows who she serves but pretends she doesn't serve satan so that she continues to have a massive following.

Madonna imitating her master on stage. She is used to draw people into kabala.

John Travolta and his wife Kelly Preston, Tom Cruise and Nicole Kidman along with the now deceased Kirstie Alley have all been used to promote the false religion of Scientology.

These people that I've been showing you today have been used powerfully by satan. He will use them up and when they get old and unpopular they'll be discarded and a new breed will come up and take their place and continue the work of their master. These people push new age and many false religions, each celebrity has their unique false religion that they are used to draw people into. It doesn't matter to satan what false religion you believe and practice as long as he keeps you away from Jesus.

Parts of the I Am Movement overlap into many different movements like New Thought and Human Potential Movement and Positive Thinking etc. They all sort of mix and mingle together. They are focused on philosophy and getting you to believe you are a god.

the I AM Movement is considered an offshoot of Theosophy. The movement, founded in the 1930s by Guy and Edna Ballard, adopted many of its core beliefs and practices from Theosophical teachings. Theosophy, an occult movement with roots in Gnosticism and Neoplatonism, emphasizes esoteric knowledge and the existence of a spiritual hierarchy of ascended masters.

The esoteric knowledge of the occult – is speaking of something understood by or meant for only a small group of people with specialized knowledge or interest. It implies a level of complexity or obscurity that makes it inaccessible to the general public. The term often relates to knowledge, ideas, or practices that are hidden or secret, requiring initiation or specific training to grasp.

When you hear the word esoteric tied to something, it is indicating things of the kingdom of darkness. Those that have esoteric knowledge are those that intermingle and work with the kingdom of darkness.

The I am Movement is an occult teaching. It has to do with satan's kingdom and not God's.

Joel and the movements I mentioned within New Age teach that what you spend your time thinking about, focusing on and speaking is what you will get. Whether it is good or bad. This is how you can see the witchcraft in all of this. That you get what you speak. You speak and think it into existence. Only God can do that. We are made in His image but we are not God.

**Romans 4:17** - (As it is written, I have made thee a father of many nations,) before him whom he believed, *even* God, who quickeneth the dead, and calleth those things which be not as though they were.

### **New Living Translation**

That is what the Scriptures mean when God told him, "I have made you the father of many nations." This happened because Abraham believed in the God who brings the dead back to life and who creates new things out of nothing.

We don’t have that kind of power even though we are made in God’s image. Being made in His image doesn’t mean we can do everything He can do. But these type of teachings promote thinking of yourself as a god. Jesus spoke this whole world into existence. **(Genesis ch.1)** We cannot create or manifest things with our words like Jesus did. He is God and we are not. We are made in God’s image, we are like Him in the sense we have a physical body, a soul and spirit. We have feelings and emotions and can think but we cannot speak or will things into existence.

## CLOSING

This is Pastor Erustus who heads up our outreach ministry in Africa. He is my spiritual father in the faith. We discussed how these false teachers like Olsteen operate and what is being accomplished. For years I have been sharing to Pastor Erustus how every preacher on tv is false. As the years have gone by, he can see it too. I want to share his words on the subject now:

Yes Pastor I can see most of the known TV preachers don't preach truth but just false messages in order to have big crowds and followings. They preach what people want to hear **(2 Tim.4:3-4)** but not what God wants His people to hear. Like Joel Olsteen whom you have mentioned, he never preaches salvation by faith but teaches salvation by works at every service he holds. Listening to him sounds like just a motivational speaker.

Pastor I don't believe in these Olsteen's highlights using "I am" to bring positive experiences into reality. Just making declarations using "I am" as God revealed Himself and yet many are not saved, don't know this true God, live in sin, don't have God's word in their hearts, don't obey God's word, live unholy lives and not prayerful. All is false and just massaging people's emotions to feel positive about their negative circumstances. Pastor, to me this is not Biblical, God identified

Himself to Moses and Israelites as the "I Am" (**Exodus 3:14**) but I don't think this was in God's mind now to be used to gain things from God or change the negative experiences to positive realities.

I was talking with Pastor about how this is a way of getting Christians to go around calling themselves "I Am" and chanting "I Am" phrases. I believe there are demons that answer to that because it is an ungodly practice. And we were discussing how satan and his demons are not omnipresent as God is and how they work when thousands or millions of people worship and chant to a certain deity. That one deity does not and cannot respond to thousands of people at the same time as only God Himself can do as He is omnipresent. The demons are not omniscient either, they don't know everything as only God does. Pastor and I agree on how satan operates in response to worship of himself and those in his kingdom.

Pastor my thoughts on this is that, when people chant and call upon false gods, it can create open doors for demons or evil spirits to influence or interact with them. The demons take advantage of the worship of false gods to enter or attack or start influencing the people's lives connected to the worship of a certain false god. I think once the doors are opened satan's government assigns a specific demon to a particular person(s) worship of that god in a specific location and those demons start influencing those people's lives and area. I believe satan starts first by assigning his demonic empowered false prophets, false teachers (false ministers) who worship a certain false god to present false teachings to manipulate, deceive and make attempts to mislead people away from worshipping the TRUE God. This is what Joel Olsteen is doing. He serves on satan's altar and he has a demonic anointing on his life and ministry and he is being used by satan to deceive the masses.

Pastor continued: Now as you know satan's government is organized and well networked all over the world he has assigned his demons and people who serve him to affect his plans and activities. Once the open doors are created through such activities like chanting, calling on false gods, giving sacrifices and offerings to idols , worship, singing etc. demons use these open doors to enter, influence and start ruling people's lives to serve satan through worship of these false gods under the service of false ministers on the evil alters of the false gods.

Now it has been laid out plain what they do and how they do it and how they operate and what the results are for those that follow them and idolize them and do what they teach and demonstrate by their lives.
