

# OPENING THE ABYSS Pt 2 - Rerelease

What are the capabilities of these craft?

Well, when our astronauts first landed on the moon in 1969 they were greeted by a fleet of disks sitting on the rim of a crater. The astronauts asked their superiors if they knew about these disks. They were told "yes", that they were American disks. The astronauts were angry at being used as public relations men by the government.

The authenticity of the Apollo 11 UFO sightings on the moon has been confirmed by legendary US CBS TV news anchorman Walter Cronkite. In an interview with the National Enquirer, conducted by reporter Robin Leach, Cronkite gives the following testimony: "En route for the world's first moon landing, Armstrong and the crew transmitted some earthshaking information and I was there to hear it for myself." Cronkite further stated: "Armstrong claimed to have spotted a huge cylindrical object which was rotating or tumbling between the ship (lunar module) and the moon. It's officially recorded in the NASA record vaults that Armstrong indicated he went to take photographs but the object vanished as quickly as he'd first seen it. Neil Armstrong is not a man given to fanciful imagination and it wasn't just one of the crew who saw it... they all did and you have to respect those men."

**Maurice Chatelain, former NASA chief of communications, referring to the Apollo 11 mission: “ ...when they made the first moon landing on the Sea of Tranquility and only moments before Armstrong stepped down the ladder to set foot on the moon, two UFO’s hovered overhead. Edwin Aldrin took several photos of them...”**

Eugene Cernan, Commander of Apollo 17 mission, “...I’ve been asked about UFO’s and I’ve said publicly I thought they were somebody else, some other civilization.”

Astronaut Dr. Brian O’leary, “..we have contact with alien cultures.”

**Charles J. Camarda NASA Astronaut Ph.D. “In my official status, I cannot comment on ET contact. However personally, I can assure you, we are not alone!”**

Colonel L. Gordon Cooper (Mercury 9, Gemini 5 Astronaut) “I believe that these extraterrestrial vehicles and their crews are visiting this planet from other planets which obviously are a little more technically advanced than we are here on Earth.”

Captain Edgar Mitchell Apollo 14 Astronaut “...we all know that UFO’s are real. All we need to ask is where do they come from and what do they want?”

Dr. Storey Musgrave, NASA scientist and Astronaut “I believe and I am scientifically certain that there are endless other living forms out there, including intelligent sentient beings...”

**Scott Carpenter, Astronaut Johnson Space Center “At no time when the astronauts were in space were they alone. There was a constant surveillance by UFO’s”**

Christopher Kraft, NASA Base Director Houston confirmed that Apollo 11 was intercepted on the moon by UFO’s after he retired. There was a 2 minute interruption in the live broadcast of the Apollo 11 mission when Armstrong & Aldrin were on the moon which NASA blamed on an overheated camera. In reality NASA censored the following conversation which has been confirmed by Director Kraft and corroborated by hundreds of amateur radio operators who had connected their specialized VHF radio equipment to the same frequency that the astronauts were using. Unofficial Russian and French Government sources also confirm this conversation.

Official Apollo mission photo from NASA database copied without authorization in the 1970's by NASA personnel. The Alien base known as "Luna" in the intelligence community is located near the Bressel Crater north of Mara Serenitatis on the back side of the moon which is never visible from Earth.

Official transcription of the Technical Air-to-ground Voice Transmission (Goss Net 1) from the Apollo 11 mission in 1969. It proves that they detected UFO's in lunar orbit.

Armstrong & Aldrin: "Those are giant things..(referring to the giant ball of light over the LEM)..no, no, no...this is not an optical illusion...no one is going to believe this!"

Houston (C. Kraft): "What...what...what? What the h\_\_\_ is happening? What's wrong with you?"

Armstrong & Aldrin: "They're here under the surface."

Houston (C. Kraft): "What's there?...(static interference)...control calling Apollo 11.."

Armstrong & Aldrin: "We saw some visitors...they were here for a while, observing the instruments."

Houston (C. Kraft): "Repeat your last information!"

Armstrong & Aldrin: "I say that there were other spaceships...they're lined up on the other side of the crater."

Houston (C. Kraft): "Repeat, repeat!" Armstrong & Aldrin: "Let us sound this orbita...in 625 to 5....automatic relay connected....my hands are shaking so badly I can't do anything...film it?...God..if these d\_\_\_\_\_ cameras have picked up anything...what then?"

