

OUTREACH UPDATE AFRICA: JAN – MAR 2023

We worked today on the Toilet project at our Holy Trinity Living Water church branch at Muluwa-Butere Town. I thank God for our beloved Pastor Leah and leaders of this church for this noble work. God is faithful!!!

In this picture you can see the church on the right, in the middle is the building used for the kitchen and up in the left corner is the restrooms.

They have bricked the restrooms

I don't know what you call it but they went over the bricks giving a smooth look.

There's Pastor Erustus with the finished restrooms for Butere church.

Blessed Sunday Service today remembering the Widows, orphans and the poor with clothes, food stuffs and household items at our Holy Trinity Living Water church , Muyayi-Bungoma Town. As a ministry we are committed too in helping the widows, orphans and the poor in our churches and community at large. James1:27 "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world."

Your support and prayers will continue to help us reach more with the love of Christ.

With love, Bishop Erustus & Sarah

James 1:27 is one of the main Scriptures that God laid on my heart when we started to work with Pastor Erustus in Africa and Pastor Dalbeer in India to support them and their ministries.

I always say God is for the underdog, He wants us to help the poor and needy, widows and orphans. Pastor Erustus and Pastor Dalbeer themselves and their families were the poor and in need of our help initially and still today. With your help we have been a tremendous blessing in their lives and ministries. Those of you who give your tithes and offerings and pray over our ministries – you share in the good works being done by all three of our ministries. God will not forget you.

Hebrews 6:10 - For God *is* not unrighteous to forget your work and labour of love, which ye have shewed toward his name, in that ye have ministered to the saints, and do minister.

The church brought clothes to distribute to the orphans and widows and those in need.

They brought a lot of clothes.

Here they are looking through the things to see what they could use.

Here are some of the recipients

We are supporting the education and other basic needs of our dear girl Sylvia who is an orphan. This is her final year in High school education and will sit for form 4 examination towards the end of this year. Her this years school fees balance is \$137 and we intend also to buy her new school shoes & socks at \$25 as God provides. God is love!

We would appreciate your prayers, as we depend on God to provide for Sylvia's needs. May the Lord bless and encourage you today!

Your friends in Christ Jesus at Holy Trinity Living Water Ministry: Bishop Erustus and Sarah

I traveled today back to Kenya safely from Uganda after a very successful mission at our Holy Trinity Living Water church branch, Kasevere - Uganda. We had a powerful Sunday service, water baptism and prepared lunch meal for the Orphans, poor children and the widows with some fruit juice and candies. What a joy to share a meal with these wonderful people of God. Our desire is to help more orphans, widows and the poor. The church attendance has grown big and now we are trusting God to provide \$760 to enable us to extend the church building for more space. I appreciate your prayers and support. Bishop Erustus and Sarah.

Look at the children of the church, there are so many. The church has outgrown the small building it has been meeting in – Praise God for the growth!

Down at the banks of the river for the baptisms

This takes me to thinking of Jesus being baptized by John the Baptist in the Jordan River.

These were just a few pictures of those being baptized, praise God for their salvation and baptisms.

This is Pastor Erustus and an interpreter – always a blessing to see praise and worship in God’s house.

Pictures of the service

They cannot all fit inside.

They got to have fellowship over a meal and some treats

The children enjoying some food and juice.

Packed today 2 sacks of clothes and some pairs of shoes to be transported to bless & support the widows, orphans and poor at our Holy Trinity Living Water church branch at Kimana-Oloitoktok in Maasai land. This is one of the heavily affected regions with the long hot dry season in Kenya. As a ministry we are committed to supporting the widows, orphans and poor as God leads and provides. Together we can put a smile on their faces. No giving is small to us. Enjoy your sunday. Bishop Erustus & Sarah

Look at the smiles

Look at these beautiful children.

Our dear friends and family, we are in the process of building our dear Pastor Simeon and his wife Mary a better house. They Pastor and oversee our Holy Trinity Living Water church at Kimana-Oloitoktok in Kajiado County, Maasai land. Currently they live with their children in a very old poor house as you can see in the pictures. We believe the new house will put a smile on their faces as they continue to serve our Lord Jesus Christ. As always we appreciate your continued support and prayers. Bishop Erustus and Sarah.

Pastor Erustus in the middle with Pastor Simeon and Pastor Mary

Remember they built their house right by the government made trench where they supply water sometimes.

Here's their current house with a thatch roof and mud walls.

Here's another picture of their current home, remember how cramped their house is, so small that Pastor wondered how they all fit inside at night to sleep.

One last picture. Looks like the middle of no where behind the brush.

GOD IS FAITHFUL!!!

We have started building Pastor Simeon's house. We are trusting God to enable us to finish it fast so that our Pastor moves in immediately from his old poor house. God loves His people!!!

We really thank you all for your love, prayers and support.

Here are the materials being transported out to where Pastor Simeon lives.

The materials have arrived

They were happy to help in clearing the area to begin building their new home.

Construction is under way.

It is taking shape

The roof is goin on

This home is going to be much better than the old one.

The house really looks good

The work is almost done

You can see their old home right beside the new one

Here's another shot of the old home with the new one going in.

PRAISE TESTIMONY!!!

God is so good, finally we have finished constructing Pastor Simeon's house of our Masaai Land church. Let's join them in thanking God for this blessing.

God reward you all for praying and supporting us.

Bishop Erustus and Sarah

There they are with one of their grandchildren. What a wonderful blessing!

Look how happy they are! Glory to God for this blessing to two of His ministers!
God is so wonderful!

Here is another view of the new house

Looks like they have wooden windows here and there too.

Here they are praising God!

Here's another view from a distance and looks like some type of farming or planting project at the forefront.

They are so happy about their new home.

You could say this is like our habitat for humanity project when we do things like this for the poor and needy. I praise God for each one of you that prays over our ministry and our outreach ministries and for those of you who give tithes and offerings. This is all done for God's glory and Kingdom and we are so thankful for your standing with us in these good works. God will bless and reward you for your part in all these good works!

God bless you!
