

LUCIFER'S WORLD Pt. 3

FOOD and DRINK

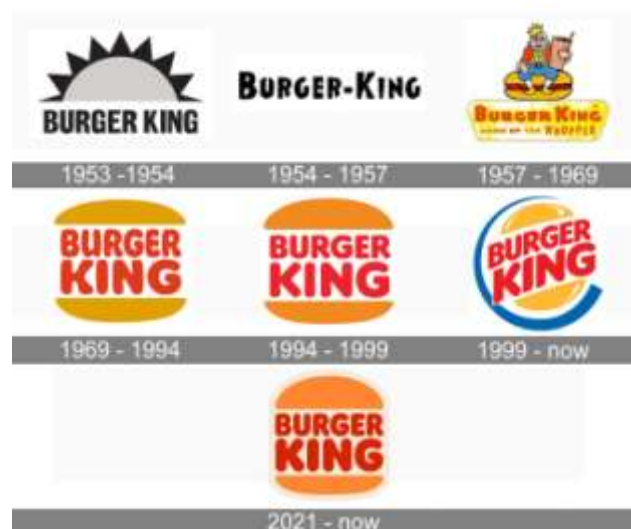

One time a long time ago I talked about the Starbucks logo and what it really stands for. That was right at the time that I was starting to understand it doesn't matter where you get your coffee from, if you ain't growing the coffee beans yourself, then it's coming from a luciferic company. I'm not telling anyone to quit drinking coffee, it's the same with tea, "they" are the ones who supply the tea that's on the market. I drink tea. There's a certain amount of this you have to make peace with and go on.

This is a great example. Blue Bell Ice Cream, the name of the Canaanite god is right in the title, Bell. That honors the sun god. Blue could be a reference to the blue lodge of freemasonry this is where the initial initiation into the order of freemasonry takes place. Freemasonry is a cult and the color blue has significant meaning in the occult as well. This is made in Texas and I still eat this ice cream from time to time. As God opens your eyes you'll begin to see the symbolism of the occult on everything.

Taco Bell is another good example of the 666 hidden in plain sight. They have highlighted a 6 in each picture here contained within the bell. Bell again is in reference to the sun god, Nimrod who was bell of the Canaanites and satan who empowered him. I still eat Taco Bell sometimes. We don't have to crack the code on all of this stuff to know whether we should or shouldn't eat there. Fast food is not the best thing for us, that's obvious. But the 666 hidden here is not obvious to the average person. The things that are obvious, like the 666 tennis shoes – for sure avoid that. If you don't have peace about something, avoid it. Be led by The Holy Spirit because you are not going to be able to get away from the symbolism of the occult, it's everywhere and on everything.

Sister Patricia had mentioned Burger King. This is a chart of how they have changed their logo over the years. Look at the top left: from 1953-1954 they were certainly right out front with their symbolism to the sun god, lucifer, way back

then. He's their king. I'm sure there is color magic pertaining to the colors they chose. Orange always equals freemasonry. The only King I recognize is Jesus.

Pythagorean Numerology

Look up each letter of the word orange and add it up and it will equal 33. The most talked about and honored degree of freemasonry. Numerology is something that those in the occult practice.

That's why we always see those who are freemasons throwing up two fingers which stands for orange which stands for the 33rd degree which stands for freemasonry which is a way to give a nod to the brotherhood they are part of and to the god they serve, who is lucifer. These actors and singers are luciferians and

that 2 is for freemasonry and also for devil horns among other things but it is not for the peace.

The common person imitates famous people but usually they have no clue what they are doing by posing for pictures holding up the so called peace sign. I believe Churchill is credited with saying the two fingers stands for peace. He was a freemason so that's a dummy or exoteric definition for what it means – for those that are not on the inside.

This is an energy drink. The banner says “get some evil in ya!!” As Christians, you should not buy this. It’s pretty in your face and if you don’t have a problem with it, then I would say you are not saved. God is against evil and even if you didn’t know about 666 because you haven’t read the book of Revelation, you should know that holiness has nothing to do with evil. Basically, I think energy drinks are bad. I think they are designed to be harmful and most of the ones I’ve seen are trying to entice people to drink them by using cool slogans and pictures. As if only cool people drink them making it like a dare to drink this stuff. We are not tempted by dares. Dares are from satan’s realm. These drinks are filled with stimulants that can cause heart problems, insomnia and anxiety.

L: This one has the baphomet symbol with 666 stamped on it, lucifer's lemonade. What the world says is cool is pure evil. R: A different flavor, this one says virgin sacrifice – cherry. Wickedness is strutting right down mainstreet today. It's got it's high heels and red lipstick on and it's in our faces.

It doesn't matter how you decorate the Monster brand. It ultimately stands for satan's kingdom.

Look at the Hebrew alphabet on the left and you can see that the letter that is pronounced vav also stands for a 6. Look across that line to the far left and you can see what the Hebrew character that stands for vav and 6 looks like and it looks just like what's on the can which is either claw marks or monster scratch marks on the monster energy drink can. Those who understand that satan's system of worship is based on symbolism can see that the logo for monster actually is 666.

