

# LUCIFER'S WORLD Pt.1: SYMBOLISM, LUCIFERIANS

This is about how all products, everything we buy and consume is produced by luciferians. Some things are more obvious than others, but all of what we buy and consume is brought to us by those that serve lucifer. This type of sermon can bring about deliverance in your life. If you take this message to heart and clean out the things that don't please God and make better decisions spiritually, then deliverance will take place. Over the years I have talked about things you should burn, destroy or throw out and get out of your life and home. This sermon is along those same lines.

A world based on satanic symbols. The Apple Corporation is based on satan talking Eve into taking a bite of the forbidden fruit of the tree of the knowledge of good and evil. **(Genesis Ch. 3)** That one act caused this whole world to go into a sinful fallen state. That was a major feather in satan's cap. There are 6's in the symbols here. There are S's for satan and for serpent. There are sun rays for the sun god baal, who ultimately is satan. The X is a major symbol of sun god worship going back to Osiris in Egypt and to Nimrod in Babylon and ultimately X is a major symbol standing for satan himself.

In the past I thought the guy on the box was an Egyptian pharaoh but this is supposed to be Montezuma, the final emperor of the Aztec empire. Here is how symbolism works – they say the two x's on their beer was to celebrate the arrival of the 20<sup>th</sup> century. This company was founded by a German immigrant back in 1890 and he used two Roman numeral X's to stand for the 20<sup>th</sup> century. That sounds all well and good to the common person, to those who do not understand the symbolism of the occult. Those two x's stand for sun worship and for 6's in Pythagorean. They are overlaid on top of a big golden X.

Pythagorean Numerology								
1	2	3	4	5	6	7	8	9
A	B	C	D	E	F	G	H	I
J	K	L	M	N	O	P	Q	R
S	T	U	V	W	X	Y	Z	

Remember the philosopher Pythagoras told his initiates that they were to identify themselves somehow using 666. X on this Pythagorean Numerology chart = 6. So the 3 X's on the logo of Dos Equis is 666 showing allegiance to the beast.

**(Revelation 13)**

We live in a world ruled by freemasons and they are luciferians. When I speak of luciferians I'm speaking of the illuminati, freemasons, secret societies, the Jesuits and witches but I am only speaking of those at high levels. Freemasonry, the illuminati, secret societies etc. are all serving the same god and they have sworn oaths of secrecy. Many of them are bloodline families who have been born into it, that's how witches work, they raise their children up knowing the ways of the occult and how to practice witchcraft. Whereas we as Christians are to raise our children up in God's Word and to obey Jesus.

These organizations are all part of the ancient mystery religions and those religions are based on symbolism. All mega corporations have bowed to satan and that is how they got to be mega corporations. They serve satan and the fallen angels. What they do, make, produce is for his kingdom. Their lives are used to glorify satan.

**John 10:10** - The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have *it* more abundantly.

satan is the thief who wants to steal, kill and destroy everything God made and all that God stands for but praise God for Jesus because He came so that we could prosper and live and ultimately have eternal life with Him one day.

satan uses the luciferians in carrying out his agenda to steal, kill and destroy. A major way this is done is through deception. Most everything in this world is not what it appears to be. Most of us have been greatly deceived already our whole lives. I was in my 40's when God began waking me up.

Since the time He initially woke me up to all of this my viewpoint has changed a little about throwing some things out. At first as God showed me how all corporations show their allegiance to satan and the fallen angels, I would throw those things out. It didn't take me long to realize that I would have to throw out everything in my possession and I can't do that. All our food comes from them, I can't stop eating or I'll die and be of no use to God.

Even the cars we drive are made by these luciferic corporations, but we have to have cars to function in this world. They name their companies after their gods, and goddesses and the nephilim that came out of the union of fallen angels with human women. They also name the cars for wicked places, things etc. It will tie back to the occult somehow.

Here's an example: This symbol for the Dodge Ram truck goes back to ancient Egypt. To the god amun / amen who traces back to satan. The false god amun is said to be a creator god and a sun god. So once again it goes back to sun worship. He was said to have created himself and all other things. That is a lie from the pits of hell, Jesus created all things including the fallen angels. **(Col.1:16, John 1:3, Hebrews 1:2)** Within the letters of RAM you see Ra, a sun god of Egypt, "A" was a moon goddess of Chaldea which is Babylon.

This is the ram of amun-ra. The false god amun / amen is in ram form protecting the pharaoh king. The ram on dodge cars in honor of the the Egyptian god amun / amen. It all goes back to the gods of ancient Babylon and Egypt. Nimrod rebelled against God, **(Genesis 10:8-12 and 11:1-9)** served satan and incorporated satan's system of worship in his empire. After he was murdered his wife carried on the empire but took his system of worship underground and that is where the mystery religions came from.

Dodge Ram Pickup Trucks is just one example but it is all cars and all car companies. They all show allegiance to satan with their symbols contained in their logos. So you might say well I'm not going to buy a Dodge after seeing this but it doesn't matter, it's all of them.

For a long time I drove a Nissan. This was the Nissan classic logo. Nissan means sun and it means birth. The corporation is headquartered in Japan which is called the land of the rising sun. The big red ball is the rising sun. This is clearly dedication to the sun and satan is the main sun god.