Houston (C. Kraft): "Have you picked up anything?"

Armstrong & Aldrin: "I didn't have any film at hand...three shots of the saucers or whatever they were...that were ruining the film.."

Houston (C. Kraft): "Control..control here...are you on your way?..is the uproar with the UFO's over?.."

Armstrong & Aldrin: "They've landed here...there they are...and they're watching us.."

Houston (C. Kraft): "The mirrors...the mirrors...have you set them up?"

Armstrong & Aldrin: "Yes..they're in the right place...but whoever made those spaceships surely can come tomorrow and remove them.....over and out."

Dr. Vladimir Azhazha, Physicist & Prof. of mathematics, Moscow University. "Neil Armstrong relayed the message to Mission Control that two large mysterious objects were watching them after having landed near the moon module (LEM)...but this message was never heard by the public because NASA censored it."

Authentic photo of probable mining machinery in current NASA database located on the back side of the moon in the Vitello crater taken by Lunar Orbiter 5 in 1967 during a mapping mission. NASA claims it is a boulder rolling down a hill.

Aliens / Moon Landing – super long document but lots of info. here

So what about our government and all these people thinking it is ok to just talk to and work with aliens/demons?

I Cor.10:20-21 – But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God: and I would not that you should have fellowship with devils. You cannot drink the cup of the Lord, and the cup of devils: you cannot be partakers of the Lord's table, and of the table of devils.

Why spend so much money on the

Stealth bomber when they have had this gravity technology for so many years?

Well, the aircraft combines two aspects for invisibility. One of the aspects relates to the construction and coating applied to the surface. The other aspect relates to an electronic type of invisibility package which is a result of work done on the Philadelphia experiment years ago. Also, the stealth has a secondary drive system which is very advanced and allows it to fly in space. The assistant director of NASA admitted that this came straight out of alien technology. He admitted this to the public.

He did?

Yes.

That's interesting in view of the government's apparent position with respect to covert technology.

There are breaks in the government secrecy programs that are starting to show up. More and more people are getting totally disgusted with government activities and attitudes and they are beginning to talk.

Maybe it's a deliberate leak.

It could be deliberate. Even MJ-12 was about to break some information to the public about ET's and UFOs. They decided not to release it at that time. John Kennedy demanded that they release it within one year. He also demanded that the CIA get out of the drug business. They assassinated him.

So what did they actually prove that they could do when the experiments were over?

What they essentially proved they could do was that they could control a person that they had the "signature" for. This pattern that was unique to an individual could be put into the computer program for the transmitter. A second order wavelength would be transmitted that has a lower attenuation and affects that persons mind directly. There could be a command to do anything focused at the person. Once, a device was constructed that illustrated this principle on a wide scale. A mental message was put out that if anybody heard the message they were to call a certain phone number. Over 600 calls came from all over the East coast all the way down to Florida. It works.

**That's interesting. There's a fellow who calls himself Lord Maitreya who says that he is the Christ returned to the planet; that when he links up with the international press he will send a telepathic message to the entire planet in their own language and they will hear it. They also are supposed to receive a visual image.**

**Rev. 13:13-15** And he (false prophet) does great wonders, so that he makes fire come down from heaven on the earth in the sight of men, and deceives them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

**\*\*This is connected to Hitler: The Maitreya or Lord Maitreya is described in Theosophical literature of the late 19th-century and subsequent periods as an advanced spiritual entity and high-ranking member of a hidden Spiritual Hierarchy, the so-called Masters of the Ancient Wisdom.**

Remember they thought Hitler was Lord Maitreya. As Hitler had a plan, so do the Ascended Masters who are called the *Custodians of the Plan* and supporters of the energies (demonic supernatural powers that counterfeit God's) entering this planet will bring about the fulfillment of their Plan. Alice Bailey, in an address at the Arcane School Conference in Geneva, Switzerland stated that the "Shamballa force"-the force from the invisible dimensions led by the Lord Maitreya-will be "destructive." She said it will also eject the unbelievers from the earth:

*"The decision to release the Shamballa force during this century into direct contact with the human kingdom is one of the final and most compelling acts of preparation for the New Age. The Shamballa force is destructive and ejective ... inspiring new understanding of The Plan....It is this force ... which will bring about that tremendous crisis, the initiation of the race into the mysteries of the ages.(Alice Bailey the Externalizing the Mysteries pt.1 p.171). Guess who the unbelievers are?"*

So... they have that technology?

