

ABORTION Pt. 2

****Because of the nature of this topic and certain things I'm going to bring to light, which you cannot discuss on Youtube, we are censoring ourselves and not putting this sermon on Youtube. You can find it on our church website, Rumble and Bitchute. Look in the info. box for links.****

****WARNING – The nature of what is going to be discussed is sensitive. Some things discussed and seen in some of the videos are disturbing. This is for a mature audience.****

***Please play from 24:50 to 51:17 This video is going to help us to understand the goals of eugenicists like Margaret Stanger founder of Planned Parenthood and high level luciferians. Let's understand better how they are working their agenda of depopulation in which abortion plays a huge role. STOP**

Right from the start we learn that Bill Gates' dad was head of Planned Parenthood. Margaret Stanger, founder of Planned Parenthood stated, "We want a world freer, happier, cleaner – we want a race of thoroughbreds." She established her first full service clinic in Harlem in 1930. She was racist and wanted to experiment on the black race. Why Harlem? The Washington Times explained, that's where a lot of black people she often referred to as "human weeds" lived. Sanger described it as "an experimental clinic established for the benefit of the colored people." She wrote to Clarence Gamble of Proctor and Gamble saying that they should use ministers as a cover to set up these clinics. "The most successful education approach to their population is through a religious appeal. We don't want the word to get out that we want to exterminate the negro population and the minister is the man who can straighten out that idea if it should occur to their more rebellious members." Hitler authorized and the Nazis performed sterilization experiments during the holocaust. Margaret Stanger was FOR forced sterilizations even after the time of Hitler and all he had done. She believed in human breeding and breeding out the unfit. She thought the poor and others were unfit and we needed to stop them from breeding because they were going to overcome white elitists. She was against lower

classes, the poor, minorities and immigrants – anyone who is part of the lower races or mentally unfit not stacking up to her predetermined standards – to her they were like weeds. The luciferians are depopulationist and eugenicists. Charles Wurster, Environmental Defense Fund said, “People are the cause of all the problems; we have too many of them; we need to get rid of some of them, and this (ban of DDT) is as good a way as any.” Convention on Biological Diversity Signed by Bill Clinton, United States in New York June 4, 1993. Section 9.2,3,2 claims “that we must either reduce the earth’s population to 1 billion or reduce the standard of living to an agrarian “peasant” status. Platform for United Nations urban-ecological summit held in Istanbul, Turkey June 1996. “Christianity is our foe. If animal rights is to succeed, we must destroy the Judeo-Christian religious tradition.” Peter Singer professor at Princeton, favors killing babies up to 28 days old. The “father of animal rights.” AP Nov.22, 1999 See:

Alan Gregg, was a longtime official for the Rockefeller Foundation, said, “The world has cancer, and the cancer is man.” Reference: Mankind at The Turning Point 1974. Prince Albert said, “If I could be reincarnated, I would wish to return to earth as a killer virus to lower human population levels.” Prince Philip, (husband of Queen Elizabeth) President World Life Fund major investor in ADM – majority % of world food distribution. Kent Hovind, young earth creationist defender mentioned going to Bill Sardi.com to take a look at some of these “new” flu’s they are coming up with. The Population Council was created in 1952 by John D. Rockefeller III. Frederick Osborn, first Population Council President and head of American Eugenics Society. **Eugenics is a philosophy declaring man should intervene to alter human hereditary traits.** Eugenics is the same philosophy that Hitler subscribed to. The Rockefeller Foundation helped to found the German eugenics program. They gave statistics for how many thousands of people were forcibly sterilized in the U.S. under the eugenics program and in Sweden. Long after the time of Hitler. Margaret Stanger said, “Slavs, Latins and Hebrew immigrants are human weeds...a deadweight of human waste. Blacks, soldiers and Jews are a menace to the race.” They sing the praises of Bill Gates and how he is giving a ton of money away supposedly doing good things. These are just cover operations for what they are really doing. Bill and Melinda Gates and Mike

