

# SHOCKING TRUTH ABOUT CHRISTMAS Pt.22: CORRUPT MINISTERS, COMMERCIALISM and GREED, SPIRITUAL WARFARE, THE THIN VEIL

## PROMETHEUS and LUCIFER

Lucifer is most often equated with the Greek god Prometheus and the Canaanite deity Attar, though the specific mythological parallels differ. Prometheus is similar to Lucifer due to his rebellion against divine authority, giving humanity the gift of fire against Zeus's will, while Attar is linked to Lucifer because both are deifications of the "morning star" (Venus) that attempted to usurp a higher throne.

This is a statue of Prometheus in Rockefeller Center. The Rockefeller's are certainly illuminati, freemasons – luciferians. This statue is placed in a prominent place because it represents the god of the luciferians. They pay homage to the gods they serve. They put the truth out in plain sight.

This is Satan's world. **(2 Cor.4:4, John 12:31)** This world honors him and the fallen angels with statues of them all over this world. They have named the days of the week after the fallen angels and false gods and it is the same with the months of the year.

\*Please play this video – This is the 92<sup>nd</sup> lighting of the Rockefeller Center Christmas tree. Pay attention to what is at the base of the tree. STOP

They give a countdown and then play the song “Joy to the World” as the tree is lit. \*(about .5 min’s)

Prometheus is a representation of lucifer and he is right beneath the tree as the light bringer and the tree is the symbol of the sun god – both of these images honor satan ultimately. The song is a Christian song but what the luciferians do is sing it to their god. When a song says god, they sing it to their god, when it says lord, they sing it to their lord. The spirit realm knows what is in their hearts and who they are singing to. The world hates Jesus. The massive crowd we saw gathered there were not gathered to honor Jesus. It’s just an excuse to party. When the world loves something you can be assured Jesus is not in it.

### **CORRUPT MINISTERS**

Over the years I’ve had people say to me, well my pastor doesn’t have a problem with any of this. You better be careful about what minister you sit under because the Bible gives us examples of ministers doing ungodly practices and leading the people in sin against God. Whatever anointing is on that pastor is flowing out onto their flock. It can be a godly anointing or a satanic anointing. Be careful what spiritual authority you are submitted to.

