

LUCIFER'S WORLD Pt.2

HOLIDAYS

One of the first things God showed me was that all the holidays are pagan. That means their roots come from religions that did not serve God. Satan has managed to get his ministers to promote the holidays as Christian and as holy and the rest of the world including regular ministers are following suit without studying to show themselves approved by God. **(2 Timothy 2:15)** The real ministers who are getting it wrong will answer to God for misleading their flocks.

I just completed a long series on Christmas and the real meaning of it. It is idolatry against God. If this is the first time you are hearing that, I encourage you to go and listen to the sermon series entitled *Shocking Truth about Christmas*. I would destroy anything you have related to Christmas. It isn't Biblical and has nothing to do with Jesus. The same goes for Easter and Halloween. There is not a better choice or lesser evil with these things. They are idolatry against God and need to be cleaned out of your lives.

Today, it's popular to decorate for Easter. All of the things pictured here honor the mother goddess whose name is Easter. She is called queen of heaven, Ashtaroth and Asherah in Scripture. **(Jeremiah 7:18, 44:17-19, 44:25)** God hates her and here we are calling the resurrection "easter" and having little children hunt eggs which goes back to pagan fertility worship. The rabbits are symbols of fertility and were also familiar spirits of the goddess Easter. Destroy anything you have pertaining to Easter. As Christians we reverence and remember what Jesus did for us by taking holy communion. Do not have anything to do with the rest of it and teach your children the truth.

We have not been able to perceive that these things were wicked and needed to be destroyed and gotten out of our lives because we haven't heard the truth in the church about all of it. They have been cleverly wrapped and presented as innocent, good and Christian when they are not. I praise God He has shown me the truth. I have taught on the pagan holidays so that my flock and those God draws to this ministry will know the truth because that is what sets you free. **(John 8:32)**

CLOTHING

Luciferians produce all the clothes. We have to have clothes and I certainly don't make my own. However, we still need to use discernment and avoid the really obvious demonic items.

Remember Lil Nas X and his satanic 666 Nike shoes? You don't have to buy them. He is purposely giving the one eye symbolism for his god lucifer and it is a reptilian eye no less. The shoe has 666 on it, a pentagram and upside down crosses. These shoes supposedly sold out quickly and only 666 pairs were made. The world can't get enough of this wicked stuff.

Trevor Lawrence said a line has to be drawn somewhere. SMH. – sole contains 60cc ink and 1 drop of human blood, 666 individually numbered pairs, releasing 3.29 at 11:00 a.m. ET – To be clear, Trevor Lawrence and Lil' Nas X are both luciferians. One is playing the role of a truther exposing the other guy but they are actually on the same side.

By the heel of the shoe it says 1/666 and when you do that you get a repeating 015 which has mystical properties assigned to it in certain numerologies which is of the occult. By the toe is Luke 10:18. There's a pentagram charm and on the tabs that you pull the shoes up by, are upside down crosses. A drop of human blood speaks to satan requiring blood sacrifices and a human is the highest form of sacrifice that can be given to him, it is the one he most covets and rewards.

Let's look at the Scripture referenced on the shoe:

Luke 10:18 –(Jesus speaking) And He said unto them, I beheld Satan as lightning fall from heaven.

This doesn't bother those in the occult. They are happy to serve a fallen master who got kicked out of heaven because of what he blesses them with and promises them. Ultimately, they will pay a high price for choosing satan instead of Jesus, they will die twice and suffer for all of eternity. **(Rev.2:11, 20:6, 20:14, 21:8)**

On the heel of the shoes is MSCHF for mischief and Lil' Nas' name on the other side.

Inside the box, looks like a picture of the devil carrying Jesus. What utter wickedness. Do not buy 666 shoes. I hope every Christian has eyes to see this for what it is.

I mentioned that three lines in the occult stands for 666 in part 22 of *The Shocking Truth About Christmas*. The number 666, often called the “number of the beast” or mark of the beast from the book of Revelation (13:18), in esotericism with “three lines” or, more specifically, the Hebrew letter vav written three times which is three lines. Those three lines are one of lucifer’s symbols. His symbols are endless. With that information Sister Patricia had told me that Adidas came to her mind.

Adidas has the three stripes. In esotericism or you could say the mystery religions, those three stripes stand for 666.

Sometimes they stylize the 3 lines like you see here. It means the same thing. This is sort of the shape of a pyramid, going back to the gods of Egypt, to Osiris and ultimately lucifer.