In the 90's they transitioned to a more contemporary look but the meaning is still there. Just pray over your car and plead Jesus' blood over it. I am not going to be teaching specifically on symbolism in this series. I have spoken about it many times in the past. The main thing is that you don't have to be an expert on the symbolism of the occult to be spiritually discerning and make better choices or get rid of things in your home.

## TV

Everything you watch on tv and the radio including all so called Christian broadcast stations is coming to you by luciferians. I have exposed many of the televangelists over the years, the entire Christian networks serve on satan's altar.

**2 Cor.11:13-15** - For such *are* false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for satan himself is transformed into an angel of light. Therefore *it is* no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

## NLT

**2 Cor.11:13-15** - These people are false apostles. They are deceitful workers who disguise themselves as apostles of Christ. But I am not surprised! Even satan disguises himself as an angel of light. So it is no wonder that his servants also disguise themselves as servants of righteousness. In the end they will get the punishment their wicked deeds deserve.

How not to be deceived. These people are lifted up on satan's stage. This is satan's world and he only promotes his own. Each one of these televangelists is pushing lies for satan including the pope even though the one pictured here is dead, the current pope is just as bad. They hold what the world believes to be prominent positions because they are on tv. They can be seen by millions of

people. Just remember God's prophets were never well received. Usually the people never want to hear what God's true ministers have to say. All of these guys tell jokes to warm up their audiences. Do you think Apostle Paul went around telling jokes in his sermons? Do you think Jesus opened with a joke before He taught? Think about it. These guys are freemasonic witches serving satan's agenda. They teach things like once saved always saved. They teach that when you got saved you received all of The Holy Spirit there is to receive. They do not teach that you should seek more of God's anointing. They lift up Judaism which is witchcraft and on and on it goes. Their ultimate goal is to deceive you enough to keep you out of heaven.

## **DISNEY**

One of the first things God showed me was how wicked Disney is. Disney was founded by a freemason, Walter Disney and everything he created honors lucifer and continues in that same vein today. All mega corporations are founded by freemasons and show allegiance to their master, lucifer.

The logo was designed with many 6's in it. There are more 6's than what are highlighted here. In witchcraft, the more a number repeats, the more power is in the spell, curse, object, corporation etc.

The Art of Disney Studio proudly displays 666 on it's store logo.

You are blind to this. The cup they sell shows Mickey written on the inside so that it reflects in the liquid put into the cup. The reflection is upside down and reads “wicked.” Disney uses lots of subliminal programming. Aleister Crowley, a major guru of the occult, and high level freemason, taught about the occult law of

reversal and how occultists get more power when they do things backward, upside down and in reverse.

A scene from *The Ant Bully*, the freemason logo on the back of the chair is subliminal programming. Everything the luciferians do is coded and well thought out, they get more satanic power when they hide things in plain sight like this.

I still watch tv but I'm aware of what I'm looking at. I see so much of their symbolism and the truth that they share as sci-fi or just entertainment but actually it's based on fact. Be mindful of what you watch. I watch a lot of older tv and for a long time we watched black and white tv shows, they were a lot cleaner than what's out there today but still produced by satan.

The occult world, practice the mystery religions to this day. Mystery religions were secret, underground; you could join only by initiation under sworn secrecy oaths. These cults practiced witchcraft and only those on the inside could gain the esoteric knowledge and have spiritual experiences. The spiritual experiences they had was with the fallen angels. That is who they serve and the more powerful they are the more demonic power has been granted by satan. He only grants power to those that bring him sacrifices and worship. So the richer the person, the more powerful the person or the more famous the person, the more human sacrifices they have given, the more perversion they have done for satan's kingdom. These major corporations are major because of the founder, the people at the top who serve on satan's altar.

Today, the founders of mega corporations, all of Hollywood, radio persona, professional sports, top military, top government officials – all those in positions of power are luciferians and they do practice the mystery religions of the occult. They worship lucifer and the things they do and say, their company logos, colors, numbers, hand signs and symbols will show allegiance to their master.

If you do not know about Disney, look in the info. box wherever you are watching from, there is a great video exposing Disney.

So when I first learned about Disney, Kennedy was very young, maybe somewhere between 5 to 7 years old. I gathered up all her Disney stuff and we burned it and destroyed it. Today, I realize all toys are made by luciferic company's and probably would have kept some of her toys.

I threw this one out but it would have been fine to keep.

This one got thrown out and it would have been fine to keep.

Kennedy had Tinkerbell bedding which we destroyed. Tinkerbell is a fairy.

Disney came up with a bunch of fairies and we had huge wall decals of these fairies that we put all over Kennedy's room.

A fairy is one of a class of supernatural beings, generally thought of as having a very small human form and possessing magical powers with which they intervene

in human affairs. This is talking about a fallen angel or a demon spirit because a fairy is a supernatural being but they are not The Holy Spirit and they are not holy angels but yet they are supernatural. That only leaves satan's kingdom, the kingdom of darkness. All fairy things should be destroyed and the same goes for trolls and gnomes. Start looking up the definition of these things that are supernatural and study to show yourself approved. **(2 Timothy 2:15)** These things have spiritual ramifications on your life and your children's lives. We should not want anything to do with supernatural beings that are not of God's Kingdom.