Jesus rebuked the highest ministers of the land. **(Matt. Ch.23)**

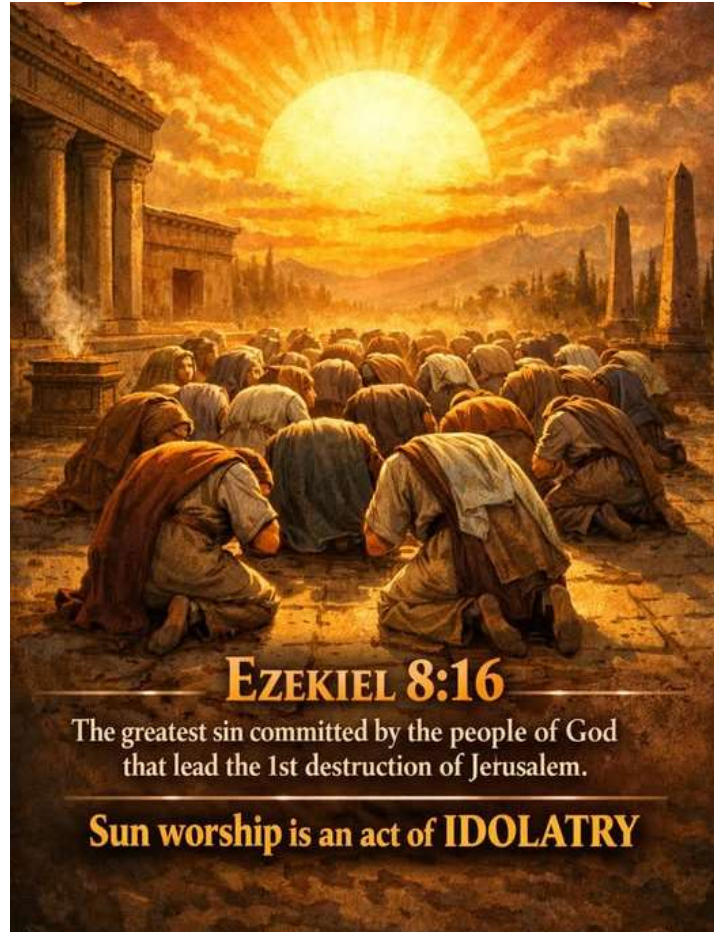

There were two Levite priests, Aaron's sons, who served in the Temple and offered strange fire to God or that is they brought a type of unauthorized fire and offered it before The Lord. He struck them down dead on the spot. **(Lev.10:1-3)** This fire was not commanded by God, and fire from His presence consumed them.

This event showed the necessity to maintain God's holiness and underscores the importance of obedience in worship. We don't decide how we will worship God, He has already shown us what is acceptable. We don't get to say, well these pagan holidays don't mean the same thing to me so I'm going to do it anyway and Jesus is ok with it. Be careful my friend because Jesus is holy and He knows where these pagan feasts came from and the true meaning of them.

Back in 2014, when I first taught against Christmas, Youtuber Jane Dough said, "Next time a lukewarm Christian asks "What's the harm in celebrating Dec. 25?" – tell them to read about Aaron's two sons.

In a vision described in Ezekiel 8, God shows the prophet about twenty-five men, likely priests, worshiping the sun in the inner court of the Temple, turning their backs to the sanctuary and facing east. This act of turning away from God's presence to embrace a pagan practice like sun worship symbolizes the deep corruption and apostasy within Jerusalem's religious establishment, leading to the impending divine judgement of exile to Babylon.

Ezekiel 8:16 – The greatest sin committed by the people of God that led to the 1<sup>st</sup> destruction of Jerusalem. Sun worship is an act of IDOLATRY. Do you know this entire sermon series has been about sun worship? That’s what winter solstice was all about, worshiping sun gods and the returning of the sun. God destroyed Jerusalem, His Temple and sent His people away as captives for doing the very thing that Christians are clinging to and trying to justify today.

Let’s look at some more corrupt ministers:

**Micah 3:11-12** - The heads thereof judge for reward, and the priests thereof teach for hire, and the prophets thereof divine for money: yet will they lean upon the LORD, and say, *Is not the LORD among us?* none evil can come upon us. Therefore shall Zion for your sake be plowed as a field, and Jerusalem shall become heaps, and the mountain of the house as the high places of the forest.

### New Living Translation

You rulers make decisions based on bribes; you priests teach God's laws only for a price; you prophets won't prophesy unless you are paid. Yet all of you claim to depend on the LORD. "No harm can come to us," you say, "for the LORD is here among us."

Because of you, Mount Zion will be plowed like an open field; Jerusalem will be reduced to ruins! A thicket will grow on the heights where the Temple now stands.

NLT: You rulers make decisions based on bribes; you priests teach God's laws only for a price; you prophets won't prophesy unless you are paid. Yet all of you claim to depend on the LORD. "No harm can come to us," you say, "for the LORD is here among us." Because of you, Mount Zion will be plowed like an open field; Jerusalem will be reduced to ruins! A thicket will grow on the heights where the Temple now stands.

The prophet Micah rebuked priests for perverting God's word for financial gain, most notably in **Micah 3:11**. In this passage, he declares that the priests teach "for a price" and the prophets "practice divination for money," while the leaders judge for bribes, despite all of them claiming to rely on the Lord. They thought they had God in their hip pocket and instead He said He was going to pour out His judgement against them.

King Ahaz was a wicked king and he commanded the priest to make a pagan altar and set it up in God's temple, and the priest did it! **(2 Kings 16:10-20)** This was a violation of worship: This act was a serious violation of God's law, as it involved placing a pagan altar in the temple and offering sacrifices to a foreign god. It symbolized a rejection of God and an embrace of idolatry.

Think about these ministers who are being people pleasers instead of God pleasers and ministering only for gain - tithes and offerings, for popularity or numbers or whatever else they are benefiting by not preaching the truth.