One time I let Kennedy talk me into getting her a Nike sweatshirt sort of like this one. At that point I already knew all of our clothes are made by luciferians. The Nike company's logo stands for the Greek goddess of victory. So this company

honors a false goddess or a titaness. I could not get peace about that sweatshirt, I think because the logo was so huge on the front. I think we wound up taking it back. I am not saying get rid of everything you own made by Nike, but know the truth, pray over your clothes. Nike isn't the only company that is luciferian, they all are: Reebok, Under Armor, Adidas – all of them. This is why as Christians we pray over the things we have. If you don't have peace about something there's a reason for it. If you don't have to have it, then destroy it, burn it or throw it out.

Sister Patricia threw out many things that she knew were satanic brands. Then she said to me, pastor, isn't everything or almost everything in this world satanic brands up to the food we eat, McDonald's, Burger King, Wendy's etc. She got it exactly right. At some point you come to realize you can't get rid of every single thing made by these satanic companies. We have to wear clothes and shoes and eat etc. But we can certainly avoid the highly satanic things, or overly obvious ones such as the 666 shoes from Nike.

If you have shirts with zodiac stuff on it, that is new age and needs to be destroyed.

Live by the sun, love by the moon. This is new age.

These type t-shirts with the sun, moon and zodiac symbols need to go. They will open your life up for spiritual attacks.

Deut.4:19 - And lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, *even* all the host of heaven, shouldest be driven to worship them, and serve them, which the LORD thy God hath divided unto all nations under the whole heaven.

God does not want His children to be seduced into worshiping the sun, moon and stars which He created and ultimately stand for the fallen angels. We don't worship His creation and we certainly don't worship the fallen angels whom the

heavenly bodies are named for. As christians we don't believe in astrology. Astronomy, studying them is fine but not studying them to base our lives and beliefs on, that's not ok.

Deut.17:3 - And hath gone and served other gods, and worshipped them, either the sun, or moon, or any of the host of heaven, which I have not commanded;

Nimrod was baal of the Canaanites and worshiped as a sun god. satan empowered him and satan is the ultimate sun god. Get rid of this type of clothing.

Karl Lagerfeld, a clothing designer and luciferian, also has a perfume line. This one is called sun, moon and stars. Everything in this world is spiritual. We just read the Scripture that pertains to this. He's speaking spiritually here.

Karl is an illuminati freemason, showing us the all seeing eye, a nod to the brotherhood he's in and the god he serves, lucifer. All clothing designers have

bowed to lucifer. Many of them branch out and have a perfume line or cosmetic products as do those in Hollywood.

The luciferians are manufacturing and producing everything we buy. All our perfume and makeup comes from them.

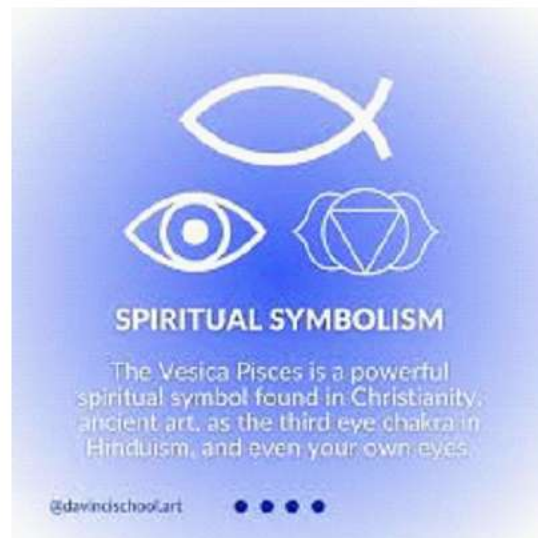

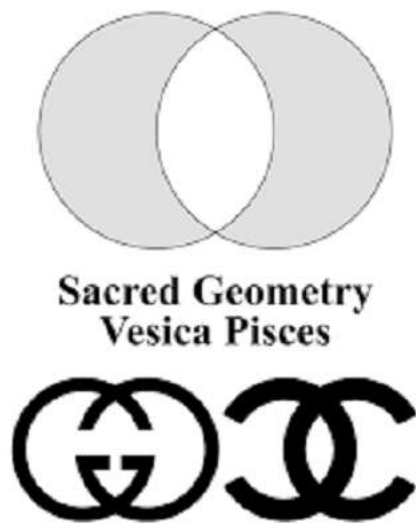

Elf is supposed to be for the areas it enhances, eyes, lips and face. But there is hidden meaning here too. Extremely low frequency that's used in targeting and torturing and an elf is a supernatural creature which is a demon.