Bloomberg were doing work and research in Africa as if they were helping them. Their true agenda is depopulation. Sherry Shriner said there are satanist groups everywhere. If you go to New York you will answer to George Soros, he's the high priest of New York City. If you go to Chicago you are going to answer to Penny Pritzker. She decides who gets what and she forces them to be sodomized. They all do this and that's the truth. They force them to be sodomized by donkies. They force them to perform felacio on donkies. No one gets away from this no matter who you are. Just because you're the president doesn't mean you get out it means you have to give more because you've got the highest rank and more abominable things are expected of you. When you are a satanist, you have to have a ministry for satan. Like Christians a lot of people have their own different types of ministries. That's why you don't see them idle, that's why they're not sitting still. When they're not killing babies and eating hearts and getting boinked by donkies they have to have a ministry for satan. Sherry Shriner said the luciferians have to have ministries for satan and many times they work together on things that would please satan, things that are hurtful. Things that cause sickness, poisons, cause a lot of deaths, cause a lot of injuries. Hurting the innocent, like hurting babies would be the highest on satan's totem pole would be to hurt babies. A CNN interview with George Soros brought out that in 1989 he funded a lot of civil dissidence in Poland and the Czech Republic. They asked if he was doing the same thing in Ukraine. He said he had a foundation he set up in Ukraine that was playing an important part in the events that were taking place now. Sherry Shriner said that George Soros replaced David Rockefeller because Rockefeller was getting too ill. So Soros became the high priest. Bill and Melinda Gates came up with The Giving Pledge Foundation where members must have at least one billion dollars and pledge to give at least half of that to the foundation during their lifetime or in their will. This vast amount of money is being used for lucifer's kingdom. Part of the pitch they use to promote giving to THE Giving Pledge is that it can educate children and it can VACCINATE children. *(about 26.5 min's)

George Soros funds the riots. He pays the people to riot and tear everything up creating false flags and chaos.

This is a picture of some of the billionaires who are eugenicists that have heavily donated toward depopulation agendas. Top Left: Ted Turner, Bill Gates Sr., George Soros, David Rockefeller. Bill Gates Sr. is co-chair of the Bill and Melinda Gates Foundation and father of the Microsoft founder. Bottom Left: Irene Diamond and far right is Brooke Astor. They are friends and they are all using their money to bring in the New World Order. They do not believe in God. They have put their money toward finding ways to try and live forever without God. And in the process they have been making us sick and killing us off. Satan has blessed them with riches and they are expected to use their wealth for his kingdom and they certainly do.

Now we can understand why Bill Gates is a depopulationist, his father was one. As they say, the apple doesn't fall far from the tree. The luciferians groom their children up into this stuff. When the older generation of luciferians die off their children will take up right where they left off and carry the same agenda forward.

These people do not believe in God. Margaret Sanger, founder of Planned Parenthood, was against God and hated Him as all these luciferians do.

Psalms 14:1 - The fool hath said in his heart, *There is* no God. They are corrupt, they have done abominable works, *there is* none that doeth good.

If you tell yourself there is no God, then you don't have to deal with your sin. They are deceiving themselves and anyone else who will listen to them. These people and their offspring are completely filled with demons. The fallen angels have taken up residence in them and they do satan's bidding in this world.

This video made their depopulation agenda very clear. You can clearly see all the high level luciferians backing it and pouring tons of money into it. Look at how they schemed against against the black population using bought and paid for ministers to sway the people to go along with abortion. The black ministers were to convince their congregations that Planned Parenthood was a good thing. What about God's Word that says it is murder to kill any human being? This video clip quoted several luciferians stating that the population needed to be reduced. This goes back to the Georgia Guide stones where they had openly stated some of their agenda goals and bringing the population to under 500,000,000 million people was one of them.

Queen Elizabeth and Prince Philip. These people could not even be considered people. They so completely sold themselves to the devil that they were completely possessed and controlled by demonic entities. They are what you would call reptilians. They are both dead now but they just body snatch a new body or container as they call us and put their soul (consciousness) in it and keep going. Their demons will gladly follow them to the new host body as well. He stated he wanted to die and come back as a killer virus to lower population levels. Look how sick and twisted they are with how they think and the audacity of what

they say in their foundations, meetings and secret meetings etc. The corona virus outbreak was completely planned for their agenda. I gave a long sermon series entitled *Coronavirus* exposing what they had unleashed on the world. I didn't actually finish it but just left off after getting the meat of it out.

Kent Hovind teaches creationism in defense of a young earth. I like the points he made in this video. He made a valid point about these filthy rich luciferians and their hate for mankind, how they could just unleash a virus or something in the food supply and have their cover story and lower the population and never miss a beat. They've been doing this to us for years and we haven't realized it. The biggest one they just pulled off was with the corona virus.