**Ephesians 5:6-7** – Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. Be ye not therefore partakers with them.

Are you allowing some supposed godly minister to lead you astray because they have the appearance of godliness? Maybe you rationalize and justify continuing to practice the pagan winter solstice, now called Christmas, because your pastor and church continue to do so. As I stated in part one of this sermon series, you have now heard the truth and you will be judged by Christ, according to what you do with it. **(John 5:22)** You can no longer claim that you did it in ignorance. When you follow the masses, just remember they are on the wide path. **(Matt.7:13-14)** Many are called but few are chosen. **(Matt.22:14)**

**Ephesians 4:11-12** - And He gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:

As a shepherd tending to God's flock, I am to help in teaching and equipping you to live righteous lives. Helping you to grow in God's Word, in Christ and in keeping the faith. I help to equip you to do His work and in so doing, to build up the church, the body of Christ.

We are told to study God's Word so that we will be approved by God, and won't need to be ashamed and will be able to explain His Word correctly. **(2 Tim.2:15)** All through His Word He tells us to avoid the things the pagans do. He says to avoid even the appearance of evil. He tells us to stay out of idolatry. We have learned the truth about how the Roman Catholic Church brought all the pagan feast days into that religion and all the other denominations followed suit and adopted all the pagan feasts as well. I have been showing you in Scripture what God said about the things that were practiced during winter solstice worshiping false gods. All the things the pagans did, God calls abominations. We learned in this series that there were human and animal sacrifices made and orgies and all sorts of sexual immorality. You cannot erase the pagan origins of Christmas. If you are still participating in Christmas, God is calling you out of it today.

**Gal.6:1** - Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted.

I grew up celebrating Christmas. We celebrated it as an unsaved family before I ever went to church as a teenager. Jesus was never mentioned in our

celebrations. That's a picture of how most of the world is today. I think a lot of Christians are honestly ignorant about where Christmas came from.

As much as I teach God's Word, I also have a responsibility to warn you about sin against God. That's what I've been doing with this entire sermon series. I am exposing the evil works of darkness (**Eph.5:11**) because every part of Christmas came out of paganism. God is knocking on your heart and calling you out of this idolatry. This is your wake up call.

Those that teach Christmas in the church have crafted their teaching around Jesus' birth as a baby in the manger. However, if you look at every single thing that is part of Christmas it all has pagan origins from the date, December the 25<sup>th</sup> to the Christmas tree to the gift giving and feasting etc. Jesus leaving heaven and coming to this earth in the flesh is not Christmas, that is something Biblical, The Father's will to be carried out so we could be saved. Jesus was the only One Who could be our sacrifice. He died to be the Savior of all mankind but that is not Christmas. Christmas comes from ancient pagan traditions that existed long before Christ came to this earth. And we certainly don't take an event in Scripture, give it a name and start making up all sorts of things to do during that timeframe and call it worship of Jesus. Jesus already told us what to do in remembrance of Him and that is to take Holy Communion.

If you take away the pagan evergreen trees, get rid of the pagan gift giving and feasting, take out the pagan wassailing – caroling, take down the pagan lights that honor the rebirth of the sun, get Santa who is the Norse version of Nimrod out, get rid of the pagan greenery brought indoors and the pagan mistletoe and all the interaction with demons that was involved with the superstition of doing that, get rid of December the 25<sup>th</sup> the birthday of the sun god Nimrod - the only thing you are left with is the announcement of Jesus' birth in Scripture and the things that happened surrounding the time when God The Son left heaven and came to this earth. In reality you would then only have Scripture reading which is what you should be doing daily anyway. Christmas is not in Scripture.

I've heard people chalk Christmas up as men's traditions. A few years ago someone said to me, "oh ok you don't participate in men's traditions." It is men's traditions. The problem is that it is pagan men's traditions. Those pagans served

false gods and fallen angels and were in idolatry against God so that makes it unholy and an abomination against God.

Most everyone gets time off for Christmas, I've been asked over the years if it's ok to still get together with family. I always say, no, it isn't ok because your presence there still looks to everyone else that you are ok with it and still participating in it. The only way you hold a real witness with those that know you is by not participating in any way, not even by attending. There was a family that used to come to this church and they learned the truth about Christmas and had gotten out of it and stopped doing it. One year they decided to go to a family Christmas gathering or meal and the other family members knew they had made a stand against Christmas. So they began to mock and ridicule them for being there and didn't understand why they were there. It is best once you learn the truth to make a clean break and don't even show up to anything Christmas related.