Yes. There is not only an individual signature. There's a racial signature and also a universal signal for the human race. The government has used all three to target specific individuals. They have also done group messages targeted on a specific racial or ethnic group. That's common. In Boston and New York they were doing experiments on "mood control" on the cities.

Boston – Could this be the result of mood control?

NYC or LAX – could this be more mood control?

Transmitters used no longer exist, but the technology does.

Is there any defense against that?

Yes and no. Theoretically, no. This is what the government depends on. Practically speaking, they can't get everyone, because some people are naturally resistant, depending on their level of mental and psychic development. Perhaps 5% of the population do not respond to these signals. If they get 95% coverage, they don't care about that 5%. That's what they have the riot squads and the concentration camps for. There is no defense unless you can interfere with that signal. Some people just don't react.

So they transmit a thought signal?

Not exactly. If you were put on an EEG, you would exhibit a certain pattern of electrical responses. These can be recorded and they are unique to you. It can be recorded and stored and replicated on a computer. If they can replicate your RNA/DNA pattern they've got you too - for life.

You mentioned about concentration camps?

Yes. They are all over the United States. There are three in Arizona alone.

So they can control us to the point where we'll just hand over our guns?

That's what they hope. It depends on how effective this equipment becomes, how thoroughly installed it is everywhere, and whether or not people can ferret this stuff out and render it inoperative before that time arrives.

How about the idea of a conflict between moral conscience and what the mental command tells you do to?

You don't have the option not to act, the way it is set up - if you are not aware enough to make a connection that it is not your thought. It does not negate choice, it just puts in a strong impulse or command. Those people who responded by calling that number had no idea what went through their heads. Some of this does require preconditioning to a response pattern.

**II Cor. 10:5** – Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

What was the ultimate power behind the Phoenix projects?

Ultimately, the whole thing is manipulated by the Orion group (aliens/demons). The expectation was that they could use mind control to take over the populace in the 1990's - no later than 1994 or 1995. They have also been doing genetic work in which they alter a human sperm and ovum to the extent that all offspring will produce hybrids with new characteristics. Humans will mate and create children with alien genetics.

That's one step beyond the average abduction scenario. There are other things happening with the human race.

**\*\*This is like when satan tried to corrupt the bloodline so Christ could not come the first time. This is also what the nephilim did back in Gen. 6.\*\***

**Matt.24:37-38** - Read this Days of Noah...

Is the One World government interested in longevity? It seems like all these plans are on a long term basis. It would also seem like it would take too long before those in control could really reap the benefits.

When you get to the level of the warped mentality of the world leaders that are controlled by the Orion group, (This matches with what World Bank whistleblower, Karen Hudes said.) you don't really know what their goals are. They are totally dependent on a specific technology, including time machines which are anchored in the 40 years time rift plus the extensions in the time matrix which goes another 20 years. Time machines are based in the technology that had its origin here within that time period, and from what I understand as of 2003 they will suddenly find that their time machines no longer function.

Would they be dependent on this rift?

No, but the Greys

(aliens/demons) are somewhat dependent on it, having used it to get here in large numbers. (Supposedly these guys opened up a hole in time, a time loop and when they did the “Greys” came right on in.) The Orion group itself is not here in a large number.

They let others do the dirty work for them?

Yes.

How do you view that scenario, where the planetoid full of Orion reptilians, or Draco, is coming here?

Well, we monitored the signals coming from the planetoid. They were coming in at around 25MHZ with twelve carriers spaced 50KHz apart. The Orion group reptilians have twelve chakras, maybe that has something to do with it.

How do you bounce that against the fact that AIDS was created at Fort Detrick, Maryland? Are the aliens ultimately behind that as well?

I don't know. It's very possible. It originated on the orders of the **World Health Organization**. I suppose you have to go back and see who was responsible for this diabolical plan within WHO to create a virus that would destroy the human immune system. They found out that once it was released that it mutated like crazy and there is no way to produce a vaccine for it. The government does have a way to cure it, but they do that on a pretty selective basis. The cure involves electromagnetics. There are also other means that have been discovered, but the government doesn't want the outside world to have it. It's part of the population reduction program.

**Luke 21:11** – And great earthquakes shall be in divers places, and famines, and **pestilences**: and fearful sights and great signs shall there be from heaven.

Bill Gates and the elite could certainly play their role in releasing pestilences into the population. They've done it before.