Look at this red wine, from the company Bestia it gives a nod to 666, the mark of the beast right on the label. They are proud to let you know who they serve.

There's a red bull on the label and that goes back to red bull and red bull with wings which is a nod to nimrod and sun god worship.

L: Duvel 666 beer. Pretty obvious what it's all about. R: Fireball cinnamon whisky – red hot and it has a fire breathing demon on the label.

This is Jose Cuervo, devil's reserve. Just look at the picture of the devil with his arrow tail, horns on his head, animal hooves and pitchfork, typical depiction. This is designed to destroy your life.

Devil's devil, sinnamon spirits. Another typical picture of the devil, horns, a goatee red eyes and arched eyebrows wearing a cape surrounded by fire. Cinnamon is spelled with an s - like – sinn-amon. And it says horns up on the label.

All liquor – alcohol will open doors in your life to satan and his demons. I did a short sermon series entitled *Drinking*. If you do not understand how satan uses alcohol to tear you down, I encourage you to go and listen to that sermon series. The alcohol manufacturers are very obvious about who they serve and it should be a clear warning to everyone to steer clear from it. It says spirits on the bottle for a reason, demons come into your life when you drink. Read God's Word and find out what it says about drinking. And before you get up on a high horse about Jesus turning the water into wine or Jesus drinking wine, just remember it was not the same as what is being made today. I believe the liquor today including wine, is stronger than what they had in Biblical times.

More energy drinks, L: Demon and the can is labeled hell fire with the “o” made into a sun cross for sun worship. R: Blue demon energy drink with a picture of a demon with the arrow tail pointing down. This stuff isn’t cute. It is speaking loud and clear spiritually and if you buy these products, you are also speaking loud and clear spiritually. You are saying satan’s kingdom is ok with you. You are shunning Jesus. As Christians, products that are clearly marked for satan and his kingdom, we should avoid them at all cost. We don’t have to have these products, they are not crucial to sustain our lives at all.

Zapp's brand potato chips - sales New Orleans Kettle Style Voodoo Chips. L: Regular voodoo chips and on the bag are little rag dolls, some have pins stuck in them because that's what witches do with voodoo dolls. R: Voodoo heat chips and it has a dead person or zombie, blacked and x'd out eyes with red hair standing off the head to indicate how hot these chips are. Again there are dolls with pins stuck in them on this package also. There are plenty of chips on the market. Do not buy voodoo chips. It's not cool or cute to buy these chips. You have other choices.

Lay's is the biggest potato chip company. Their logo is clearly indicating sun worship with a huge sun in the background. The sun symbol is symbolic of

Nimrod, of Osiris and Horus in Egypt, of baal from our Bibles. Ultimately it is a symbol of lucifer who is known in the occult as the light bringer or illuminator. He's called the illuminator or light bringer because Adam and Eve gained knowledge after they sinned against God. So they were enlightened or illuminated. I eat potato chips sometimes even knowing about this symbolism. But I'm not eating voodoo chips. I only know the symbolism because God has shown me. My advice to you is to avoid the super wicked things like voodoo chips.

Lay's is owned by Pepsi. Pepsi is a mega corporation. They are using color magic in their logo. The word pepsi is supposed to trace back to the pepsin enzyme or to dyspepsia which means indigestion. But if you take it and apply it to the Pythagorean numerology chart add it up and reduce it down you get the number 11. In numerology 11 is considered a master number and referred to as the master teacher or master illuminator. So you can see how that relates to their master, lucifer whom they call the illuminator. I may not know every occult symbol and what it means or be able to break the code on every company but I know enough to know they all show their allegiance to satan and that is the only way they are successful and major players on the world stage. I believe the red and blue on the Pepsi logo are giving a nod to the red and blue degrees of freemasonry.

I do not grow my own food and I have to eat to stay alive. Everything in the grocery store is produced by them including fresh fruits and vegetables.

You must apply the following scripture to your food.

1 Tim.4:4-5 – For every creature of God *is* good, and nothing to be refused, if it be received with thanksgiving: For it is sanctified by the word of God and prayer.

When we pray over our food, God cleanses it and makes it acceptable for us to eat. Knowing that the luciferians are basically in control of the food supply and what we put on our table, you better remember to pray over every meal, make this a godly habit so that it just comes natural to you.

Pray over your groceries, your food and over your meals. When I buy groceries I pray over them. Otherwise, I plead the blood of Jesus over my life and all that pertains to me physically and spiritually - daily.

There may be some mom and pop shops out there but they will not get rich or be very successful unless they bow to lucifer. They will never be mega corporations.

We are living in times where nothing is pure. The luciferians have taken over everything. They produce everything even supposed Christian products are made by luciferians. Producing all the products is one way they can put their spells on them, curse them and work their magic over them. They are hoping to bring harm and destruction and even the presence of demons into the lives of those who buy their products. They have been at full on war against us in all of this and we have not known it. Thank God for His mercy and grace on your life for protecting you and fighting for you when you don't realize these things. He extends so much grace to us but He doesn't want us to remain spiritually blind to the enemy and how he works.