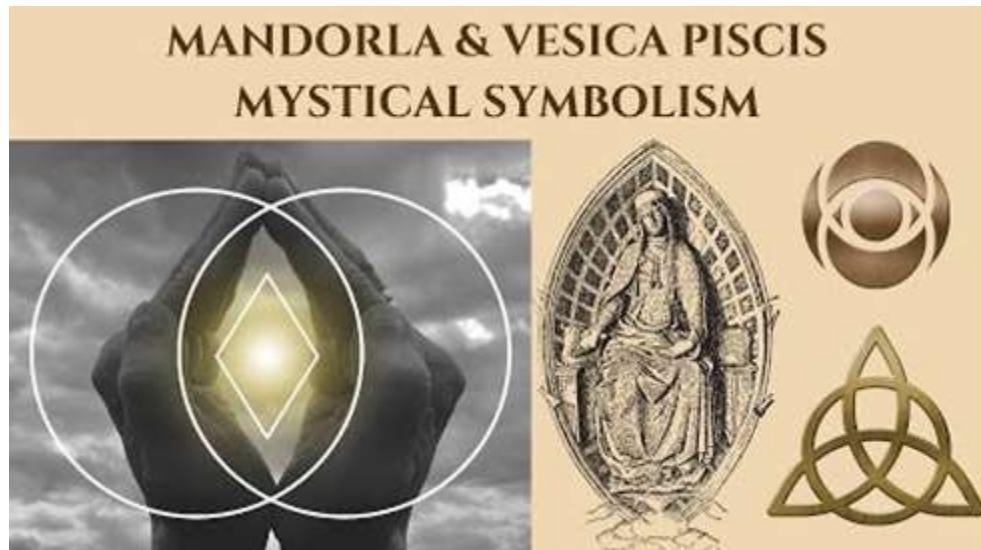

Coco Chanel, this logo reveres the goddess, the queen of heaven. They produce clothing, shoes, perfume, makeup etc. The 2 C's in Pythagorean numerology are 3's so this is 33 as in the 33rd degree of freemasonry. You also have what Aleister Crowley taught, the backward and in reverse so as to receive more demonic

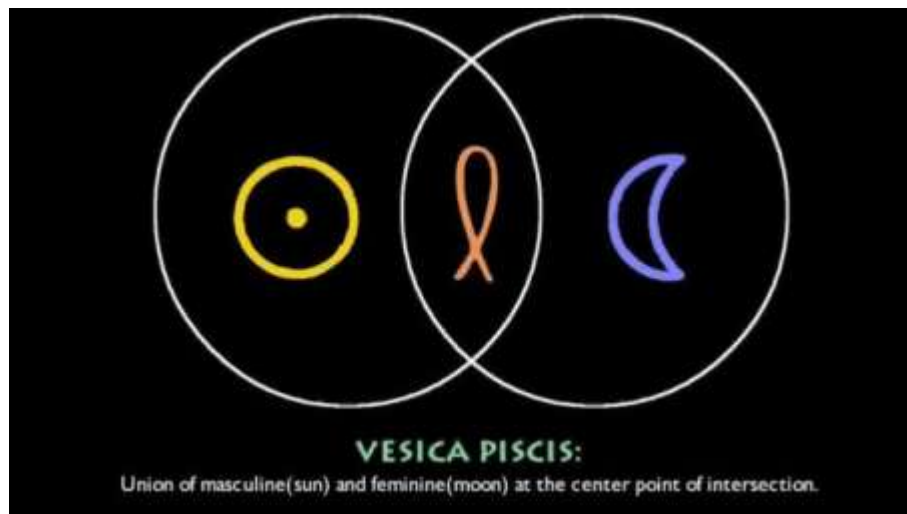

power. In the middle of the C's, they make a shape like a football which is called a vesica pisces, an occult symbol.