We learned that Margaret Stanger founder of Planned Parenthood was a major eugenicist, a major racist. In the video they said that **eugenics is a philosophy declaring man should intervene to alter human hereditary traits**. So the elitist luciferians believe they should choose who measures up and who doesn't meet their standards. Anyone that doesn't make the grade needs to be exterminated or sterilized.

They mentioned Bill Gates as being the richest man in America according to Forbes back at the time this video was made. I like that the person who put this

video together was spiritually awake and put this statement here: Illuminati “blessing” for doing satan’s work. They got it exactly right.

Sherry Shriner said the luciferians have to have ministries for satan and many times they work together on things that would please satan, things that are hurtful. Things that cause sickness, poisons, cause a lot of deaths, cause a lot of injuries. Hurting the innocent, like hurting babies would be the highest on satan’s totem pole. She said they stay busy for satan with their ministries when they are not killing babies and eating hearts and having sex with donkeys. The things she said are true. They are made to have sex with animals as part of their loyalty to satan.

Leviticus 18:23 – Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it *is* confusion.

New Living Translation

“A man must not defile himself by having sex with an animal. And a woman must not offer herself to a male animal to have intercourse with it. This is a perverse act.

NLT – A man must not defile himself by having sex with an animal. And a woman must not offer herself to a male animal to have intercourse with it. This is a perverse act.

This command is part of the Holiness Code, a section of Leviticus that outlines moral and ceremonial laws for the Israelites. The prohibition against bestiality is rooted in the creation order, where God established distinct boundaries between humans and animals ([Genesis 1:26-28](#)). This act is seen as a violation of the natural order and an affront to the sanctity of human sexuality, which is intended to reflect the covenant relationship between God and His people. The prohibition is reiterated in other parts of Scripture, such as [Exodus 22:19](#) and [Deuteronomy 27:21](#), emphasizing its importance in maintaining the purity and holiness of the community.

In the ancient Near Eastern context, such practices were sometimes associated with pagan rituals and fertility rites, which the Israelites were to avoid as they were called to be a distinct and holy people ([Deuteronomy 14:2](#)). The prohibition serves to protect the dignity and sanctity of human sexuality. The nations or that is pagans, served the fallen angels and false gods and goddesses. Those in satan's system of worship are required to do the very things God calls abominable.

Leviticus 20:15-16 – And if a man lie with a beast, he shall surely be put to death: and ye shall slay the beast. And if a woman approach unto any beast, and lie down thereto, thou shalt kill the woman, and the beast: they shall surely be put to death; their blood *shall be* upon them.

The prescribed punishment of death underscores the severity of the offense in the eyes of God. In the context of ancient Israel, capital punishment served as a deterrent to prevent the spread of practices that could lead to moral and spiritual decay within the community. I believe the animal had to die because having sex with a human is not a natural part of their nature and they would be messed up in their brain and actions afterward.

Deut.27:21 - Cursed *be* he that lieth with any manner of beast. And all the people shall say, So be it.

The communal response of "So be it" signifies agreement and acceptance of the curse by the entire assembly of Israel. This practice of collective affirmation underscores the unity and shared responsibility of the community in upholding God's laws. The use of "So be it" is a solemn acknowledgment of the truth and seriousness of the pronouncement, binding the people to the covenant.

Anything God forbids, satan requires. Anything that is abomination to God, satan honors. He degrades those that serve him. Eventually they will pay the ultimate price in the lake of fire for all of eternity.

satan has made these luciferians rich and they must use what he has blessed them with to serve his kingdom, his agendas. They roll it out to us as if they are doing good deeds, being generous when the truth is something completely different.

They really focused on Africa at the end of that clip. That's because they do a lot of experimentation on Africa. They seem to be more gullible in trusting these people thinking they actually want to help them.

Margaret Sanger founder of Planned Parenthood said, "We do not want word to go out that we want to exterminate the Negro population..." Look at the toll abortion has taken, it far outweighs even cancer and heart disease for deaths. This lady picked up right where Hitler left off with eugenics.

The majority of America has bought into the vaccine lie "safe and effective". Whatever the WHO (World Health Organization), CDC, government cooks up and tells us we need, they will readily line up and go get whatever is being dished out no questions asked. Vaccines and abortions feed satan's agenda.

John 10:10 - The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have *it* more abundantly.