CHRISTIAN SPIRITUAL DISCERNMENT

1 Cor.2:11-16 - For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know *them*, because they are spiritually discerned. But he that is spiritual judgeth all things, yet he himself is judged of no man. For who hath known the mind of the Lord, that he may instruct Him? But we have the mind of Christ.

Let's break that passage down: If you want to understand God's thoughts and the things of God, then you need His Spirit, Who is The Holy Spirit. God's Word can only be understood by The Holy Spirit. The Word of God was given to holy men to record for us through The Holy Spirit so we could know God's Word. It was not just men writing down their own thoughts and ideas. We understand through Scripture that Satan has been fighting to contaminate God's Word, twist God's Word, invalidate it, change it etc. since the Garden of Eden. **(Genesis Ch. 3)** Black magic, like the Mandela Effect used against God's Word and purposely wicked translations have gone far in perverting God's Word. But there is still enough preserved for us to know Jesus and be truly saved. Only those Who have God's Spirit in them can truly understand His Word. That's why we cannot learn from Jews, they have rejected Jesus and are not in favor with God, they do not have His Spirit, they are in great sin against God. The same is with all false religions.

People who see nothing wrong with evil things or worldly things cannot understand the error of their ways because they cannot understand God's Word in order to discern why something is evil or worldly. As Christians we are to judge all things with the divine wisdom of God which comes through His Spirit. True Christians led by The Spirit are not subject to the judgement of those who do not possess spiritual discernment, that is unbelievers who lack The Holy Spirit. Unbelievers cannot judge us because they don't understand Christianity. Our true accountability is to God, Who alone fully understands the heart and mind. We have the mind of Christ only through being filled and sealed by The Holy Spirit. We cannot understand divine thoughts, God's Word without divine revelation which only comes through The Holy Spirit.

Eph.5:25-27 - Husbands, love your wives, even as Christ also loved the church, and gave Himself for it; That He might sanctify and cleanse it with the washing of water by the word, That He might present it to Himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish.

You get washed by God's Word, and your mind gets renewed and you truly get the mind of Christ when you have God's Spirit inside of you and you feed on God's Word continually. As you apply God's Word to your life, you are being sanctified

by God. He is pruning you so that you will be effective for His purposes and spotless when you go to be with Him.

Romans 12:2 – And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what *is* that good, and acceptable, and perfect, will of God.

If you still love the things of the world you have not been transformed, your mind has not been renewed in God's Word by The Holy Spirit. If you are not reading God's Word you do not have the mind of Christ and your thoughts are still worldly. You do not have spiritual discernment. Those who do not read God's Word usually are not saved.

Eph. 4:22-24 – That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; And be renewed in the spirit of your mind; And that ye put on the new man, which after God is created in righteousness and true holiness.

As Christians, we are to leave our old sinful life behind. The things we were drawn to and the way we lived. If your life doesn't look different since you got saved, you didn't get saved. It's that simple. The Holy Spirit will renew your thoughts and attitudes to help make you more like Christ, to think like Christ. We were created in the image of God and The Holy Spirit's work is to help us to get back to who He created us to be and what He created us to do and that is to be god-like, truly righteous and holy.

CLOSING

We can't just throw everything away. Throw out the obviously wicked things and pray over the rest. Use your spiritual discernment.

1 John 4:1 - Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

This passage of scripture is initially speaking of testing the things spoken, taught or prophesied in God's name. Test what you hear to see if it is truly by God's Spirit or not. As Christians we apply this to everything around us and in our world. If something wicked is easily discerned and it is not something you have to have, then don't get it or get rid of it, destroy it or whatever the case may be.

High level luciferians are at the head of every major corporation and in every power position in this world. This is lucifer's world and he only promotes those that serve him. That being said, let's go back to the example about chips, the average Christian has no clue that Lay's symbolism shows worship of the sun god with the ultimate sun god being lucifer. Most Christians however, DO understand that voodoo is evil. So as a Christian, don't choose the voodoo chips. Make the better choice. Shoes are made by these luciferian companies but you don't have to buy the ones that have 666 on them. Even though Adidas has the 3 stripes and in esotericism that stands for 666, this isn't common knowledge among Christians. And even now that you know this because I have taught and explained this piece of satan's symbolic system of worship, doesn't mean you can't own a pair of Adidas or wear an Adidas shirt.

The big take away is we must be more spiritually discerning as Christians. Ask The Holy Spirit to lead and guide you through this wicked world. Pray over everything and if you don't have peace and don't have to have whatever it is, then get rid of it. There's a reason you aren't getting peace. Otherwise pray over everything you have and cover it all in Jesus' blood and do your best to avoid in your face wicked things.

satan's system of worship includes number magic, that's where numerology and gematria come into play. It includes color magic and symbol magic. Even though I have shown you what many of these luciferic logos and symbols mean over the years, it doesn't mean you can't buy those products. As Christians, we are not in satan's system of worship. Those three stripes on Adidas don't mean anything to us because we don't practice esotericism, we don't practice the mystery religions. We know the truth now about many things. The blood of Jesus helps to protect us and all that we have. The only way to be truly protected in this world is to be truly saved and fully committed to God, surrendered and obedient to Him so that His full blessing and protection rests on your life.