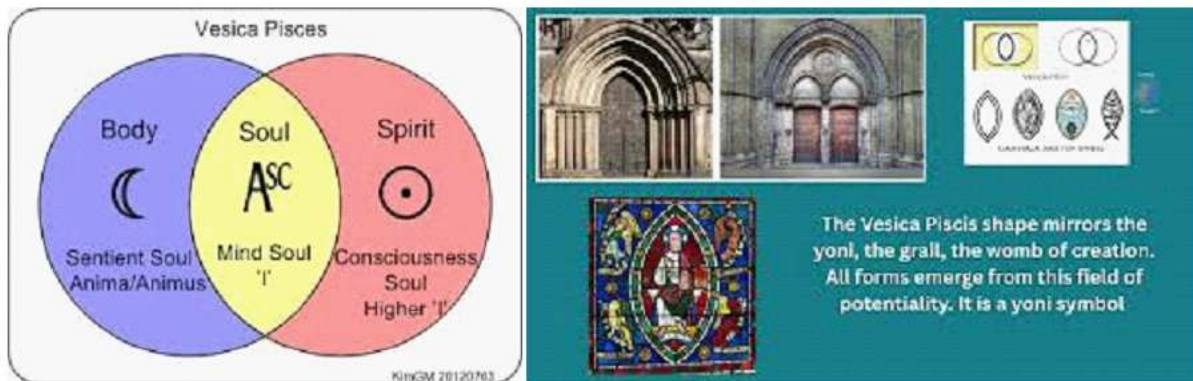

L: Sacred Geometry, vesica pisces and you see Chanel's logo there. It is not sacred to Christians as it is not godly. God's system of worship does not consist of any symbols, numbers or colors but satan's does. R: Spiritual Symbolism – The vesica pisces is a powerful spiritual symbol found in Christianity, ancient art, as the third eye chakra in Hinduism and even your own eyes. To be clear Christians have been deceived into thinking the fish symbol had anything to do with Christianity. That's a good example of the dummy definition or exoteric information that is fed to low level pawns and those that are not on the inside track of freemasonry and the illuminati.

Mandorla and vesica piscis mystical symbolism. They got it right, it is an ancient mystery religion symbol for the mother goddess, to be more clear it represents her womb or female anatomy. The triquetra on bottom far right has 3 vesica piscis in it.

Vesica Piscis – Union of masculine (sun) and feminine (moon) at the center point of intersection.

First Pic. L: Body with the moon symbol, sentient soul – anima / animus, M: Soul with ASC – Mind Soul “I” R: Spirit with the circle and point, consciousness Soul, Higher “I” 2nd Pic.: The vesica piscis shape mirrors the yoni, the grail, the womb of creation. All forms emerge from this field of potentiality. It is a yoni symbol. Yoni is a Sanskrit word meaning womb, source or sacred space.

On this illustration they show the inside of various fruits with this shape and at the center bottom they showed the female anatomy with this shape which I blanked out. Top Center – Vesica piscis – creation of light. Talking about the

womb. Of the mother goddess. Middle L: She represents the gate to the dimensions of magic. She is mother earth and through her womb life is born and dies. She is the gate to the underworld and the goddess that the witch and the warlock step down into in order to be initiated. She is the realm of death and the mother to all life. (Dragon Rouge 2001) Bottom M: The printed oval was a world-wide symbol of the great mother goddess because it represented the external genitalia of the female.

Under Armour is paying homage to the goddess. They also have the as above so below motto of the occult with the U turned upright and the U turned upside down.

Flip it on it's side and you see the vesica pisces better and you could see two stylized C's just like Coco Chanel which would be a 33. U also is a 3 on the Pythagorean numerology chart so either way you get 33 with their logo also.

Occult clothing needs to be destroyed. The pentagram is a strong occult symbol, this is a drawing agent or summoning agent and will draw demons into your life.

Magic symbols, the all seeing eye or evil eye which is the eye of lucifer will open your life up for spiritual attacks. This stuff is sold at Wal-Mart, Amazon – everywhere. It’s easy to acquire and it’s flooding our world. It has even made its way into the church. We need have eyes to see this stuff for what it is and get it out of our lives. There are better options out there, we don’t have to wear this stuff. All our clothes are made by luciferians but we can avoid this type of t-shirts.

I can't warn you enough to get all skeleton, skull clothing and items out of your life. It is glorifying death and will keep doors to satan and his kingdom open in your life. It's not cute, it's not cool, owning things like this has spiritual ramifications. Top R: love spelled backward is pronounced evil. Bottom R: Ed Hardy is a very satanic company. I would destroy anything I have from them. Burn, destroy or trash anything that has skeletons, skulls and death on it.

Jesus defeated death, hell and the grave for us. He went through torture and persecution to the point of being crucified in order to defeat death so we could be saved and not have to fear death. His resurrection is everything to us.

Col.2:15 – *And having spoiled principalities and powers, He made a shew of them openly, triumphing over them in it.*

New Living Translation

In this way, he disarmed the spiritual rulers and authorities. He shamed them publicly by his victory over them on the cross.

NLT – In this way, He disarmed the spiritual rulers and authorities. He shamed them publicly by His victory over them on the cross.