This is satan's MO. He only wants to steal what is ours, kill us and destroy our lives any way he can. His servants are dedicated to carry out his plans against us. The brainwashing propaganda of pro choice is all over tv and the movies, encouraging women to kill their offspring.

Gloria Steinem is one of the women of the #YouKnowMe project (Picture: Tara Todras-Whitehill)

Just look at this campaign. Gloria Steinem is one of the women of the #Youknowme project (Picture: Tara Todras-Whitehall) She's proud to be wearing an "I had an abortion" t-shirt making the goddess symbol above her head. They pump big money into this kind of thing to get women all into the movement. Don't get me started on how much traction they have gained with women's lib.

American has also bought into the safe and effective propaganda about vaccines that are designed to ultimately harm us and work against us. In all of this, they always profit. They don't do anything that they are not going to profit from. There is big money in the abortion industry and there's big money in big pharma, vaccines and the medical industry.

ABORTION IS INTENTIONAL MURDER

Last week we learned that God knows us right from the womb. It isn't a baby when it leaves the hospital. It's a baby right in the womb even before birth.

Leviticus 24:17 - And he that killeth any man shall surely be put to death.

This phrase establishes the principle of the sanctity of life, a core tenet in biblical law. The commandment reflects the belief that life is a gift from God and only He has the authority to give and take it. This principle is rooted in [Genesis 9:6](#), where God declares that whoever sheds human blood, by humans shall their blood be shed, for humans are made in the image of God. The phrase underscores the seriousness of murder and the value placed on human life in the biblical narrative.

The death penalty for murder serves as a deterrent and a means of purging evil from the community, as outlined in [Deuteronomy 19:13](#).

Numbers 35:31 - Moreover ye shall take no satisfaction for the life of a murderer, which *is* guilty of death: but he shall be surely put to death.

[New Living Translation](#)

Also, you must never accept a ransom payment for the life of someone judged guilty of murder and subject to execution; murderers must always be put to death.

NLT – Also, you must never accept a ransom payment for the life of someone judged guilty of murder and subject to execution; murderers must always be put to death.

The idea of a ransom, or a payment to avoid punishment, was common in other ancient Near Eastern cultures, but Israel was called to a higher standard of justice that did not allow for the wealthy to escape the consequences of their actions.

The phrase "who deserves to die" indicates a legal determination made according to the law. In the Mosaic Law, certain crimes, such as premeditated murder, were considered capital offenses. This reflects the belief that life is sacred because humans are made in the image of God ([Genesis 9:6](#)). The determination of guilt and the deserving of death would have been made by the community leaders or judges, ensuring that the punishment was just and not arbitrary.

It also points to the ultimate justice of God, who will not allow sin to go unpunished. In the New Testament, while the emphasis shifts to forgiveness and

redemption through Christ, the seriousness of sin and the need for justice remain central themes. Jesus' sacrifice is seen as fulfilling the law's demands for justice, offering a way for sinners to be reconciled to God.

Those committing intentional murder in the Old Testament were guilty according to God's law and the punishment and judgment for that sin was that they were to pay with their own life for the blood they had shed. Today, we have a New Covenant through Christ. Praise God we can be forgiven even for premeditated murder. But to be truly forgiven you must recognize that it is sin against God and be mournful, sorry, grieving over your sin against Him, truly sorry. God will forgive the one who has a broken spirit, a broken heart and repentant heart over their sin. **(Psalm 51:17)** We are still answerable to man's system of justice and jail time or death is a normal sentence for premeditated murder – but abortion gets a pass. King David committed premeditated murder, he took the time to write a letter and get it to Joab, the commander of his army. Telling him to put Uriah up in front of the battle so he would get killed. That's premeditated murder and God forgave him. Praise God for His forgiveness to us. It is a shame that abortion is not considered murder.

We are made in God's image. We are special and precious to God. Satan has managed to convince women all over the world to kill their own offspring.

CLOSING

If you have had an abortion, please ask forgiveness.

Exodus 20:13 - Thou shalt not kill.

God told us from the beginning not to kill other human beings. Abortion is sin against God and you need to ask forgiveness. Let Him know you understand that it was a sin against Him and you are very sorry for it. Ask for forgiveness, you do not want that baby's blood on your hands. We will give an account to Christ for all the things we did in this life. **(2 Cor. 5:10)**