### **CHRISTMAS COMMERCIALISM and GREED**

We had a big tree in the living room, a small one on the dining room table and a little tree in Kennedy's room. We put the lights up on the house and wrapped our trees with lights and did all the stuff. I added to our ornament collection each year. We bought presents for people who already had everything they needed. When God woke us up and called us out of it we were quick to repent and get rid of all of our Christmas stuff. The back of our truck was full and I looked at it and thought, look at all that wasted money that could have done something for God's kingdom. We had several truck loads of Christmas stuff we got rid of. When I see people talk about Christmas on tv game shows, the answers are usually that it is stressful. Stress of seeing family, shopping to buy everyone presents, running up your debt, cooking and on and on it goes.

Main stream media would not push Christmas the way it does if Christmas was really about Christ. Hallmark is now playing 4 mos. of Christmas movies – Christmas in July and October through December. Just the other day some channel said they were already starting Christmas Friday's.

“Christmas creep,” is a retail phenomenon where holiday marketing begins well before the traditional season, often starting in October, to maximize profits during the “golden quarter”. These marketing efforts are designed to align with consumer demand for festive joy and early shopping. The golden quarter is the

three-month period (October-December) crucial for retailers, where they hope to generate the bulk of their annual profit. They don't care what you believe as long as they get your money and believe me they certainly do. People camp out in big long lines for black Friday deals.

Most credible secular historical writings tell us that Christmas, more than 200 years after Jesus' death, was considered sinful: "As late as A.D. 245 [the early Catholic theologian] Origen . . . repudiates as sinful the very idea of keeping the birthday of Christ" ( *Encyclopaedia Britannica*, 11th edition, 1910, Vol. 6, p. 293, "Christmas"). The word Christmas did not come about until somewhere between the 9<sup>th</sup> and 11<sup>th</sup> century.

### **THIN VEIL BETWEEN REALMS**

I have spent a lot of time breaking down the pagan winter solstice because it is now celebrated by the church, by christians. The church is in a defiled and deceived state. This deception cast over the whole world is major spiritual warfare and the church is on the wrong side of it.

Let's look at the holly fairy again. In winter, the druids advised people to take holly into their homes to shelter the elves and fairies who could join mortals at this time without causing them harm. But it must be completely removed before the eve of Imbolc – 1<sup>st</sup>-2<sup>nd</sup> February – first day of Spring, - for even if one leaf remained in the house, it would cause misfortune.

I am amazed at how ignorant the church is about spiritual things. The pagans know how to invoke, summon and interact with demons. They understand the different levels, ranks and powers of demons. Yet Christians just think fairies, elves, brownies, sprites etc. are make believe. The pagans worship the fallen angels and are empowered by them. The pagans understand that at winter solstice / Christmastime – the evil spirits are moving between realms and are more actively interacting with our realm. The biggest reason is because the whole world is participating in this – even Christians are of their own free will participating in this pagan festival.

Blessed Yule - The Norse celebrated Jol (Yule) as a multi-day pagan festival (3 to 12 nights) around the winter solstice, a time for feasting and honoring spirits. Odin, as Jolnir and the spirits of the dead were prominent figures during this time when the veil between worlds was thin.

Years ago I had a witch threaten me at Halloween time, she told me I better be careful because the veil is very thin at that time. I wasn't worried about her because I am in Christ and sealed by The Holy Spirit. I have the most powerful

One of all on my side. She was speaking truth though. It irritates me that the luciferians understand spiritual matters better than most Christians do.

When the whole world is using their freewill to participate in satan's high holy feast days it lends more spiritual power into it. Just as Halloween is one of the most powerful high holy feast days of satan's and the veil is very thin then, the same is true for the time of Christmas. I talked about the thin veil between this realm and the spirit realm in part one of "satan's high holy feast day". Rituals go on at Christmastime, remember the luciferians are having orgies, practicing sexual immorality, making human sacrifices, eating babies and sending baby parts to each other. The gods worshiped at winter solstice are from the kingdom of darkness and are equated with ruling over the dead and the underworld. Evil spirits are summoned, worshiped and active during this time.