Revelation 1:18 – *I Am He that liveth, and was dead; and, behold, I Am alive for evermore, So be it; and have the keys of hell and of death.*

1 Cor.15:55-57 - O death, where *is* thy sting? O grave, where *is* thy victory? The sting of death *is* sin; and the strength of sin *is* the law. But thanks *be* to God, which giveth us the victory through our Lord Jesus Christ.

Apostle Paul defiantly asks, "*Where, O death, is your victory? Where, O death, is your sting?*" It is a triumphant statement celebrating the fact that death and sin have been conquered by Christ, our Lord.

Why would you want to glorify something that is an enemy of God.

Proverbs 8:36b - All who hate Me love death.

Death is an enemy of God and those that love death don't love God. If you are a Christian and have been guilty of glorifying death, my hope is that The Holy Spirit will open your eyes and you will repent.

Loving death and hating God is easy to see in The Roman Catholic church where they embrace skeletal remains, even having them right inside the church or beneath the church like you see here in this crypt. Those at high levels within that false religion which is a cult, know what having those bones in the church is doing, it is defiling the church and drawing more demonic power in. Jesus defeated death, remember that and keep the skulls and skeletons out of your life and home.

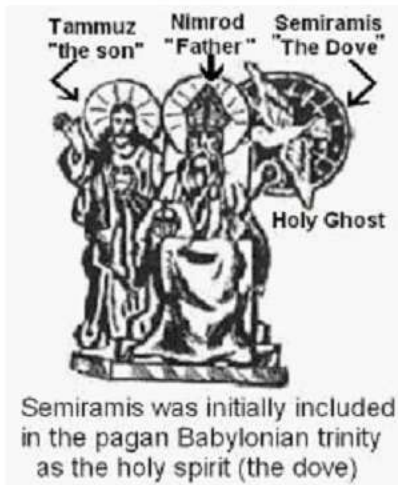

I did a teaching entitled *Satanic Clothing*, you should check it out to understand how they are trying to open us up to spiritual attack by the things we put on our bodies. They hide many demonic things in patterns and prints.

Pray over the things you buy, plead the blood of Jesus over everything you buy and all that you possess. If you are not sure if you should keep something or not, pray about it and cover it in Jesus' blood. If you don't have peace then it needs to go.

Just keep in mind the things I am showing you in this sermon series are not the only luciferian companies and products, it's everything in this world. It's the companies who make the rugs we put on our floors, the sheets on our beds, our grooming products, soaps etc.

Dove, simple. Just soap with a dove. There's always meaning with their symbols.

L: Tammuz "the son", Nimrod "father" Semiramis "the dove" Semiramis was initially included in the pagan Babylonian trinity as the holy spirit (the dove). R: The dove-goddess who was Semiramis, Ishtar, Astarte, Asherah - the mother goddess – queen of heaven whom God hates.

The Holy Spirit is compared to a dove, but He is not a dove.

Everything is made by luciferians who have carried on serving the fallen angels, false gods and goddesses. They practice the mystery religions and the name of their companies, their logos, colors they choose, numbers, symbols all plugs into satan's system of worship.

You can't get rid of everything, but you can be aware. Choose the best options, avoid the overly obvious satanic things and pray over EVERYTHING.

CLOSING

No Christian is going to have spiritual discernment without The Holy Spirit. Many are calling themselves Christians today but they are not filled and sealed with The Holy Spirit so in reality they are not Christians.

John 16:13-15 – Howbeit when He, the Spirit of Truth, is come, He will guide you into all truth: for He shall not speak of Himself; but whatsoever He shall hear, *that* shall He speak: and He will shew you things to come. He shall glorify Me: for He shall receive of Mine, and shall shew *it* unto you. All things that the Father hath are Mine: therefore said I, that He shall take of Mine, and shall shew *it* unto you.

The Holy Spirit tells us what Jesus has to say to us and what He has to reveal to us and everything God has for us belongs to Jesus, they are One and so at the same time everything The Holy Spirit teaches and reveals to us is coming from Jesus and The Father.

John 14:26 - But the Comforter, *which* is the Holy Ghost, Whom the Father will send in My name, He shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

The Holy Spirit teaches us all things reminds us of what Jesus has said, what Jesus has said is God's Word. Jesus is The Living Word of God. (**John 1:1, John 1:14**)

The Holy Spirit is our Teacher. Without the Holy Spirit you will not be spiritually discerning. That's why so many so called Christians continue in worldly things.