Tinkerbell is a way for satan to open your child up for belief in fairies, in supernatural beings that are not in Scripture. A way to get them to believe in magic which is witchcraft. The last part of her name, bell, gives honor to Nimrod and satan. Nimrod was baal of the Canaanites and ultimately baal is satan.

We got rid of all of all this fairy stuff including the Tinkerbell movies we had bought for Kennedy. They had a series of movies with all these fairies in them. I feel good about having gotten rid of these things, these are supernatural beings, not angels, but of the devil's realm.

My advice to all of you parents is to look at what is in your child's room, really take an account of their bedding, toys, movies, books and what is in their lives. Use your spiritual discernment and get rid of things that clearly cross the line. Ask God to show you the things that don't please Him and destroy those things.

Like Monster High dolls, clothes or any of this stuff. We never had any of this but many Christians have no discernment. They buy this stuff for their children. This is inviting the kingdom of darkness into your home, into your child's life and your life. Destroy this type of stuff if you have it.

Everything to do with Harry Potter glamorizes witchcraft. God hates witches. **(Exodus 22:18, Deut.18:10-12)** Destroy this stuff.

I have spoken about toys and many other things in the past so I'm not going to go all through this type of thing, you have to grow spiritually and use godly

discernment to clean out your life and home from wicked things and help teach your children how to discern wickedness.

**Philippians 4:8** – Finally, brethren, whatsoever things are true, whatsoever things *are* honest, whatsoever things *are* just, whatsoever things *are* pure, whatsoever things *are* lovely, whatsoever things *are* of good report; if *there be* any virtue, and if *there be* any praise, think on these things.

As Christians we are expected to have spiritual discernment. This world is filled with deception; believers are to focus on what aligns with God's truth as revealed in His Word to us. When we think of truth, remember Jesus is Truth, God's Word is True, things that are honorable are trustworthy and reliable things that reflect God's character. Whatever is just is meaning right, right is the root of righteous according to God, this goes back to God wanting us to judge righteously and carry out justice and have godly moral integrity. Things that are lovely takes us back to God's creation and His attributes. Thinking on these things helps renew your mind.

Is casting spells and working magic like in Harry Potter pure? No, those things are worked through the powers of darkness, not through Jesus. Purity speaks of being cleansed by Jesus' blood, of being washed by God's Word. Do those monster dolls with animal ears and legs, vampire fangs and the look of death on them, do they look like anything pure and honest and praiseworthy? No, they are wicked. God's Word says to avoid even the appearance of evil. **(1 Thess.5:22)**

## **CLOSING**

We live in this world but we are not of this world.

Listen to this High Priestly prayer from Jesus:

**John 17:14-16** - I have given them Thy word; and the world hath hated them, because they are not of the world, even as I am not of the world. I pray not that Thou shouldest take them out of the world, but that Thou shouldest keep them from the evil. They are not of the world, even as I am not of the world.

Jesus didn't ask God to take us out of here, but to protect us while we are here. We are here to bring God glory, every single one of us. This life is not easy for us because we have nothing in common with this world. If this world is not hating

you and rubbing you the wrong way, then you may not be living a truly Christian life. You may not be reflecting Jesus in how you live, in every area of your life. God's Word says friendship with the world will make you the enemy of God.

**(James 4:4)** We are surrounded by wickedness on every side. The things of the world are getting darker and darker. We have to do our best to navigate through this world and keep our Christianity in tact and that is only possible through the guiding of The Holy Spirit.

You might wonder why I titled this sermon Lucifer's World. It is his world.

**2 Cor.4:4** - In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

The god of this world is satan, he is the same as lucifer, his name was lucifer when he was in heaven. **(Isaiah 14:12)** This world became his when Eve and Adam decided to listen to him and do what he said instead of obey God. The people that honor lucifer and serve his agenda will be lifted up in this world. Things that please satan will be successful and popular and splashed everywhere. These mega corporations have his stamp of approval on what they market out to us. This is satan's world, his merchandise is on display here.

This world is getting darker and darker just as Scripture said it would. **(2 Timothy 3:1-13)** I feel the luciferians don't think anything can stop them now, they have gained so much ground, they are proud like their master and they proudly display their symbolism for all to see and don't really care if you learn the truth. The majority are still in darkness and they know the numbers are on their side. No matter because Christ holds all the power.

One day when Jesus returns at the battle of Armageddon He's going to take this world back. The only way we are going to make it through this world is to be in Christ with His Spirit in us guiding us. **(John 15:5)** We aren't going to make it without The Holy Spirit and godly discernment. Everything in this world is not good for us, we need godly discernment to filter out the things that will impact us negatively spiritually. I'm going to go deeper into spiritual discernment in this world next week.

Received this prayer request during the time that we were not in the church:  
Florence – no reason given / Michelle needs a job / Andrea had the flu which I'm  
sure is over by now. Traveling mercies for their bus trip in June.