The luciferians believe that turning points (like the time between one day and another; the meeting of shore and sea; and the turning of one year to the next) are considered as magical times. The change from one year to another was especially potent. In order to have order and structure, they also believed there had to be a time when chaos reigned. The occult thrives on duality, good versus evil, black and white, as above so below, in order to have peace or order then there must also be chaos. The winter solstice is a turning point.

The reason the dead, cross over or interact in greater numbers at this time is because the occult, the luciferians, freemasons, witches etc. do rituals to summon them. And the whole world is participating at some level in "Christmas". An evil spirit cannot just show up, they cannot just be somewhere without having first been summoned. They are purposely doing summoning rituals and sacrifices to call them into this realm. There is a huge concentrated number of people participating in this all at the same time and gateways are opened wide at this time of year. Christians play a part in this because they want their fun and are compromised in their walk with God by participating in this ancient occult feast day.

The belief that the veil between the physical and spiritual worlds is thin at Christmastime – particularly during the winter solstice and the Twelve Nights of Yule – is a significant folkloric and spiritual concept rooted in the "turning of the year". While Samhain (Halloween) is often cited as the peak thinning time, the

period of darkness around Yule (Dec 20-31) is considered a time when the veil is not only thin but almost worn through.

In old folklore, the twelve nights between Christmas and New Year's (Yule) were considered to exist outside the traditional calendar year – neither fully in the old nor the new. This “time outside of time” makes it a natural portal for spiritual activity.

The Winter Solstice (around December 21-25) is the longest, darkest night of the year. This profound darkness is spiritually associated with the threshold between life and death, allowing spirits of the deceased, ancestors, and fae creatures to mingle with the living.

Folklore from this time often includes, the “Wild Hunt” or, in Scandinavian traditions, visits from *garden* (household spirits) and the dead, reflecting a thinning of the veil.

It is the most powerful time for luciferians, witches, freemasons, illuminati and occultists because everyone, even Christians, are participating to some extent in it. With the majority of the people participating in it, this lends more power into the kingdom of darkness at this time of year. Gateways are opened wide and the evil spirits are coming in. Do not forget about the rituals and human and animal sacrifices that are taking place that I shared in part twelve from the Open Scroll.

The spiritual warfare around pagan feast days is heavy and intense. The first year we came out of Christmas Scott got sick and the night before I preached part 2 of “The Occult Origins of Christmas” Kennedy got sick too. This time around with this sermon series, Kennedy had a bad fall and injured her tail bone. I got bit by a wild raccoon and had to have the whole series of rabies shots. I praise God He has carried us through it all!

Because Christians are in agreement with the occult in these celebrations, they are helping to open doorways for the demons, the evil spirits to enter this realm. The Christians who see nothing wrong with Christmas and continue to take part in it, are in sin against God and therefore are helping to draw more evil powers into this natural realm. They are using their freewill to participate in wicked things, they are participating in ancient paganism. They are opening doors in their own lives for demonic activity as well.

Nimrod built a whole empire against God. (**Genesis 10:8-12**) He was the spiritual and political ruler over it all, the ruling king. He was a tyrannical ruler and there

are many things recorded about him in history. There's not much said about him in Scripture but there is enough to know that he was not righteous and he led the people in rebellion against God. He was a king before God allowed the Israelites to have a king. He built an empire and lived his life outside the will of God, against Him.

The luciferians are still trying to finish what Nimrod started. They are longing for the time when satan will empower the antichrist against God. We can't ignore historians and ancient artifacts that give us insight into the things that Nimrod did. By better understanding who Nimrod was and what he did we can see the impact on the whole world from ancient times to present day. The worship system that began in Babylon and then spread over the whole world is still being practiced and many parts of it are in so called "Christian" homes at Christmastime today.

The luciferians revere Nimrod because satan influenced him to rise up against God. He led a multitude of people away from God and those that do that are highly revered in satan's system of worship. satan was fine with Nimrod being worshiped because he allowed him to work through him against God and satan made great strides against God through Nimrod and his empire and family.