Bill Gates holds the patent on the ebola virus / NIH (Nat'l Institutes of Health)

Why was it mentioned at one time that 2011 was the last year that they could see anything tangible?

It was mentioned in the Mayan calendar that 2011-2013 was a barrier of some kind. Psychics have said that there is a 'barrier around 2013 that they can't go through.

God is SOVEREIGN!!! An example...

**John 12:40** – He has blinded their eyes, and hardened their heart; that they should not see with their eyes, nor understand with their heart, and be converted, and I should heal them.

That doesn't mean there is nothing beyond that.

No. It's just blocked from view. Even to the time machines. There are a lot of people wondering whether they are going to retain control over humanity beyond 2013.

How is the government involved in cattle mutilations?

Human scientists are involved with longevity studies using adrenalyn. They have developed altered adrenalyn, and drugs called cordrazine, cortropinex, formazine, and hyronalix. All of them have an adrenalyn base. The only way to get the large quantities of adrenalyn is to get them from cattle. Some of the substances they develop affect psychic development. Other drugs have physical restoration properties. Aliens use cattle for the biological materials as well. They use the materials in their breeding program and for the construction of cloned individuals.

**\*\*From Dr. Beter: The Rothschild process, by contrast, does not start from scratch. Instead, certain tissues extracted from cattle are the starting point. The synthetic is then generated in a process that changes the genetic make-up in order to simulate a person being copied.\*\***

What about these synthetic humans?

Human cloning was developed at the University of Utah at Salt Lake City in 1977. They first aired this on TV as part of a series. They had an alleged human clone on TV that they were interviewing. It didn't talk very well. They showed the original human and the clone. The clone was not all that successful. It took 14 months to generate a fully adult human clone in a tank. It was a two part series. The second part of the series never aired, for obvious reasons. CIA sources have confirmed that it started at the University of Utah. The government has a facility for clones. The first one was built in the Mount Hood area, about sixty miles east of Portland, Oregon. They have other facilities in other locations. Locations must have stable geomagnetic fields and other special characteristics or the cloning process does not work properly. They can replicate them faster now. They have clones of all the major government figures. This is partly for security reasons. it also creates the situation that when someone falls out of favor, they clone the person and kill the original. This kind of thing apparently happens with some frequency.

Hitler also adopted the idea of fighting the communists, because the communists were just about ready to take over Germany. There were not Greys around in large numbers but they were there. The Germans were involved with alien technology. They had one version with electromagnetic drive.

They had jet aircraft in 1943. They had nuclear weapons but Hitler did not use them. Mind control research was ongoing.

The government has vans that drive around that are capable of complete mind disruption. They have used it before to kill a man in his house in fifteen minutes. All it takes is four helicopters flying in tandem to completely mentally wreck a city if they have those pods on them. The pods are an outgrowth of the Phoenix project. They, can produce heavy mood control over a city. They are going into areas beyond the electromagnetic. They are trying to increase the stress level in the population. It is no secret that Bechtel was laying cables under major metropolitan areas several years-ago, claiming that it was being laid for "others" whom they wouldn't reveal. It had nothing to do with electric, telephone or cable TV.

Many people have been discussing the idea that we are going into fourth density. What does that mean?

**Basically another general vibratory rate. It also relates to the realization that one is not separate from the creator. It is that kind of spectrum which has been**

called by the christians as the "second coming". The second coming is a state of being, not an individual arriving and establishing a power hierarchy.

**Rev. 1:7 Behold HE comes with the clouds; and every eye shall see Him, and they also which pierced Him: and all kindreds of the earth shall wail because of Him. Even so, Amen.**

**Rev.21:3** – And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and HE will dwell with them, and they shall be His people, and God Himself shall be with them, and be their God.

When I went to the home page of this site I noticed it was a scientology site. This is what I found in regards to that:

## **SCIENTOLOGY**

We have a couple of years left to the year 2000 which is a new step for mankind. It's a chance to increase the overall awareness from a piece of mud - a one-lifetimer - into a conscious spiritual being.

**Heb.9:27** – And as it is appointed unto men once to die, but after this the judgment:

NO REINCARNATION

**1 Thess.5:22** – Abstain from all appearance of evil.

Don't hang out with demons that have manifested. Quit the project or job. Rebuke the thing in Jesus' name. Have nothing to do with darkness!

Do not participate in this kind of activity – psychic powers, astral projection, clairvoyance, messing with your mind.