The leaders of our nation are not Christians just like Nimrod. The White House and those instated in the presidency continue in the mystery religion began by Nimrod.

Here is Obama's 2008 campaign logo. Notice the rising sun, honoring horus in Egypt or Tammuz in Babylon, a sun god.

# BIDEN HARRIS

Here is Biden's campaign logo. The "e" is accentuated into three lines.

The number 666, often called the "number of the beast" or mark of the beast from the book of Revelation (13:18), in esotericism with "three lines" or, more specifically, the Hebrew letter vav written three times which is three lines. So those three lines certainly are for the ultimate sun god, satan.

Trump's 2016 campaign logo and slogan "Make America Great Again" abbreviated is "maga."

- **The Magas (Maga-brāhmaṇa):** In Hindu texts like the Bhavishya Purana, Magas are described as sun worshippers. They were a class of priests, often identified with Persian Magi (fire-worshippers), who migrated to India to install and worship the Sun-God.

The magas: In Hindu texts like the Bhavishya Purana, Magas are described as sun worshippers. They were a class of priests, often identified with Persian Magi (fire-worshippers), who migrated to India to install and worship the sun-god.

That is why the Nimrod tree or phallus is in the “blue room” of the White House. A round room with the sun symbolism painted on the ceiling and the sun god’s sacred green tree placed beneath. Dual symbolism also is that the tree is centered so as to appear to penetrate the womb on the ceiling. That is also an asherah tree. Sun worship certainly has continued into our day and time. The luciferians world is a world filled with symbolism, everything they do speaks spiritually.

I have taught the truth about these green trees from Scripture and this spirit is being sent over our whole nation because it is coming from the top down. It is a satanic anointing.

**CLOSING**

satan has deceived the whole world into worshiping him at Christmastime, even the church. Jesus told us not to be deceived.

Let's read about Israel being told to keep covenant with God:

**Deut. 29:12-20** – That thou shouldest enter into covenant with the LORD thy God, and into his oath, which the LORD thy God maketh with thee this day: That he may establish thee to day for a people unto himself, and *that* he may be unto thee a God, as he hath said unto thee, and as he hath sworn unto thy fathers, to Abraham, to Isaac, and to Jacob. Neither with you only do I make this covenant and this oath; But with *him* that standeth here with us this day before the LORD our God, and also with *him* that *is* not here with us this day: (For ye know how we have dwelt in the land of Egypt; and how we came through the nations which ye passed by; And ye have seen their abominations, and their idols, wood and stone, silver and gold, which *were* among them:) Lest there should be among you man, or woman, or family, or tribe, whose heart turneth away this day from the LORD our God, to go *and* serve the gods of these nations; lest there should be among you a root that beareth gall and wormwood; And it come to pass, when he heareth the words of this curse, that he bless himself in his heart, saying, I shall have peace, though I walk in the imagination of mine heart, to add drunkenness to thirst: The LORD will not spare him, but then the anger of the LORD and his jealousy shall smoke against that man, and all the curses that are written in this book shall lie upon him, and the LORD shall blot out his name from under heaven.

### **New Living Translation**

“Those who hear the warnings of this curse should not congratulate themselves, thinking, ‘I am safe, even though I am following the desires of my own stubborn heart.’ This would lead to utter ruin!

V. 19 NLT “Those who hear the warnings of this curse should not congratulate themselves, thinking, ‘I am safe, even though I am following the desires of my own stubborn heart.’ This would lead to utter ruin!

So they decided to do what they wanted to do and said they'd be safe, God would be ok with it. They told themselves it was all ok and they would have blessing and peace in their lives. But God said His anger would smoke against that man and He would pour out all the curses recorded in Deuteronomy against him, in fact that

chapter continues talking about God's judgement against such a person. Even to the point of erasing their names from under heaven.

That's not God's approval. That's not "well done My good and faithful servant." You don't want to continue in this great sin against God.

I have shared about all of this to Pastor Erustus and he said, "The truth about Jesus Christ has really been diluted and messed up with satan's lies more so in these pagan celebrations done right in the church."

Judgment begins at the house of God. **(1 Peter 4:17)** You now know the truth and you will be held accountable for what you do with it.
